

FORD
2022 EXPEDITION®

Vehicle imagery throughout this brochure may be computer-generated and may include available and aftermarket equipment. Preproduction models may be shown throughout. Performed by professional driver. Always consult the Owner's Manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear.

THE ROAD TO ADVENTURE IS OFTEN UNPAVED. **THE NEW FORD EXPEDITION.**

We know that the Ford Expedition® SUV is your kind of big, with seating for 8. And with the new Expedition Timberline model, **the most off-road-ready Expedition yet**, your destination can take you and your crew far off the beaten path. The new Stealth Performance Edition covers on-road family excursions in true Expedition style. Both feature best-in-class¹ performance from a **new 440-horsepower² High-Output 3.5L EcoBoost® Twin-Turbo engine**. And that's not all the news. New front and rear exterior designs offer a higher level of sophistication and refinement. Sophisticated new features include voice-activated technology like SYNC® 4³ with **big new screens**. Grand family adventures require a special kind of big. You'll find it in all 6 models of the new 2022 Ford Expedition.

XL | XLT | TIMBERLINE™ | LIMITED | STEALTH | PLATINUM®

TIMBERLINE. Dark Matter Metallic. Available equipment.

1. Class is Non-Premium Large Traditional Utility. **2.** Horsepower rating based on premium fuel per SAE J1349® standard. Your results may vary. **3.** Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

DESIGN THAT ENHANCES YOUR JOURNEY.

Stay well-connected with the smartest SYNC® system ever. The standard 12" touchscreen and the available best-in-class¹ 15.5" high-definition touchscreen of SYNC 4² make it easy to play your music, navigate through your apps and interact with your phone through voice or touch prompts. SYNC 4² delivers comprehensive search results and more functionality, including a Digital Owner's Manual, and wireless access to Apple CarPlay® compatibility,³⁴ Android Auto™ compatibility³,⁵ and SYNC AppLink® apps from smartphones and mobile devices.

A simple turn of the rotary gear shift dial easily moves you from Park to Reverse to Drive. Available 4WD with the Terrain Management System™ offers **7 Selectable Drive Modes**, while the available best-in-class¹ 12.4" digital instrument cluster lets you configure the look and function of the gauges. The 2022 Ford Expedition® SUV liberates immersive sound from the available best-in-class¹ **B&O® Unleashed 22-Speaker Sound System** with 1,080 watts of power. It can make every song sound like an in-person concert. A 12-speaker B&O Play Sound System offering 680 watts of digitally processed sound is also available.

SYNC 4 WITH 12" CENTER STACK TOUCHSCREEN

Standard on XL, XLT, Timberline,™ Limited and Stealth

ROOM TO ROAM. ENJOY THE RIDE.

Take a seat in the available 10-way power driver's seat, settle into the available **2nd-row power-folding 40/20/40 seats** – available in either cloth, ActiveX™ or leather-trimmed seats – or relax in the power-reclining PowerFold® 3rd-row seats, and you'll quickly see the Ford Expedition® SUV is **big on space** and even bigger on comfort.

With **seating for up to 8 passengers**, everyone will appreciate the expansive room. And, with available 2nd-row power-folding tip-and-slide seats, you can keep a child seat secured while simply sliding the seat forward to allow passengers access to the 3rd row. Plus, the **15 conveniently located beverage holders** give everyone a place to keep their drinks close at hand. No matter where you find your place, in Expedition, you're sure to be comfortable.

For more space – nearly a foot more length with an additional 16.9 cu. ft.¹ – the Ford Expedition MAX SUV gives you all the room you need, in all the right places. Larger rear door openings make for easier entry and exit. An available Advanced Cargo Manager shelf helps you keep things in order. And an available hands-free, foot-activated liftgate opens with a simple wave of your foot under the bumper – all while keeping your key fob in a pocket or purse. A liftgate glass that can be opened manually or with the liftgate itself helps make accessing everything you're carrying easier, too.

PLATINUM® MAX. Carmelo leather trim. Available equipment.
1. Cargo and load capacity limited by weight and weight distribution.

BEYOND CONFIDENCE. IN COMMAND.

Confidence comes naturally with our extensive collection of standard and available **Ford Co-Pilot360™ driver-assist technologies**.¹ They utilize a network of sensors and sophisticated cameras to offer support in many scenarios, helping you feel confidently in command of your new 2022 Ford Expedition® SUV. In fact, with several new technologies this model year, the Expedition SUV is designed to help you feel more confident wherever your travels take you.

FORD CO-PILOT360 TECHNOLOGY

TIMBERLINE. Dark Matter Metallic. Available equipment.

1. Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. **2.** Horsepower and torque are independent attributes and may not be achieved simultaneously.

Performed by professional driver. Always consult the Owner's Manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear.

XL

Ford Expedition® XL SUV delivers. With a 380-hp 3.5L EcoBoost® engine, XL makes it easy to get where you need to go – with what you need to take with you. Pair that with 18" machined-face aluminum wheels with Magnetic-painted pockets, and you get **rugged good looks** and at-the-ready power in one powerful model. And, new SYNC® 4 with a 12" touchscreen and voice-activated technology¹ provides **wireless Apple CarPlay® and Android Auto™ compatibility**,^{2,3} keeping you conveniently connected virtually everywhere you go.

XL. 4x2. Iconic Silver Metallic. Available equipment.

XLT

Ford Expedition XLT has what it takes to take your whole crew just about anywhere. Available ActiveX™ Trimmed Seats offer a comfortable space for passengers, while a **PowerFold® 3rd-row seat folds flat** with the touch of a button making it easy to carry more cargo. Loading cargo is easy too, thanks to the available power liftgate. Available 4-door Intelligent Access means with the key fob on your person, any passenger door unlocks with just the touch of a door handle. Once inside, available ambient lighting brightens the interior. With the available **Black Accent Package**, the Expedition XLT SUV will turn heads with 20" 6-spoke Gloss Black-painted aluminum wheels and Gloss Black-painted accents that add style and elegance to the monochromatic exterior.

XLT. 4x2. Agate Black Metallic. Available Black Accent Package. Available equipment.

TIMBERLINE

With **enhanced power and off-road capability**, Ford Expedition Timberline™ SUV is outfitted with a High-Output 3.5L EcoBoost Twin-Turbo V6 engine that delivers 440 hp^{4,5} and 691 Nm of torque.^{4,5} Front, rear and underbody steel skid plates offer protection when the going gets tough. Off-road-tuned front and rear shocks and an electronic limited-slip differential help out as well. **269 mm of ground clearance with improved approach and departure angles thanks to the off-road Ford F-150® RAPTOR™ inspired front bumper, the 2022 Ford Expedition Timberline** helps you get into – and out of – the rough stuff. And there's no mistaking the Timberline look. Black Ford Oval badging, a blackout treatment on the headlamps and taillamps, and Ember Red accents let you know Timberline means business. Inside, **2 unique interior options** complete the difference.

TIMBERLINE. Forged Green Metallic. Available equipment and available Ford Accessories.

1. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. **2.** Requires phone with active data service and compatible software. SYNC 4 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. **3.** Apple CarPlay and its functions are products of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan. All features supported in Middle East countries are available. Android Auto and its functions are products of Google and its terms and privacy statements apply. Requires compatible Android smartphone with Android Auto app on Google Play and data plan. Your results may vary. **5.** Horsepower and torque are independent attributes and may not be achieved simultaneously. Always consult the Owner's Manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear.

LIMITED

Everything about the Ford Expedition® Limited SUV was designed with you in mind. Inside, **heated and ventilated leather-trimmed front seats** with a convenient driver's memory feature that recalls saved settings wrap you in comfort, while a power-tilt/-telescoping steering column and power-adjustable pedals let you fine-tune things just so. A power, panoramic Vista Roof® opens up to let the sun shine in, and **power-deployable running boards** add that little something extra.

LIMITED. Dark Matter Metallic. Available equipment.

STEALTH PERFORMANCE EDITION

With a sleek appearance and **enhanced power**, the Stealth Performance Edition is equipped with a High-Output 3.5L EcoBoost® Twin-Turbo V6 engine that delivers 440 hp^{1,2} and 691 Nm of torque.^{1,2} Ebony Black accents all around provide a monochromatic appearance outside, while EXPEDITION lettering on the hood, **massive 22" premium black-painted aluminum wheels** and red performance-tuned brakes let you know this model is something special. Inside, the best-in-class³ **22-speaker B&O® Unleashed Sound System** provides concert hall sound, while unique red stitching sets the interior apart. Standard driver-assist technology upgrades include Ford Co-Pilot360™ Assist 2.0, which includes a 360-Degree Camera with Split-View Display, Reverse Brake Assist and Active Park Assist 2.0. In every way, Expedition Stealth offers luxury on a grand scale.

STEALTH. Dark Matter Metallic. Available equipment.

PLATINUM⁴

From the power of a 3.5L EcoBoost® Twin-Turbo V6 engine to the massive 22" 12-spoke polished aluminum wheels and power-deployable running boards, this Ford Expedition SUV is the real deal. A **15.5" LCD capacitive touchscreen**, the largest in its class,³ enhances new SYNC® 4 voice-activated technology.⁵ While a 12.4" Multicolor Productivity Screen in the instrument cluster accompanies it. Available leather-trimmed heated and ventilated multicontour front seats with Active Motion® deliver relaxing comfort to both the driver and passenger, while 1st- and 2nd-row seats boast perforated inserts and quilted bolsters. A leather-wrapped instrument panel top, wood accents, a **power, panoramic Vista Roof** and the 22-speaker B&O Unleashed Sound System combine to make the Platinum® trim level quite a pleasure.
