

Sierra Denali, equipped with standard All-Wheel Drive, shown in Onyx Black with optional equipment.

2005 GMC SIERRA DENALI

The definition of power, performance and style, the Sierra® Denali® is a striking example of GMC's commitment to Professional Grade Engineering. It offers advanced technology, including a specially tuned Vortec™ 6000 V8 engine with 345 horsepower and full-time all-wheel drive. With a wealth of interior amenities, the Sierra Denali is designed to exceed expectations for comfort and refinement in a full-size pickup. For 2005, the Sierra Denali features a spacious Crew Cab® with seating for up to five people.

GMC[®]

- Official EPA estimates not yet available. Estimates based on GM testing.
- Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo.
- Calculated without removable rear seat. Cargo and load capacity limited by weight and distribution.
- Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.
- Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, driver, passengers, cargo and optional equipment.
- RDS functions only when stations broadcast RDS information.
- XM is available only in the 48 contiguous United States. Service fees extra. Visit www.gm.xmradio.com for more details.
- Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.
- Always use safety belts and proper child restraints, even with air bags. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.
- Use only appropriate wheels and GM-specified TPC tires on this vehicle. Using different wheels or tires can adversely impact vehicle safety and performance. See your GMC dealer for details.
