

2015

SIERRA HD

GMC | WE ARE PROFESSIONAL GRADE

AVAILABLE EARLY 2014. Preproduction model shown. Production models may vary.

SIERRA 2500 DENALI HD INTERIOR IN JET BLACK shown with available equipment.

OUR ENGINEERS ARE NEVER SATISFIED.

At GMC, we took our strongest, most powerful Sierra Heavy Duty pickups ever and used them as the starting point. The new 2015 Sierra HD takes these renowned capabilities and offers premium interior materials, segment-first technologies and cargo box innovations to produce a premium-duty breed of trucks.

- **NEW STANDARD IN TRUCK INTERIORS:** Redesigned cabin combines premium materials, supportive seats, generous storage and easier second-row access on Double and Crew Cab models.
- **QUIET CABIN:** Inlaid door design, triple door seals and sound-absorbing materials help leave the outside world where it belongs.
- **EXPANDED REAR-SEAT ACCESS:** Crew Cabs now offer nearly 2" of additional rear leg room, while Double Cabs make getting into and out of the second row easier in tight places, thanks to new forward-hinged rear doors.

GO TO GMC.COM FOR MORE INFORMATION.

KNOWLEDGE IS POWER. The 2015 Sierra HD's all-new instrument panel puts controls where they're most visible—at your fingertips—and information at the sound of your voice, thanks to a new available 8" diagonal Color Touch Radio with IntelliLink¹ that responds to natural-speech voice commands.

CUSTOMIZABLE DRIVER DISPLAY Sierra Denali HD's new reconfigurable gauge cluster allows you to personalize the new available 8" screen for optimal viewing. Choose from a menu of display options to control the information you see and how you see it.

SAFETY ALERT TECHNOLOGIES To help avoid trouble, Sierra is the first heavy-duty pickup to offer the new available Driver Alert Package, including Forward Collision Alert, Lane Departure Warning and the Safety Alert Seat. These innovations help make you aware of the driving environment surrounding your Sierra HD.

ENTERTAINMENT AND NAVIGATION² Sierra HD offers the new available GMC 8" diagonal Color Touch Radio with IntelliLink¹. Featuring a full-color screen, IntelliLink also adds hands-free voice-activated control of your communication and entertainment selections. Stream Pandora[®] internet radio³ through your smartphone or sync your MP3 music library. My Media connects media libraries from multiple devices in the truck. Customizable Favorites lets you save albums, songs, artists, destinations and contacts. You can even store frequently used phone contacts for quick access.

¹Full functionality requires compatible Bluetooth[®] and smartphone. Some devices require USB connectivity. ²Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. ³Data plan rates apply.

THE INDUSTRY'S BEST COVERAGE. Every 2015

Sierra HD comes standard with GMC Pro Grade Protection, the industry's best pickup coverage. From scheduled maintenance¹ to protecting the entire vehicle, heavy duty also describes how well Sierra HD is covered.

GMC PRO GRADE PROTECTION

- ▶ 2-YEAR/24,000-MILE RECOMMENDED SCHEDULED MAINTENANCE¹
- ▶ 3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY²
- ▶ 5-YEAR/100,000-MILE POWERTRAIN LIMITED WARRANTY²

¹Covers only scheduled oil changes with filter, tire rotations and 27-point inspections, according to your new vehicle's recommended maintenance schedule, for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details. ²Whichever comes first. See dealer for limited warranty details.

SIERRA 2500HD CREW CAB SLT

PREMIUM POWER. PREMIUM DUTY. Being a Sierra HD means a heavy emphasis on trailering more and, of course, accomplishing more. Heading out for work or play, the 2015 Sierra HD offers a wide range of capabilities to match your needs.

PROVEN POWERTRAIN The available Duramax Diesel 6.6L V-8 Turbo is mated to the Allison® 6-speed automatic transmission. Additional engines include the standard Vortec 6.0L V-8 and a specifically designed Compressed Natural Gas Vortec V-8.

REAR-VISION CAMERA SYSTEM The center screen also serves as your monitor for the available Rear-Vision Camera System. Its dynamic grid lines provide a precise target when backing up or hitching a trailer.

SIERRA 3500 DENALI HD CREW CAB WITH DUAL REAR WHEELS IN ONYX BLACK shown with available equipment.

HILL START ASSIST To give you extra time to switch from the brake to the accelerator without rolling, Hill Start Assist holds the brakes momentarily or until you press the accelerator.

TRAILER BRAKE CONTROLLER For control and easy monitoring of your trailer brakes, Sierra HD offers an integrated trailer brake controller. It's located close to the steering wheel for quick adjustments.

DIESEL EXHAUST BRAKE An exhaust brake included with the available Duramax Diesel 6.6L V-8 Turbo provides greater control on grades and reduced brake pad wear.

EATON® HEAVY-DUTY No other competitor in its class offers a fully automatic locking rear differential for on- and off-road use.
