

GMC

TERRAIN

2015

WE ARE PROFESSIONAL GRADE

2015 GMC TERRAIN. We understand what you want in a crossover: generous interior room, but in a size that works with your life. That's why Terrain was engineered to produce more innovations per square inch. So you get full-size capability in a smart, efficient crossover. There's an EPA-estimated 32 highway miles per gallon with its I-4 engine, or the most horsepower in its class with an optional V-6. From its new available OnStar high-speed 4G LTE-capable technology¹ to its comfortable, versatile cabin, Terrain puts incredible thinking on display.

¹Visit onstar.com for vehicle availability, details and system limitations. Services and connectivity may vary by model and conditions. 4G LTE service available in select markets. Some services require data plan. Vehicle must be started or in accessory mode.

TERRAIN DENALI: GO ALL-IN.

Looking at Terrain Denali, it's easy to see why it's the ultimate Terrain. After all, with its signature Denali grille and satin-chrome door handles, mirror caps, bodyside moldings and wheels, it takes the crossover to a new level of style. Quite naturally, we didn't stop there.

SIGNATURE DENALI GRILLE.

PROGRAMMABLE POWER LIFTGATE.

PROJECTOR-BEAM HEADLAMPS.

DISTINCTIVE DENALI WHEELS.

TERRAIN DENALI IN CARBON BLACK METALLIC
shown with available equipment.

TERRAIN SLT: LOOKING GOOD WAS ONLY A START.

The GMC design philosophy is to create styling that doesn't simply look good, it must also be purposeful. From the angle of the windshield to every line and curve, the whole idea is to disturb less air. That's why Terrain is designed to slice the wind to help create a quiet driving environment. These are additional features of SLT that will catch your attention.

LOW STEP-IN AND LIFT-OVER HEIGHT.

STYLISH ARRAY OF WHEELS.

ACOUSTIC LAMINATED WINDSHIELD
AND TRIPLE DOOR SEALS.

HALOGEN FOG LAMPS.

DETAILS. DETAILS. DETAILS.

The proportions of Terrain were crafted with a clear understanding of what you look for in a crossover. This is a design that turns an abundance of bold details into a whole new take on the crossover.

ALUMINUM WHEELS Terrain Denali models offer two satin-chrome-clad aluminum wheel choices: 18" wheels with the I-4 (shown: rear) and 19" wheels with the V-6 engine (shown: front).

DENALI GRILLE Terrain Denali features a honeycomb-pattern chrome grille, giving it a distinctive appearance.

CHROME BODYSIDE MOLDING Satin-chrome accents, including rocker moldings, accentuate the chiseled, muscular shapes of Terrain Denali.

PROGRAMMABLE POWER LIFTGATE Terrain offers a programmable power liftgate. It opens and closes with the touch of a button to the programmed height.

PROJECTOR-BEAM HEADLAMPS They provide bright, focused illumination for confident visibility thanks to integral projector-beam headlamps.

TRIPLE DOOR SEALS Airtight door seals on all four doors not only baffle unwanted road noise, but also minimize air leaks for a quieter interior.

STYLIZED CHROME EXHAUST TIPS Unique chrome exhaust tips draw your eye to the rear profile of Terrain Denali.

ACOUSTIC LAMINATED GLASS The windshield and front doors are engineered with noise-suppressing glass to help keep road noise from entering the cabin.

INTEGRATED FOG LAMPS For supplemental illumination, Terrain features halogen projector-beam fog lamps.

LEAVES NOTHING TO CHANCE. ESPECIALLY YOUR COMFORT.

Open the door to Terrain Denali and discover the result of a lot of thinking—about you. To enhance your comfort, convenience and driving experience, GMC designers ensured that style and practicality are equally represented. Entering Denali means all of your tactile, visual and auditory senses have been addressed and elevated further—here's proof.

DISTINCTIVE DENALI SEATING.

GENEROUS SECOND-ROW LEG ROOM.

HEATED FRONT EIGHT-WAY POWER SEATS.

POWER TILT-SLIDING SUNROOF.

IT'S BIG WHERE IT MATTERS.

You can pack a lot into a Terrain SLT. We proved it by including a long list of comfort, convenience and entertainment features. There's a Color Touch Audio System with IntelliLink,¹ USB access,² Bluetooth^{®3} connectivity, second-row Multi-Flex seating and a lot more. In fact, the seating design allows you to slide the second row back nearly 8." The result is 39.9" of rear leg room. The list of SLT appointments continues below.

ILLUMINATED CONSOLE AND
INTEGRATED CONTROL CENTER.

REAR VISION CAMERA SYSTEM.

STEERING-WHEEL-MOUNTED RADIO
CONTROLS.

ACOUSTIC NOISE SUPPRESSION.

¹Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity.

²Not compatible with all devices. ³Go to gmtotalconnect.com to find out which phones are compatible with the vehicle.

DRIVING DRIVES EVERYTHING.

From behind the wheel of Terrain you have a direct line of sight to gauges, easy fingertip access to controls and voice command of available entertainment and navigation functions. This allows you to focus on driving thanks to many of these technologies.

**VOICE-ACTIVATED INTELLILINK¹ AND
NAVIGATION² SYSTEMS (AVAILABLE).**

**THE CONVENIENCE OF REMOTE START
(AVAILABLE).**

COLOR TOUCH AUDIO SYSTEM.

**BLUETOOTH³ SMARTPHONE
INTEGRATION.**

¹Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. ²Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. ³Go to gmtotalconnect.com to find out which phones are compatible with the vehicle.

THE HOTTEST SPOT ON THE ROAD.

Terrain offers all the technology you need to stay connected, informed and entertained. New for 2015, Terrain is equipped with the super-fast speeds of OnStar 4G LTE with an available Wi-Fi hotspot.¹ You can easily connect up to seven devices to the Internet along your travels.

COLOR TOUCH AUDIO SYSTEM A 7" diagonal high-resolution color touch-screen makes it easy to find important information quickly. Not only does it include AM/FM/CD/SiriusXM² (with 3-month trial), it also gives you a customizable home page and both USB³ and auxiliary inputs for your MP3 player.

INTELLILINK⁴ Standard on most models, IntelliLink provides smartphone integration and voice-activated control of your communication and entertainment selections. This includes making a call, changing the station, streaming Internet radio stations Pandora[®] and Stitcher[™] SmartRadio through your smartphone or accessing your music library. **EXPERIENCE IT AT GMC.COM/YOURTUNES2015**

NAVIGATION⁵ SYSTEM The available NAV system, which includes IntelliLink,⁴ adds multiple map views. It also features 3 months of NavTraffic,² so you'll get continuously updated traffic information incorporated into the navigation system.

¹Visit onstar.com for vehicle availability, details and system limitations. Services and connectivity may vary by model and conditions. 4G LTE service available in select markets. Some services require data plan. Vehicle must be started or in accessory mode. ²If you subscribe after your trial period, *subscriptions are continuous until you call SiriusXM to cancel.* See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about Travel Link, visit siriusxm.com/travellink. ³Not compatible with all devices. ⁴Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply. ⁵Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. ⁶Go to gmtotalconnect.com to find out which phones are compatible with the vehicle.

REAR VISION CAMERA SYSTEM It displays a real-time image with grid lines in the color touch-screen while in reverse, making it easier and safer when backing up. Shown with available Rear Cross Traffic Alert. **WATCH IT AT GMC.COM/GOTYOURBACK2015**

REAR-SEAT ENTERTAINMENT SYSTEM This available system offers video gaming and DVD playback for rear-seat passengers. It includes a remote and two sets of wireless infrared headphones (batteries included).

4G LTE HOTSPOT¹ This new available 4G LTE Wi-Fi hotspot means a super-fast Internet connection for up to seven Web-enabled devices. It's reliably fast and easy to use.

USB CONNECTIVITY³ Plug into the USB port and control most of your MP3 music player's functions with available steering-wheel-mounted radio controls.

REMOTE VEHICLE START This available feature can start Terrain from up to 200 feet away, so the cabin will begin warming to your preset temperature. Uplevel models can begin heating or cooling the interior based on exterior temperature and also turn on heated seats, the rear defroster and outside heated side-view mirrors.

PIONEER[®] PREMIUM SOUND The available Pioneer system allows you to hear your favorite music as the artist intended. With the help of eight strategically placed speakers, this available sound system fills the interior with 250 watts of distortion-free sound.

SIRIUSXM SATELLITE RADIO[®] Get a 3-month trial subscription to the XMPremier Package, with 130 channels including commercial-free music, sports, news, talk, comedy and entertainment. With NavTraffic, Travel Link² and the Local Forecast feature, you'll get continuously updated traffic, weather and fuel prices right on your vehicle's available NAV system.

STEERING-WHEEL-MOUNTED RADIO CONTROLS Change stations, adjust volume or search the audio system with your fingertips.

BLUETOOTH FOR PHONE[®] Keep your eyes on the road by controlling your phone or portable device with your voice. It works through the steering-wheel-mounted controls.

IT HAS MULTIPLE PERSONALITIES.

Incredible thinking created a compact crossover with the people- and cargo-carrying versatility you expect from a full-size SUV. Terrain offers the easy-to-use Multi-Flex sliding rear seat and 60/40 split rear seatback that make going from carrying people to cargo easy. The second-row seats fold down on either side (or both) for large loads—with up to 63.9 cubic feet of available cargo space.¹ Terrain also offers additional conveniences.

LOW STEP-IN AND LOW LIFT-OVER
HEIGHT.

OVERSIZED GLOVE BOX AND LAPTOP-
SIZED CENTER CONSOLE.

PROGRAMMABLE POWER LIFTGATE
(AVAILABLE).

FOUR 12-VOLT POWER OUTLETS:
2 FRONT, 1 SECOND ROW AND
1 CARGO AREA.

¹Cargo and load capacity limited by weight and distribution.

CONTROL YOUR ENVIRONMENT.

Terrain provides generous space and many ways for you to tailor its comfort and storage to fit your needs and your liking.

HEATED FRONT SEATS To help warm you up quickly, available front heated seats can be activated when you use the available remote start. Both cushions and seatbacks have heating elements to spread the warmth evenly for added comfort.

ILLUMINATED SILL PLATES The two front sill plates are polished aluminum and are another example of Denali's premium materials and finish.

AMBIENT LIGHTING The center stack is illuminated with warm, red ambient lighting.

EIGHT-WAY POWER SEAT In Denali, both the driver and front passenger enjoy the comfort of an eight-way power seat with power lumbar.

DISTINCTIVE DENALI SEATING Contrasting stitching outlines perforated leather-appointed seating, with an embossed Denali logo on the front seats.

CONNECTIONS An auxiliary 12-volt power port and a USB port¹ let you charge portable electronics and connect your MP3 player to the audio system.

STORAGE SPACES The interior features an oversized glove box in addition to the center console that's deep enough for a laptop. There's also a smaller compartment under the center armrest and two-tier storage in the door panels.

ACOUSTICS AND NOISE SUPPRESSION

The windshield angle, body shape and mirrors are designed to help manage airflow to reduce wind noise. For additional quiet, Terrain is engineered with triple door seals and an acoustic laminated windshield and front side glass.

LOW LIFT-OVER HEIGHT The load floor is set at a height to make it easy to move large or heavy items in and out, and with the second-row seats folded down, Terrain opens up 63.9 cubic feet of available cargo space.²

LOW STEP-IN HEIGHT While the upper door opening is set high for clearance, the floor is at a lower, car-like height, making it easy for people of all sizes to enter and exit.

¹Not compatible with all devices.

²Cargo and load capacity limited by weight and distribution.

POWER. AND THE ABILITY TO HANDLE IT.

Terrain offers two sources of power. Standard is the 2.4L I-4, and with front-wheel-drive models, it offers 32 hwy mpg,¹ or there's the available 3.6L V-6 that produces the most horsepower in its class, 301 hp with 24 mpg hwy.² Terrain is also engineered to help you stay comfortably in command with nimble handling and powerful braking.

ENGINE

DIRECT INJECTION (DI) For precise fuel distribution and fast, efficient combustion, both engines feature DI technology. By injecting fuel at over 2000 psi, the air and fuel mix more completely for crisp throttle response and a lean blend for efficiency at cruise speeds.

VARIABLE VALVE TIMING (VVT) Both engines feature VVT to deliver the power of a high-performance engine with the low-speed response you need for trailering or climbing steep inclines.

ECO-MODE To help optimize efficiency, the 2.4L I-4 engine has an Eco-Mode button that allows the engine to hold gears longer, with only a slight decrease in acceleration.

¹EPA-estimated 22 city/32 hwy mpg for Terrain FWD with 2.4L I-4 engine. ²EPA-estimated 17 city/24 hwy mpg for Terrain FWD with 3.6L V-6 engine. ³Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option[s] necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for details.

OIL LIFE MONITOR For long life and durability, the monitor located in the Driver Information Center calculates how much oil life is left, based on when and how you drive.

TRANSMISSION

6-SPEED AUTOMATIC WITH OVERDRIVE For brisk acceleration and reduced highway rpm, this advanced transmission has a wide ratio spread. The gear ratios between first and sixth are appropriately spaced for strong, consistent acceleration at almost any speed.

HANDLING

AUTOMATIC GRADE BRAKING To prevent unwanted acceleration and reduce the need for braking during a hill descent, the 6-speed automatic includes this “smart” feature that monitors braking, acceleration, throttle position and even whether a trailer is connected.

RACK-MOUNTED POWER STEERING On 2.4L models, the system delivers assist electronically, eliminating the need for a power-steering pump. It automatically gives you extra steering boost when you need it for parking and tight maneuvers, and less assistance for highway driving.

TRAILER SWAY CONTROL Keep both you and your trailer heading in the proper direction, automatically. The system uses StabiliTrak sensors to detect the rocking of a swaying trailer, then applies the vehicle's brakes to help bring it back in line.

HILL START BRAKE ASSIST To help prevent your Terrain from rolling back while on a hill or steep incline, it takes over when you lift your foot off the brake. It holds full brake pressure momentarily, giving you time to move your foot to the accelerator.

TRACTION CONTROL To make the most of available traction, the system senses when one or more wheels is starting to spin, such as on a slippery surface, and applies individual brakes and manages engine power to slow the wheel down and maintain traction.

ALL-WHEEL DRIVE (AWD) An intelligent AWD system is available for extra traction and the ability to adapt to changing road conditions.

ADVANCED DUAL-FLOW VALVING This feature in Terrain Denali's front suspension provides a smoother ride and improved handling across a broad range of driving conditions.

TRAILERING PACKAGE This available package helps Terrain achieve an impressive trailer weight rating of 3500 lbs³ with the available 3.6L V-6 or up to 1500 lbs³ with the standard 2.4L I-4.

INSTEAD OF WHAT IF, WHAT IF IT DIDN'T HAPPEN?

Terrain offers available Forward Collision Alert, Lane Departure Warning and Side Blind Zone and Rear Cross Traffic alerts to help you avoid mishaps. They're constantly on guard, ready to help you through adverse driving conditions. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

DUAL-STAGE FRONTAL AIR BAGS¹ To help reduce the risk of injury to the driver and front-seat passenger, Terrain is equipped with two front dual-stage air bags.

HEAD CURTAIN SIDE-IMPACT AIR BAGS¹ These deploy from the roof rail like a protective curtain for outboard passengers and can be activated by either rollover sensors or side-impact sensors.

SIDE-IMPACT AIR BAGS¹ To help protect the thorax and pelvis of the driver and front passenger in a side-impact collision, side-impact air bags are mounted on the driver and front-passenger seats.

REINFORCED STEEL SAFETY CAGE DESIGN A robust body-frame integral structure is engineered to help maintain the integrity of the passenger compartment in the event of a collision.

LATCH CHILD SEAT ANCHORING SYSTEM Lower Anchors and Top tethers for CHildren (or LATCH) enables a child seat top tether strap to be attached to limit movement in a forward crash, helping reduce the chance of injury.

FORWARD COLLISION ALERT AND LANE DEPARTURE WARNING Available Forward Collision Alert provides an audible and visual signal if you are rapidly approaching another vehicle and it appears a collision may be imminent. Available Lane Departure Warning alerts you if you wander from your lane without using your turn signal.

STABILITRAK STABILITY CONTROL SYSTEM To help you stay in control when road surfaces are loose, snowy, icy, wet or uneven, StabiliTrak monitors how Terrain is responding to your steering and braking commands.

SIDE BLIND ZONE AND REAR CROSS TRAFFIC ALERTS Denali's radar-equipped sensors monitor side blind spots (shown above), alerting you to help reduce the risk of collisions. While in reverse, Rear Cross Traffic Alert monitors your surroundings to provide visual and audible alerts to traffic approaching from outside your field of vision.

TIRE PRESSURE MONITORING SYSTEM² It alerts you to your tires' status and inflation level. If you subscribe to OnStar Vehicle Diagnostics, this information is part of the monthly e-mail. With the available OnStar RemoteLink³ app for your smartphone, you can check this status instantly.

¹Air bag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained. Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information. ²Does not monitor spare tire. ³Available on select Apple,® Android,™ BlackBerry® and Windows® devices. Services vary by device and conditions. Requires an active OnStar subscription.

GMC PRO GRADE PROTECTION. PROFESSIONAL GRADE COVERAGE.

Pro Grade Protection is standard on every 2015 Terrain. From scheduled maintenance to protecting your entire vehicle, you can drive with confidence.

2 YEARS OF RECOMMENDED SCHEDULED SERVICE AND MAINTENANCE¹

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY²

5-YEAR/100,000-MILE POWERTRAIN LIMITED WARRANTY²

THERE WHEN YOU NEED US.

Standard for 5 years, the OnStar Basic Plan³ helps keep you connected, while the OnStar Directions & Connections Plan⁴ standard for 6 months, lets you speak to a live OnStar Advisor just by pressing the blue OnStar button in your vehicle.

ONSTAR 4G LTE HOTSPOT⁵ Super-fast speeds unleash the full potential of portable devices by allowing you and your companions to play, work, game and surf in your Terrain. This available Wi-Fi hotspot (with 3-month/3GB trial) enhances your productivity and entertainment.

ONSTAR BASIC PLAN Stay connected to everyone and everything that matters with the OnStar Basic Plan on 2015 vehicles, including RemoteLink Key Fob Services³ to remotely start (if factory equipped) and lock/unlock your car, and activate your horn and lights from anywhere. Plus, get OnStar Vehicle Diagnostics and Dealer Maintenance Notification to make service scheduling simple. If your vehicle has OnStar with 4G LTE, you have available access to a high-speed Internet connection⁵ and in-vehicle Wi-Fi hotspot so you can connect to your favorite Web content. For emergency and Advisor-based services, check out our additional plans.

AUTOMATIC CRASH RESPONSE⁶ In many crashes, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help sent to your location—even if you can't respond.

CRISIS ASSIST During severe weather or other crisis situations, OnStar offers assistance to help you connect with loved ones and navigate your way to safety.

EMERGENCY SERVICES If someone in your Terrain needs emergency help, the OnStar emergency button gives you a priority connection to a specially trained Advisor at any time, day or night.

ROADSIDE ASSISTANCE⁷ If you're stranded, run out of gas or have a flat tire, one push of the OnStar button can immediately connect you to an Advisor, ready to help any hour of the day or night.

REMOTE DOOR UNLOCK⁸ If you get locked out of your Terrain, OnStar can help. An OnStar Advisor can send a signal to your Terrain that usually unlocks the doors within minutes.

REMOTE HORN AND LIGHTS Can't remember where you parked? Call the toll-free number and OnStar will send a signal to flash your lights and sound your horn to help you locate your Terrain.

STOLEN VEHICLE ASSISTANCE⁹ If your Terrain is ever stolen, OnStar can help locate it after verification with law enforcement.

HANDS-FREE CALLING⁹ WITH VOICE COMMAND This available feature allows you to push a button, call out the number and keep your eyes on the road.

TURN-BY-TURN NAVIGATION All you have to do is push your blue OnStar button and ask the OnStar Advisor to download directions to your Terrain.

ONSTAR eNAV WITH MAPQUEST.COM™ Get a head start on a trip by checking out your destination on mapquest.com. Then just click "Send" and directions will be sent to your Terrain.

DESTINATION DOWNLOAD With the optional Navigation System, simply press your blue OnStar button, and an Advisor will download directions to your Terrain's navigation screen.

¹Covers only scheduled oil changes with filter, tire rotations and 27-point inspections, according to your new vehicle's recommended scheduled maintenance, for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details. ²Whichever comes first. See dealer for limited warranty details. ³Access is available for 5 years from the date of vehicle delivery and is transferable. Does not include any emergency services or other OnStar services. To cancel RemoteLink Key Fob services or if your vehicle is sold, it is important to contact an OnStar Advisor. See onstar.com/mobile for full details. ⁴Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. ⁵Visit onstar.com for vehicle availability, details and system limitations. Services and connectivity may vary by model and conditions. 4G LTE service available in select markets. Some services require data plan. Vehicle must be started or in accessory mode. ⁶Visit onstar.com for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ⁷Roadside service provided by Allstate Roadside Services. ⁸Services vary by model and conditions. ⁹Visit onstar.com for coverage map, details and system limitations. OnStar Hands-Free Calling requires existing OnStar service contract and prepaid minutes. Not available in certain markets. Calls can be made in U.S. and Canada only.

AN EXTENSION OF YOU.

GMC Accessories are engineered and tested to meet the standards of your Terrain. Available individually or as part of a complete package, they are the best way to personalize your Terrain.

HITCH TRAILERING PACKAGE This structural welded steel hitch features a standard 1.25" receiver to fit most ball-mount assemblies and includes a wiring harness.

PREMIUM ALL-WEATHER FLOOR MATS Their deep-ribbed pattern collects rain, mud, snow and other debris for easy cleaning. Nibs on the back help keep them in place. Available in Jet Black with an embossed GMC logo on front mats only.

CARGO NET It attaches easily to the sides of your cargo area to keep small, light items neat and handy while in transit.

CARGO ORGANIZER This durable, flexible, collapsible cargo organizer has multiple compartments, allowing you to carry lightweight items of various sizes. Can be folded flat or removed from the vehicle as needed.

ROOF RACK CROSS RAIL PACKAGE These cross rails add function and style to the factory roof rack of your Terrain. The cross rails are the base mount for a variety of cargo management accessories. (Shown with factory roof rack.)

CARGO SECURITY SHADE Conceal your possessions in the cargo area with this retractable cargo shade.

OUTSIDE REARVIEW MIRROR COVERS Add a stylish look to your Terrain with these chrome mirror covers.

CARGO AREA CLOSE-OUT PANEL Create a flat, easy-to-load cargo area regardless of the rear-seat position. The panel bridges the gap between the cargo floor and the rear seatback.

CHROME DOOR HANDLES These outside door handles replace the production handles to give your Terrain a stylish and personalized look.

MOLDED SPLASH GUARDS Custom-molded splash guards fit directly behind the wheels. Rear guards feature the GMC logo.

CHROME FUEL DOOR Help your Terrain stand apart with this distinctive chrome fuel door.

PROTECTION PACKAGE (VQG)

- All-weather floor mats
- Custom-molded splash guards

CARGO CONVENIENCE PACKAGE (VQR)

- Cargo organizer
- Cargo security shade
- Cargo net

¹Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details. ²If you subscribe after your trial period, *subscriptions are continuous until you call SiriusXM to cancel.* See SiriusXM Customer Agreement for complete terms and geographic limitations at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about Travel Link, visit siriusxm.com/travellink. XM satellite service is available only in the 48 contiguous United States and Washington, D.C. Sirius, XM and all related marks and logos are trademarks of SiriusXM Radio, Inc. ³RDS functions only where stations broadcast RDS information. ⁴Not compatible with all devices. ⁵Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. ⁶Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply. ⁷Go to gmtotalconnect.com to find out which phones are compatible with the vehicle. ⁸Visit onstar.com for vehicle availability, details and system limitations. Services and connectivity may vary by model and conditions. 4G LTE service available in select markets. Some services require data plan. Vehicle must be started or in accessory mode. ⁹Access is available for 5 years from the date of vehicle delivery and is transferable. Does not include any emergency services or other OnStar services. To cancel RemoteLink Key Fob Services or if your vehicle is sold, it is important to contact an OnStar Advisor. See onstar.com/mobile for full details. ¹⁰Visit onstar.com for coverage map, details and system limitations.

KEY ● STANDARD ○ AVAILABLE – NOT AVAILABLE

PRO GRADE PROTECTION

For 2015, Terrain comes with the Pro Grade Protection Plan, which includes 2-year/24,000-mile recommended scheduled maintenance,¹ 3-year/36,000-mile bumper-to-bumper limited warranty² and 5-year/100,000-mile powertrain limited warranty.³ Roadside Assistance and Courtesy Transportation.

Starting with the owner orientation—and full tank of gas—you receive when you take possession of your Terrain to the **24-Hour Roadside Assistance**, **Courtesy Transportation** and **Travel Benefits**, you receive a portfolio of owner privileges that lasts throughout your warranty. For expert product information, Roadside Assistance or other services, call 1-800-GMC-8782.

TRAVEL BENEFITS AND ROADSIDE ASSISTANCE Available around the clock: trip routing service, a program for reimbursement for trip interruption due to necessary warranty repairs, towing, flat tire change, jump-starts and more for 5 years or 100,000 miles [whichever comes first].

COURTESY TRANSPORTATION Available at participating dealers: shuttle service, reimbursement of certain public transportation or fuel expenses for overnight warranty repairs and courtesy rental for overnight work repairs. See your dealer for details.

GMC OWNER CENTER A complimentary, one-stop resource to enhance your GMC ownership experience. It's easy to sign up. Just go to gm.com/gmownercenter/gmc.

ONSTAR

OnStar is a core asset of your Terrain. Benefiting from more than a decade of innovative development, it is both a highly advanced technology—fully integrated within the vehicle—and a warm human service. Standard on all Terrain models are 6 months of the OnStar Directions & Connections Plan, including the convenience of available Hands-Free Calling.³ It also includes Automatic Crash Response, Stolen Vehicle Assistance, link to Emergency Services, Roadside Assistance, Remote Door Unlock, OnStar Vehicle Diagnostics, Crisis Assist and Remote Horn and Lights. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Visit onstar.com for coverage maps, details and system limitations. Services vary with conditions.

SIRIUSXM SATELLITE RADIO

SiriusXM Satellite Radio⁴ is standard on all Terrain models. It includes 3 trial months of service. SiriusXM Satellite Radio makes your drive come alive with commercial-free music channels from virtually every genre, artist-dedicated channels, live performances and more. Tune in to live play-by-play from the biggest sports, exclusive entertainment from top personalities, compelling talk, hilarious comedy, world-class news, local traffic and weather and family-friendly programming. Welcome to the world of satellite radio. Visit siriusxm.com for details.

GMC CERTIFIED SERVICE

Certified Service To help your Terrain live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Terrain, GM-trained technicians have the expertise to care for all of it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD INFORMATION Please carefully review the Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted with fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

GMC.COM See more of Terrain on our Web site: gmc.com/terrain. More photos and information; hot links to related subjects; convenient dealer locator; pricing guide, spec out your own vehicle. Or call 1-800-GMC-8782.

BUYPOWER CARD™ Now it's even easier to get into the GMC of your dreams. Every purchase gives you Earnings redeemable toward part or even all of a new GMC, Chevrolet, Buick or Cadillac. Every year, enjoy 5 percent Earnings on your first \$5,000 in purchases and 2 percent unlimited Earnings after that. No expiration on Earnings and no limit on how much you can earn or redeem. Learn more at buypowercard.com. YOUR CARD IS THE KEY.™

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times. All competitive claims are based on the latest information available at the time of printing and 2014 GM Compact SUV segment.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

NEW-VEHICLE LIMITED WARRANTY All GMC light-duty vehicles come with a fully transferable, non-deductible 5-Year/100,000-Mile (whichever comes first) Powertrain Limited Warranty. GM vehicles registered in the USA are also covered for 3 years or 36,000 miles (whichever comes first). Coverage includes tires and towing to your nearest GMC dealership. Repairs will be made to correct any vehicle defect and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years or 100,000 miles (whichever comes first). Terrain also comes with a 2-year/24,000-mile (whichever comes first) recommended scheduled maintenance plan.¹ See dealer for details.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

GMMOBILITY.COM (1-800-323-9935) GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.
