

2011 Honda

Element

Never get boxed in.

Element EX shown in Polished Metal Metallic.

Sure, it may look a little square at first, but the Element is all about fun, flexibility and most of all, freedom. With 64 different seating positions, a powerful 2.4-liter i-VTEC® engine and available RealTime™ 4-wheel drive, the Element was built for those who appreciate the unlimited possibilities that life brings.

Versatility. The Element can quickly adapt to your needs. Fold the seats flat and take a nap. Need more room for gear? Flip up the rear seats or take them out altogether.

Element EX shown in Alabaster Silver Metallic with Gray Fabric.

Keep it handy. Because there's a place for almost everything, everything can be in its place. The large overhead console on EX is the perfect spot for all those things you need easy access to, like sunglasses, CDs and cell phones.

Road trip equipped.

Considering its massive headroom, legroom and numerous storage areas for drinks and snacks, it's no wonder that the Element is a road-trip favorite. Its durable, spill-resistant surfaces mean it can handle trip after trip with nary a nick to show for it.

Premium tunes. To keep things pumping, Element EX features a 270-watt audio system with seven speakers, including a subwoofer. An MP3/auxiliary input jack and XM Radio² let you really expand your listening options.

Make the most of it.

Designed from the outset to be as flexible as possible, the Element is a case study in how to maximize every square inch of interior space.¹ Flip up the rear seats, fold them flat or take them out altogether to accommodate whatever the weekend's activities call for.

Safe and secure.

Tie-down anchors, cargo area hooks, multiple storage bins and driver-side seatback bungees (EX) make quick work of securing even the most unruly gear.

Honda reminds you to properly secure items stored in the cargo area.

Chill out. The Element EX's center console isn't just about stowing your stuff. It also features a removable cooler. Just slide it out to take some beverages with you or to make room for extra-long items—like a surfboard.

Man's best friend's best friend. One

of the most pet-friendly vehicles ever is even better with the Dog Friendly Honda Element Package, available on select models. The specially designed collection of accessories includes a stowable ramp, pet bed, water bowl, and more. Please see your Honda dealer for details, or you can go to dogfriendly.honda.com.

EX model shown with accessory Dog Friendly Honda Element Package. Package not intended for dogs larger than 80 lbs.

Always play safe.

The Element has a full complement of standard safety features including six airbags, Vehicle Stability Assist™ (VSA®) and a Tire Pressure Monitoring System³ (TPMS).

Brake Assist and EBD. Brake Assist, a component of the anti-lock braking system (ABS), helps apply full braking force in some emergency situations. Electronic Brake Distribution (EBD) helps balance braking forces depending upon dynamic loading.

Six standard airbags. The Element features dual-stage, multiple-threshold front airbags, front side airbags with passenger-side Occupant Position Detection System (OPDS) and side curtain airbags with a rollover sensor.*

Vehicle Stability Assist (VSA).[†] Standard on every Element, VSA employs sensors to monitor for oversteer or understeer. It adjusts brake pressure at each wheel and/or reduces engine power to help restore the vehicle to its intended path.

*Honda reminds you and your passengers to always buckle up. Children 12 and under are safest when properly restrained in the rear seat.
†VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

Unit-body construction. Incorporating front and rear crumple zones, the Element's chassis is designed to minimize the amount of crash energy entering the passenger compartment. Side-impact door beams help provide enhanced structural protection and help reduce the likelihood of cabin intrusion.

All 2011 Honda vehicles – and any Honda Genuine Accessories installed at the time of vehicle purchase – are covered by the 3-year/36,000-mile New-Vehicle Limited Warranty.⁵ Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty, too.⁵ For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

Want your own look? Ask your dealer about Honda Genuine Accessories. They're designed, engineered and tested to meet the same exacting standards as your new vehicle – and a high-quality way to make your new Honda a reflection of your one-of-a-kind personality.

Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Honda Care® is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

¹ Carrying too much cargo or improperly storing it can affect the handling, stability and operation of this vehicle. Before carrying any cargo, be sure to consult the owner's manual for load limits and loading guidelines. ² Required XM Radio subscription sold separately after 90-day trial period. Subscriptions are governed by the XM Customer Agreement available at xmradio.com/serviceterms. Other fees and taxes apply after trial period; see XM Customer Agreement for details. Fees and programming subject to change. Service not available in Canada, Alaska, or Hawaii. © 2010 SIRIUS XM Radio Inc. SIRIUS, XM and all related marks and logos are trademarks of SIRIUS XM Radio Inc. and its subsidiaries. ³ For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details. ⁴ Based on 2011 EPA mileage estimates. Use for comparison purposes only. Do not compare to models before 2008. Your actual mileage will vary depending on how you drive and maintain your vehicle. ⁵ FXC® is a registered trademark of Milliken & Company. ⁶ Windows Media® is a trademark or registered trademark of Microsoft Corporation in the United States and/or other countries. **3-Year/36,000-Mile Limited Warranty. 5-Year/60,000-Mile Limited Powertrain Warranty.** Ordinary maintenance or adjustments, parts subject to normal wear and replacement, and certain items are excluded. Please see your Honda dealer for details. **Always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in the rear seat.** Specifications, features, illustrations and equipment shown in this brochure are based upon the latest available information at the time of printing.
