

The 2013 Honda

INSiGHT

Can your car complement your
life? It can—if you choose
one that reflects your style,
sense of fun, and concern
for the environment.

steer your course

Presenting the 2013 Insight:
a hybrid that's designed—
and priced—for those of us
who count the miles, as well
as make the miles count.

Find your way.

With over 10 million points of interest* to quickly find your destination and FM Traffic to help avoid slow spots, the available Honda Satellite-Linked Navigation System™¹ can efficiently get you where you need to go.

Plus, the rearview camera with guidelines can assist you with parking once you arrive.

*Some roads unverified. Please see your Honda dealer for more details.

Make a connection.

If better mpg² translates into longer trips, the Insight is equipped to keep you in the comfort zone. Connect your iPod*** to the USB Audio Interface³ (LX and above) and find the perfect song using the steering wheel-mounted audio controls (LX and above). Or make a call using Bluetooth®⁴ HandsFreeLink® (EX models) while keeping both hands on the steering wheel![†]

dash inside

It's a Honda, so "fun to drive" is built right in. The leather-wrapped steering wheel and racing-inspired paddle shifters (EX and above) will put the joy back into any commute. Or simply keep it in Drive and let the smooth continuously variable transmission (CVT) do all the work.

Be flexible.

The 60/40 split rear seat folds down to maximize cargo space and make it easier to slide in long objects.[‡] And those who get to ride along are treated to a comfortable and spacious interior.

[‡]Honda reminds you to properly secure items stored in the cargo area.

***iPod® is a registered trademark of Apple Inc.
††Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle.
For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.

The Insight is always ready to roam. The refined aerodynamics, tires and engine help achieve an EPA-rated 41 mpg in the city and 44 mpg on the highway.²

experience
efficiency

Consider and conserve.

Pushing the dash-mounted ECON button modifies various vehicle systems to help minimize the vehicle's overall energy use – and help maximize efficiency.²

EPA numbers are important, but how you drive also affects your fuel economy.² The Insight features the remarkable Eco Assist™ system so you can monitor your driving habits, make adjustments and help boost your efficiency.²

Insight EX shown in Alabaster Silver Metallic.

Keep it clean.

The Insight's advanced aerodynamic design helps enhance fuel efficiency² and gives the Insight its sleek, futuristic style.

Insight EX shown in Polished Metal Metallic.

Take a brake.

The hybrid engine makes for smooth starts. The standard anti-lock brakes with Electronic Brake Distribution (EBD) do the same for the stops.

go safely

Along with advanced engine technology, Honda is dedicated to designing advanced safety technology. This includes active front head restraints, which move forward and up in a moderate-to-severe rear-end impact, reducing the likelihood of neck injury.

Also on the standard safety list: six airbags,* a Tire Pressure Monitoring System (TPMS)* and Vehicle Stability Assist™ (VSA®)† with traction control. And those are just a few of the standard safety features found on the 2013 Insight.

*Honda reminds you and your passengers to always buckle up. Children 12 and under are safest when properly restrained in the rear seat.

†VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

ACE™ this one.

Advanced Compatibility Engineering™ (ACE) body structure is an exclusive Honda body design that enhances occupant protection and crash compatibility in frontal collisions.

*Does not apply to fluid and filter changes. Will vary with driving conditions. Please see your Honda dealer for details.

All 2013 Honda vehicles – and any Honda Genuine Accessories installed at the time of vehicle purchase – are covered by a 3-year/36,000-mile limited warranty.¹ Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty,² too. The Battery Limited Warranty³ is 8 years/100,000 miles (ULEV rating) (non-CARB states). For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

Whether you wish to buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Honda Care[®] is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

Over 40 years ago, Honda took on the challenge of air pollution. Reports in the late '60s clearly showed the harmful effects of pollution on young people. "Blue Skies For Our Children" became the rallying cry for Honda engineers and soon, new technology was developed leading to cleaner automobile engines. This rallying cry remains an integral part of Honda culture, as we take on today's environmental challenges. By following this path, we have achieved major breakthroughs for the road, the home and the skies. And step by step we get closer to fulfilling our promise to the next generation.

¹ The Honda Satellite-Linked Navigation System is available on the EX model in the United States, Canada and Puerto Rico. (FM Traffic service only available in the United States, except Alaska.) Please see your Honda dealer for details. ² 41 city/44 highway/42 combined mpg rating. Based on 2013 EPA mileage ratings. Use for comparison purposes only. Your actual mileage will vary depending on how you drive and maintain your vehicle. ³ The USB Audio Interface is used for direct connection to and control of some current digital audio players and other USB devices that contain MP3, WMA or AAC music files. Some USB devices with security software and digital rights-protected files may not work. Please see your Honda dealer for details. ⁴ The Bluetooth[®] word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license. ⁵ For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details. ⁶ AT-PZEV (Advanced Technology Partial Zero-Emission Vehicle) models as certified by the California Air Resources Board (CARB) are available in California and states that have adopted California Zero-Emission Vehicle regulations. Models in non-CARB states are ULEV-2 (Ultra-Low-Emission Vehicle) certified by the California Air Resources Board (CARB). ⁷ Windows Media[®] is a trademark or registered trademark of Microsoft Corporation in the United States and/or other countries. **⁸ 3-Year/36,000-Mile Limited Warranty. 5-Year/60,000-Mile Limited Powertrain Warranty.** Ordinary maintenance or adjustments, parts subject to normal wear and replacement, and certain items are excluded. Please see your Honda dealer for details. **Always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in the rear seat.** Specifications, features, illustrations and equipment shown in this brochure are based upon the latest available information at the time of printing.
