

2014 Accord Plug-In

Start something special.

Take charge.

An exciting evolution of Honda's flagship vehicle, the Accord Plug-In features hybrid technology and all the luxury and reliability you've come to expect from the Accord.

BLUE SKIES FOR
OUR CHILDREN

115 MPGe. (That's not a typo.)

Thanks to its Earth Dreams Technology engine, the Accord Plug-In is rated at an impressive 115 MPGe combined and a 570-mile total driving range.¹

Electrifying.

The Accord Plug-In can be fully charged in less than three hours from a dedicated 120-volt outlet, and less than one hour with a 240-volt circuit.²

Life in the carpool lane.

Not only are Accord Plug-In owners eligible for up to \$3,636 in federal tax credits³ (Californians can apply for state tax rebates of up to \$1,500), they also get single-occupant HOV lane access in certain states.⁴

Two motors. Three ways to drive.

With three driving modes—EV Drive, Hybrid Drive and Engine Drive—the Accord Plug-In achieves outstanding fuel efficiency¹ at no cost to performance.

Technology that works for you.

Every Accord Plug-In comes standard with plenty of creature comforts, including steering wheel-mounted controls, push button start and heated front and outboard seats.

The Accord Plug-In's intuitive gauge cluster can display real-time battery usage, regeneration status and performance information. And it does it all with flying colors.

Load your favorite music onto the Accord Plug-In's 16-GB hard drive, or get it over the air using Aha,^{TM5} Bluetooth^{®6} streaming audio or Pandora.⁷

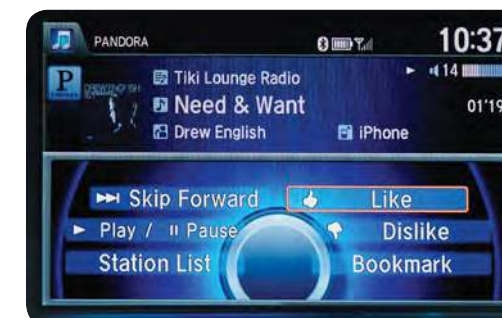

Pair your phone using Bluetooth[®] HandsFreeLink[®], and you'll be able to connect calls with your eyes on the road and your hands on the wheel.

The intelligent Multi-Information Display gives you access to text messages,⁸ music information and the Honda Satellite-Linked Navigation System.^{TM9}

Connect your compatible phone and you'll be able to display incoming text messages,⁸ have them read aloud or save them for later.

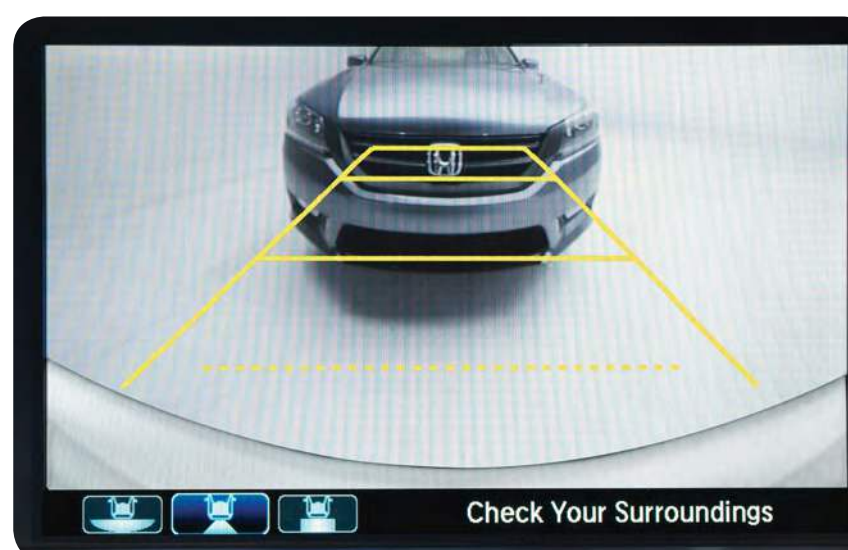

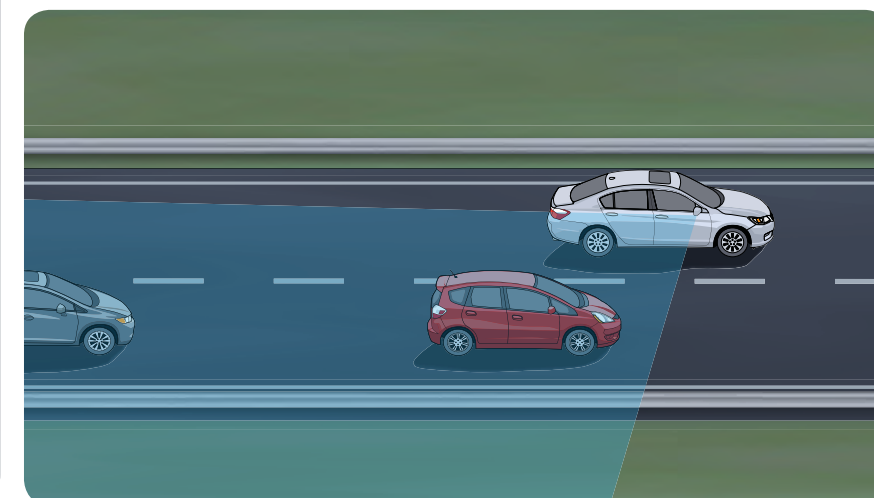

To stream the latest music or comedy using Pandora,⁷ connect your compatible smartphone via the USB Audio Interface¹⁰ or Bluetooth.⁶

Go from blind spot to full screen.

Signal right and Honda LaneWatch™¹¹ displays live video in the center console, revealing nearly four times more than your passenger-side mirror alone.

Know all the angles.

Get a view of what's behind you with a multi-angle rearview camera. The wide-angle view helps you spot approaching cars, and the overhead view helps make parallel parking easier.

Your safety is a priority.

Every Accord Plug-In is equipped with advanced safety features designed to help protect you and your passengers, mile after mile.

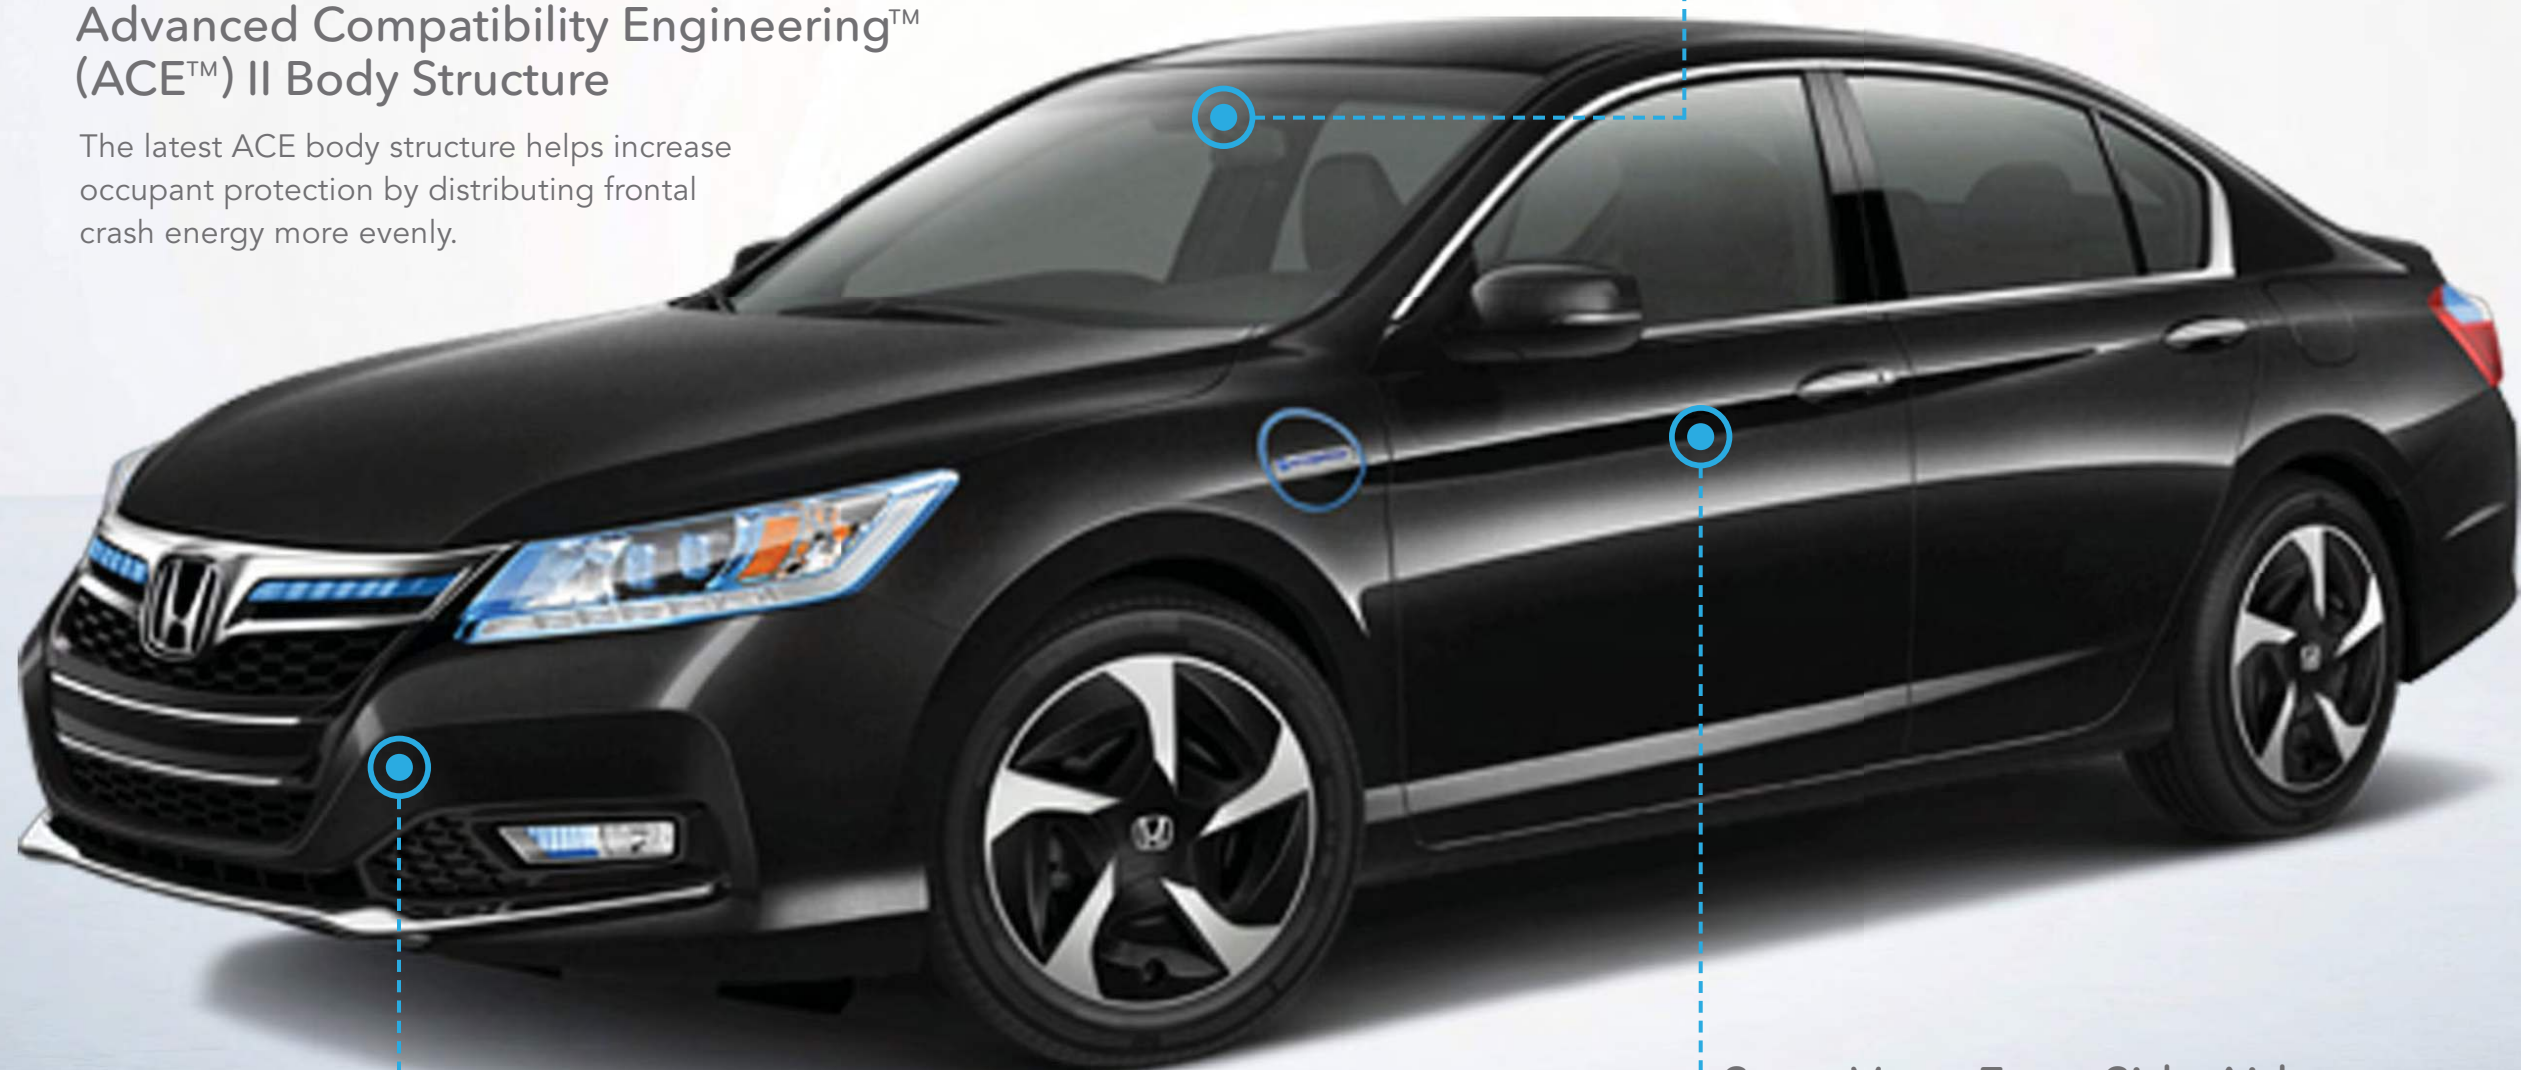

Advanced Compatibility Engineering™ (ACE™) II Body Structure

The latest ACE body structure helps increase occupant protection by distributing frontal crash energy more evenly.

Lane Departure Warning (LDW)

The Lane Departure Warning¹² system lets you know if you drift out of a detected lane without signaling.

Forward Collision Warning (FCW)

The Forward Collision Warning¹³ system immediately alerts you if it senses that you are at risk of a collision.

SmartVent® Front Side Airbags

If an occupant is in the side airbag deployment path, the SmartVent side airbag vents before fully inflating.

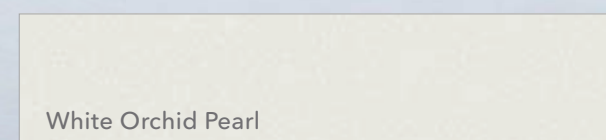

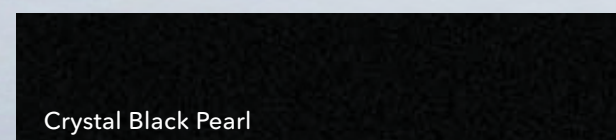

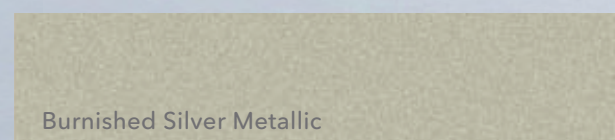

Accord Plug-In

- 2.0-liter i-VTEC® 4-cylinder engine with AC synchronous permanent-magnet electric motor
- 196 total system horsepower
- Eco Assist™ system
- Lithium-ion battery
- 1-hr. approximate charging time² @ 240V
- 6.6 kW onboard 32-amp charger
- LEV3-SULEV20 CARB emissions rating¹⁴
- EPA mileage ratings¹: 115 combined (MPGe); 47 city/46 highway/46 combined (MPG)
- 17-inch forged alloy wheels with aero covers
- Acoustic Vehicle Alerting System (AVAS)
- Forward Collision Warning (FCW)¹³
- Lane Departure Warning (LDW)¹²
- Vehicle Stability Assist™ (VSA®) with traction control

- LED Daytime Running Lights (DRL)
- Advanced Compatibility Engineering™ (ACE™) II body structure
- Six airbags
- Security system with Smart Entry
- Body-colored decklid spoiler
- LED headlights with auto-on/off and blue-tinted chrome bezels
- Fog lights
- LED brake lights with blue-tinted chrome bezels
- Heated, power side mirrors with integrated turn indicators and Expanded View Driver's mirror
- Electric dual-zone automatic climate control system
- HondaLink™ telematics
- Honda Satellite-Linked Navigation System™⁹ with voice recognition, interface dial and HondaLink Real-Time Traffic™
- i-MID with 8-inch high-resolution screen and customizable feature settings
- Multi-angle rearview camera with dynamic guidelines
- Honda LaneWatch™¹¹

- Bluetooth®⁶ HandsFreeLink®
- SMS text message function⁸
- Push button start
- Adaptive Cruise Control (ACC)¹⁵
- Leather-wrapped steering wheel
- Tilt and telescopic steering column
- HomeLink®¹⁶ remote system
- Honda bio-fabric-trimmed interior
- Driver's seat with 10-way power adjustment, including power lumbar support and two-position memory
- Heated front and outboard rear seats
- 180-watt AM/FM/CD audio system with 6 speakers
- HondaLink featuring Aha™⁵ compatibility
- Audio touch-screen
- Hard disk drive (HDD);¹⁷ including 16-GB audio memory
- Pandora®⁷ compatibility
- Bluetooth®⁶ streaming audio
- Song By Voice® (SBV)
- USB Audio Interface¹⁰
- MP3/auxiliary input jack

All 2014 Honda vehicles—and any Honda Genuine Accessories installed at the time of vehicle purchase—are covered by a 3-year/36,000-mile limited warranty.¹⁸ Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty,¹⁸ too. The Battery-Pack Limited Warranty¹⁹ is 8 years/100,000 miles (ULEV rating) (non-CARB states). For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Honda Care® is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

GENUINE ACCESSORIES

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

Powerful. Agile. Versatile enough to handle almost any condition. It's no wonder Honda is the official vehicle of the NHL.^{®20}

Join the millions of other Honda fans and connect with us socially.²¹

HONDA

accordplugin.honda.com

¹ 115 combined miles per gallon of gasoline-equivalent (MPGe) electric rating; 47 city/46 highway/46 combined MPG gasoline only rating. 570 mile combined gas-electric driving range rating. Ratings determined by EPA. Use for comparison purposes only. Your MPGe/MPG and driving range will vary depending on driving conditions, how you drive and maintain your vehicle, battery-pack age/condition and other factors. For additional information about EPA ratings, visit <http://www.fueleconomy.gov/feg/label/learn-more-PHEV-label.shtml>. ² Charging time is measured from initial illumination of the low state-of-charge indicator, not from full depletion. Honda recommends the use of a dedicated 120-volt GFCI outlet tested for use by an electrician. ³ Your personal tax situation may limit your eligibility for this Alternative Motor Vehicle Credit. This is not tax advice. Consult your own tax advisor for details. ⁴ Check local or state laws. ⁵ Compatible smartphone required. All Aha platform feeds are audible, not visual in nature. Vehicle does not provide any feeds. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Launch smartphone applications only when the vehicle is safely parked. Aha, the Aha logo, and the Aha trade dress are trademarks or registered trademarks of HARMAN International Industries, Inc. Your wireless carrier's rates may apply. ⁶ The *Bluetooth*® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license. ⁷ Pandora, the Pandora logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc. Used with permission. Compatible with select smartphones. See: www.pandora.com/everywhere/mobile. Not all devices compatible with USB connection. Your wireless carrier's rate plans apply. ⁸ Compatible with select phones with *Bluetooth*®. Your wireless carrier's rate plans apply. State or local laws may limit use of texting feature. Only use texting feature when conditions allow you to do so safely. ⁹ The Honda Satellite-Linked Navigation System is standard in the United States, Canada and Puerto Rico. (HondaLink Real-Time Traffic service only available in the United States, except Alaska.) Please see your Honda dealer for details. ¹⁰ The USB Audio Interface is used for direct connection to and control of some current digital audio players and other USB devices that contain MP3, WMA or AAC music files. Some USB devices with security software and digital rights-protected files may not work. Please see your Honda dealer for details. ¹¹ Display accuracy will vary based on weather, size of object and speed, and the display may not show all relevant traffic. The display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes. ¹² Lane Departure Warning (LDW) only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹³ Forward Collision Warning (FCW) cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹⁴ LEV3-SULEV20 (Super-Ultra-Low-Emission Vehicle) model as certified by the California Air Resources Board (CARB). ¹⁵ Adaptive Cruise Control (ACC) cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. ACC should not be used in heavy traffic, poor weather or on winding roads. The driver remains responsible to slow or stop the vehicle to avoid a collision. ¹⁶ HomeLink and the HomeLink house are registered trademarks of Johnson Controls.® ¹⁷ Audio memory is a component of navigation system's hard disk drive (HDD). ¹⁸ **3-Year/36,000-Mile Limited Warranty. 5-Year/60,000-Mile Limited Powertrain Warranty.** Ordinary maintenance or adjustments, parts subject to normal wear and replacement, and certain items are excluded. Please see your Honda dealer for the terms and conditions of the limited warranties. ¹⁹ The battery-pack limited warranty may vary. Please see your Honda dealer for details. ²⁰ NHL and the NHL Shield are registered trademarks of the National Hockey League. © NHL 2014.
