

2014

CR-Z

Farther, faster.

CR-Z EX shown in North Shore Blue Pearl.

The CR-Z sport hybrid.

Performance and efficiency, without compromise.

CR-Z EX shown in Milano Red.

With a 37 mpg combined EPA-mileage rating¹ (36 city/39 highway), the CVT-equipped CR-Z is engineered to take full advantage of the road, and a tankful of gas. Also impressive is the manual-transmission model, which has a 34 mpg combined rating¹ (31 city/38 highway).

The CR-Z's sport credentials include a 6-speed manual transmission - a claim no other hybrid can make.

The available Continuously Variable Transmission (CVT) allows you to drive the CR-Z like a conventional automatic, while also offering a pulse-quicken way to change gears. Using the paddle shifters mounted on the steering wheel, the driver can shift through seven simulated gear ratios.

The Honda Integrated Motor Assist IMA[®] system adds power and efficiency with an electric motor. The CR-Z's 1.5-liter, 16-valve i-VTEC[®] 4-cylinder gasoline engine combines with an electric motor to provide 130 horsepower and 140 lb-ft of torque² (127 lb-ft CVT). Perfect for driving in the city, the IMA's near-instantaneous torque at low rpm makes for quick off-the-line acceleration.

Empower the driver.
Enhance the drive.
This is the CR-Z.

CR-Z EX shown with exclusive Black and Red Fabric and available Honda Satellite-Linked Navigation System.^{TM3}

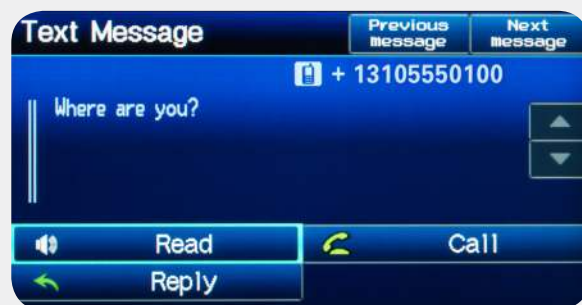

The USB Audio Interface⁶ can read flash drives loaded with MP3 or Windows Media[®] Audio (WMA)⁷ music files. Plug in your compatible MP3 player to listen to your music and keep the device fully charged.

Bluetooth^{®8} HandsFreeLink[®] keeps you connected with those who matter most. Make your calls using the convenient steering wheel-mounted controls. And *Bluetooth*[®] streaming audio (EX with Navi) lets you play music from your phone through the CR-Z's audio system.*

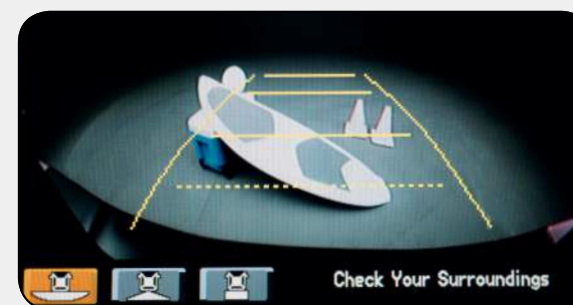

The available Honda Satellite-Linked Navigation System³ with voice recognition is your guide. And FM Traffic's rerouting function finds alternate routes.

Conveniently manage your SMS text messages⁴ from the road (EX with Navi). Save them for later, have them read out loud or display them on the navigation screen while parked.

Bring along your songs and your own personal DJ. Connect your compatible smartphone to stream Pandora^{®5} (EX with Navi) through the CR-Z's audio system, which you can control via the USB Audio Interface⁶.

Every CR-Z is equipped with a rearview camera to help make parking easier. Shift into reverse and an image of what's behind you will appear on the navigation display (EX with Navi).

iPod classic[®] is not included. iPod classic is a registered trademark of Apple Inc.
*Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.

Modern Classic.

Updated alloy wheels are sleek and sporty. LED Daytime Running Lights (EX) add a flash of style, while the bumper and grille are as aggressive as ever.

CR-Z EX shown in Polished Metal Metallic.

Every day and every drive are different. The CR-Z is designed to dominate the road.

What's the road asking for today? Change the CR-Z's mode for more control of your drive.

NORMAL MODE
Turn the key and the CR-Z starts in Normal mode.

- Steering assist is normal
- Acceleration responds in between Sport and ECON

SPORT MODE
Release the power of the CR-Z's hybrid engine.

- Additional IMA electrical power during acceleration
- More responsive steering assist

ECON MODE
Conserve fuel with help from ECON mode and Eco Assist.™

- Smooth acceleration with lowest-possible engine rpm
- Air conditioning optimized for higher fuel efficiency¹

Need a performance boost? Press the S+ button and the Plus Sport System® primes the CR-Z's engine for enhanced performance, no matter which mode you're driving in.

Sport coupe tradition infused with modern ingenuity. That means comfort, convenience and control.

CR-Z EX shown with exclusive Black and Red Fabric and available Honda Satellite-Linked Navigation System.³

From hairpin turns to highway on-ramps, the bolstered mesh sport seats are stylish and help keep you firmly in place.

The thick, leather-wrapped 3-spoke steering wheel (EX) adds attitude to the interior. The combination of the tilt and telescopic steering column with the seat-height adjustment means you'll find the perfect driving position.

The expandable cargo area has up to 25.1 cubic feet of stowage.² And the rear cargo console behind the front seats provides an easy place to store things. Folding the console hides your items and creates a flat floor for transporting larger objects.

Lightweight and durable, the textured-aluminum pedals found on EX models are optimally positioned for heel/toe downshifting.

Vehicle information is displayed within the Multi-Information Display (MID). Press the "i" button on the steering wheel to select:

- IMA system power flow indicator
- Eco Scoring displays
- Digital fuel-mileage indicators
- Average fuel economy, average speed and elapsed time indicators
- Miles-to-empty indicator
- Exterior temperature indicator

The CR-Z includes safety systems designed to help protect you if you're in harm's way.

Honda is committed to providing safety for everyone - that means crash protection not only for our own drivers and passengers, but also for the occupants of other vehicles, and injury mitigation for pedestrians. We are dedicated to identifying and implementing advanced designs and features that help enhance the safety of vehicles on the road.

The side curtain airbag module is positioned along the side of the headliner. In the event of a sufficient side impact, this system will activate to help provide protection for all occupants.*

Airbags inflated for display purposes.

CR-Z shown with Black Fabric.

The CR-Z is equipped with 4-wheel disc brakes with anti-lock braking system (ABS) for impressive stopping power. The Brake Assist feature helps apply full braking in some emergency situations, and Electronic Brake Distribution (EBD) can distribute brake force among the four wheels based on how much load each wheel is bearing.

Both the driver and passenger are protected by advanced front airbags that incorporate dual-stage, multiple-threshold technology. If deployed, these airbags are capable of being inflated at different rates, depending on crash severity, seat-belt usage and/or other factors. In the event of a moderate-to-severe side impact, the side airbag inflates to help protect the driver's or front passenger's upper body.*

*Always use seat belts. The passenger's airbag poses serious risks to children. Honda recommends that you do not carry a child age 12 or under as a passenger. Please see your Honda dealer for details.

Vehicle Stability Assist™ (VSA®)† helps sense oversteer or understeer and then adjusts brake pressure at each wheel and/or reduces engine power to help restore driver control.

†VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

The Advanced Compatibility Engineering™ (ACE™) body structure enhances crash compatibility and occupant protection in frontal collisions by utilizing a network of connected structural elements to distribute crash energy more evenly throughout the front of the vehicle.

CR-Z

- 1.5-liter i-VTEC® 4-cylinder engine with Integrated Motor Assist IMA®
- 130 horsepower @ 6000 rpm (combined engine (SAE net) + electric motor)²
- 140 lb-ft. of torque @ 1,000-2,000 rpm (6MT) / 127 lb-ft. of torque @ 1,000-3,000 rpm (CVT) (combined engine (SAE net) + electric motor)²
- Lithium-ion battery
- 6-speed manual transmission
- Continuously variable transmission (CVT) with paddle shifters (available)
- AT-PZEV CARB emissions rating¹⁰
- EPA mileage ratings¹ (city/highway/combined): 6MT: 31/38/34 mpg; CVT: 36/39/37 mpg
- 3-mode drive system (Sport/Normal/ECON)
- Plus Sport System®
- Eco Assist™ system
- Hill start assist

- Electric power-assisted rack-and-pinion steering (EPS)
- 16" alloy wheels
- Tire Repair Kit (TRK) with 24-hour assistance
- Advanced Compatibility Engineering™ (ACE™) body structure
- Vehicle Stability Assist™ (VSA®) with traction control
- Security system with remote entry
- Automatic climate control system
- Rearview mirror with rearview camera display and guidelines
- Bluetooth®⁸ HandsFreeLink®
- Cruise control
- Tilt and telescopic steering column
- Illuminated steering wheel-mounted controls
- 160-watt AM/FM/CD audio system with 6 speakers
- USB Audio Interface⁶
- MP3/auxiliary input jack
- MP3/Windows Media® Audio (WMA)⁷ playback capability

CR-Z EX

(Adds to or replaces CR-Z features)

- LED Daytime Running Lights (DRL)
- High-Intensity Discharge (HID) headlights with auto-on/off
- Fog lights
- Leather-wrapped steering wheel
- Aluminum shift knob with leather (6MT)
- Textured aluminum pedals
- Illuminated driver's and front passenger's vanity mirrors
- 360-Watt AM/FM/CD premium audio system with 7 speakers, including subwoofer

CR-Z EX with Navigation

(Adds to or replaces CR-Z EX features)

- Honda Satellite-Linked Navigation System™³ with voice recognition, FM Traffic and multi-angle rearview camera with guidelines
- SMS text message function⁴
- Pandora®⁵ compatibility
- Bluetooth®⁸ streaming audio

All 2014 Honda vehicles - and any Honda Genuine Accessories installed at the time of vehicle purchase - are covered by a 3-year/36,000-mile limited warranty.¹¹ Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty,¹¹ too. The Battery-Pack Limited Warranty¹² is 8 years/100,000 miles (non-CARB states). For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Honda Care® is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

Powerful. Agile. Versatile enough to handle almost any condition. It's no wonder Honda is the official vehicle of the NHL.^{®13}

¹ 31 city/38 highway/34 combined mpg rating for 6MT models. 36 city/39 highway/37 combined mpg rating for CVT models. Based on 2014 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on driving conditions, how you drive and maintain your vehicle, battery-pack age/condition and other factors. ² Horsepower and torque measured with IMA system. ³ The Honda Satellite-Linked Navigation System is available on EX models in the United States, Canada and Puerto Rico. (FM Traffic service only available in the United States, except Alaska.) Please see your Honda dealer for details. ⁴ Compatible with select phones with *Bluetooth*.[®] Your wireless carrier's rate plans apply. State or local laws may limit use of texting feature. Only use texting feature when conditions allow you to do so safely. ⁵ Pandora, the Pandora logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc.
