01

■ IT DEMANDS TO BE NOTICED. Inside and out, you'll find that everything about the 2005 Tiburon has been designed to make a big impression—from its sleek, wind-cheating aerodynamic design and exhilarating ride, to your choice between a 4-cylinder engine with CVVT* and a spirited 2.7-liter, 24-valve, DOHC V6. Plus a cockpit loaded with enticing standard features. So much for traveling incognito.

*Continuously Variable Valve Timing

2005 TIBURON / OVERVIEW

02

GT IN BLACK LEATHER

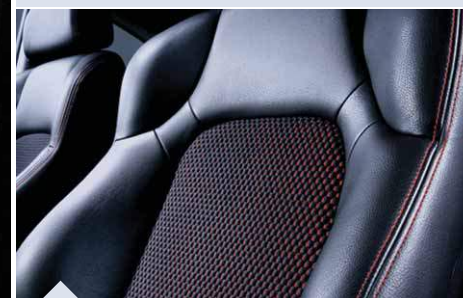

AUTOMATIC TEMPERATURE CONTROL

You may be driving a hot car, but that doesn't mean you can't keep your cool — thanks to the Tiburon GT's standard and fully automatic temperature control system.

POWER SUNROOF

Sunny skies, refreshing breezes or a view of the stars — the Tiburon delivers with an auto-open tilt-and-slide sunroof with sunshade, available on all models.

SPORT SEATS

The ultimate in comfort and racing-inspired style, the SE and GT's front bucket and rear seats boast black leather bolsters with red stitching and red sport-grip seat cloth.

GT IN BLACK LEATHER

- MULTI-ADJUSTABLE FRONT BUCKET SEATS AND HEAD-RESTS OFFER MAXIMUM SUPPORT AND COMFORT
- 50/50 SPLIT FOLD-DOWN REAR SEATBACK GIVES CONVENIENT STORAGE OPTIONS
- AVAILABLE HIGH-QUALITY LEATHER SEATING SURFACES ADD TO THE GT'S SPORTY LOOK
- HIGH-TECH ORANGE INSTRUMENT GAUGES FEATURE BACKLIGHTING FOR EASY READABILITY

2005 TIBURON / COMFORT

GS IN OBSIDIAN BLACK

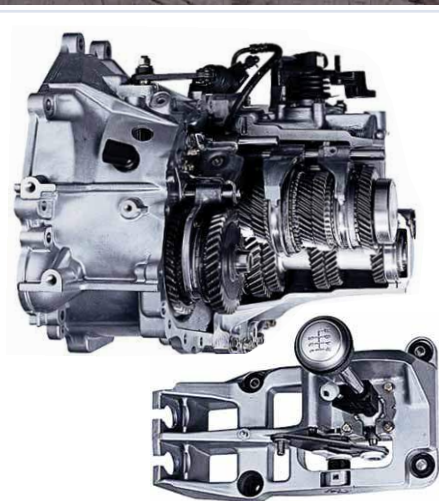

DUAL EXHAUST

The standard chrome-tipped dual exhaust outlets add an extra degree of efficiency and style to all Tiburon models and guarantee you'll make as good an impression leaving as you do arriving.

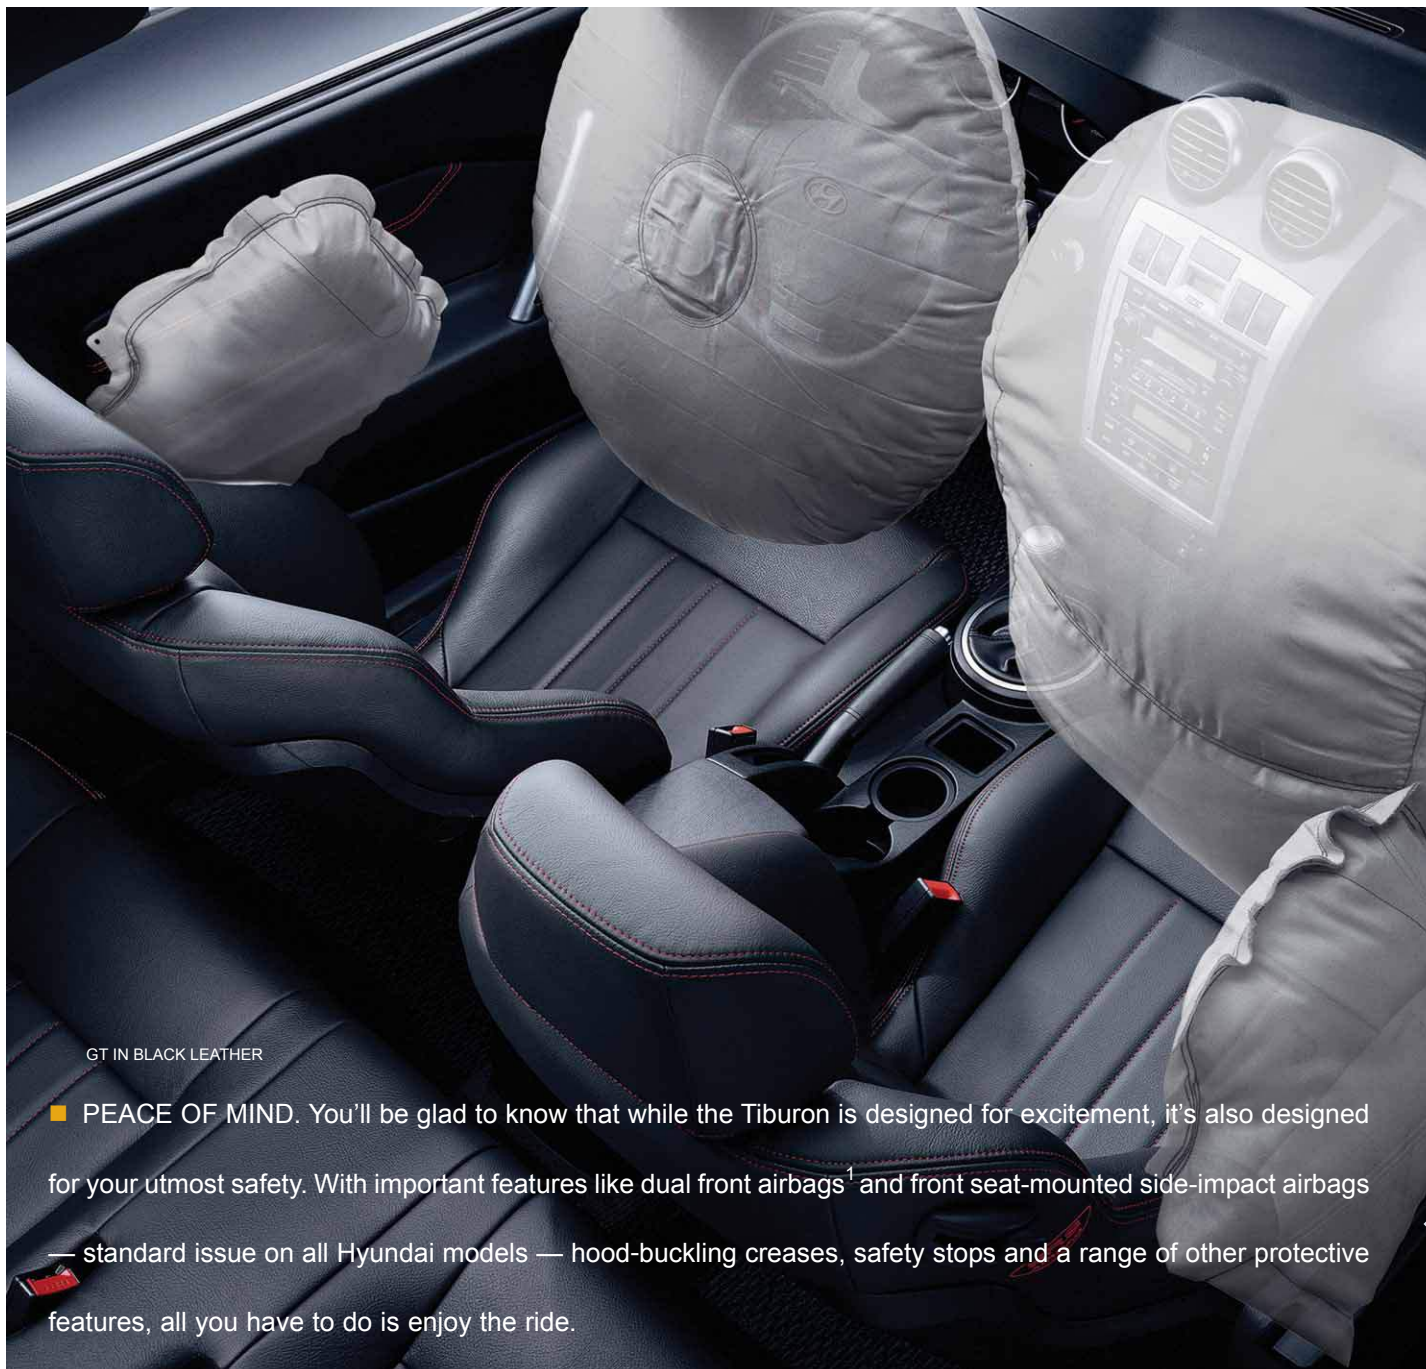

2.7-LITER V6 ENGINE

The SE and GT's standard 2.7-liter, 24-valve, DOHC V6 engine is one potent performer that delivers plenty of thrills, whether you're hitting the open road or just running a quick errand.

6-SPEED MANUAL TRANSMISSION

The Tiburon SE's exclusive and smooth-shifting 6-speed manual transmission is perfectly matched with the responsive 2.7-liter V6 engine. In fact, you could say that they were made for each other

GT IN BLACK LEATHER

■ **PEACE OF MIND.** You'll be glad to know that while the Tiburon is designed for excitement, it's also designed for your utmost safety. With important features like dual front airbags¹ and front seat-mounted side-impact airbags — standard issue on all Hyundai models — hood-buckling creases, safety stops and a range of other protective features, all you have to do is enjoy the ride.

DISC BRAKES

Power-assisted 4-wheel disc brakes come standard on all Tiburons. The SE features red aluminum front brake calipers and ABS for increased braking control in adverse conditions.

SEATBELT PRETENSIONERS

Front seatbelt pretensioners* tighten the belts during a frontal impact. This reduces the occupants' forward movement, and helps position them for optimal effectiveness of the airbags.

UNIBODY CONSTRUCTION

The Tiburon's reinforced steel unibody construction, steel side-impact door beams and front and rear crumple zones help lessen an impact's effect on the cabin.

FOUR AIRBAGS

Dual front and front side-impact airbags come standard on every Hyundai model. The side-impact airbags are seat-mounted so that they move along with your seat.

¹ The Supplemental Restraint (airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which should be worn at all times. Children under the age of 13 should be restrained securely in the rear seat. NEVER place a rear-facing child seat in the front seat of a vehicle that has a passenger-side airbag. *Photo is representative. Pretensioner design may be different from shown.

■ ALL EYES ON YOU. When you drive a Tiburon, you'll soon discover that it's nearly impossible to blend into the crowd. Its clean, aerodynamic design features a body-color rear spoiler, sculpted rocker panels, deep front air dam and newly restyled aerodynamic projector-type halogen headlights — features that enhance performance, stability and, of course, your uncanny ability to get noticed.

- BODY-COLOR REAR SPOILER IS SET HIGH ON THE SE AND LOW ON THE GS AND GT MODELS
- NEWLY STYLED SIDE MIRRORS PROVIDE IMPROVED AERODYNAMICS AND VISIBILITY
- REDESIGNED SIDE GILLS GIVE AN AGGRESSIVE APPEARANCE
- NEW FOG LIGHT DESIGN ENHANCES THE TIBURON'S GOOD LOOKS

TIBURON ACCESSORIES

See your Hyundai dealer for a full line of custom accessories for your Tiburon. You should always use genuine Hyundai parts and accessories, which meet strict standards for quality and durability.

Safeguard your Tiburon's paint from nicks, scratches and flying debris with this high-quality front nose mask.

Protect your investment from the ground up with available wheel locks for an extra measure of security.

Let the fresh air in while reducing the noise level inside the cabin when you add a sunroof wind deflector.

This weather-repellent cover fits your Tiburon to a T, shielding your finish from the elements, rain or shine.
