2007 TIBURON

 HYUNDAI

2007 TIBURON | INTRODUCTION

DESIGNED TO RAISE PULSES.

Performance and style team up to deliver miles of fun and excitement when you sit behind the wheel of the 2007 Tiburon. It has good looks that get everyone's attention—clean, sweeping lines that will have heads turning on the street and valets nodding with approval. It also has the muscle to back it up, thanks to V6 power and a sport-tuned suspension. So there is always plenty of adrenaline on tap, whether you are charging through a deserted canyon or cruising down the boulevard. Are you ready for some more thrill in your ride? Then you're ready for the 2007 Tiburon.

GT LIMITED IN CARBON GRAY

SE IN BLACK PEARL

2007 TIBURON | PERFORMANCE

- **2.7-LITER, 24-VALVE V6 ENGINE***
- **SPORT-TUNED FRONT MACPHERSON STRUT AND REAR MULTI-LINK SUSPENSION**
- **FRONT AND REAR STABILIZER BARS**
- **17-INCH, SPLIT-SPOKE EUROFLANGE ALLOY WHEELS WITH V-RATED 215/45R TIRES***
- **6-SPEED MANUAL TRANSMISSION, CROSS-DRILLED FRONT BRAKE ROTORS AND TRACK-TUNED SPORT SUSPENSION ON SE**

*On GT, GT Limited, SE

Handling

Tiburon exhibits precise, spirited handling with 4-wheel independent suspension, V-rated performance tires,* gas-charged struts and front and rear stabilizer bars.

Performance Tires

High-performance, low-profile 215/45VR tires mounted on 17-inch Euroflange alloy wheels* deliver outstanding traction for grip that simply won't quit.

*On GT, GT Limited, SE

Aerodynamic Design

Tiburon's sleek bodywork slices through the air while making an aggressive visual statement, thanks to a steeply raked windshield, front air dam and rear spoiler.

Cross-drilled Disc Brakes

The SE's cross-drilled front brakes with lightweight red aluminum calipers help dissipate heat and reduce fade for optimum braking performance.

The Tiburon makes every drive an entertaining one. Go ahead and take it through your favorite set of turns. You'll find it handles them with a competence and enthusiasm that inspire driving confidence. And it's no slouch in a straight line, either. That's because Tiburon is engineered with performance features that will impress any serious driving enthusiast. Let's start with a choice of two sophisticated power plants able to get you up to speed in a hurry. Add razor-sharp handling. Then finish with 4-wheel disc brakes and ABS to ensure that coming to a stop is never dramatic.

2007 TIBURON | INTERIOR

The moment you sit in the Tiburon, you'll realize that this is a driver's car. The form-fitting sport seats support your body comfortably, all controls are within easy reach, and the clearly marked instrumentation keeps you completely informed. And to boost your driving experience, there are numerous amenities, like an available 440-watt Infinity 7-speaker audio system, and standard red leather-trimmed interior and power tilt-and-slide sunroof on the GT Limited. So whether you're tearing up a canyon road or sitting in rush-hour traffic, you're guaranteed to have a good time.

- AIR CONDITIONING WITH CABIN AIR FILTER
- AUTOMATIC TEMPERATURE CONTROL ON GT AND GT LIMITED
- CENTER CONSOLE WITH ARMREST AND STORAGE
- RED LEATHER-TRIMMED INTERIOR ON GT LIMITED
- AVAILABLE 440-WATT INFINITY® IN-DASH, 6-DISC CD/MP3 AUDIO SYSTEM WITH SUBWOOFER AND AMPLIFIER

GT INTERIOR

Infinity is a registered trademark of Harman International Industries, Inc.

2007 TIBURON | STYLING

The best phrase to describe the bodywork of the Tiburon is aggressive refinement. Its wide stance, energetic profile, track-inspired fuel door, rear spoiler and SE's bright-red brake calipers let everybody know this car means business. This year's Tiburon features updated fascia, headlights, tail lights, front hood and fenders and chrome-tipped dual exhaust, making it more stylish than ever. Along with design details like chrome-accented side strakes, the Tiburon looks right at home uptown, downtown or wherever your night takes you.

- CHROME-TIPPED DUAL EXHAUST
- FRONT AIR DAM WITH INTEGRATED FOG LIGHTS
- SCULPTED ROCKER PANELS
- BODYCOLOR REAR SPOILER
- CHROME-ACCENTED SIDE STRAKES
- DRAMATIC 17-INCH, SPLIT-SPOKE ALLOY WHEELS WITH LOW PROFILE TIRES ON V6 MODELS

SE IN CAPTIVA WHITE

2007 TIBURON | ACTIVE SAFETY

Anti-lock Braking System

The ABS system uses sensors to detect hard braking, then quickly pulses the brakes to prevent wheel lock-up. To enhance its performance, Electronic Brake-force Distribution balances brake pressure at each wheel as the vehicle's weight shifts during braking. Together ABS and EBD help reduce braking distances and maintain steering control in emergency braking situations.

Electronic Stability Control

When the unexpected happens, it's nice to know that our engineers were expecting it. Electronic Stability Control with Traction Control, standard on the Tiburon SE, constantly monitors wheel speed, steering angle, yaw and lateral g-forces. When a skid is anticipated, the brakes are automatically applied to individual wheels and throttle input is adjusted as required to keep the vehicle on its intended path.

GT LIMITED IN REDFIRE PEARL

2007 TIBURON | PASSIVE SAFETY

Energy-absorbing Steering Column

An NHTSA report* confirms that an energy-absorbing steering column, a standard safety feature on all Tiburons, is vital in helping protect the driver in the event of a frontal collision.

* From NHTSA's report, "Lives Saved by Federal Motor Vehicle Safety Standards and Other Vehicle Safety Technologies 1960-2002," October, 2004.

Seatbelt Pretensioners

Front seatbelt pretensioners tighten the safety belts during certain frontal impacts, helping reduce the occupant's forward movement. The force limiters help manage the belt's load across the torso and hips.

Airbags

Tiburon's standard safety technologies include advanced dual front airbags¹ and front side-impact airbags for protection in the event of a collision. For an added measure of safety, an Occupant Classification System is included.

¹The Supplemental Restraint System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which should be worn at all times. Children under the age of 13 should be restrained securely in the rear seat. NEVER place a rear-facing child seat in the front seat of a vehicle that has a passenger-side airbag.

GT LIMITED INTERIOR

 **HYUNDAI**

SE IN QUICKSILVER

2007 TIBURON | FEATURES

- **MULTI-FUNCTION TRIP COMPUTER***
- **AVAILABLE POWER TILT-AND-SLIDE SUNROOF**
- **CRUISE CONTROL***
- **FRONT MAPLIGHTS AND REAR CARGO LIGHT**
- **REMOTE KEYLESS ENTRY SYSTEM WITH ALARM**
- **LEATHER-WRAPPED STEERING WHEEL***

*On GT, GT Limited, SE

Rear Spoiler

Style or substance. How about both? The standard body-color rear spoiler gives Tiburon a sporty profile, but it doesn't stop there. It also provides aerodynamic downforce at highway speeds.

Aluminum Sport Pedals

Not only do these aluminum pedals add to the SE's exclusive track-inspired features, the raised rubber inserts provide added grip as you work your way through the gears of the six-speed manual transmission.

Driving Comfort

Track-inspired side-bolstered seats with lumbar support, as well as a leather-wrapped steering wheel and shift knob, keep you comfortably in control.* GT Limited's standard red leather-trimmed seats are a stylish plus.

*On GT, GT Limited, SE

The Tiburon boasts plenty of features to make every drive comfortable and convenient. Remote keyless entry gets you inside and driving in a hurry. A 50/50 split fold-down rear seatback expands cargo space for larger items. And the available power tilt-and-slide sunroof brings the outdoors inside whenever the spirit moves you. On the SE model, there's even a full-size spare in the trunk. The only thing that's missing is someone to step behind the wheel, start the engine and take it to the streets. That someone is you.

AMERICA'S BEST WARRANTY™

When you choose a Hyundai, you're not only getting a vehicle that gives you performance, comfort and reliability, but one that gives you peace of mind. The peace of mind that comes with America's Best Warranty*—an industry-leading, 10-year/100,000-mile program that is the most comprehensive of its kind. We have invested billions of dollars in research, development and state-of-the-art manufacturing facilities in Korea and the U.S.—including a 4,300-acre proving ground in the Mojave Desert—so you can rest assured that your Hyundai is built to stand the test of time.

GS

STANDARD FEATURES INCLUDE:

- 2.0-LITER, DOHC INLINE 4-CYLINDER ENGINE WITH CONTINUOUSLY VARIABLE VALVE TIMING
- CHROME-TIPPED DUAL EXHAUST
- 5-SPEED MANUAL TRANSMISSION
- 4-WHEEL INDEPENDENT SPORT SUSPENSION
- 4-WHEEL ANTI-LOCK BRAKING SYSTEM (ABS)
- 16-INCH, STAR-TRIPLE-SPOKE EUROFLANGE ALLOY WHEELS WITH P205/55R16 TIRES
- TIRE PRESSURE MONITORING SYSTEM (TPMS)
- FRONT FOG LIGHTS
- DUAL HEATED POWER SIDE MIRRORS
- ADVANCED DUAL FRONT AIRBAGS
- FRONT SIDE-IMPACT AIRBAGS
- 220-WATT KENWOOD® AM/FM/CD/MP3 AUDIO SYSTEM WITH SIX SPEAKERS
- MANUAL AIR CONDITIONING
- CABIN AIR FILTER
- POWER WINDOWS WITH DRIVER'S AUTO-DOWN
- POWER DOOR LOCKS
- CENTER CONSOLE WITH ARMREST, STORAGE AND DUAL CUPHOLDERS
- REMOTE KEYLESS ENTRY SYSTEM WITH ALARM
- 50/50 SPLIT FOLD-DOWN REAR SEATBACK
- IN-GLASS ANTENNA
- CHROME-ACCENTED SIDE STRAKES
- LOW BODYCOLOR REAR SPOILER

GT

INCLUDES ALL STANDARD GS FEATURES PLUS:

- 2.7-LITER, 24-VALVE, DOHC V6 ENGINE
- 17-INCH, SPLIT-SPOKE EUROFLANGE ALLOY WHEELS WITH 215/45VR17 TIRES
- AM/FM/CASSETTE/CD/MP3 AUDIO SYSTEM WITH SIX SPEAKERS
- FULLY AUTOMATIC TEMPERATURE CONTROL WITH OUTSIDE TEMPERATURE DISPLAY
- AIR QUALITY SYSTEM (AQS)
- BLACK LEATHER-BOLSTERED SEATS WITH BLACK SPORT-GRIP SEAT CLOTH
- DRIVER SEAT LUMBAR SUPPORT
- BLACK LEATHER-WRAPPED STEERING WHEEL AND SHIFT KNOB
- BLACK LEATHER DOOR INSERTS
- CRUISE CONTROL
- MULTI-FUNCTION TRIP COMPUTER
- METALGRAIN INTERIOR TRIM

GT LIMITED

INCLUDES ALL STANDARD GT FEATURES PLUS:

- RED LEATHER-TRIMMED INTERIOR
- POWER TILT-AND-SLIDE SUNROOF
