

09 HYUNDAI_ACCENT

ARE WE THERE YET?

It's a common sentiment among children riding in the back seat, but you may be surprised to learn that it's also the way we approach making cars here at Hyundai. We're always asking ourselves if our vehicles are as good as they can possibly be. Are the engines smooth enough? Is the design stylish enough? Is the performance inspiring enough? Are the emissions low enough? Is the vehicle safe enough? In the end, the answer is yes. And no. Because as proud as we are of our vehicles, as impressively as they perform, as handsomely as they're styled and as safe as they unquestionably are, we're simply never satisfied. As a driver, you deserve nothing less. Think about it.

SE IN CHARCOAL GRAY

MORE INTERIOR VOLUME THAN HONDA CIVIC

Sometimes, small can be big. The Accent, a subcompact, is classified as a Compact Car by the U.S. government – a class larger than Toyota Yaris. That means you'll enjoy a cabin that's also more spacious than Corolla or Civic, with thoughtful amenities and an ergonomic layout that make every drive a pleasure.

SE INTERIOR IN BLACK

AMERICA'S

BEST

What does a warranty say about a car? Well to us, it says we have the utmost confidence in its quality, so much so that we're willing to stand behind our cars long after you've driven off the dealer's lot. Long enough, in fact, for you to go from graduating high school to graduating medical school.

WARRANTY

09 ACCENT_WARRANTY

	POWERTRAIN	NEW VEHICLE LIMITED WARRANTY	ANTI-PERFORATION	ROADSIDE ASSISTANCE

WHAT DOES THE WORD “BEST” MEAN, AGAIN?

It’s difficult to know these days, with car makers claiming to have “The Best Coverage in America” or “The Best Warranty Coverage in the Business.” Fact is, there is no manufacturer that offers a standard warranty matching Hyundai’s (and we’ve had it for 10 years), which means when we say we have America’s Best Warranty,¹ the word “best” means, well, best.

Best ≠ Good
Best ≠ Kind of impressive
Best ≠ Better than my neighbor’s

Best = Best

¹See dealer for LIMITED WARRANTY details.

MORE HORSEPOWER THAN TOYOTA YARIS

Accent develops an energetic 110 horsepower and 106 lb.-ft. of torque – more than Toyota Yaris. With a choice of either a 5-speed stick or a 4-speed automatic, the Accent is well equipped to leave stragglers in its wake.

SPORT-TUNED SUSPENSION

The SE 3-door's upgraded sport suspension features unique springs, a stabilizer bar and dampers to further reduce body roll and improve stability in corners, as well as a quick-ratio steering rack for better responsiveness.

B&M RACING® SPORT SHIFTER

If you opt for the SE 3-door, you'll be treated to a leather-wrapped B&M Racing Sport Shifter. A perfect complement to the 5-speed transmission, this stylish yet functional design makes for short throws, quick shifts and sharp looks.

RESPONSIBILITY IN ACTION

Accent is ULEV certified (Ultra Low Emissions Vehicle) while delivering up to an impressive 35 MPG! So you can endure less pain at the pump as you enjoy a guilt-free conscience knowing you're doing your bit for the environment.

RESPONSIVE POWER

Accent's 1.6-liter Alpha engine features 16 valves, Continuously Variable Valve Timing, double overhead cams and an aluminum head for performance that makes every drive a fun-filled adventure.

SE IN TANGO RED

170 CHANNELS OF CRYSTAL-CLEAR SOUND. Standard XM® Satellite Radio lets you enjoy a huge variety of audio entertainment – much of it commercial free – from exclusive music channels to the best news, sports, weather, live traffic and more! And with your complimentary subscription, the first three months are on us. Hear what you've been missing.

09 ACCENT_ INTERIOR FEATURES

172-WATT AUDIO SYSTEM

A multi-speaker, 172-watt audio system brings your favorite tunes to life with clear, detailed sound. It also features a CD player as well as MP3 readability.

AUXILIARY INPUT JACK

Your favorite music is never far away. The Accent is equipped with an auxiliary input jack to connect portable music players such as an iPod® to the audio system. Just plug it in to your player's headphone jack and all of your songs will come loud and clear through the Accent's audio system.

BLUETOOTH® A built-in microphone and speaker deliver perfect call clarity, and the system has the ability to recognize multiple phones.

ADJUSTABLE DRIVER SEAT

You deserve to be comfortable. Thankfully, the perfect driving position is now just moments away, courtesy of a 6-way adjustable driver seat with an integrated armrest.

CRUISE CONTROL

Long trips on the interstate just got a lot more comfortable, thanks to available cruise control with steering-wheel-mounted controls for easy fingertip adjustment. Just set your speed and let the system do the rest.

ACCESSORIZE AND PERSONALIZE

It's time to put your personal stamp on your ride. With more than 30 accessories to choose from including interior trim pieces and audio options, you can transform your Accent 3-door from mere transportation into a rolling expression of your individuality.

SE IN MELLOW YELLOW

09 ACCENT_ACCESSORIES

KENWOOD® STEREO

Elevate your sound system with this advanced Kenwood audio system with a 200-watt amp and MP3 playback. Add a subwoofer featuring passive radiator technology to take your music to an even higher level.

ALUMINUM DOOR SILL

Talk about putting your best foot forward. Every time you step in or get out of your Accent, this aluminum door trim featuring a handsome, etched logo will remind you and your passengers who has the coolest car.

SPORT STEERING WHEEL

Get a grip with this stylish sport wheel, featuring a leather-wrapped design with contrasting blue or gray accents. Its thick rim and ergonomic shape make it ideal for enthusiastic driving or just cruising the streets.

CUSTOM LUG NUTS

A great way to add some tuner style to your ride, these blue lug nuts give your Accent's wheels the extra attitude to help you stand out from the crowd. It also makes the chore of rotating your tires the tiniest bit more interesting.

MORE CARGO VOLUME THAN HONDA CIVIC

The Accent GLS 4-door has a sizeable 12.4 cubic feet of cargo volume, more than Honda Civic and Toyota Corolla. And for your friends in the back seat, it offers more rear head room than those models, too: 37.8 inches, to be exact.

AIR CONDITIONING

When the mercury starts to rise, it's nice to know the Accent GLS's standard air conditioning is ready and waiting to keep you cool and comfortable. The system also features a filter to keep the cabin air free of contaminants.

60/40 SPLIT

The 60/40 split rear seats fold down to conveniently accommodate large items that life sometimes brings your way. If you're the impulsive type who spends most of your weekends at flea markets and garage sales, this is worth its weight in vintage furniture.

EIGHT DRINK HOLDERS

The GLS features eight, count 'em, eight drink holders. Which means you can keep even the thirstiest passengers happy and satisfied, even during long trips. Of course, there may be slightly more pit stops along the way.

GLS IS GOOD TO GO

It delivers inspiring performance, excellent fuel economy and a ULEV emissions rating. What's more, we've given it a stiff body for precise handling and a smooth ride. Inside, you'll find comfort and convenience that pleasantly surprise.

22,000 LIVES SAVED

NHTSA estimates that, thanks to airbags, over 22,000 people who were involved in automobile accidents are living today.

¹Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). Model tested with standard side-impact airbags (SABs). 2006 4-door model tested.

NHTSA

FIVE-STAR RATING

Three-point seatbelts for every seat. Front seatbelt pretensioners. Front and rear crumple zones. Bodyside reinforcements. Six airbags, standard. No wonder NHTSA gave the GLS their highest crash safety rating for frontal impacts!

SAFETY

GLS IN EBONY BLACK

SEATBELT PRETENSIONERS

Pretensioners tighten seatbelts in certain accidents to limit the front occupants' forward movement. Force limiters then release slack to reduce the load across the body, which helps minimize injury.

ELECTRONIC BRAKE-FORCE DISTRIBUTION

This technology varies the brake force applied to each wheel based on road conditions, speed and load, among other factors. By applying the maximum brake pressure needed, braking distances are minimized.

ANTI-LOCK BRAKES ABS uses computerized sensors to detect and prevent wheel lock-up, helping you to maintain steering control while braking hard in emergency situations.

TIRE PRESSURE MONITORING SYSTEM

Each of the Accent's wheels is equipped with an air-pressure sensor located at the valve stem. In the event that any tire drops below a specified air pressure, a warning light on the instrument panel will alert you to the situation!

STRUCTURAL INTEGRITY

We build the Accent with reinforced unibody construction and high-tensile steel to effectively absorb collision energy. Then we add rear crumple zones, bodyside reinforcements and hood-buckling creases to protect you in an impact from any direction.

AIRBAGS THAT THINK

Advanced front airbags adjust their deployment based on impact speed and seat position, and use the Occupant Classification System to prevent deployment when the front passenger is under a certain size.*

BUILT TO LAST

Ever wonder how we can afford to offer America's Best Warranty? Well, it's because the Hyundai you buy today is among the most painstakingly manufactured automobiles in the world. Read on below and you'll learn just a few of the reasons why we have so much confidence in the cars we build.

LARGE AND IN CHARGE

Our Ulsan plant, where the Accent is built, is the largest automotive manufacturing plant in the world. It has five assembly plants and seven engine facilities, and employs 34,000 people. It also boasts an environmentally friendly waste water and sewage treatment plant.

LASER FIT & FINISH TESTS

In our Asan plant, specially designed lasers slowly pass over and scan car body panels, searching for flaws and inconsistencies in either panel gaps or alignment that are invisible to the human eye. This ensures perfect fit and finish before any car leaves the factory.

HANDS-ON QUALITY CHECKS

We hand check nuts, bolts, cables, wiring and power components before any Hyundai ever leaves the plant. Then every vehicle is road tested to eliminate squeaks and rattles that can't be detected on the factory floor. The result? A flawless car delivered to you.

ROBOTS AND PEOPLE

Generally, our robots handle repetitive, physical tasks, like welding and painting. People, on the other hand, inspect the robots' work for things they may overlook. Which means we always pick the best person for the job, even when that person isn't one.

TESTED TO THE EXTREMES

From the scorching heat of Death Valley's deserts to the frozen tundra of Central Canada, our automobiles are tested in the most extreme conditions on the planet Earth to ensure their performance never wavers, because you never know what life will throw your way.

SIX SIGMAS=FEWER DEFECTS

The Six Sigma Process is a manufacturing practice designed to improve processes by eliminating defects. Originally designed for the electronics industry, we adapted it for use in automobile manufacturing. The result? Less than 3.4 defects per 1 million units.

STATE-OF-THE-ART PLANTS WORLDWIDE

An R&D center in South Korea. An award-winning plant in Alabama. An engineering center in Michigan. A Southern California design facility. What do they have in common? Each uses state-of-the-art technology to ensure that every Hyundai is as good as it can be.

TURNING DREAMS INTO REALITY

At our design centers and R&D facilities around the world, Hyundai is developing technologies that will carry you down the road more safely, more reliably and more beautifully than ever before.

WE'RE COMMITTED TO BEING GREEN. That's why we built a \$58 million environmental technology research and development center. Two hundred researchers are working day and night, developing a new generation of clean-running, fuel-cell electric vehicles.

HYUNDAI HOPE ON WHEELS is the united effort of Hyundai and its dealers to fund pediatric cancer research and celebrate the courage of children fighting the disease, like Sammy Heim, Hope on Wheels National Youth Ambassador. Visit www.hopeonwheels.com

WHERE NEW HYUNDAIS ARE BORN

At our 90,000-square-foot Southern California design facility, over 150 designers, engineers, model makers and technicians utilize the most advanced visualization, graphics and clay-modeling technologies to ensure the next generation of Hyundais represents the leading edge of automotive technology and design.

GS 3-DOOR

STANDARD FEATURES INCLUDE:

- 1.6-liter, DOHC 4-cylinder engine with Continuously Variable Valve Timing
- 5-speed manual transmission
- Sport-tuned power rack-and-pinion steering
- 14-inch steel wheels with full covers and P175/70R tires
- Tire Pressure Monitoring System
- Advanced dual front airbags with Occupant Classification System
- Front side-impact airbags
- Front and rear side-curtain airbags
- Adjustable head restraints for all seating positions
- Variable intermittent windshield wipers
- 60/40 split fold-down rear seatback
- Dual-adjustable side mirrors
- Tachometer
- Sporty cloth seats
- Adjustable driver seat with armrest
- Dual front cupholders
- Audio prep package with four speakers
- Front door storage pockets
- Side marker lights
- Rear coat hook
- Rear cargo cover
- Bodycolor bumpers and front grille
- Bodycolor rear spoiler

OPTIONAL GS PACKAGES:

- Popular Equipment Package (PE): Air conditioning, 172-watt AM/FM/XM[®]1/CD six-speaker audio system, auxiliary audio input jack, tilt steering wheel, maplight with sunglass holder
- Premium Package (P): Popular Equipment Package, power windows with driver's auto-down, power side mirrors, power door locks, door storage bottle holders, remote keyless entry system with alarm and panic alert, bodycolor door handles and side mirrors

SE 3-DOOR

INCLUDES ALL STANDARD GS FEATURES PLUS:

- Air conditioning
- Anti-lock Braking System with Electronic Brake-force Distribution
- Sport-tuned suspension
- 16-inch alloy wheels with P205/45VR tires
- 172-watt AM/FM/XM/CD six-speaker audio
- Auxiliary audio input jack
- Power windows with driver's auto-down
- Power door locks
- Power side mirrors
- Remote keyless entry system with alarm and panic alert
- Front fog lights
- Tinted glass
- Windshield sunshade band
- B&M Racing[®] Sport Shifter
- Leather-wrapped steering wheel and shift knob
- Metallic interior accents
- Driver and front passenger illuminated vanity mirrors with covers
- Front door storage pockets with bottle holders
- Front seatback pockets
- Bodycolor door handles and side mirrors
- Rear wiper/washer
- Maplight with sunglass holder

OPTIONAL SE PACKAGE:

- Premium Package (P): Power tilt-and-slide sunroof, cruise control

GLS 4-DOOR

INCLUDES ALL STANDARD GS FEATURES PLUS:

- Air conditioning
- Chrome-accented front grille
- 14-inch steel wheels with full covers and P185/65R tires
- Tinted glass
- Windshield sunshade band
- Bodycolor bodyside moldings, mirrors and door handles
- Front and rear door storage pockets with bottle holders
- Rear center armrest with cupholders
- Child safety door locks
- Driver and front-passenger illuminated vanity mirrors with covers
- Maplight with sunglass holder
- Does not include sport-tuned steering, rear cargo cover, rear spoiler, side marker lights, and bodycolor front grille

OPTIONAL GLS PACKAGES:

- Popular Equipment Package (PE): Anti-lock Braking System with EBD, passenger side front seatback pocket, tilt steering wheel, 172-watt AM/FM/XM/CD six-speaker audio system, auxiliary audio input jack
- Premium Package (P): Popular Equipment Package, power windows with driver's auto-down, dual power side mirrors, power door locks, remote keyless entry system with alarm and panic alert, cruise control
