

ACCENT

2019 Hyundai

Does a car have to be large to feel luxurious?

Hyundai doesn't think so. Create a comfortable, stylish sedan that doesn't cost a fortune, and you'll attract quite a following. Which explains why Hyundai Accent has become one of the more popular cars in its class. With a wide stance, available 17" alloy wheels, expressive cascading chrome grille and wraparound headlights and taillights, the 2019 Accent has an elegant style that's surprising for a subcompact sedan.

But there's more to Accent than what meets the eye. You sense it in the ease with which Accent Limited's Proximity Key locks and unlocks the car doors with a simple touch. And see it in the premium amenities – a power sunroof, heated front seats, a hands-free smart trunk, and more. There's substance beneath Accent's surface, too, with safety engineering like a standard rearview camera and Forward Collision-Avoidance Assist on Accent Limited.¹

Press Accent Limited's push button start, and the upscale feel continues with the fluid acceleration of a 130-horsepower GDI engine. And there's another satisfying way Accent gets you going: Blue Link,[®] our award-winning connectivity technology.² With Blue Link Remote Access, you can lock your car doors from inside the stadium or start your Accent and warm or cool its interior from the comfort of your home or office.³

Like every new Hyundai, Accent is backed by America's Best Warranty. And for nine years in a row, Hyundai has ranked #1 among automotive brands in the Brand Keys Customer Loyalty Index.⁴ With a story like this, is it any wonder Accent is so highly regarded by owners and auto pundits alike?

Hyundai has the lowest 5-Year Cost to Own of all brands for 2018 according to Kelley Blue Book's KBB.com, highlighting our industry-leading ownership value.⁵

¹ Forward Collision-Avoidance Assist (FCA) is designed to assist drivers in avoiding, or reducing the severity of, collisions with cars that have slowed or stopped in front of them. It is a supplemental assist and does not replace the need for extreme care and attention by the driver. FCA may not stop the vehicle completely and will not avoid all collisions. See Owner's Manual for details. ² Requires an active Blue Link subscription and cellular coverage. Only use Blue Link and corresponding devices when safe to do so. ³ Requires Blue Link Remote package. Remote Start is only available for vehicles equipped with push button start and an automatic transmission. Remote Climate Control available on properly equipped models with automatic temperature control. Not available on all models. ⁴ Based on 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017 and 2018 Brand Keys Customer Loyalty Engagement Index®. ⁵ 2018 model-year vehicles' projected cost to own for the initial five-year ownership period is based on the average Kelley Blue Book 5-Year Cost to Own data, which considers depreciation and costs such as fuel and insurance. For more information, visit www.kbb.com.

“Driving the 2018 Hyundai Accent is proof that
the idea of basic transportation has evolved.”
– *Motor Trend*

¹Claim based on comparison of specifications on manufacturer websites. ²EPA estimates with automatic transmission for comparison only. Mileage may vary. Your actual mileage will vary with options, driving conditions, driving habits and vehicle condition. ³Standard on Accent Limited exclusively.

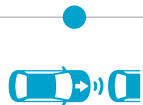

Engineered to drive like a bigger car. And that's no small feat.

What's made Accent one of the most acclaimed cars in its class is Hyundai's belief that anything is possible. Our designers and engineers won't stop until they've found innovative new ways to give our vehicles – regardless of size – the performance and safety you demand.

Take Accent for a test drive, and you'll experience several advantages first-hand. Accent's eco-efficient 1.6L GDI 4-cylinder engine gives you more horsepower and torque than the Nissan Versa Sedan, Toyota Yaris iA and Honda Fit.¹ To use that power efficiently, Accent offers a 6-speed automatic transmission with Drive Mode Select. Neither the Yaris iA nor the CVT-equipped Fit or Versa Sedan offer this level of engineering refinement.¹ Take Accent home, and you'll enjoy another advantage: The extended driving range of an EPA-estimated 38 MPG on the highway.²

The first time you stop, you'll feel another advantage. Unlike most cars in its class, Accent is available with disc brakes at all four wheels.¹ So the stopping response is swift and sure. And Accent feels smooth and quiet at speed. Hyundai engineers used powerful aerospace adhesives to bond the car's high-strength steel into a rigid, rattle-free body structure. It's the perfect platform for tuning out road noise. And tuning in a comfortable ride with sure-footed handling.

Accent Safety Features

Forward Collision-Avoidance Assist³

6-Airbag Safety System

Tire Pressure Monitoring System

Electronic Stability Control

Anti-lock Braking with Brake Assist

Bright Idea

For 2019, our Accent Limited's signature wrap-around head-lights and taillights have been enhanced with LED lighting. In addition to stylish flair, the LED headlights offer drivers a better range of vision with improved brightness, energy efficiency and longevity.

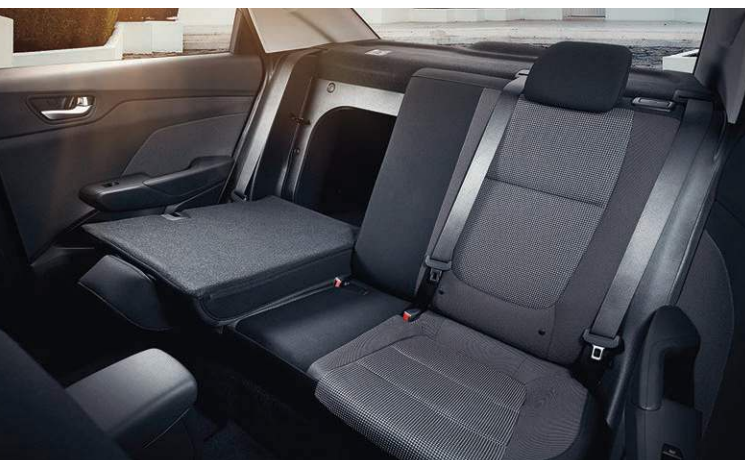

Stay On Track

It's not always easy to see what's behind you when you're backing into a parking space or reversing out of your driveway. So we gave every Accent a standard rearview camera that tracks your movement and displays dynamic guidelines to help you safely maneuver your car in tight spaces.

Forward Thinking

Accent Limited offers you the latest in advanced safety technologies such as Forward Collision-Avoidance Assist – a feature not found on the 2018 Nissan Versa, Ford Fiesta or Chevrolet Sonic.¹ It warns of a potential collision with slowing or stopped vehicles in front of you and applies automatic emergency braking if needed to help avoid impact.

Little things make a big difference.

How did Accent attract so many fans? By making more from the smallest details. Grip Accent Limited's leather-wrapped steering wheel, and you'll quickly grasp how it presents a level of refinement typical of a luxury car. The heated front seats warm to one of three temperature levels, while its automatic temperature control manages the cabin's climate. Freeing you to focus on more enjoyable pursuits.

Now set the available tilt-and-telescopic steering wheel and heated side mirrors to your liking, and plug your smartphone into a USB charge port – Accent SEL and Limited have them in both the front and rear seating areas. SEL and Limited's 7" touchscreen audio display lets you tap into many of your smartphone's features using Apple CarPlay™ or Android Auto.™ On the road, you can adjust audio, phone and cruise controls with steering wheel switches and use voice commands to make or receive calls with Accent's Bluetooth® hands-free phone system.¹

As the editors at *Automobile* pointed out in their review of Accent, "Creating a well-proportioned subcompact sedan with usable interior space is no easy feat."² With its 60/40 split-folding rear seats, you can fold one section flat to load longer objects and still leave room for a rear seat passenger. Or fold both sections down to maximize cargo space. Truly, a feat of feet.

A Smarter Trunk

Accent is the only car in its segment to offer a smart trunk.³ When your hands are full with boxes or bags, there's no need to fumble for your keys. Accent detects your Proximity Key when standing near the rear of the car and pops open the trunk lid automatically.⁴

Unlimited Luxury

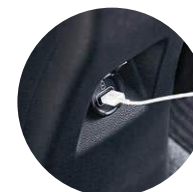

Choose Accent Limited, and you'll enjoy a remarkable level of luxury. Slide back the power sunroof, dial in the warmth of heated front seats and let the automatic temperature control handle your cabin's climate. Then head off, guided by stylish LED headlights and safeguarded by Forward Collision-Avoidance Assist.⁵

This Is Sure Handy

Accent has the space you need inside, whether you're up front or relaxing in the rear seats. In its testing of Accent, *Car and Driver* found "a spacious rear seat and a capacious trunk that swallowed six carry-on suitcases."⁶ Anyone need a ride to the airport?

 **Two 12-Volt Outlets**

 **Front/Rear Seat USB Charge Ports**

¹Bluetooth hands-free phone system standard on all Accent models. Voice recognition not available with Accent SE. ²*Automobile*, "First Drive: 2018 Hyundai Accent", November 2017. ³Claim based on comparison of specifications on manufacturer websites. ⁴Standard on Accent Limited. The smart trunk will open when the smart key is within 40 inches of the detection area for at least 3 seconds. Radio transmitters and other vehicle smart keys may interfere with normal operation of the feature. Please consult Owner's Manual for further details. ⁵Forward Collision-Avoidance Assist standard on Accent Limited exclusively. ⁶*Car and Driver*, "2018 Hyundai Accent Automatic", January 2018.

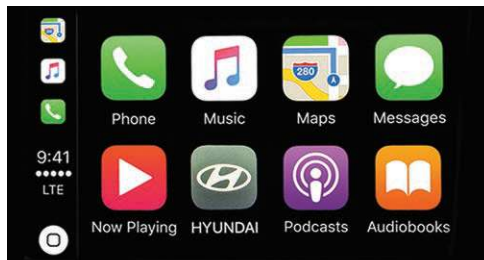

¹Blue Link is complimentary for the first 3 years of ownership and requires an active Blue Link subscription. Three-year term starts from the new vehicle date of first use and is available for new vehicle purchases and leases based upon terms and conditions on the Blue Link subscription enrollment pages. Only use Blue Link and corresponding devices when it is safe to do so. Cellular and GPS coverage is required. Features, specifications, and fees vary by subscription plan and are subject to change. For more on details and limitations, visit hyundai.com or your authorized Hyundai dealer. ²Smartphone GPS location must be within a 1-mile radius of your vehicle's location to display searched location. ³Requires Blue Link Remote package. Not available on all models. ⁴Apple CarPlay works with iPhone 5s, iPhone 5c, iPhone 5 and later models running the latest version of iOS 7 and above. Apple is a registered trademark of Apple Inc. Android Auto works with smartphones running on Android 5.0, Lollipop and higher. Android, Android Auto, Google Play and other marks are trademarks of Google Inc. ⁵Amazon, Alexa and all related logos and motion marks are trademarks of Amazon.com, Inc. or its affiliates.

Seamlessly connect your life with your Hyundai? There's an app for that.

Welcome to Blue Link,[®] a technology that transforms Accent Limited into a vehicle unlike any you've ever owned.¹ Blue Link Connected Care, free for the first 3 years of ownership, offers Enhanced Roadside Assistance and 24/7 SOS Emergency Assistance with Automatic Collision Notification that calls for help if you've been in an accident where an airbag has been deployed.

Teenager borrowing the car? Geo-Fence, Speed and Curfew Alert features let you rest easy by notifying you if the speeds, times or distances you set are exceeded. There's a Car Finder feature that helps you locate your Hyundai at crowded stadiums or shopping malls.² And Monthly Vehicle Health Reports offer a convenient way to help ensure your Accent is in optimal condition. Scheduling a service appointment is just as easy using the touchscreen in your Hyundai or your MyHyundai smartphone app.

Speaking of our smartphone app, Blue Link Remote Access lets you start your car and warm or cool its interior while you're getting ready to leave.³ You can also download Blue Link for Apple Watch[™] or Android Wear[™] for quick, convenient remote access from almost anywhere.³ Blue Link makes life between your home, your workplace and your Hyundai seamless.

The Smartphone, Now Smarter

Apple CarPlay[™] and Android Auto[™] integrate your smartphone with the Accent SEL and Limited's large touchscreen display. So you can seamlessly access maps and navigation, contact lists, texts, calls, your music library and more using a familiar touchscreen or simple voice commands.⁴

Voices Carry

Blue Link Remote Access integrates with Amazon Alexa[®] and Google Assistant[™] voice services. Now, you can ask your Amazon Echo[®] or Google Home[™] device to start your Accent Limited's engine, unlock the doors and set the cabin temperature from the comfort of your couch, kitchen or bedroom.⁵

Hyundai Blue Link[®]

What gives Accent Limited owners a better connection to the things they need? Hyundai's Blue Link Connected Car System, complimentary for the first 3 years of ownership. For details on all of the Blue Link features offered, visit hyundaibluelink.com.

Automatic Emergency Assistance

Blue Link Connected Care offers 24/7 SOS Emergency Assistance and Automatic Collision Notification that calls for help if you're in an accident where airbags deploy.

On-Demand Diagnostics

Run vehicle diagnostics from your Hyundai's touchscreen, report issues at the press of a button, and receive Monthly Vehicle Health Reports or maintenance reminders by email.

Customizable Alerts

Proud parent of a teen driver? Hyundai Blue Link lets you set curfews and speed alerts so you can relax when your loved ones are on the road.

Remote Controls

Use your smartphone, home assistant or wearable device to remotely start your Hyundai's engine, unlock the doors, set the cabin temperature and more.

Car Finder

Our Car Finder smartphone app feature lets you navigate your way through crowded parking lots back to your Hyundai.

Service Link

Conveniently schedule your car for service from the driver's seat of your Accent or MyHyundai smartphone app.
