OPTIONS

PREMIUM PACKAGE

Power sliding tinted glass moonroof with one-touch open/close, tilt feature and sliding sunshade

Infiniti Studio on Wheels® by Bose® 11-speaker Premium Audio System, including 3-way component front door speakers with 10-inch subwoofers and parcel shelf-mounted subwoofers, CD player with MP3 playback capability, Radio Data System (RDS) and speed-sensitive volume control

Rear Sonar System⁶

Driver's Audio Stage

USB connection port for iPod® interface and other compatible devices¹

2-way power lumbar support for driver's seat

Dual occupant memory system for driver's seat, steering wheel and outside mirrors, linked to individual Intelligent Keys

Power tilt and telescopic steering wheel

NAVIGATION PACKAGE

(Requires Premium Package. Replaces compass in rearview mirror.)

Infiniti Hard Drive Navigation System with 7-inch color touch-screen, Lane Guidance and 3-D building graphics⁴

XM NavTraffic® with Real-Time Traffic information²

XM NavWeather™ with Real-Time Weather and 3-day forecast²

Zagat Survey® Restaurant Guide

Multimedia playback of DVD or digital file from a USB flash drive on 7-inch WVGA color display³

Infiniti Voice Recognition for audio, navigation and vehicle-information systems

SPORT PACKAGE

(Requires Premium Package and Navigation Package. Not available with Performance Tire and Wheel Package. Not available with Wheat interior.)

19 x 8.5-inch, split V-spoke aluminum-alloy wheels with 225/45R19 W-rated summer performance tires (front), 19 x 9.0-inch aluminum-alloy wheels with 245/40R19 W-rated summer performance tires (rear)—RWD model
19 x 8.5-inch, split V-spoke aluminum-alloy wheels with 225/45R19 all-season performance tires—AWD model

Sport-tuned suspension

Viscous Limited-Slip Differential (VLSD)

Sport brakes with 4-piston opposed front calipers with 14-inch rotors and 2-piston opposed rear calipers with 13.8-inch rotors

Sport front fascia

Solid-magnesium paddle shifters

14.7:1 Sport-tuned steering gear (G37 Coupe Journey only)

12-way power driver's sport seat with manual thigh extension, and driver's power torso and thigh support adjustment; 8-way power front-passenger's sport seat

Aluminum pedals and footrest

TECHNOLOGY PACKAGE

(Requires Premium, Navigation, Sport and Interior Accents Packages. Not available with Performance Tire and Wheel Package.)

Intelligent Cruise Control⁷

Brake Assist with Preview Braking⁸

Advanced Climate Control System (ACCS) with auto recirculation, Plasmacluster™ air purifier and Grape Polyphenol Filter⁹

Rain-sensing, variable intermittent front windshield wipers

Front-seat Pre-Crash Seat Belts

INTERIOR ACCENTS PACKAGE

(On Journey, requires Premium, Navigation, and either Performance Tire and Wheel or Sport Packages. On All-Wheel Drive, requires Premium and Navigation Packages. Required with Wheat interior.)

Maple interior accents on center console, instrument panel and doors

EXTERIOR/INTERIOR COLOR AND TRIM

Infiniti G Coupe is available in eight exterior and four interior colors, with three interior accents.

View and select colors, and check availability at your Infiniti Retailer or at:

InfinitiUSA.com/g_coupe/colors

This specification sheet is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by Nissan North America, Inc. Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with Nissan North America, Inc. before relying on it to make a purchase decision. Nissan North America, Inc. reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in Hawaii, U.S. territories and other countries. For additional information on availability, options or accessories, see your Infiniti retailer or contact Nissan North America, Inc.

¹ Driving is a serious business and requires your full attention. Do not operate any devices connected to the auxiliary audio input jack or USB connection port while driving. iPod is a registered trademark of Apple, Inc. All rights reserved. iPod is not included. ² Required XM Radio, XM NavTraffic and XM NavWeather subscriptions sold separately. Installation costs, one-time activation fee, other fees and taxes will apply. XM NavTraffic available in select markets. XM Radio U.S. service and XM NavWeather service available only to those at least 18 years of age in the 48 contiguous United States and D.C. Fees and programming subject to change. Subscriptions governed by XM Customer Agreement available at xmradio.com. ©2011 SIRIUS XM Radio Inc. SIRIUS, XM and all related marks and logos are trademarks of SIRIUS XM Radio Inc. and its subsidiaries. ³ Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone owner's manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Infiniti is under license. ⁴ Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ⁵ Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁶ The Rear Sonar System is a convenience, but not substitute for proper backing procedures. Always check that it is safe to do so before backing up. May not detect every object behind you. ⁷ Optional Intelligent Cruise Control is not a collision avoidance or warning device. For highway use only and not intended for congested areas or city driving. Will not brake automatically to a stop. Failure to apply the brakes could result in an accident. ⁸ Brake Assist with Preview Braking is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to stay alert, drive safely, and be in control of the vehicle at all times. ⁹ The Advanced Climate Control System with Plasmacoil® air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors. ¹⁰ 2012 EPA Fuel Economy Estimates. Actual mileage may vary with driving conditions. Use for comparison only. ¹¹ Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your owner's manual for more details. ¹² VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ¹³ Tire Pressure Monitoring System is not a substitute for regular tire pressure checks.

Safety

Infiniti Safety Shield® is our comprehensive approach to safety. It includes rigorous crash testing, over 50 standard safety features on every vehicle and available advanced safety technologies. Infiniti Safety Shield® is designed and developed into every vehicle we build to help protect you and your passengers.

Infiniti Advanced Air Bag System (AABS)¹¹ Includes dual-stage front supplemental air bags with seat belt sensors and an occupant-classification sensor which adjust their inflation rate depending on crash severity and seat belt usage. If the front-passenger's seat is empty, a sensor will deactivate the air bag.

Front Seat-mounted Side-impact Supplemental Air Bags¹¹
These air bags are placed in the front seat side bolsters so they can move with the seat to help maintain optimal positioning.

Roof-mounted Curtain Side-impact Supplemental Air Bags¹¹ Tied into the vehicle's side-impact sensors and deployed from the headliner above the side windows, these air bags help give outboard occupants enhanced head protection in the case of a side impact.

4-wheel Anti-lock Braking System (ABS) The large, 4-wheel ventilated disc brakes include a 4-wheel, 4-channel Anti-lock Braking System (ABS) to help the driver maintain steering control while braking.

Brake Assist (BA) In emergency braking situations, some drivers may not brake hard enough, soon enough. Brake Assist monitors how you apply the brakes and, sensing emergency braking, works with the standard ABS system to apply maximum brake pressure for potentially shorter stops.

Electronic Brake force Distribution (EBD) To help optimize braking performance for a variety of vehicle loads, EBD adjusts the amount of brake force applied to the front and rear wheels for improved braking performance, reducing front-end "dive" during braking and more even brake wear. Infiniti's Electronic Brake force Distribution (EBD) system detects vehicle-load conditions, such as passengers and luggage, and distributes additional brake pressure to the rear brakes as needed.

Traction Control System (TCS) Integrated with Vehicle Dynamic Control, the Traction Control System (TCS) senses wheel-spin and automatically reduces engine output and/or brakes the spinning wheel to help improve traction.

Vehicle Dynamic Control (VDC)¹² Acting in tandem with the Traction Control System, VDC compares actual vehicle cornering performance to the driver's input, adjusting power levels and/or applying appropriate brake pressure to individual wheels to help correct oversteer or understeer, helping keep the vehicle on the steered path.

snug#kids™ Snug Kids® The first venture of its kind, Snug Kids is our online guide to selecting and correctly installing a child restraint seat for your Infiniti automobile. Our safety engineers evaluated numerous child restraint seats, installing them in every Infiniti car and SUV. Visit InfinitiUSA.com/snugkids to view or download the results.

Additional Safety Features:

- Zone Body construction with reinforced passenger compartment and front and rear crumple zones
- 3-point front seat belts with pretensioners and load limiters, driver's seat Emergency Locking Retractor (ELR) and front passenger's seat ELR and Automatic Locking Retractor (ALR)
- Second-row 3-point seat belts with ELR and ALR
- Front-seat Active Head Restraints (in certain rear collisions), move upward and forward to help cushion the head
- Tire Pressure Monitoring System (TPMS)¹³
- LATCH System (Lower Anchors and Tethers for Children) helps simplify proper installation of compatible child restraint seats
- Infiniti Vehicle Immobilizer System embeds an encoded transponder chip into ignition key. The engine control computer will not allow the engine to start without the correct key and transponder
- Slide-away brake pedal assembly

GENUINE INFINITI
Accessories

Enhance, personalize and protect your Infiniti G Coupe with accessories that are crafted with the same exacting standards as the rest of the vehicle.

Genuine Infiniti Accessories are:

- Covered by a 4-year/60,000-mile limited warranty when installed at the time of new vehicle purchase¹
- Only a nominal additional fee to your monthly payment, when financed
- Custom-fit, custom-designed and durability-tested to meet Infiniti standards

19-inch 9-spoke aluminum-alloy wheels, midnight black grille, Aerodynamic kit (5-piece) front and rear fascias, side sills, rear decklid spoiler

Also Available:

Nose mask

Always wear your seat belt, and please don't drink and drive.
©2011 INFINITI. Reorder #12506i (9/11, 55K, CG)

¹ Covered by Infiniti's Limited Warranty on Genuine Infiniti Accessories for the longer of 12 months/12,000 miles (whichever is earlier) or the remaining period under the 4-year/60,000-mile Infiniti New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. ² R Spec™ High-Friction Brake Pads are intended for high-performance driving and for driving conditions requiring added braking demand. Depending on your driving habits, you may experience increased brake dust and noise as well as faster wear of the brake pads and rotors, resulting in more frequent replacement of these components. Replacement of these components is not covered by the vehicle limited warranty.
