INFINITI.

Inspired Performance®

FROM FASCINATION

A yearning heart can never be still. The Infiniti QX60 captivates with possibility, transforming the 7-passenger crossover with a harmonious connection between expressive design, attention to detail and intuitive technology. Experience luxury made sensory, and desire with unprecedented potential.

EASY THIRD-ROW ACCESS welcomes your guests with effortless entry to the rear of the cabin, sliding and tilting—child seat in place or absent—to offer a generous opening.¹ An interior should be as accommodating as it is spacious.

SLIDING SECOND-ROW SEATS go to lengths—sliding 5.5 inches forward and rearward—to tailor legroom in the second or third row. Because comfort is personal to every passenger.

INTELLIGENT ALL-WHEEL DRIVE² empowers you with confidence by constantly monitoring wheelspin, automatically adjusting to changing conditions for enhanced traction and control.

FROM ANTICIPATION

Relish what lies ahead. There's pleasure in seeing it clearly, knowing you're prepared to respond to—or take advantage of—every possibility.

AROUND VIEW® MONITOR^{2,3} is a ground-breaking technology from Infiniti that gives you a virtual 360° view of your environment while parking. You see your surroundings as though from above for an extraordinary level of awareness.

BACKUP COLLISION INTERVENTION^{2,4} is a visionary technology that extends your awareness and your confidence. It scans the area behind your car, and—as you back up—can warn you if it detects rear cross-traffic or large stationary objects. It can even brake for you to help you avoid it.

FROM DEVOTION

TRI-ZONE AUTOMATIC TEMPERATURE CONTROL indulges every passenger with personal comfort, offering three distinct climate zones. The driver, front passenger and rear passengers each enjoy their own sets of controls.

ADVANCED CLIMATE CONTROL SYSTEM^{2,5} cleanses the air itself of most allergens, germs and odors, for rejuvenation in every breath. Dedication defines even what you can't see.

FROM DEEP

The more passionately you feel about an objective, the more intensely it will draw you in to its fulfillment. Create your perfect moments and surround yourself with every beautiful, harmonious detail.

BOSE® CABIN SURROUND®2 envelops you, creating depth and ambiance for a wider, more immersive sound. This unique system delivers music's power from the front, with sound washing through the cabin, as in a live performance.

OBJECT OF ATTRACTION

2014 INFINITI QX60

AMBIANCE

A welcoming and evocative space is measured in its ability to stir your emotions.

360
PEOPLE

6
COUNTRIES

.48
MILLIMETERS

MATCHLESS MATERIALS Glide your hand across the armrest, and your fingertips seem to recognize the instinctively rewarding feel. This is purely intentional. We took one-and-a-half years, surveying 360 people all over the world to quantify the most pleasing tactile feel, then created the perfect materials to match it. With tension and texture that match the depth and spacing of the ridges in your fingerprint, it imbues the surfaces you'll engage most with the perfect touch.

VISUAL INSPIRATION Welcome all passengers with an uncompromised vision of hospitality. While the sense of openness and light brightens the mood of the cabin, the QX60's signature panoramic moonroof² is grand enough to offer an inspiring view of the sky for the second and third rows.

EVERY BREATH FRESHER AND CLEANER Even the invisible is never overlooked. The Advanced Climate Control System^{2,5} features the innovative Plasmacluster[®] air purifier, which actively cleans the air inside your cabin. It produces positive and negative ions that help prevent odors from sticking to interior materials and even helps suppress mold and viruses. Your interior not only stays fresh, so does your clothing. It works in concert with the Grape Polyphenol Filter, which removes up to 99.5% of allergens from the air coming in from the outside.

ACCOMMODATION

A spacious interior, which easily accommodates the most varied of lifestyles, always conforms, and never constrains.

ROW 2

41.7"

31°

ACCOMMODATING ACCESS The ingenious, sliding second-row seats maximize legroom comfort, and the ability to tilt forward on one side even with a child seat installed, allows access to the third row with far less effort.'

ABUNDANT SPACE The QX60 provides versatility precisely tailored to the needs of every guest. Its low, wide stance helps maximize head and hip room for all seven passengers. Interior elements like the roof and windshield pillars were tapered and shaped to give the impression of generous space. And the backs of the supportive front seats give rear passengers more legroom.

COMFORT ZONES Because all guests have a personal idea of comfort, tri-zone automatic temperature control offers three distinct climate zones. The driver, front passenger and rear passengers each enjoying their own set of controls. The intelligent system will take it from there, maintaining the climate to each personal setting.

MAXIMIZE VERSATILITY The expansive interior was intelligently designed to adapt its volume to your needs. Optimize your cargo capabilities with 60/40-split second-row seats and 50/50-split third-row seats that fold virtually flat, providing a surface big enough to accommodate the most adventurous packing, so you can feel free to engage in ambitious planning.

PERFORM

On its surface you'll find spacious luxury. At its foundation—the commanding dynamics of Infiniti Direct Response engineering.

3.5_L
V6

ENGINE The true excellence of the QX60's engine lies in the feeling experienced as you drive. The 3.5-liter V6 engine features CVTCS technology to continuously optimize opening of intake valves to make the most of every bit of fuel and every breath it takes, resulting in a stirring 265 hp while also achieving 26 mpg.⁶

EXCEPTIONALLY SMOOTH The QX60 changes the way you feel power without ever changing gears, thanks to a Continuously Variable Transmission. CVT replaces traditional gears with a continuously adjusting belt, meaning you'll always have the optimum setting for responsive acceleration, fuel efficiency and the feeling of effortless smoothness.

CUSTOMIZE YOUR DRIVE Infiniti Drive Mode Selector allows you to select a driving experience that fits your needs of the moment, with four available modes: Standard, appropriate for everyday conditions; Eco Mode, which increases fuel economy; Sport Mode, which allows for sportier acceleration; and Snow Mode, helping you maintain control and avoid spinning wheels in snowy conditions.

POWER TO PULL MORE The QX60 is an exceptional combination of luxury and utility, offering 3,500 lbs. of towing capacity.^{2,7} Its chassis strength and 248 pound-feet of torque offer the capability to move significant loads without much effort.

LIMITLESS RUSH Acceleration Swell is our vision of power, dedicated to delivering a shape and feel to acceleration. By tuning Infiniti engines to unleash torque over a broader rev range, the force you feel seems to increase the faster you go—building like the rush of a continually rising wave, peaking ever higher. The emotional energy surges in tandem, making Swell feel like a limitless rush more than a momentary thrill.

POWER WHERE YOU NEED IT Intelligent All-Wheel Drive² satisfies both your need for control and desire for performance by intuitively adjusting to driving conditions. By constantly monitoring wheelspin, throttle position and vehicle speed, the system automatically diverts up to 50% of the power to the rear wheels, enhancing traction and control when conditions are compromised. When all-wheel drive is not needed, 100% of the power is channeled to the front wheels.

ASSIST/ENTERTAIN

Infiniti InSuite™ integrates a host of intuitive technologies to simplify tasks and anticipate your needs as they keep you in touch with and in control of your world.

ALL-AROUND AWARENESS The Around View® Monitor³ with Moving Object Detection^{2,8} and Front and Rear Sonar System⁹ gives you exceptional awareness of your environment as you park. You'll see a simulated 360° view from above, showing you clearly the detected objects around your car. And the system will even alert you to moving objects detected in your vicinity. It helps put you intuitively in touch with your surroundings, while simultaneously putting you at ease.

PERSONAL PERFORMANCE With dual 7-inch headrest monitors², rear-seat passengers can experience their own personal entertainment by playing their own movies or games, even while those in front enjoy their own music.

EASE IN TRAFFIC Intelligent Cruise Control (Full-Speed Range)^{2,10} allows you to choose your desired speed, and automatically slows your vehicle in slowing traffic, going all the way to a complete stop. This visionary feature and the personalized convenience it offers is available with a simple touch of a button.

AUDITORY INDULGENCE Create precisely the mood you desire, everywhere you go. With 15 speakers, including two subwoofers, the Bose® Premium Sound System² delivers your music with captivating depth and astonishing clarity. You'll also enjoy greater selection: play CDs, and stream music from a compatible Bluetooth® device or SiriusXM Satellite Radio, or connect and control your iPod® via the USB port.^{11,12,13}

EMPOWERING YOUR TOUCH The Infiniti Controller puts intuitive, simple control of your technology systems at your fingertips. Designed to fall naturally within your reach and helps to minimize distraction from driving, it allows you to interact via a variety of inputs and with clearly marked buttons and commands. What's more, a single press can bring you from one major system to another.

SPEAK YOUR DESIRE Infiniti Voice Recognition² allows you to set a destination on the navigation system, call a contact from your phone, play an audio track and much more without taking your hands from the wheel. The system recognizes a wide variety of commands, making your life that much simpler and more elegant.

PROTECTION

The Infiniti Safety Shield® concept—our comprehensive approach to safety—layers technologies to monitor conditions, help you avoid a collision, and help protect you and your passengers if one occurs.

1350 MPa
ULTRA-HIGH TENSILE
STRENGTH STEEL

590 MPa
CONVENTIONAL
STEEL

STRONGER AND LIGHTER Ultra high-strength steel is used to help enhance your safety in the case of a collision. The unique process used to create this material can give it more than twice the tensile strength of conventional steel. Not only does this ultra-strong material add to the vehicle’s resiliency, it allows us to make the vehicle lighter overall.

BETTER STABILITY WHILE STOPPING Electronic Brake force Distribution adjusts the amount of brake force applied to the front and rear wheels for improved braking performance. It not only helps the brakes wear more evenly, it reduces front-end “dive” during heavy braking, helping increase the stability of your vehicle. The system also detects vehicle-load conditions, and distributes additional brake pressure to the rear brakes as needed.

ALWAYS LOOKING FOR DANGER Intelligent Brake Assist with Forward Collision Warning^{2,14,15} uses radar to continuously monitor and analyze your closing speed to the vehicle ahead of you, helping detect an imminent collision. It provides a two-stage warning to alert the driver as the vehicle moves towards impact and—if needed—can automatically engage the brakes to help reduce collision speed. It’s a smart precaution in an unpredictable world.

MAINTAINING YOUR LANE The Lane Departure Warning (LDW) System^{2,16} uses a camera to watch for departure from the travel lane when you haven’t signaled, and audibly warns you if it’s detected. Then, if drift continues, the Lane Departure Prevention (LDP) System^{2,16} lightly applies selected brakes to help ease your vehicle back into the travel lane. But you never give up control. It’s designed to assist, not override.

REVERSE WITH GREATER CONFIDENCE Backup Collision Intervention^{2,4} employs an advanced set of sensors to help detect vehicles approaching from either side as you back up. If a vehicle is detected, the system alerts you—first, a warning light appears, then an audible alarm sounds, followed by gas pedal-force feedback. The system can even intervene by automatically engaging the brakes to help avoid a collision.

PREPARED TO PROTECT Under certain braking conditions or when the Intelligent Brake Assist^{2,14} system is activated, the Front-seat Pre-Crash Seat Belts automatically tighten the front seat belts—helping restrain you and helping to maximize the effectiveness of the other occupant protection devices such as air bags.

ENHANCED PROTECTION Infiniti puts an array of air bags between you and an impact, including the Infiniti Advanced Air Bag System, with dual-stage front supplemental air bags¹⁷ that adjust inflation rates based on the severity of the crash and seat belt usage. Also featured are front seat-mounted side-impact supplemental air bags and roof-mounted curtain side-impact supplemental air bags with rollover sensor.

SELECTION

Hues that change in response to light and angle. Matching exterior and interior colors to reflect the distinctive energy and mood of the seasons. These are just a few ways Infiniti uses paint to express feeling, evoke confidence, and shape the emotional essence of a vehicle.

GENUINE INFINITI ACCESSORIES

The same exacting standards applied to the creation of an Infiniti vehicle go into designing and manufacturing Genuine Infiniti Accessories. With a wide array of quality products designed to integrate seamlessly, you can be assured of a custom fit and finish.

ACCESSORIES SHOWN Roof rail crossbars,¹⁸ roof rails,¹⁸ polished 20-inch forged alloy wheels, splash guards.

ROOF RAIL CROSSBARS¹⁸ You'll be able to greatly increase the utility and capability of the QX60, especially when you pair them with accessory attachments. These crossbars are wind tunnel-tested to improve their aerodynamics.

STAINLESS STEEL ILLUMINATED KICK PLATES
The Infiniti logo glows softly along the bottom of the front door sills—a signature flourish you and your passenger will appreciate every time you get in.

20-INCH FORGED ALLOY WHEELS These leave no question as to your dedication to making the right impression wherever you go. Their sculpted design utilizes lightweight alloy and original Infiniti logo center caps.

DUAL DVD HEAD RESTRAINT MONITORS These bright, crisp monitors come complete with remote control and headphones. They're also capable of working independently, allowing each rear passenger to choose their own DVD or video game.

REMOTE ENGINE START Integrating seamlessly with the existing keyless entry system, remote engine start is technology that caters to you. From a range of up to 200 ft., the engine will start and the advanced climate control system will begin heating or cooling, making sure the QX60 is exactly how you prefer it every time you get in.

INTERIOR AMBIENT LIGHTING The warm and engaging glow welcomes you as you get settled. It adds ambience to the interior and enhances the interior's modern appeal.

	QX60 3.5	QX60 3.5 AWD
SAFETY FEATURES		
Safety		
Infiniti Advanced Air Bag System (AABS) includes dual-stage front supplemental air bags with seat belt sensors and an occupant-classification sensor. Air bag inflation rate is adjusted depending on crash severity and seat belt usage. If the front-passenger's seat is empty, a sensor will deactivate the front passenger air bag ¹⁷	•	•
Driver and front-passenger seat-mounted side-impact supplemental air bags ¹⁷	•	•
Roof-mounted curtain side-impact supplemental air bags with rollover sensor for first-, second- and third-row outboard occupant head protection ¹⁷	•	•
3-point height-adjustable front seat belts with pretensioners and load limiters, driver's seat Emergency Locking Retractor (ELR) and passenger's seat ELR and Automatic Locking Retractor (ALR)	•	•
Rear 3-point seat belts with ELR and ALR	•	•
Zone Body construction with reinforced passenger compartment and front and rear crumple zones	•	•
LATCH System (Lower Anchors and Tethers for Children) helps simplify proper installation of compatible child restraint seats. (Second-row outboard only)	•	•
Child seat top tether anchors for second-row center seat and third-row passenger's side seat ¹	•	•
Electronic Brake force Distribution (EBD)	•	•
Brake Assist (BA) ²²	•	•
4-wheel Anti-lock Braking System (ABS)	•	•
Blind Spot Warning (BSW) helps alert the driver to a vehicle detected in the blind spot area ²³	◦	◦
Forward Collision Warning (FCW). Using the QX60's radar rangefinder, this available feature helps alert the driver of an imminent collision by providing a visual and an audible warning ¹⁵	◦	◦
Intelligent Brake Assist (IBA). This available active safety feature continuously monitors and analyzes closing speeds to a vehicle ahead or to a stationary obstacle. If the driver does not adequately respond to the Forward Collision Warning and a collision cannot be avoided, IBA will automatically engage the brakes to help reduce speed, thus mitigating the consequences of the impact ¹⁴	◦	◦
Lane Departure Warning (LDW) and Lane Departure Prevention (LDP) Systems. LDW sounds an audible warning when you start to drift out of your lane and LDP selectively applies the brakes to help ease you back between the lines ¹⁶	◦	◦
Traction Control System (TCS)	•	•
Vehicle Dynamic Control (VDC) ²⁴	•	•
Slide-away brake pedal assembly	•	•
LED taillights. Lighting faster than conventional taillights, they help give drivers behind you a quicker indication of your braking	•	•
Tire Pressure Monitoring System (TPMS) provides specific information for each tire and low pressure warning ²⁵	•	•

Security		
Remote keyless entry system with selective unlocking of driver's door or all doors	•	•
Remote power-opening of windows; closing via exterior door lock	•	•
Infiniti Vehicle Immobilizer System embeds an encoded transponder chip into the Infiniti Intelligent Key. The engine control computer will not allow the engine to start without the correct key and transponder	•	•
Vehicle Security System sounds alarm if intrusion is detected	•	•
HomeLink® Universal Transceiver offers control for compatible garage doors, estate gates and certain home/office lights	◦	◦
Auto Hazard Warning Signal	•	•

OPTION PACKAGES

Premium Package Bose® 13-speaker Premium Audio system, including AM/FM/CD/DVD with MP3 playback capability, Radio Data System (RDS) and speed-sensitive volume control • Dual-occupant memory system for driver's seat, steering wheel and outside mirrors, linked to individual Intelligent Keys • Entry/exit assist for driver's seat and steering wheel • Enhanced Intelligent Key memory stores an occupant memory position, and last used audio, climate control, and navigation settings • Driver's seat 2-way power lumbar support • Heated steering wheel • Remote engine start	◦	◦
Premium Plus Package <i>Requires Premium Package.</i> Infiniti Hard Drive Navigation System with 8-inch WVGA color touch-screen display, Lane Guidance and 3-D building graphics ²⁰ • Infiniti Voice Recognition for audio, navigation, and vehicle information systems • NavTraffic with Real-Time Traffic information ¹² • NavWeather with Real-Time Weather and 3-day forecast ¹² • Zagat Survey® Restaurant Guide ²¹ • Infiniti Connection™, including 1-year subscription for all security and convenience services ²⁶ • Around View® Monitor with Moving Object Detection and Front and Rear Sonar System ^{3,8,9} • Streaming audio via Bluetooth® wireless technology ¹¹ • Single in-dash CD/DVD player • Rain-sensing front windshield wipers	◦	◦
Maple Accents Package <i>Requires Premium Package.</i> Maple interior accents	◦	◦
Theater Package <i>Requires Premium Plus Package.</i> Dual 7-inch color monitors for multimedia video playback • Two wireless headphones • Wireless remote control • Auxiliary audio/video input jacks ¹³ • 120V power outlet • Rear headphone jacks with volume control	◦	◦
Driver Assistance Package <i>Requires Premium Package (Late Availability).</i> Intelligent Cruise Control (Full-Speed Range) ¹⁰ • Intelligent Brake Assist (IBA) ¹⁴ with Forward Collision Warning (FCW) ¹⁵ • Blind Spot Warning (BSW) ²³ • Backup Collision Intervention (BCI) ⁴ • Distance Control Assist (DCA) ²⁷ • Active Trace Control adjusts vehicle braking and engine torque to help enhance cornering feel • Eco Pedal	◦	◦
Deluxe Touring Package <i>Includes Maple interior accents. Requires Premium Plus Package. Not available with Driver Assistance Package.</i> 20 x 7.5-inch, split 5-spoke aluminum-alloy wheels with 235/55R20 all-season tires • Bose® Cabin Surround® 15-speaker sound system with digital 5.1-channel decoding • 2nd- and 3rd-row moonroof with power rear sunshade • Advanced Climate Control System (ACCS) with auto-recirculation, Plasmacluster® air purifier and Grape Polyphenol Filter ⁵ • Climate-controlled front seats • Heated 2nd-row seats (outboard only) • 3rd-row seatback-power return	◦	◦
Technology Package <i>Includes Driver Assistance Package content. Requires Deluxe Touring Package.</i> Lane Departure Warning (LDW) and Lane Departure Prevention (LDP) ¹⁶ • Blind Spot Warning (BSW) and Blind Spot Intervention® (BSI®) Systems ²³ • Front-seat Pre-Crash Seat Belts	◦	◦

Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in Hawaii, U.S. territories and other countries. For additional information on availability, options or accessories, see your Infiniti retailer or contact Nissan North America, Inc.

1 Slide forward function should not be performed with the CRS occupied. 2 Available on select models. 3 Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. 4 BCI will not detect every object, and speed limitations apply. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. Check owner's manual for details. 5 The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors. 6 2014 EPA Fuel Economy Estimates. Actual mileage may vary with driving conditions. Use for comparison only. 7 When towing at or near Maximum Trailer Weight, the allowable vehicle cargo and/or number of passengers is reduced because it is necessary to stay below the Gross Combined Weight Rating and the Gross Axle Weight Rating. If the vehicle has cargo and passengers, the allowable Maximum Trailer Weight is reduced. See your Towing Guide and owner's manual for proper use. 8 Moving Object Detection cannot completely eliminate blind spots and may not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. 9 The Front and Rear Sonar System is a convenience, but not a substitute for proper parking procedures and/or backing procedures. Always check that it is safe to do so before moving forward or backing up. May not detect every object in front of or behind you. 10 Intelligent Cruise Control (Full-Speed Range) is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. 11 Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone owner's manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Infiniti is under license. 12 Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Satellite Radio U.S. service and NavWeather service available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2013 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. 13 Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation. See Retailer for details. All rights reserved. 14 IBA is not a collision avoidance system. It may not provide warning or braking in certain conditions. Never rely solely on IBA. 15 FCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed limitations apply. Always drive safely. 16 The Lane Departure Warning/Lane Departure Prevention Systems operate only when the lane markings are clearly visible on the road. Speed limitations apply. See your Owner's Manual for more details. 17 Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your owner's manual for more details. 18 Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle. 19 Estimate figures. Real numbers may vary. 20 Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. 21 Zagat Survey® is a registered trademark of Zagat Survey, LLC Ltd. 22 Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to stay alert, drive safely, and be in control of the vehicle at all times. 23 The Blind Spot Warning/Blind Spot Intervention® Systems are not substitutes for proper lane change procedures. The systems will not prevent contact with other vehicles or accidents or detect every vehicle or object around you. 24 VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. 25 Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. 26 Driving is serious business. Only use Infiniti Connection™ and Infiniti Connection Plus services when safe to do so. Services require compatible 2G GSM/GPRS cellular network provided by AT&T. 26 cellular network not available in all areas and/or available at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Infiniti's control. AT&T has announced that on December 31, 2016, AT&T will terminate 2G network availability. Like other devices that rely on 2G network coverage, once the 2G network is terminated, Infiniti Connection and Infiniti Connection Plus services will not function unless equipment replacements, upgrades, or alternative 2G network coverage are available at that time, which Infiniti cannot guarantee. Infiniti not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Certain vehicle services, including Google compatible services, provided by independent companies not within Infiniti's control and are subject to change without notice or liability to Infiniti and its affiliates and agents. Subscription Agreement required to enroll. Initial 12 months, beginning on your date of purchase, included complimentary. Subsequently, your credit card (if on file) will be charged at the then current subscription rate and your service will continue for 1 year periods under the terms of your Subscription Agreement, or until 2G coverage is terminated on December 31, 2016 (if equipment upgrades or roaming charges are not available by that date). Standard text rates and/or data usage may apply. Terms and conditions of Subscription Agreement apply. 27 Distance Control Assist helps maintain a distance to the vehicle in front of you under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident. 28 May require additional options or option packages.

PARTNERS IN THE INTENSE

The pulse races. Seconds split. Victories are won and lost. In Formula 1™, technology and human ingenuity are pushed to the limit. Yet, success is ultimately a measure of the passion that goes into every invention and is released every lap. This passion has led Infiniti Red Bull Racing to become, in recent years, the most dominant force on track.

Infiniti is drawn to Formula 1™ racing because it is engineering genius applied purely to creating emotional excitement. A feeling of exhilaration that extends from the track to the fans, to the culture, through our partner, Infiniti Red Bull Racing. The heart and determination the team has shown has led to three Formula 1™ Constructors' World Championships in a row. Our synergistic relationship is one that promises thrilling new performance capabilities for both Formula 1™ and Infiniti vehicles. This exchange of both technology and ideas now includes the appointment of 3-time Formula 1™ Drivers' World Champion, Sebastian Vettel, as our Director of Performance. Sebastian has already aided in the development of the all-new Infiniti Q50—harnessing his supreme driving senses and passion for performance to ensure this new vehicle is as dynamic as possible. And now, future Infiniti vehicles will be imprinted with the genius and unrivaled passion that defines his greatness.

Ultimate luxury is more than perfection. It is the feeling of unrestrained joy that unleashes something special in your heart. We at Infiniti believe there are times when reason should take a backseat and emotion—pure and primal—should be the driver. Tangibles play a part, of course: the sensual, flowing lines; the smell of leather; the visceral roar of the engine. Established in 1989, Infiniti's flagship line has now grown to include sedans, coupes, convertibles and crossovers, all available in 49 countries worldwide. Infiniti has generated respect as the provocateur brand in the premium category, with a reputation for defying convention and creating irresistible and provocative automobiles, engineered with obsessive attention to detail. Our passion for ultimate precision, exhilarating performance and that exuberant driving experience is also manifested in the partnership that Infiniti established with Red Bull Racing in 2011. All of which contributes to the feeling that to drive an Infiniti is something special.
