SAFETY FEATURES				
Safety				
Infiniti Advanced Air Bag System (AABS) includes dual-stage front supplemental air bags with seat belt sensors and an occupant-classification sensor. Air bag inflation rate is adjusted depending on crash severity and seat belt usage. If the front-passenger’s seat is empty, a sensor will deactivate the front passenger air bag ²⁰	•	•	•	•
Driver and front-passenger seat-mounted side-impact supplemental air bags ²⁰	•	•	•	•
Roof-mounted curtain side-impact supplemental air bags with rollover sensor for first-, second- and third-row outboard occupant head protection ²⁰	•	•	•	•
3-point height-adjustable front seat belts with pretensioners and load limiters, driver’s seat Emergency Locking Retractor (ELR) and passenger’s seat ELR and Automatic Locking Retractor (ALR)	•	•	•	•
Rear 3-point seat belts with ELR and ALR	•	•	•	•
Zone Body construction with reinforced passenger compartment and front and rear crumple zones	•	•	•	•
LATCH System (Lower Anchors and Tethers for CHildren) helps simplify proper installation of compatible child restraint seats. (Second-row outboard only)	•	•	•	•
Child seat top tether anchors for second-row center seat and third-row passenger’s side seat	•	•	•	•
Electronic Brake force Distribution (EBD)	•	•	•	•
Brake Assist with Preview (BA) ²⁴	•	•	•	•
4-wheel Anti-lock Braking System (ABS)	•	•	•	•
Blind Spot Warning (BSW) helps alert the driver to a vehicle detected in the blind spot area ²	○	○	○	○
Forward Collision Warning (FCW). Using the QX60’s radar rangefinder, this available feature helps alert the driver of an imminent collision by providing a visual and an audible warning ¹⁸	○	○	○	○
Intelligent Brake Assist (IBA). This available active safety feature continuously monitors and analyzes closing speeds to a vehicle ahead or to a stationary obstacle. If the driver does not adequately respond to the Forward Collision Warning and a collision cannot be avoided, IBA will automatically engage the brakes to help reduce speed, thus mitigating the consequences of the impact ¹⁷	○	○	○	○
Lane Departure Warning (LDW) and Lane Departure Prevention (LDP) Systems. LDW sounds an audible warning when you start to drift out of your lane and LDP selectively applies the brakes to help ease you back between the lines ¹⁹	○	○	○	○
Traction Control System (TCS)	•	•	•	•
Vehicle Dynamic Control (VDC) ²⁵	•	•	•	•
Approaching Vehicle Sound for Pedestrians (VSP)			•	•
Slide-away brake pedal assembly	•	•	•	•
LED taillights. Lighting faster than conventional taillights, they help give drivers behind you a quicker indication of your braking	•	•	•	•
Tire Pressure Monitoring System (TPMS) provides specific information for each tire and low pressure warning ²⁶	•	•	•	•
Security				
Remote keyless entry system with selective unlocking of driver’s door or all doors	•	•	•	•
Remote power-opening of windows; closing via exterior door lock	•	•	•	•
Infiniti Vehicle Immobilizer System embeds an encoded transponder chip into the Infiniti Intelligent Key. The engine control computer will not allow the engine to start without the correct key and transponder	•	•	•	•
Vehicle Security System sounds alarm if intrusion is detected	•	•	•	•
HomeLink® Universal Transceiver offers control for compatible garage doors, estate gates and certain home/office lights	○	○	○	○
Auto Hazard Warning Signal	•	•	•	•

For additional information on availability, options or accessories, see your Infiniti retailer or contact Nissan North America, Inc.

1 Available on select models. 2 The Blind Spot Intervention System is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. 3 Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. 4 Slide forward function should not be performed with the CRS occupied. 5 Intelligent Cruise Control (Full-Speed Range) is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. 6 Distance Control Assist helps maintain a distance to the vehicle in front of you under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident. 7 2014 EPA Fuel Economy Estimates. Actual mileage may vary with driving conditions. Use for comparison only. 8 Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. 9 BCI will not detect every object, and speed limitations apply. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. Check owner's manual for details. 10 The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors. 11 When towing at or near Maximum Trailer Weight, the allowable vehicle cargo and/or number of passengers is reduced because it is necessary to stay below the Gross Combined Weight Rating and the Gross Axle Weight Rating. If the vehicle has cargo and passengers, the allowable Maximum Trailer Weight is reduced. See your Towing Guide and owner's manual for proper use. 12 The Front and Rear Sonar System is a convenience, but not a substitute for proper parking procedures and/or backing procedures. Always check that it is safe to do so before moving forward or backing up. May not detect every object in front of or behind you. 13 Moving Object Detection cannot completely eliminate blind spots and may not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. 14 Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone owner's manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Infiniti is under license. 15 Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Satellite Radio U.S. service and NavWeather service available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2013 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. 16 Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation. See Retailer for details. All rights reserved. iPod not included. 17 IBA is not a collision avoidance system. It may not provide warning or braking in certain conditions. Never rely solely on IBA. 18 FCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed limitations apply. Always drive safely. 19 The Lane Departure Warning/Lane Departure Prevention Systems operate only when the lane markings are clearly visible on the road. Speed limitations apply. See your Owner's Manual for more details. 20 Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your owner's manual for more details. 21 Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle. 22 Estimated figures. Real numbers may vary. 23 Zagat Survey® is a registered trademark of Zagat Survey, LLC Ltd. 24 Brake Assist with Preview is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to stay alert, drive safely, and be in control of the vehicle at all times. 25 VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. 26 Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. 27 Driving is serious business. Avoid operating Infiniti Connection™ and Infiniti Connection Plus services in a way that you are distracted while driving. Services require compatible 2G GSM/GPRS cellular network provided by AT&T. 2G cellular network not available in all areas and/or available at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Infiniti's control. AT&T has announced that on December 31, 2016, AT&T will terminate 2G network availability. Once the 2G network is terminated, Infiniti Connection and Infiniti Connection Plus services will not function unless equipment replacements, upgrades, or alternative 2G network coverage are available at that time, which Infiniti cannot guarantee. Infiniti not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades or roaming charges on alternative networks, if available). Certain vehicle services, including Google compatible services, provided by independent companies not within Infiniti's control and are subject to change without notice or liability to Infiniti and its affiliates and agents. Subscription Agreement required to enroll. Initial 12 months, beginning on your date of purchase, included complimentary. Subsequently, your credit card (if on file) will be charged at the then current subscription rate and your service will continue for 1 year periods under the terms of your Subscription Agreement, or until 2G coverage is terminated on December 31, 2016 (if equipment upgrades or roaming charges are not available by that date). Terms and conditions of Subscription Agreement apply. 28 The Blind Spot Warning/Blind Spot Intervention® Systems are not substitutes for proper lane change procedures. The systems will not prevent contact with other vehicles or accidents or detect every vehicle or object around you. 29 May require additional options or option packages.
