INFINITI
EMPOWER THE DRIVE™

INFINITI

EMPOWER THE DRIVE

We are like you. We push ourselves beyond our comfort zone. While others might be content with making better machines, we are driven to go beyond—to design cars that push human potential. We build technology to enhance your senses, striking design that demands a response and performance that makes you feel more alive. Prepare to experience the road as it was intended.

INFINITI Q50

Empower the drive with technology. Featuring innovations that enhance everything you do behind the wheel. The world's first digital steering system¹ with power to steer quicker and smoother than imagined. Predictive Forward Collision Warning^{1,2} enables the vehicle to see two cars ahead, even when you can't. And Active Lane Control^{1,3} to help stay the course in crosswinds and on uneven roads. Q50. Elevate your journey.

ELEVATING YOUR POWER AND POTENTIAL

This is power through innovation, where the forces of technology blow past limits. Choose from four advanced engines, including a pair of 3.0-liter V6 twin-turbos¹ for jaw-dropping performance.

SIGN OF PERFORMANCE At INFINITI, performance is more than delivering a heightened driving experience. We believe it should unleash a more dynamic driver in you. And now, a shared passion can be boldly displayed by the letter S. Whether it is more intense power, tuning or design, every INFINITI Sport model represents something special.

Q50 RED SPORT 400 The red "S" represents Q50 performance at the highest level. The Q50 Red Sport 400 is powered by a 3.0-liter V6 twin-turbo 400-hp engine and features special, red-painted Sport Brake calipers and exclusive 19-inch Red Sport 400 wheels. Special Red Sport 400 exhaust tips and red "S" badging add a fearless look.

Q50 3.0T SPORT The silver "S" indicates the Q50 3.0t Sport with an enhanced styling and performance package featuring the Dynamic Digital Suspension, Sport Brakes, 19-inch sport wheels and more-supportive sport seats.

400
HP

26
HWY MPG⁴

3.0-LITER V6 TWIN-TURBO 400-HP ENGINE Inspired by the legendary VQ engines, this 400-hp V6 twin-turbo engine integrates water-cooled air charging, advanced electronic valve timing control, and two turbo speed sensors for faster response at a higher peak.

360
HP

32
HWY MPG⁴

3.5-LITER V6 ENGINE WITH INFINITI DIRECT RESPONSE HYBRID[®] A combined system power of 360 horsepower responds to your call with thrilling immediacy while it achieves a surprising 32 highway mpg.⁴ It transitions from all-electric mode to full-power hybrid mode with an intense and organic response.

300
HP

29
HWY MPG⁴

3.0-LITER V6 TWIN-TURBO 300-HP ENGINE A variant of the V6 found in the Q50 Red Sport 400, this twin-turbo delivers the power you expect from INFINITI performance engineering. Using a lightweight aluminum engine block and friction-reducing technologies, it's ready to respond with 300 hp and 295 lb-ft of torque.

208
HP

31
HWY MPG⁴

2.0-LITER I4 TURBOCHARGED ENGINE Honed for eager response and quick acceleration when you want it, the turbo spools quickly to produce 208 hp at 5500 rpm. It also outputs a stirring 258 lb-ft of torque starting at just 1500 rpm while reaching 31 mpg on the highway.⁴

PERFORMANCE

CAPTURE THE INTENSITY OF MOTION

Unleash the intelligence and force of the Q50, and free yourself to drive precisely the way you desire.

AN ELECTRIFYING CONNECTION The Q50 steers with innovation. Choose Hydraulic Electronic Power Steering, RACK EPS¹ with Sport mode, or 2nd-gen Direct Adaptive Steering.^{®1} The world's first digital steering system—and available only on Q50 models powered by a V6 engine—Direct Adaptive Steering[®] steers quickest while filtering out unwanted vibration. Tuned for a more natural connection, it also offers multiple settings to personalize performance.

ENHANCED HANDLING The Dynamic Digital Suspension¹—which is available only on Q50 3.0t Sport and Q50 Red Sport 400 models—monitors chassis vitals and continually adjusts the suspension to deliver a smooth ride yet maintains tight handling in the turns. Activate Sport mode and dial up the suspension for even sharper handling whenever you feel like it. Working along with Direct Adaptive Steering,^{®1} it completes a digital handling system for confidence over any winding road.

MORE RESPONSIVE BRAKING With ventilated discs and 4-piston opposed front calipers and 2-piston opposed rear calipers, the Sport Brakes¹—only available on Sport models—provide great stopping force from both sides of the rotor at the same time for better bite, more friction and direct feel than standard brakes. On the Red Sport 400, these calipers are painted a track-inspired red for visual distinction.

A CONTINUOUS RUSH Acceleration Swell is our vision of power, dedicated to delivering a shape and feel to acceleration. By precisely tuning the engine to unleash torque at a broader rev range, the force you feel seems to increase the faster you go, making Acceleration Swell feel more like a limitless rush than a momentary thrill.

ENHANCING THE DRIVE The INFINITI Drive Mode Selector allows you to personalize the driver settings—from steering, engine and suspension inputs—to best fit your needs of the moment.

INTUITIVE TRACTION Intelligent All-Wheel Drive¹ adjusts for better available traction by sending anywhere from zero to 50% of the power to the front wheels when you need it, and 100% to the rear wheels for sporty response when you don't. You get all-wheel drive traction without sacrificing rear-wheel drive feel.

EXTERIOR DESIGN

SHAPED WITH PURPOSE AND INTENSITY

Break free from convention with design that adds a new dimension to premium styling and leaves an unmistakable impression wherever you go.

IMPRESSION AMPLIFIED Expressing signature INFINITI design, the double arch grille is prominently placed front and center. The arc of the bottom, like a natural reflection to that of the top, gives the front fascia a distinctive appearance.

ATHLETIC STANCE Large 19-inch alloy wheels¹ not only complement the sporty proportions of the Q50 but are designed to make handling more responsive. The lightweight construction inherently reduces unsprung weight and helps contribute to quicker turn-in and a better ride.

AERODYNAMIC ADVANTAGE The upper and lower body of the Q50 directs air to flow over, around and under the vehicle, turning it into effective downforce. The overall design achieves zero lift at the front and rear and helps reduce the effect of wind turbulence at higher speeds.

SIGNATURE STARE OF INTENSITY Undeniably INFINITI, the human-eye-like LED headlights and taillights replicate each other whether the lights are on or off.

DESIGN DISTINCTION In signature INFINITI style, the crescent-shaped C-pillar's sculpted surfaces exude elegant, fluid motion.

MAINTAIN YOUR LANE The Lane Departure Warning and Lane Departure Prevention Systems^{1,5} monitor lane markings and can warn you if you start to drift. If the drift continues, the Lane Departure Prevention System can provide brief steering input to help ease your Q50 back towards the center of your lane.

KNOW YOUR WAY Find your way through busy streets and unfamiliar territory. INFINITI InTouch™ Navigation^{1,6} lets you choose a view that's most intuitive to you—a 2D overhead view or a 3D Birdview perspective. Now, you can access reliable unlimited search capabilities directly from your vehicle. Search for a destination without knowing the specific name or category, and then save it or start your journey. A connected online search is based on the latest available information.

TRAFFIC TECHNOLOGY

MASTER THE WAY YOU MOVE THROUGH THE CITY

Whether traffic is clear or chaotic, intelligent technologies help guide you through every moment.

HELPING YOU STAY ON PATH Working with Direct Adaptive Steering,^{®1} Active Lane Control^{1,3} evaluates the road ahead and can automatically make small steering angle corrections due to uneven road surfaces or crosswinds.

KEEP YOUR DISTANCE Distance Control Assist^{1,8} looks ahead and can warn you if your following distance becomes too short. If detected, and you do not take your foot off the accelerator pedal, the system can partially engage the brakes and can push back on the accelerator pedal.

2017 Q50 Red Sport 400 shown with accessory rear decklid spoiler.

CONVENIENCE

ANTICIPATING YOUR NEEDS. HEIGHTENING YOUR AWARENESS

Naturally and instantly, your abilities are amplified—in the way you see and in the comfort you feel, leaving you free to focus on the drive.

360°
VIEW

SEE EVERY SIDE Gain a new perspective on what's around you. With the Around View® Monitor with Moving Object Detection and the Front and Rear Sonar System^{1,9,23} four cameras and one virtual 360° view from above make it easy to see and maneuver in even the tightest spaces.

INTUITIVE FRONT LIGHTING Illuminate where you truly want to be. The Adaptive Front lighting System (AFS)¹ improves visibility at intersections and around curves by sensing your steering and turning the headlights. Together with LED headlights, AFS helps you see not just ahead but around as well.

RECIRCULATE. REFRESH. RELAX. Just as you don't think about breathing, the Advanced Climate Control System¹⁻¹⁰ adjusts without you asking. Constantly monitoring the incoming air, it senses outside fumes and automatically closes the vents, recirculating purified air throughout the interior. The system actively cleans the air, helping remove up to 99.5% of allergens.

ASSISTING EFFICIENCY To help improve fuel economy, the Eco Pedal¹ system counteracts with the pedal push-back control mechanism if an excess of pressure on the accelerator is detected. An indicator on the instrument panel will also indicate the optimal level for fuel-efficient driving.

INNOVATIVE TECHNOLOGY HELPS YOU SEE AND AVOID

Empowering technologies are on alert, ready to help you respond and acting to help protect.

RECOGNIZING DANGER Predictive Forward Collision Warning^{1,2} uses radar to enable your Q50 to continuously monitor not only the vehicle directly ahead of you but also the vehicle in front of that one. If your Q50 detects a potential risk, it provides an audible and visual alert.

ADVANCED WARNING Forward Emergency Braking^{1,11} adds another dimension of security. It can detect vehicles in the lane ahead of you, and if deceleration is required, the accelerator pedal can be pushed up and the brakes can be applied to help minimize a collision—or even help prevent one.

SENSES WHERE YOU CAN'T SEE The Blind Spot Warning and Blind Spot Intervention® Systems^{1,12} use sensors to help detect vehicles entering the blind spot area. First, a warning light will illuminate; then, if you move toward the occupied lane, a warning sounds. A brief steering input can be provided to help guide your Q50 back to your current driving lane.

MORE CONFIDENT WHEN BACKING UP Backup Collision Intervention^{1,13} helps increase your awareness. As you back up, the system warns you if approaching vehicles or large stationary objects are detected behind your Q50, and it can help you avoid a collision by applying the brakes.

PREPARED TO PROTECT During emergency braking situations, the Front-seat Pre-Crash Seat Belts¹ are automatically tightened.

STRONGER AND LIGHTER Ultra high-strength steel is twice as strong as conventional steel and is built around you to enhance your safety in case of a collision.

ENHANCED PROTECTION Based on the severity of the crash and seat belt usage, the INFINITI Advanced Air Bag System adjusts inflation in the dual-stage front supplemental air bags. Also featured are front seat-mounted side-impact supplemental air bags and roof-mounted curtain side-impact supplemental air bags.¹⁴

IN TOUCH WITH YOUR CONNECTED WORLD

INFINITI InTouch™ makes your world flow. Your life is always moving, and INFINITI InTouch™ with Navigation and INFINITI InTouch™ Services seamlessly bring your world into your car. Stay ahead and in contact with voice, text, calendar, navigation and music.^{1,6}

A PREMIUM CONNECTION Every time you get into the Q50, experience a seamless connection with technology that responds like the technology you hold in your hand. Connecting your smartphone to INFINITI InTouch™ with Navigation and INFINITI InTouch™ Services^{1,6,16} brings your world into your car. Hear text messages read to you. Listen to your playlists. Navigate unfamiliar streets or call your friends. When you're away from your vehicle, you're still connected through the INFINITI InTouch™ Services companion app with features like Remote Engine Start/Stop^{1,15} and Remote Door Lock/Unlock.

ADJUSTS TO YOU INFINITI InTouch™^{1,6} delivers an intuitive experience right from your driver's seat in the manner that best suits you. You can interact with the state-of-the-art system however you find easiest. The top screen can be operated by touch, steering wheel switches or the INFINITI Controller; it is primarily used for driving information and navigation.⁶ The bottom screen can be operated by touch and lets you manage the infotainment systems, such as audio and climate control.

HIGH-PERFORMANCE AUDIO The Bose® Performance Series with 16 speakers features Advanced Staging Technology that dynamically directs the music to keep you fully immersed in sonic clarity. Genuine metal grilles add a premium touch and help protect the speakers. AudioPilot® 2.0 Dynamic Noise Compensation Technology improves acoustics by constantly monitoring exterior noise and adjusting sound levels accordingly. Whether you're streaming music from your phone via Bluetooth®,¹⁶ playing your iPod®²¹ or tuned into satellite radio, Centerpoint® 2.0 Surround Technology allows you to enjoy it all in vibrant surround sound.

BLUETOOTH® STREAMING AUDIO Turn your Bluetooth®-enabled smartphone into a source of music, and listen to your top playlists over the Q50's audio system.¹⁶

HANDS-FREE VERSATILITY With the INFINITI Bluetooth® Hands-free Phone System;^{1,6} you can make and receive wireless calls using voice recognition. No fumbling. No need for a headset. Just press a button on the steering wheel.

INTERIOR DESIGN

DEDICATION IN EVERY DETAIL

Reveal true craftsmanship that goes into everything you see and the materials you touch.

PLEASING TO THE EYE The soothing glow of the Fine Vision electroluminescent gauges has been designed to not only be brighter, but the contrast delivers information clearly, even at a glance.

CONSISTENT SWITCH FEEL Touch a button. Then touch the one next to it. Every button and switch is crafted with the same level of precision, so you sense a consistent INFINITI feel on your fingertip. With this attention paid to a switch, imagine how the remaining surfaces feel.

TACTILE ARTISTRY The soft, specially treated, semi-aniline leather-appointed sport seats in the Design Package¹ feature a unique quilted pattern and contrast stitching that adds another level of distinction. The center console and door panels feature Natural Maple Wood Accents to add an extra touch of texture.

SOFTER SEAT BELTS The seat belt is one of the few surfaces you continually touch, so we use a variable herringbone weave that is 20% softer than standard fabrics. This makes it more comfortable to wear, easier to pull out, and even less likely to snag your clothing.

PERSONAL ATTENTION

TAILORED TO YOUR ARRIVAL

Begin every journey with a special moment. Be at the center of thoughtful conveniences that always make you feel special.

INVITING YOU IN For added convenience and safety, Welcome Lighting responds to your presence automatically with a sequence of exterior then interior lights. The puddle lights illuminate the ground below, and then the interior lights glow to help you settle in. The choreographed sequence ends with the Start/Stop button pulsing, waiting for you to bring it to life.

MORE COMFORTABLE QUICKLY Here, every aspect of your entrance is as hospitable as possible. Heated front seats¹ will keep you warm during winter months or chilly nights with a simple push of a button.

INFINITI INTELLIGENT KEY Recognizing you upon your approach, the INFINITI Intelligent Key lets you unlock the doors and trunk, and even start the engine without taking the key out from your pocket or purse. And as you enter, it slides your seat back for you, then adjusts your steering wheel and outside mirrors automatically to your preferences.¹

OPTIMIZED COMFORT The dual occupant memory system¹ allows two custom profiles. Depending on which key you possess, the preferred settings for the seat, steering column and mirrors are automatically executed with the press of a button, giving both drivers an intimate level of comfort.

ACCESSORIES

GENUINE INFINITI ACCESSORIES

The same exacting standards applied to the creation of an INFINITI vehicle go into designing and manufacturing Genuine INFINITI Accessories. With a wide array of quality products designed to integrate seamlessly, you can be assured of a custom fit and finish.¹⁷ To find out more about the selection of Genuine INFINITI Accessories for your Q50, go to parts.infinitiusa.com.

ACCESSORIES SHOWN 19-inch Split 5-spoke Bright Aluminum-alloy Wheels, Midnight Black Grille, Splash Guards, INFINITI Radiant Exterior Ground Lighting, Rear Decklid Spoiler.

17-INCH BRIGHT ALUMINUM-ALLOY WHEELS Finished in bright silver, the distinctive split 5-spoke design of the 17-inch alloy wheels complement the bold contours of the Q50.

CARPETED TRUNK MAT Made of high-density, cut-pile carpeting, this durable mat helps guard your cargo area from spills and damage.

CARGO ORGANIZER²⁸ Constructed of durable and water-resistant material, moveable dividers help keep your packages and other items from moving around while driving. When not in use, it collapses for easy access to the cargo area.

INFINITI 4G WI-FI Enables you to seamlessly and securely conduct internet activities in stationary or moving vehicles. Your vehicle becomes a roving Wi-Fi hotspot, connecting up to five Wi-Fi-enabled devices to the internet in and around the car.¹⁸

INFINITI RADIANT ILLUMINATED KICK PLATES The INFINITI logo glows softly along the bottom of the front door sills—a signature flourish you and your passenger will appreciate every time you get in.

REAR DECKLID SPOILER Custom-designed to deliver a perfect fit and factory-matched color, it enhances your Q50's sporty, aerodynamic appearance.

This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by Nissan North America, Inc. Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with INFINITI Retailer before relying on it to make a purchase decision. Nissan North America, Inc., reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in Hawaii, U.S. territories and other countries. For additional information on availability, options or accessories, see your INFINITI Retailer or visit INFINITI website.

1 Available on select models. **2** Predictive Forward Collision Warning is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. **3** Active Lane Control cannot prevent accidents or loss of control. It is the driver's responsibility to be in control of the vehicle at all times. ALC may not detect the lane markers in certain road, weather or driving conditions. **4** 2017 EPA Fuel Economy Estimates. MPG 23 city/31 hwy (Q50 2.0t/Q50 2.0t Premium), 22 city/28 hwy (Q50 2.0t AWD/Q50 2.0t Premium AWD), 23 city/31 hwy (Q50 2.0t Sport), 22 city/28 hwy (Q50 2.0t Sport AWD), 20 city/29 hwy (Q50 3.0t Premium/Q50 3.0t Sport), 19 city/27 hwy (Q50 3.0t Premium AWD/ Q50 3.0t Sport AWD), 20 city/26 hwy (Q50 Red Sport 400), 19 city/26 hwy (Q50 Red Sport 400 AWD), 27 city/32 hwy (Q50 Hybrid Premium), 26 city/30 hwy (Q50 Hybrid Premium AWD). Actual mileage may vary with driving conditions. Use for comparison only. **5** The Lane Departure Warning and Lane Departure Prevention Systems operate only when the lane markings are clearly visible. Speed limitations apply. See owner's manual for details. **6** Driving is serious business. Only use INFINITI InTouch Services and INFINITI InTouch Services Premier when safe to do so. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Services, including automatic crash notification and SOS, require an active subscription, and are dependent upon the telematics device being in an operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach INFINITI InTouch Services Customer Care or receive support. Services require compatible 3G GSM/GPRS cellular network provided by AT&T. 3G cellular network not available in all areas and/or available at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within INFINITI's or Sirius XM Connected Vehicle Service's Inc.'s control. Certain vehicle services, including Google® compatible services, provided by independent companies are not within INFINITI's or SiriusXM's control and are subject to change without notice or liability to INFINITI, its affiliates and agents or SiriusXM. Like other devices that rely on network coverage, once the network service is discontinued, INFINITI InTouch services will not function without equipment replacements, upgrades, or alternative network coverage, which neither INFINITI nor Sirius XM can guarantee. INFINITI and Sirius XM are not responsible for associated costs that may be required for continued operation due to cellular network turnaround or discontinuation (including equipment upgrades, if available, or roaming charges on alternative networks). 6 month trial subscription begins on your date of purchase or lease of your new INFINITI. Subsequently, your credit card (if on file) will be charged at the then current subscription rate and your service will renew automatically under the terms of your subscription. Standard text rates and/or data usage may apply. Terms and Conditions of Subscription Agreement apply. See www.infinitiusa.com/intouch for more information. **7** Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. **8** Distance Control Assist helps maintain a distance to the vehicle in front of you under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident. **9** Around View® Monitor with Moving Object Detection cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. **10** The Advanced Climate Control System with Plasmacluster® air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors Plasmacluster is a registered trademark of Sharp Corporation. **11** Forward Emergency Braking cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. **12** The Blind Spot Warning/Blind Spot Intervention® Systems are not substitutes for proper lane change procedures. The systems will not prevent contact with other vehicles or accidents. They may not detect every vehicle or object around you. **13** Backup Collision Intervention will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See owner's manual for details. **14** Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. **15** State laws may apply; review local laws before using. **16** Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone owner's manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by INFINITI is under license. **17** Some accessories may require installation, which is not included in the Manufacturer's Suggested Retail Price (MSRP). Retailer sets actual price. **18** Up to 10 feet radius of the vehicle. Monthly subscription required for use of feature. **19** Required monthly subscriptions sold separately for each available SiriusXM feature after trial period, and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. Each SiriusXM feature availability is dependent upon vehicle model, trim level, packaging, and/or options, and may only be available in select markets. Satellite Radio U.S. service, NavWeather service, and SiriusXM TravelLink services (if any of the foregoing features are equipped on vehicle) available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2016 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. **20** Active Trace Control cannot prevent accidents or loss of control. It is the driver's responsibility to be in control of the vehicle at all times. **21** Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod is a registered trademark of Apple Inc. All rights reserved. iPod not included. **22** Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. **23** The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. **24** Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. **25** VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. **26** TPMS is not a substitute for regular tire pressure checks. **27** May require additional options or option packages. **28** Cargo and load capacity limited by weight and distribution. Always secure all cargo.
