INFINITI.
EMPOWER THE DRIVE™

INFINITI

EMPOWER THE DRIVE

We are like you. We push ourselves beyond our comfort zone. While others might be content with making better machines, we are driven to go beyond—to design cars that push human potential. We build technology to enhance your senses, striking design that demands a response and performance that makes you feel more alive. Prepare to experience the road as it was intended.

INFINITI Q70

Empower the drive with refined craftsmanship.

The sight of graceful curves and beautifully refined angles. The scent of a handcrafted natural wood and leather-appointed interior. And the feeling of an intuitively designed cockpit, designed to please.

Q70. Refine your expectations.

EXTERIOR DESIGN

ELEGANT IN FORM. COMMANDING IN PRESENCE

Create your own path and lead with authority. The sculpted contours of the INFINITI Q70 seem to flow without effort, while simultaneously exuding a confidence that demands attention.

ATHLETIC STANCE Large 20-inch alloy wheels not only complement the graceful proportions of the Q70, they are designed to make handling more responsive.¹ The lightweight construction inherently reduces unsprung weight and helps contribute to quicker turn-ins.

EXPRESSIVE LIGHTING Powerful LEDs illuminate the sculpted headlights, blending high efficiency with unmistakable style. Inspired by the human eye, the daytime running lights and rear taillights feature a signature INFINITI crescent shape for definitive character from every angle.

CURVES THAT INVITE Undeniably INFINITI, the double-wave hood rises to meet the elevated front fenders, conveying a dynamic, expressive design.

IMPRESSION AMPLIFIED Expressing signature INFINITI design, the double-arch grille is prominently placed front and center. The arc of the bottom, like a natural reflection to that of the top, gives the front fascia a distinctive appearance.

INTERIOR DESIGN

DELIGHTS IN ALL ITS INFINITE DETAILS

Reward your senses with luxury. In the things you see and touch, everything has been crafted with a focus on you.

CONSISTENT SWITCH FEEL Touch a button. Then touch the one next to it. Notice that every button and switch is crafted with the same level of precision, so you sense a consistent INFINITI feel on the fingertip. With this attention paid to a switch, imagine how the remaining surfaces feel.

PLEASING TO THE EYE The soothing glow of the Fine Vision electro-luminescent gauges has been designed to not only be brighter, but the contrast delivers information clearly, even at a glance.

FINER FABRICS The seat belt is one of the few surfaces you continually touch, so we use a variable herringbone weave that is 20% softer than standard fabrics. This makes it more comfortable to wear, and even less likely to snag your clothing.

ADD YOUR TOUCH The meticulously designed Q70 interior is available with your choice of premium-quality inlays on the dashboard, center console and door trim. Choose from traditional Japanese Ash Wood, a unique, White Ash silver-powdered¹ treatment or a contemporary aluminum finish² to make your own style statement.

QUALITY IN COMFORT Sit inside and experience softness and firmness the semi-aniline leather-appointed seats provide.³ The full-grain leather is treated to allow the natural character of the leather to show through. Also available are specially developed soft-touch materials for the door armrests, door inserts and center console.

PERSONAL ATTENTION

INVITING YOU IN AND TAILORED TO YOU

Every arrival, every entrance—recognized and anticipated with thoughtful conveniences that always feel special.

OPTIMIZED COMFORT The dual occupant memory system allows two custom profiles. Depending on which key you possess, the preferred settings for the seat, steering column and mirrors are automatically executed with the press of a button, giving both drivers an intimate level of comfort.

PERSONALIZED ACCESS Recognizing you upon your approach, the INFINITI Intelligent Key lets you unlock the doors and trunk, and even start the engine—all without taking the key out from your pocket or purse. And as you enter, it slides your seat back for you, then adjusts your steering wheel and outside mirrors automatically to your preferences.

ANTICIPATING YOUR ARRIVAL For added convenience and safety, Welcome Lighting responds to your presence automatically with a sequence of exterior and then interior lights. The puddle lights illuminate the ground below, then the interior lights glow to help you settle in. The choreographed sequence ends with the Start/Stop button pulsing, waiting for you to bring it to life.

MORE COMFORTABLE QUICKLY Here, every aspect of your entrance is as hospitable as possible. Climate-controlled front seats actively circulate cool or warm air through the perforated leather-appointed seats, so you reach your comfort zone faster than you imagined.¹

Q70L

EXPAND YOUR EXPECTATIONS

Fusing the characteristics of a performance vehicle with the exclusiveness of an extended sedan, the bold originality of Q70L embodies motivation.

DESIGN TO EMPOWER Pursue your potential with unique 20-inch dark chrome wheels. As part of the Premium Select Edition, this elegant multi-spoke design, along with select dark chrome exterior accents, a rear decklid spoiler and darkened lower rear bumper will transport you forward in style.

ROOM TO PLEASE The wheelbase of the Q70L has been extended in the rear by nearly 6 inches, allowing extra legroom without changing the dynamic appearance of the vehicle. And inside is where added amenities have been included to elevate passengers to another level of luxury.

EASING EFFORT Every time you enter or exit the rear of the Q70L, the auto closure assist cincher will complete the action by securing the door closed. The trunk responds the same way. A simple task but a respect that is well deserved.

UNIQUE INTERIOR APPOINTMENTS The Q70L Premium Select Edition offers an elegant and inviting interior with high-quality materials. An exclusive aluminum interior trim¹ surrounds you with distinction, while the luxurious Graphite or Stone semi-aniline leather-appointed seating¹ gives the cockpit a modern aesthetic appeal.

COMFORT AT EVERY SEAT Luxury has been infused into the rear cabin, featuring heated seats that provide warmth with a touch of a button as well as a reading light to keep you company. You'll also enjoy the rear window sunshade¹ and 12v power outlet that adds to the details to make sure you're always at your most comfortable.

CRAFTING TRANQUILITY Active Noise Control ensures that the cabin of the Q70L offers better solace from the outside world. Intelligent technology uses a microphone in the ceiling to identify undesirable low-frequency engine sounds and neutralizes them with sound waves of the opposite phase. The result is a quieter and more peaceful driving experience, which still preserves the more invigorating sounds of engine performance.

AMPLIFYING THE FEELING OF ACCELERATION

Engineering that unlocks a greater intensity in the driving experience through your senses.

A CONTINUOUS RUSH

Acceleration Swell is our vision of power, dedicated to delivering a shape and feel to acceleration. By precisely tuning the engine to unleash torque at a broader rev range, the force you feel seems to increase the faster you go, making Acceleration Swell feel more like a limitless rush than a momentary thrill.

QUICKER STOPS

Aluminum 4-piston opposed brake calipers provide stopping force from both sides of the rotor at the same time for better bite, more friction and direct feel.¹

ACTIVELY RESPONDING

The upgraded springs of the sport-tuned suspension sharpen the handling of the Q70, while the double-piston shock absorbers help reduce vibrations to deliver the smoothest ride possible.¹

SHARP SHIFTING

Magnesium paddle shifters give you fingertip control over gear selection.¹ When choosing a lower gear, Downshift Rev Matching blips the throttle like a performance driver to ready the engine for smoother, quicker shifts.

SIGNATURE EXHAUST NOTES

The unmistakable tone of the specially tuned exhaust shapes sound to create a heightened acceleration experience. The signature low growl accentuates every trip through the gears.

330
HP

25
HWY MPG²

3.7-LITER V6 Exciting response with intelligent efficiency. Benefiting from Variable Valve Event and Lift technology (VVEL®), this 3.7L V6 gasoline engine delivers a stirring 330 hp while making most of every drop of fuel to achieve up to 25 MPG.²

420
HP

24
HWY MPG²

5.6-LITER V8 The most formidable engine INFINITI has ever built, this powerful and responsive 5.6-liter V8 delivers a thrilling performance. It produces a stirring 420 hp (Q70) and 416 hp (Q70L) that is delivered with the polish and precision to suit virtually any driving scenario you might encounter or excitement you might desire.

360
HP

33
HWY MPG²

3.5-LITER V6 HYBRID A combined system power of 360 hp responds with thrilling immediacy, while achieving a surprising 33 MPG.² The engine transitions from all-electric mode to full-power hybrid mode, with an intensity and organic response that defies everything you think about hybrids.

Nissan North America reserves the right to make changes, at any time, without prior notice, in parts, materials, equipment, specifications and models. Final production vehicles may vary. See Retailer for details.

ENGINEERING

ELEVATING YOUR POWER AND POISE

Discover performance engineering that intuitively responds to you for a greater feeling of power and authority.

INTUITIVE TRACTION Intelligent All-Wheel Drive³ adjusts for better available traction by sending anywhere from zero to 50% of the power to the front wheels when you need it, and 100% to the rear wheels for sporty response when you don't. You get all-wheel drive traction without sacrificing rear-wheel drive feel.

INHERENTLY RESPONSIVE BALANCE The Front-Midship Platform of the Q70 places the engine's center of mass just behind the front wheel centerline. A sports car-inspired approach for near-equal front-to-rear weight ratio and inherent balance you feel with every turn.

NATURALLY SMOOTH SHIFTING The 7-speed automatic transmission offers a wide selection of gears for versatile performance and enhanced fuel economy. A driver-adaptive learning algorithm familiarizes with your driving style and adjusts shifting for responsiveness or efficiency to suit you.

CONVENIENCE

DEDICATED
TO ASSIST AND
ENTERTAIN

Technology allows you to stay connected to your world, naturally and effortlessly.

360°
VIEW

SEE EVERY SIDE Gain a new perspective on what's around you. With the Around View® Monitor with Moving Object Detection and Front and Rear Sonar System, it's easier to see and maneuver in even the tightest spaces.^{1,3,4} Four cameras and one virtual 360° view from above elevate your parking expertise, while also alerting you whether a moving or stationary object is detected close by.

EMPOWER YOUR TOUCH The INFINITI Controller puts simple, intuitive control of your technology systems at your fingertips. It allows you to interact via the inputs most intuitive to you—turning ring, touch-screen, input buttons, and even steering wheel controls—responding to you rather than you adjusting to it.

INTUITIVE FRONT LIGHTING Illuminate where you truly want to be. The Adaptive Front lighting System (AFS)¹ improves visibility at intersections and around curves by sensing your steering and turning the headlights to see not just ahead but around as well.

HIGH-QUALITY SOUND The Bose® Studio Surround® sound system boasts 16 speakers, including 2 mounted on the shoulders of each front seat. Each has been custom-tuned to deliver rich and realistic 5.1 surround sound. Active Noise Control intelligently detects road or wind noise and neutralizes it with opposing sound waves for a more serene driving experience.¹

GUIDANCE AND ASSISTANCE ON EVERY DRIVE

Whether traffic is clear or chaotic,
intelligent technologies help guide you
through every moment.

MANAGE YOUR PACE Set your desired speed and distance, and Intelligent Cruise Control (Full-Speed Range)^{1,5} can automatically adjust your speed in slowing traffic. When traffic speeds resume, Intelligent Cruise Control can bring you back up to your preset speed and distance.

KNOW YOUR WAY Find your way through busy streets and unfamiliar territory. The INFINITI Navigation System^{1,6} lets you choose a view that's most intuitive to you—a 2D overhead view or a 3D Birdview perspective. Lane Guidance can also help escort you exactly to where you need to be for exits and interchanges.

MAINTAIN YOUR LANE The Lane Departure Warning and Lane Departure Prevention Systems^{1,7} monitor lane markings and can help warn you if you start to drift. If you start to drift out of your lane, the system can help ease your vehicle back towards the center of your lane by applying the brakes on the opposite side of the vehicle.

KEEP YOUR DISTANCE Distance Control Assist^{1,8} looks ahead and helps warn you if your following distance to the vehicle ahead becomes too close. If detected, and you do not take your foot off the accelerator pedal, the system can partially engage the brakes and push back on the pedal.

INNOVATIVE TECHNOLOGY HELPS YOU SEE AND AVOID

A unique combination of active and passive safety innovations enhance your ability to respond instinctively.

ADVANCED WARNING Forward Emergency Braking^{1,9} adds another dimension of security. It can detect vehicles in the lane ahead of you, and if deceleration is required, the accelerator pedal can be pushed up and the brakes can be applied to help minimize a collision—or even help prevent one.

THE SUPPORT YOU NEED In certain rear-end collisions, the Front-seat Active Head Restraints can move forward to help cushion the head.

RECOGNIZING DANGER Predictive Forward Collision Warning^{1,10} uses radar to enable the Q70 to continuously monitor not only the vehicle directly ahead of you but also the vehicle in front of that one. If the system detects a potential risk, it provides an audible and visual alert.

MORE SURE WHEN BACKING UP Backup Collision Intervention^{1,11} increases your awareness while in reverse. As you back up, the system warns you if approaching vehicles or large objects are detected behind your vehicle and can help you avoid a collision by applying the brakes.

PREPARED TO PROTECT During emergency braking situations, the Pre-Crash Seat Belts are automatically tightened.¹

STRONGER AND LIGHTER Ultra high-strength steel is twice as strong as conventional steel and is built around you to enhance your safety in case of a collision.

ENHANCED PROTECTION Based on the severity of the crash and seat belt usage, the INFINITI Advanced Air Bag System adjusts inflation in the dual-stage front supplemental air bags. Also featured are front seat-mounted side-impact supplemental air bags and roof-mounted curtain side-impact supplemental air bags.¹²

SENSES WHERE YOU CAN'T SEE The Blind Spot Warning and Blind Spot Intervention® Systems^{1,13} use sensors to help alert you to a detected vehicle entering the blind spot area in an adjacent lane and help you avoid it. First, the warning light illuminates. Then, if you begin moving toward the occupied lane after using the turn signal, a warning sounds. The system can even apply opposite side brakes to help guide your vehicle back toward the center of your current driving lane.

MAKE IT UNIQUELY YOURS

ACCESSORIES

GENUINE INFINITI ACCESSORIES

The same exacting standards applied to the creation of an INFINITI vehicle go into designing and manufacturing Genuine INFINITI Accessories. With a wide array of quality products designed to integrate seamlessly, you can be assured of a custom fit and finish.¹⁴ For more information and to shop online for Genuine INFINITI Accessories, go to parts.infinitiusa.com.

ACCESSORIES SHOWN Splash Guards and Rear Decklid Spoiler.

18-INCH ALLOY WHEELS Wherever you go, there'll be no question to your sense of style and love of sporty design. These eye-catching wheels utilize lightweight alloy and original INFINITI logo center caps.

MOONROOF WIND DEFLECTOR Shaped to complement the lines of the Q70 and made of tough acrylic, this aerodynamic deflector helps reduce wind turbulence and noise.

INTERIOR AMBIENT LIGHTING The warm and engaging glow welcomes you as you get settled. It adds ambiance to the interior and enhances its modern appeal.

ALL-SEASON FLOOR MATS Custom-made of durable and long-wearing material—they are designed to protect the interior footwells and capture dirt, sand and other debris while staying securely in place.

SPLASH GUARDS The color-matched splash guards reduce spray on lower body panels, while helping prevent nicks and scratches caused by road debris under most weather conditions.

TRUNK NET Durable and unobtrusive, it conveniently helps you organize your possessions in the trunk and helps keep them safely in place.

This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by Nissan North America, Inc. Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with INFINITI Retailer before relying on it to make a purchase decision. Nissan North America, Inc., reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in Hawaii, U.S. territories and other countries. For additional information on availability, options or accessories, see your INFINITI Retailer or visit INFINITI website.

1 Available on select models. **2** 2017 EPA Fuel Economy Estimate 25 MPG (Highway). Actual mileage may vary with driving conditions. Use for comparison only. **3** AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. **4** The Sonar System is a convenience, but not a substitute for proper parking procedures and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. **5** Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. **6** Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. **7** LDW/LDP operate only when the lane markings are clearly visible. Speed limitations apply. See Owner's Manual for details. **8** Distance Control Assist helps maintain a distance to the vehicle in front under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident. **9** FEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. **10** PFCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. **11** BCI will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details. **12** Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. **13** Blind Spot Warning/Blind Spot Intervention Systems are not substitutes for proper lane change procedures. The systems will not prevent contact with other vehicles or accidents. They may not detect every vehicle or object around you. **14** Some accessories may require installation, which is not included in the Manufacturer's Suggested Retail Price (MSRP). Retailer sets actual price. **15** Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod is a registered trademark of Apple Inc. All rights reserved. iPod[®] not included. **16** Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone Owner's Manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by INFINITI is under license. See http://www.infinitiusa.com/bluetooth for details. **17** Required monthly subscriptions sold separately for each available SiriusXM feature after trial period, and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. Each SiriusXM feature availability is dependent upon vehicle model, trim level, packaging, and/or options, and may only be available in select markets. Satellite Radio U.S. service, NavWeather service, and SiriusXM TravelLink services (if any of the foregoing features are equipped on vehicle) available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2016 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. **18** Driving is serious business. Only use INFINITI Connection[™] and INFINITI Connection Plus when safe to do so. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Services, including automatic crash notification and Emergency Call, require an active subscription, and are dependent upon the telematics device being in an operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach INFINITI Connection Customer Care or receive support. Services require compatible 3G GSM/GPRS cellular network provided by AT&T. Vehicles equipped with telematics hardware compatible with a 3G cellular network will no longer be able to receive services after the 3G network is discontinued. 3G cellular network not available in all areas and/or available at all times. Changes to cellular networks provided by independent companies are not within INFINITI's or Sirius XM Connected Vehicle Services Inc.'s control. Certain vehicle services, including Google[®] compatible services, provided by independent companies are not within INFINITI's or SiriusXM's control and are subject to change without notice or liability to INFINITI, its affiliates and agents or SiriusXM. Like other devices that rely on network coverage, once the network service is discontinued, INFINITI InTouch services will not function without equipment replacements, upgrades, or alternative network coverage, which neither INFINITI nor Sirius XM can guarantee. INFINITI and Sirius XM are not responsible for associated costs that may be required for continued operation due to cellular network shutdown or discontinuation (including equipment upgrades, if available, or roaming charges on alternative networks). INFINITI Connection and INFINITI Connection Plus services are complimentary during the first six months after the date of purchase or lease of your new INFINITI vehicle. Trial Periods, unless otherwise specified: Six (6) month trial subscription begins on your date of purchase or lease of your new INFINITI. Subsequently, your credit card (if on file) will be charged at the then current subscription rate and your service will renew automatically under the terms of your subscription. Standard text rates and/or data usage may apply. Terms and conditions of Subscription Agreement apply. See www.infiniticonnection.com for more information. **19** Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. **20** Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. **21** VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. **22** TPMS is not a substitute for regular tire pressure checks. **23** Active Trace Control cannot prevent accidents or loss of control. It is the driver's responsibility to be in control of the vehicle at all times. **24** May require additional options or option packages.
