This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by Nissan North America, Inc. Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with an INFINITI Retailer before relying on it to make a purchase decision. Nissan North America, Inc. reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in Hawaii, U.S. territories and other countries. For additional information on availability, options or accessories, see your INFINITI Retailer or visit INFINITI website.

Final production vehicle may vary. Always wear your seat belt, and please don't drink and drive. ©2019 INFINITI. IN-00570 Reorder #205071 (9/19, 15K, CG) Reducing our environmental footprint is an important goal at INFINITI. That's why this brochure uses paper stock that is certified to contain a minimum of 10% post-consumer waste materials.

2020

Q50

INFINITI.

EMPOWER THE DRIVE®

FINALLY, LIFE AND LUXURY ARE ON THE SAME PAGE

Only something stunning and exhilarating could bring life and luxury together. Something like the 2020 INFINITI Q50, where technology-driven performance and aerodynamically inspired design form a vibrant collaboration. This is like nothing you've ever driven, and you can feel it in a choice of a 300-hp or 400-hp¹ twin-turbo V6 engine and customizable handling systems that enable you to personalize the experience. You can sense it with INFINITI drive assist technologies² that amplify your natural abilities, letting you do more than you could do alone. You can appreciate it in an interior design that celebrates the driver with bold thinking and a wide selection of fine, modern materials. When a premium sport sedan is as personal as it is innovative, you're at your best. Because it's not about luxury, but what you do with it that counts.

LUXURY SHOULD BE LIVED IN

▲ **ROLL WITH DISTINCTION** **1** 17 X 7.5-inch Split 5-Spoke Aluminum-Alloy Wheels **2** 18 X 7.5-inch Aluminum-Alloy Wheels** **3** 19 X 8.5-inch Sport-Design Triple 5-Spoke Aluminum-Alloy Wheels** **4** 19 X 9.0-inch Front, 19 X 9.5-inch Rear Staggered Aluminum-Alloy Sport Wheels***

▲ **THE UNINHIBITED ENERGY OF CREATIVITY** Passion flows throughout the Q50, seizing your emotions with every dynamic body line. On the Q50 3.0t SPORT¹ and Q50 RED SPORT 400,¹ creativity expresses itself with bold front angles and aggressive openings that are complemented by an aero-inspired rear lower diffuser. Signature red "S" badging distinguishes the Q50 RED SPORT 400¹ within the Q50 lineup and makes your most extreme statement yet.

▲ **SEVEN WAYS TO GET THRILLING PERFORMANCE** Feel exhilarated from the start. Pick the turbocharged engine that suits you best: a 3.0-liter V6 with **300-hp** or a **400-hp**¹ version with enhanced turbo technology to boost high performance. To carve a turn your way, the Q50 gives you two ways to steer: **Rack Electronic Power Steering** offers a traditional feel with Sport Mode to sharpen response, while **Direct Adaptive Steering**,[®] available on the ProACTIVE Package,¹ digitally processes your inputs so steering feels faster and smoother. The choice of suspension is equally empowering. **Standard Suspension** offers a double wishbone front and independent multi-link rear suspension for a smooth level ride. **Dynamic Digital Suspension**¹ features electronically adjustable dampers and advanced hardware that deliver a custom ride. Your experience can be further refined with the **INFINITI Drive Mode Selector** for a response that can be personalized to your liking.

*INFINITI has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your local INFINITI Retailer. **Additional cost applies for this option. ***Q50 RED SPORT 400 AWD receives 19 X 9.0-inch front and rear wheels with all-season run-flat performance tires. Additional cost applies for this option.

CONFIDENCE BY DESIGN

Beyond the fads and trends, how you present yourself comes from innate character. How the Q50 presents itself also comes from inside. A bold asymmetrical console design can be accentuated with red contrast stitching on the dash and shifter¹ to convey attitude with every touch. The available 16-speaker Bose® Performance Series audio system with Bose® Centerpoint^{®2} not only delivers a surround sound experience, it produces an environment rich with creativity and emotion. This is a premium interior that exhibits style, craftsmanship and comfort. Together, it's all confidence.

▼ SYNC YOUR LIFE HERE INFINITI InTouch™ with smartphone connectivity extends your capabilities.^{2,3} Empower your drive with Apple CarPlay^{®2,3} integration for your compatible iPhone.[®] Or make

your Android Auto™ compatible phone your preferred driving companion.^{2,3} Navigation^{1,4} provides real-time Premium Traffic information, turn-by-turn directions and more.^{3,4} Finally, enhanced Wi-Fi capability^{2,3} transforms your Q50 into a high-speed hotspot.

Bose® Performance Series Audio with Bose® Centerpoint® surround technology

DE-STRESS FROM HIGHWAY DRIVING

With drive assist technologies, INFINITI can help ease the demands of the daily commute.² These innovations on the ProACTIVE Package¹ can automatically maintain your speed and distance to the car ahead, can brake when traffic slows, and accelerate when it clears.⁵ Active Lane Control^{1,6} helps keep you in your lane even on uneven roads. The drive is less stressful, yet you are always in control. To enhance confidence, Blind Spot Intervention^{®1,7} uses radar sensors to help detect cars in your blind spot area and can intervene to help avoid a collision.

TECH THAT HELPS LOOK OUT FOR YOU

As automotive technology becomes more advanced, we are striving to invent new ways to anticipate the dangers around you. Many are INFINITI world's first technologies like Predictive Forward Collision Warning,⁸ now standard, which can alert you to a potential collision two cars ahead. Backup Collision Intervention, available on the ProASSIST Package,¹ can help you brake if rear cross traffic is detected.⁹ While Around View® Monitor with Moving Object Detection, also on the ProASSIST Package,¹ can help guide you into a parking spot with a virtual composite 360° view from above.^{10,11}

▼ **EXTERIOR** Style without pretense. Quality carbon fiber mirror covers complement your vehicle's performance look and offer the highest protection against UV damage. Select a custom-designed Carbon Fiber Rear Deck Lid Spoiler and you're adding a distinctive design element that also gives the rear a streamlined appearance. Every accessory amplifies the true nature of your car.

3 CARBON FIBER MIRROR COVERS
4 REAR DECK LID SPOILER (CARBON FIBER)

1 INFINITI RADIANT EXTERIOR WELCOME LIGHTING 2 INFINITI RADIANT ILLUMINATED KICK PLATES

▲ **LIGHTING** Illuminate elegance with signature lighting accessories. The effect lends an upscale ambiance and offers a modern appeal that is unmistakable. From the puddle lights on INFINITI Welcome Lighting shining down on the ground to the soft glow of the INFINITI logo along the front door sills, brilliance is all around. Up front, the dramatic and eye-catching INFINITI Radiant Grille Emblem makes your Q50 stand out.

GENUINE INFINITI ACCESSORIES FOR EXHILARATION INSIDE AND OUT

The Q50 may be renown for jaw-dropping performance but when a striking interior can also instill a sense of excitement, your imagination is captured. Genuine INFINITI Accessories amplify the possibilities in new ways.²³ Each accessory is made with exacting standards, the same ones we utilize when building your INFINITI Q50. This approach ensures each item is designed and manufactured to integrate seamlessly with your vehicle and provide a custom fit and finish. For more information and to shop online for Genuine INFINITI Accessories, go to parts.infinitiusa.com.

ACCESSORIES SHOWN: INFINITI RADIANT GRILLE EMBLEM, BLACK MESH GRILLE, AND INFINITI RADIANT EXTERIOR WELCOME LIGHTING.

▼ **INTERIOR** Take life with you. Create an inviting atmosphere with lit footwells and cupholders. Relax with the knowledge that your choice of floor mats is protecting your cabin.

1 INFINITI RADIANT INTERIOR AMBIENT LIGHTING AND CARPETED FLOOR MATS
2 CARGO NET AND SHOPPING BAG HOOK²⁴

▲ **CARGO** Hold virtually anything, including memories. Whatever your passion, a Cargo Net and Hook will keep them organized so you have more time to express yourself. A durable Trunk Protector guards against wear and tear, helping ensure your memories remain intact.²⁴

ADDITIONAL ACCESSORIES TO CONSIDER:
Rear Deck Lid Spoiler (Color-keyed)
19-inch Split 5-spoke Bright Wheels
Softside Trunk Organizer
17-inch Split 5-spoke Bright Wheels
Moonroof Wind Deflector
Splash Guards

A JOURNEY DRIVEN BY INNOVATION

INFINITI started with a radical philosophy: Build machines that put humans first. For 30 years we've made this vision a reality by combining daring design with world's first technologies that redefine the drive. As we move towards an electrified future, we celebrate our history of world's first innovations and launch a memorable 30th anniversary edition of our vehicles.

1990 FULL-ACTIVE SUSPENSION

Our first car already featured a world's first technology. The Q45 offered a more controlled ride by counteracting body motion in bumps, curves, acceleration and braking.

2001 REARVIEW MONITOR

When in reverse, an in-dash monitor displays a live picture of what's directly behind the vehicle. This feature set a new benchmark in the industry and is now standard on all new INFINITI vehicles sold in the U.S.¹⁴

2004 LANE DEPARTURE WARNING

Warns you if you begin to stray from your lane, helping address NHTSA findings that showed a significant number of all traffic fatalities were due to lane departure.¹⁹

2007 AROUND VIEW® MONITOR

Provides a 360° virtual composite view of what surrounds the vehicle and displays it in the dash.^{10,11}

2010 HYDRAULIC BODY MOTION CONTROL

Monitors force and distributes variable pressure to either the outer or inner suspension, which minimizes body lean and provides a smoother ride at all speeds.

2012 BACKUP COLLISION INTERVENTION

Can detect cross-traffic and stationary objects behind the car and, if necessary, engages the brakes to help avoid a collision.⁹

2013 DIRECT ADAPTIVE STEERING®

Transmits steering inputs electronically instead of mechanically, providing a quicker and more precise response.

2013 ACTIVE LANE CONTROL

Can make steering corrections to help you stay straight in your lane in crosswinds and on uneven roads.⁶

2013 PREDICTIVE FORWARD COLLISION WARNING

Can warn of risks that lie beyond the driver's field of view by monitoring up to two vehicles directly ahead.⁸

2018 VC-TURBO™ ENGINE

Provides power when you need it, efficiency when you don't. Moves seamlessly between compression ratios, transforming from 8:1 for high performance to 14:1 for high efficiency.²⁵

2019 EDITION 30

To celebrate our 30th anniversary, the EDITION 30 equips your Q50 with many world's first innovations. In addition to revolutionary technologies such as Blind Spot Warning,¹⁷ each EDITION 30 vehicle will feature exclusive style enhancements, including dark finish wheels, dark chrome exterior accents, graphite headliner, and distinct badging.²²

⁸World's first features available on Q50 include RearView Monitor,¹⁴ Lane Departure Warning,¹⁹ Backup Collision Intervention,⁹ Direct Adaptive Steering,⁶ Around View Monitor with Moving Object Detection,¹⁰ Predictive Forward Collision Warning,⁸ and Active Lane Control.⁶

¹Available on select models. ²Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within INFINITI or its partners' or agents' control and may be discontinued at any time. For more information, see retailer, Owner's Manual, or www.InfinitiUSA.com/intouch/important-information. ³If equipped, your vehicle may include INFINITI InTouch connected features and services such as Emergency Call and Automatic Collision Notification for one year, Wi-Fi, Navigation, Bluetooth and other connected features that can be viewed by model on the INFINITI InTouch website here: https://www.infinitiusa.com/intouch/system-details For complete information about your INFINITI InTouch features and services, please consult your vehicle's INFINITI InTouch Owner's Manual at https://owners.infinitiusa.com/owners/navigation/manualsAndGuides. For more information, please visit https://www.infinitiusa.com/intouch/important-information. Compatible connected device may be required. Subject to GPS and wireless network availability and connection, and system/technology limitations. INFINITI InTouch with Wi-Fi terms and conditions of subscriber agreement apply. ⁴Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ⁵Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. ⁶Active Lane Control cannot prevent accidents or loss of control. It is the driver's responsibility to be in control of the vehicle at all times. ALC may not detect the lane markers in certain road, weather or driving conditions. ⁷Blind Spot Intervention[®] cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ⁸Predictive Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ⁹Backup Collision Intervention may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ¹⁰Around View[®] Monitor with Moving Object Detection cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ¹¹Virtual composite 360° view. ¹²Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. ¹³Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPhone is a registered trademark of Apple Inc. All rights reserved. iPhone[®] not included. ¹⁴RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ¹⁵Forward Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹⁶State laws may apply; review local laws before using. ¹⁷Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ¹⁸Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ¹⁹Lane Departure Warning and Lane Departure Prevention Systems only operate when lane markings are detectable. See Owner's Manual for safety information. ²⁰Distance Control Assist uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ²¹Monitor traffic conditions and use conventional brake as needed to prevent collisions. See Owner's Manual for safety information. ²²EDITION 30 Package available late 2019. ²³INFINITI Genuine Accessories are covered by INFINITI's Limited Warranty for the longer of either 12 months/12,000 miles (whichever is earlier), or the remaining period under the 4-year/60,000-mile INFINITI New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. ²⁴Cargo and load capacity limited by weight and distribution. Always secure all cargo. ²⁵VC-Turbo[™] launched by INFINITI in model year 2019. ²⁶2020 Q50 3.0t PURE/LUXE/SPORT (RWD) EPA Fuel Economy Estimates 20 mpg City, 29 mpg Highway. Actual mileage may vary with driving conditions – use for comparison only. ²⁷2020 Q50 RED SPORT 400 (RWD) EPA Fuel Economy Estimates 20 mpg City, 26 mpg Highway.
