QX80

INFINITI
EMPOWER THE DRIVE®

FINALLY, LIFE AND LUXURY ARE ON THE SAME PAGE

Only something grand and powerful could bring life and luxury together. Something like the 2020 INFINITI QX80, where true capability and craftsmanship form a vibrant collaboration. This is like nothing you've ever driven, and you can feel it in the 5.6-liter V8 engine that yields confident response and the power to tow most anything you imagine.¹ In traffic, you'll enjoy INFINITI drive assist technologies² that help expand your awareness and abilities to navigate the unexpected around you,² while inside you can indulge yourself and up to 7 guests in exquisite refinement or accommodate vast amounts of cargo.³ When a full-size SUV is as inclusive as it is capable, you're at your best. Because it's not about luxury, but what you do with it that counts.

LUXURY SHOULD BE LIVED IN

▲ ROLL WITH DISTINCTION **1** 20 X 8.0-inch Aluminum-Alloy Wheels **2** 22 X 8.0-inch Forged Aluminum-Alloy Wheels** **3** 22 X 8.0-inch Dark, Machine-Finished, Forged Aluminum-Alloy Wheels**

▲ PRESENCE THAT DEMANDS ATTENTION
To see the QX80 glide past is a captivating experience. What stops you is its perfect union of strength and sophistication, resonating from its aggressive front fascia and refined yet muscular lines. Subtle touches bring further balance, as in the unique LED headlights. Add even more distinction with 22-inch forged aluminum-alloy wheels, or make your INFINITI its most exclusive by opting for the stylish LIMITED. Either way, the QX80 projects a commanding presence.

▲ PERFORMANCE FOR THE PUSH AND PULL
Great presence should be matched with greater possibilities, for where you go and what you tow. Perform to your level with an impressive 5.6-liter V8 that generates 400-hp and 413 lb-ft of torque⁴ – plenty of push for highway sprinting or passing. The QX80 further flexes its power when you're towing, up to 8,500 pounds.¹ But confidence is strengthened in knowing that we considered not just how much you can tow, but how well. As you're pulling, rear automatic self-leveling suspension adjusts to help maintain an ideal ride height, and Trailer Sway Control helps minimize side-to-side movement. Towing or not, you get a smooth ride with Hydraulic Body Motion Control⁵ that counteracts body lean and absorbs road bumps for a controlled cornering feel. All together, this is potential refined to take you and your imagination as far as you desire.

EXCLUSIVITY FOR EVERYBODY

Your achievements are bigger than yourself, because success depends on shared efforts. The QX80 is designed for everyone to reap the rewards, from the driver's seat all the way to the third-row. The moment you and your guests relax into the cabin, luxuriously soft leather-appointed seating indulges the senses, as abundant leg room in every row invites people to open up. On the Sensory Package, refinement becomes even more inclusive with ventilated seats that warm and cool for both driver and front passenger, heated captain's chairs for the second-row, and accents of Charcoal Burl with a gradient finish.⁵ It's the experience you, and your friends and family, have earned.

▼ A CLEAR VIEW, EVEN WITH COMPANY A lively second-row and third-row no longer means you can't see behind you, even if it's late at night. Select the ProASSIST Package, and the

Smart Rearview Mirror transforms into an LCD screen with a flip of the toggle, displaying the enhanced view from a wide-angle high-resolution camera. So your vision is never obscured by passengers, cargo, or darkness.⁶

SPONTANEOUS INVITES, FLEXIBLE SPACE

Possibilities have a way of presenting themselves unannounced. In the QX80, you'll be ready at any moment. With seating for 7, or 8 if you opt for the Split Bench Seat Package, you can invite friends for dinner on a whim. The redesigned center console armrest can be opened from the front or rear, giving first and second-row passengers easy access for storing items. This is versatility and convenience that supports you, for outings that are planned or not-so-planned. With up to 95.1 cu. ft. of cargo space, you can bring anything you might need, and have room for whatever you might find.³

CONNECT TO LIFE AND LEISURE

Whether it's staying connected, reaching the next destination, or offering your passengers entertainment of their own, the QX80 makes it all possible. The INFINITI InTouch™ system allows you to use your compatible iPhone® with Apple CarPlay.^{®7,8} Or make your Android Auto™ compatible phone your preferred driving companion.^{7,8} Navigation informs with real-time traffic and turn-by-turn directions⁵ while enhanced Wi-Fi transforms your vehicle into a high-speed hotspot.^{7,8,9} But guests can enjoy more than connection, as the Theater Package lets them play movies or games with dual 8-inch color monitors in the second-row.⁵
