Q50

INFINITI
EMPOWER THE DRIVE

MOMENTUM FOR THE INSPIRED. LUXURY FOR REAL LIFE.

Created for those whose lives are always accelerating, the Q50 is a hi-tech sport sedan that helps you pursue the path that challenges, and thrills. When that path demands greater performance and agility, you'll charge ahead with a choice of a 300-hp or 400-hp¹ twin-turbocharged V6 engine and handling systems you can dial in to your preference. When the road brings the unexpected, you'll travel with the confidence of INFINITI drive assist technologies² that can expand your awareness and help respond if danger is detected around you. When your personal journey extends your time behind the wheel, you'll be optimally positioned in an interior that automatically recalls the driver's preferred settings, while premium materials take personal refinement even further. This is luxury for a life lived in Drive.

LUXURY SHOULD BE LIVED IN

▲ **THE UNINHIBITED ENERGY OF CREATIVITY** Passion flows throughout the Q50, seizing your emotions with every dynamic body line. From the Q50 SENSORY model to the top of the line, creativity is expressed in an angular and sportier front fascia complemented by an aero-inspired rear lower diffuser. Gloss black accents and exclusive red calipers expand the palette on RED SPORT 400. Or for unique distinction, opt for the SIGNATURE EDITION and its stylish strokes of dark chrome.³

▲ **SEVEN WAYS TO GET THRILLING PERFORMANCE** Feel exhilarated from the start. Pick the twin-turbocharged engine that suits you best: a 3.0-liter V6 with **300-hp** or a **400-hp**¹ version with higher turbine speeds and enhanced cooling for maximum power. To carve a turn your way, the Q50 gives you two ways to steer: **Rack Electronic Power Steering** offers a traditional feel with Sport Mode to sharpen response, while **Direct Adaptive Steering**,[®] available on the ProACTIVE Package,¹ digitally processes your inputs so steering feels faster and smoother. The choice of suspension is equally empowering. **Standard Suspension** offers a double wishbone front and independent multi-link rear suspension for a smooth, confident ride. Or opt for **Dynamic Digital Suspension**¹ that features electronically adjustable dampers and advanced hardware to deliver a custom handling experience. Your experience can be further refined with the **INFINITI Drive Mode Selector** for response that can be personalized to your liking.

SHAPED BY INDIVIDUALITY

No two drivers are alike. A Q50 gets to know – and remember – each driver in detail. Opt for the memory system, and each driver's Intelligent Key automatically personalizes your cockpit as you enter. Beyond the seat, steering wheel and side mirrors taking your positions, even your temperature and audio preferences for over 200 stored settings are recalled before you ever sit down. To match personalization with performance, the RED SPORT 400 brings genuine Matte Black Carbon Fiber and red contrast stitching that accentuates the cabin with attitude.

▼ **SYNC YOUR LIFE HERE**

INFINITI InTouch™ with Apple CarPlay® integration lets you bring the iPhone® experience along for the ride.² Or make your Android Auto™ compatible phone

your preferred driving companion. Either way, your focus is priority with dual screens that display navigation up top near your line of sight, and features like climate controls down below.⁴ Connection even extends to your passengers with an enhanced Wi-Fi Hotspot, now a standard feature.²

DE-STRESS FROM HIGHWAY DRIVING

With drive assist technologies, INFINITI can help ease the demands of the daily commute.² Available Intelligent Cruise Control can automatically maintain your speed and distance to the car ahead, can brake when traffic slows, and accelerate when it clears.⁵ Active Lane Control on the ProACTIVE Package helps keep you centered in your lane even on uneven roads for less stress.⁶ Beyond responding to the road in front of you, also included is Blind Spot Intervention® that uses sensors to help detect cars in your blind spot area and can intervene to help avoid a collision.⁷

TECH THAT HELPS LOOK OUT FOR YOU

No matter which trim level you choose, your Q50 will include INFINITI world's first technology that continues to lead the way today. Such as Predictive Forward Collision Warning that can alert you to a potential collision two cars ahead⁸ – a feature that comes standard. Just one level up, on the LUXE model, the suite of visionary tech expands for added confidence, including Backup Collision Intervention that can help you brake if rear cross traffic is detected.⁹ Or Around View® Monitor with Moving Object Detection, which can assist you in parking and tight maneuvering with a virtual composite 360° view from above.^{10,11}

Beyond stature, aluminum-alloy wheels with five tri-split spokes roll with audacious style. Sportiness continues within, as a black headliner and pillars have the effect of a tighter cabin, including touches of modern Black Open Pore Wood trim.

REFINED WITH AN EDGE

THE SHARPENED Q50 SENSORY

You relax into a cabin elevated by a premium atmosphere that supports you, and surrounds you. Leather-appointed sport seats in definitive Graphite or soothing Stone. The aesthetic glow of enhanced ambient lighting dramatizing interior shapes. But Q50 SENSORY is more than invitation and refinement. An attitude pulses, as we've honed the lines and contours to sharpen the performance mindset – like leaning into the edge of who you are and what you can accomplish. The front fascia stares more aggressively with an angular bumper and wide, low air intakes. Larger 19" wheels create a stance that asserts itself on the road. A balance between sensation and strength has been achieved.

GPS mapping may not be detailed in all areas or reflect current road status. ⁵ Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. ⁶ Active Lane Control cannot prevent accidents or loss of control. It is the driver's responsibility to be in control of the vehicle at all times. ALC may not detect the lane markers in certain road, weather or driving conditions. ⁷ Blind Spot Warning and Blind Spot Intervention® Systems cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ⁸ Predictive Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ⁹ Backup Collision Intervention may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ¹⁰ Around View® Monitor with Moving Object Detection cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ¹¹ Virtual composite 360° view. ¹² Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. ¹³ Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁴ RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ¹⁵ Forward Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹⁶ Distance Control Assist uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹⁷ Lane Departure Warning and Lane Departure Prevention Systems only operate when lane markings are detectable. See Owner's Manual for safety information. ¹⁸ Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ¹⁹ State laws may apply; review local laws before using. ²⁰ The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors. ²¹ Monitor traffic conditions and use conventional brake as needed to prevent collisions. See Owner's Manual for safety information. ²² Accessories shown on Q50 are not genuine INFINITI accessories. Not warranted by INFINITI. Refer to product manufacturer for warranty details.
