Q60

INFINITI

ENGINEERED TO LET INSTINCT TAKE THE LEAD

For those who are inspired by fearless forward progress, the Q60 is an advanced performance coupe that heightens your senses emotionally, and aesthetically. When the journey requires exhilarating power, you'll accelerate your way with a choice of a 300-hp or 400-hp twin-turbocharged V6 engine¹ that can charge forward and pass with confidence. When the twists and turns of the path ahead demand that you adapt, an INFINITI world's first Direct Adaptive Steering[®] system¹ makes cornering feel smooth and instinctual, while Dynamic Digital Suspension¹ can adjust to the road and the driver in real time to yield the best response for the moment. When standing out is non-negotiable, you'll exhibit daring curves and inspiring lines on city streets and beyond. This is luxury for a life lived in Drive.

LUXURY SHOULD BE LIVED IN

▲ ROLL WITH DISTINCTION **1** 19 X 9.0-inch Aluminum-Alloy Wheels **2** 20 X 9.0-inch Front, 20 X 9.5-inch Rear Staggered Aluminum-Alloy Wheels***

▲ EVERY CURVE CAPTURES AN EMOTION

The sight of a Q60 stirs something deep inside. You sense it when gazing upon its dramatic creases and distinctive shapes. You anticipate it when looking over its athletic stance. With a sleek body that stands low and wide, the Q60 conveys exciting performance. With the Q60 RED SPORT 400, select elements dial up its sporting presence. Wide, summer performance tires on 20-inch alloy wheels provide impressive levels of grip, while red brake calipers add some eye-catching flair.² Sports exhaust tips exit from the lower rear bumper and sing an engaging tune as the engine powers through its rev range.

▲ 300 HP OR 400 HP. EXHILARATION FROM THE START

Press the Push Button Start and feel the power of a 3.0-liter twin-turbocharged V6 come to life. Featuring turbochargers designed to respond quickly to driver throttle input and a speed sensor¹ to help increase boost pressure, the engine in the RED SPORT 400 raises output from 300 hp to 400 hp.¹ The water-cooled air travels a short path to the engine so it stays more dense for more power – and an infinite rush.¹ The 7-speed automatic transmission can match engine RPMs to gear speeds for smooth downshifts.

*INFINITI has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your local INFINITI Retailer. **Additional cost applies for this option. ***Q60 RED SPORT 400 AWD receives 20 x 9.0-inch front and rear wheels with all-season performance tires. Additional cost applies for this option.

FORM FIT TO PERFORM

Performance drivers know the feeling of a good pair of driving gloves – personal, fitted and above all, comfortable. This kind of tailored design and craftsmanship was the vision behind the cockpit. High-back bolstered seats offer greater thigh, lumbar and lateral support to enhance your in-control feel. Contrast stitching¹ found on the leather-wrapped steering wheel and shifter complement the contact points of your hand, while available semi-aniline leather appointments¹ provide durable and soft seating surfaces. Dual screen displays are ergonomically positioned to relay information and make for easy driver input. This is an exclusive space for drivers, capturing the spirit of a premium sport coupe.

▼ IN SYNC WITH YOUR LIFE INFINITI InTouch™ with wireless Apple CarPlay® lets you bring the iPhone® experience along for the ride without plugging in. Or make your Android Auto™ compatible phone your

preferred driving companion.³ Navigation provides real-time Traffic information, turn-by-turn directions and more.^{3,4} Finally, enhanced Wi-Fi capability transforms your Q60 into a high-speed hotspot.³

EVOLVE YOUR DRIVE INFINITI drive assist technologies were engineered to help increase peace of mind. Available systems such as Blind Spot Warning and Lane Departure Warning can alert you to potential hazards.^{5,6} Driving aids, such as Intelligent Cruise Control (Full-Speed Range) can automatically adjust your speed to the flow of traffic.^{1,7} In the ProACTIVE Package, Lane Departure Prevention, Blind Spot Intervention® and Active Lane Control, utilize automated steering input to help you stay in your lane.^{1,5,6,8} Innovations like these help make the driving experience as enlightening as it is engaging.

HANDLING IS PERSONAL With two steering and two suspension systems, the path to agility is yours to customize. Select either Electronic Power Steering with Sport mode for a lively response. Or go digital with Direct Adaptive Steering,® on the ProACTIVE Package, and feel how easy it is to carve a perfect turn.¹ The choice of suspension is equally empowering. Independent front and rear suspension gives you a smooth level ride while Dynamic Digital Suspension, on Q60 RED SPORT 400,¹ recalibrates the balance between comfort and performance electronically as adjustable dampers react in real time to changing road demands and driver input.

Bose® Performance Series Audio with Bose® CenterPoint™ surround technology

¹Available on select models. ²Q60 RED SPORT 400 AWD receives 20 x 9.0-inch front and rear wheels with all-season performance tires. ³Available feature shown. Use feature only when safe and legal. Compatible device and service required. Subject to third party service availability. For more information see www.infinitiusa.com/intouch/legal. ⁴Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ⁵Blind Spot Warning and Blind Spot Intervention® cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ⁶Lane Departure Prevention and Lane Departure Warning only operate when lane markings are detectable. See Owner's Manual for safety information. ⁷Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁸Active Lane Control cannot prevent collisions or loss of control. Driver should remain in control of vehicle at all times. See Owner's Manual for safety information. ⁹Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. ¹⁰Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹¹Rear View Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ¹²Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹³Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving technique. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ¹⁴Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ¹⁵Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ¹⁶Distance Control Assist uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹⁷Remote Engine Start System to be used only in accordance with any laws or rules in effect in your vehicle's location. ¹⁸Forward Emergency Braking with pedestrian detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹⁹Predictive Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ²⁰Around View® Monitor with Moving Object Detection cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ²¹Backup Collision Intervention may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ²²The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system can sense exterior odors, can suppress unpleasant interior odors, can stop the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors. ²³Monitor traffic conditions and use conventional brake as needed to prevent collisions. See Owner's Manual for safety information. ²⁴Genuine INFINITI Accessories are covered by INFINITI's limited warranty on Genuine INFINITI Replacement Parts, and Genuine INFINITI Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 48 months/60,000-mile (whichever occurs first) new vehicle limited warranty. Terms and conditions apply. See retailer, warranty information booklet, or parts.infinitiusa.com for details. ²⁵Cargo and load capacity limited by weight and distribution. Always secure all cargo. ²⁶2022 Q60 RWD EPA Fuel Economy Estimates 19 mpg City, 28 mpg Highway. Actual mileage may vary with driving conditions. Use for comparison only. ²⁷2022 Q60 RED SPORT 400 RWD EPA Fuel Economy Estimates 20 mpg City, 27 mpg Highway. Actual mileage may vary with driving conditions. Use for comparison only. ²⁸2022 Q60 AWD EPA Fuel Economy Estimates 19 mpg City, 27 mpg Highway. Actual mileage may vary with driving conditions. Use for comparison only. ²⁹2022 Q60 RED SPORT 400 AWD EPA Fuel Economy Estimates 19 mpg City, 26 mpg Highway. Actual mileage may vary with driving conditions. Use for comparison only. SYSTEM PREFERENCES

PERFORMANCE ON YOUR TERMS

Equipped with advanced suspension, steering and drive mode systems, the Q60 RED SPORT 400 allows drivers to fine-tune the performance to their liking. The drive mode selector allows drivers to choose from a menu of settings that include: Standard, Sport, Sport+, Personal, Eco and Snow. Sport and Sport+ modes offer higher engine output and dial up the suspension, steering and transmission settings for performance driving. The Personal mode allows the driver to create a custom setting profile. The Eco mode helps reduce fuel consumption through the modulation of accelerator pedal pressure, while the Snow mode helps reduce traction loss in inclement weather.¹

^ EQUIPPED TO ENTHRALL
The three-spoke steering wheel in the Q60 RED SPORT 400 features shift paddles for manual gear selection. The available Direct Adaptive Steering® system can adjust steering response to suit driving conditions. Large 14.0-inch front and 13.8-inch rear brake discs help improve braking performance.¹
