

THE 2011 XK COLLECTION

JAGUAR

Jaguar Platinum Coverage on all 2011 Jaguar Cars.

Jaguar has a long-standing tradition of creating beautiful, fast cars – and now we’ve created an ownership experience to match. The passion we put into building our award-winning line-up of vehicles continues long after you drive away in one with a best-in-class ownership program called Jaguar Platinum Coverage. For 5 years/50,000 miles on all 2011 Jaguar cars, Jaguar Platinum Coverage includes complimentary scheduled maintenance, no-cost replacement of wear and tear items, 5/50 new vehicle limited warranty and 24/7 roadside assistance. The only thing that surpasses the beauty of driving a 2011 Jaguar car is the beauty of owning one.

BEST-IN-CLASS COVERAGE

5 YEARS/50,000 MILES ON ALL 2011 JAGUAR CARS
AT NO ADDITIONAL COST

JAGUAR PLATINUM COVERAGE* INCLUDES:

- >> COMPLIMENTARY SCHEDULED MAINTENANCE
- >> NO-COST REPLACEMENT OF WEAR AND TEAR ITEMS
- >> 5/50 NEW VEHICLE LIMITED WARRANTY
- >> 24/7 ROADSIDE ASSISTANCE

SCHEDULED MAINTENANCE: \$0 | OIL CHANGES: \$0 | FILTERS: \$0
BRAKE PADS: \$0 | BRAKE DISCS: \$0 | BRAKE FLUID: \$0 | WIPER BLADE INSERTS: \$0

*Jaguar Platinum Coverage includes all factory recommended scheduled maintenance for five years or 50,000 miles, whichever occurs first. Wear and tear items are limited to brake pads, brake discs, brake fluid changes and wiper blade inserts based on factory specified wear limits or intervals. All work must be performed by an authorized Jaguar dealer. For complete details on Jaguar Platinum Coverage, including warranty and maintenance coverage and exclusions, please visit your local Jaguar dealer or JAGUARUSA.COM

Vehicle shown: 2011 XK Coupe in Liquid Silver with optional 20" Kalimos alloy wheels

DESIGN

A rare blend of art and performance, science and beauty. A new Jaguar is one of the most technologically advanced and luxurious cars ever made.

Even standing still, the XK looks fast. Whether you choose Coupe or Convertible with either the 5.0L naturally aspirated V8 or exhilarating 510 hp supercharged engine, the XK's athletic lines and muscular rear haunches exude immense visual energy. Fast has never looked this seductive.

Visual energy is created by an aluminum skin stretched taut over the light, yet strong and immensely rigid body structure that gives the XK its remarkable agility. It is the energy that comes from the XK's purity of design, with sculpted surfaces created to cut the air with aerodynamic efficiency, delivering the visual promise of breathtaking performance and driving excitement. It is the purity that comes from the XK's exquisite, precision detailing. Complex mesh surfacing for the front grille openings. Bold, technically-advanced headlights. Elegant and distinctive side power vents.

The assertive lines reflect the heightened performance delivered by powerful and efficient engines. The sculpted nose features a dramatic front bumper design with chrome detailed air intakes, heightening the look of power and performance. This is the beauty of a car that so effortlessly fulfills the dual roles of sophisticated, luxurious Grand Tourer and exhilarating, dynamic sports car.

Vehicle shown: 2011 XK Convertible in Liquid Silver

CRAFTSMANSHIP

With an interior rich in craftsmanship, style and technical innovation, the 2011 XK takes the sports car experience to a thrilling new level.

Craftsmanship takes a modern turn in the XK. You see it in the elegant center console featuring the precision-made JaguarDrive Selector™ with its rotary shifter. Press the pulsing Start button on the console, and this cylindrical cast alloy shift control rises up into the palm of your hand. To select a gear, simply twist.

It replaces the traditional gear lever with a sleek, space-efficient, ergonomic design that is compact, elegant and beautifully crafted. A bold example of advanced Jaguar design. Craftsmanship in the XK also comes in the form of gorgeous wood and technical finishes. Like the modern, straight-grained Figured Ebony veneer or Knurled Aluminum finish for the XK, or the stunning Dark Oak veneer or Dark Mesh Aluminum finish for the XKR.

Craftsmanship with bespoke luxury reaches a pinnacle with the twin-stitched Softgrain leather for the seats, upper fascia and doors, along with warm Jaguar Suedecloth Premium headlining and premium carpet mats. In convertible models there is flawless craftsmanship in the sophisticated fabric roof; triple-lined to deliver hushed, top-up cruising, it can be powered up or down in less than 18 seconds. And when lowered, it retracts completely into the bodywork beneath a rigid tonneau cover so as not to compromise the XK's seductive lines.

We describe this combination of exquisite craftsmanship, luxurious finishes and technical excellence one way: Jaguar sporting luxury.

Interior shown: Caramel Softgrain leather seats with optional Burl Walnut veneer

PERFORMANCE

Beneath its aluminum skin,
the XK's racing heart
beats fast and strong,
courtesy of two advanced
and efficient 5.0L
AJ-V8 GEN III engines.

It is a combination of aerospace-derived lightness, greater power and engineering excellence that delivers even more exhilarating performance and efficiency. While the technology is complex, the reason we pioneered aerospace all-aluminum construction is simple: less weight, coupled with high strength and rigidity, is the key to making a truly great sports car. In fact the XK's all-aluminum monocoque bodyshell is fundamental to the way it performs. When compared with a conventional steel body, it delivers faster acceleration, more precise handling, shorter stopping distances and greater fuel efficiency.

Two 5.0 Liter direct injection V8 engines offer huge amounts of power and torque to deliver performance that is truly thrilling. Jaguar's naturally aspirated 5.0L V8 powers the XK model. It produces 385 hp – and delivers acceleration from 0-60 mph in just 5.2 seconds.* The high performance XKR is powered by the supercharged 5.0L V8. This remarkable engine delivers a muscular 510 hp and can take the XKR from 0-60 mph in a breathtaking 4.6 seconds.

The responsiveness of our new engines is matched only by the smooth refinement and eager performance of the automatic transmission. This lightning-fast 6-speed represents the latest in transmission technology, incorporating innovative features such as a fully adaptive shift system to smooth out and refine the shift quality, enhancing the driving experience. For maximum driver involvement and total control, gears can be selected manually using paddle shifters mounted behind the steering wheel. It is a driving experience designed to be exceptional.

Always follow local speed limits. This speed is only to be attempted by professional drivers on a closed course.

*Figure applicable to XK Coupe. Convertible 0-60 mph achieved in 5.3 seconds.

IMPORTANT NOTICE

Jaguar Cars is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. While every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Cars and have absolutely no authority to bind Jaguar Cars by any express or implied undertaking or representation. Illustrations in this brochure may include optional extras.

Comparisons are based on manufacturer's own data and testing.

ENVIRONMENTAL NOTICE

Jaguar Cars has a vision of being amongst the world's leading companies in demonstrating progress towards sustainability. We aim to do this by contributing to a better quality of life, with corporate citizenship at the very heart of our company, and by reducing our environmental footprint through innovative design and manufacturing, minimizing resource and energy use. Environmental responsibility is a core value in Jaguar, and it is our policy to continually improve our environmental standards in all areas of business activity.
