

XK

Power, style and uncompromised luxury, the XK makes every journey unforgettable. The contemporary fusion of dramatic sweeping curves with low-riding profile epitomizes Jaguar's reputation for stunning and seductive design.

The XK delivers breathtaking performance and unparalleled comfort plus the versatility of a 2+2 seating configuration. Its advanced technology provides for exhilarating handling and its hand-crafted interior delivers absolute comfort however far you travel.

VEHICLE SHOWN: XK COUPE IN RHODIUM SILVER WITH OPTIONAL 20 INCH KALIMNOS ALLOY WHEELS

SEDUCTIVE DESIGN

The XK model line has been designed and engineered in two body styles, Coupe and Convertible. Both are built in aluminum which combines lightness with strength and rigidity. Every surface is sculpted to create a visual energy, with the outer aluminum skin stretched taut over the body structure. From its purposeful front bumper design and chrome outlined air intakes, to its distinctive side power vents and muscular rear haunches, it promises both luxury and immense power.

To present a unique XK visual appearance, LED signature running lights frame the advanced bi-function HID xenon headlamps, while at the rear there are distinctive all-LED tail lamps. Under the hood, the XK is driven by a choice of three formidable 5.0 liter engines: Jaguar's highly acclaimed 5.0 liter V8 producing 385 HP; a 5.0 liter V8 Supercharged delivering 510 HP in XKR models; and, exclusive to the XKR-S, a 5.0 liter V8 Supercharged producing an astounding 550 HP.

XK TOURING AND XK

Jaguar's 5.0 liter V8 385 HP engine produces exhilarating acceleration with effortless power. Advanced engineering technologies ensure instant response, **delivering 0-60mph in 5.2 seconds.**²

The **XK Touring** combines performance with luxury and relevant technology, intuitively expressed to connect the driver to the car, and the car to the road: it is technology that empowers, but never overpowers the driving experience. As standard, it offers a 6-speed automatic transmission with Jaguar Sequential Shift™, JaguarDrive Selector™, Dynamic Stability Control (with TracDSC mode) and Jaguar's Performance Braking System. The interior features include Bond grain heated leather Sports seats, and a 7 inch color Touch-screen that controls the navigation system, Bluetooth™ and iPod™ connectivity as well as displaying the visual guides for the front and rear parking sensors and backup camera.¹ The Jaguar Smart Key System™ with keyless entry and keyless start ensures effortless access to the thrill of driving the XK.³

The **XK** model takes sporting luxury to another level with a soft grain leather interior with twin needle contrast stitch, heated and cooled front seats with a heated leather steering wheel, plus a Suedecloth premium headlining. The additional specification also includes the powerful Bowers & Wilkins® 525W surround sound audio system.

VEHICLES SHOWN: XK COUPE IN RHODIUM SILVER

XKR

Re-engineered and re-calibrated, uprated and enhanced – the **XKR** builds upon the dynamic performance of the XK to make a great car even greater. At its heart is Jaguar's acclaimed 5.0 liter V8 engine fitted with a sixth-generation, twin vortex system supercharger. This all-aluminum quad-cam powerplant produces 510 HP providing heart racing performance with seamless power delivery and tremendous torque – up to 461 lb-ft.

With its higher performance capabilities the XKR features an **Active Differential** as standard. Its features are enhanced with the **Jaguar High Performance Braking System** and optional Adaptive Front Lighting with pivoting headlamps. Hood louvers provide extra cooling for the engine; aerodynamics are further improved with an optional front splitter and larger rear spoiler. XKR delivers the sublime luxury of a Grand Tourer with the muscle of a thoroughbred champion.

VEHICLE SHOWN: XKR COUPE IN ULTIMATE BLACK WITH OPTIONAL XKR DYNAMIC WITH BLACK PACK

VEHICLE SHOWN: XKR-S CONVERTIBLE IN POLARIS WHITE

XKR-S

The **XKR-S** takes the XK to superlative heights. **550 HP, 502 lb-ft, 0-60 mph in 4.2 seconds**, and a **limited top speed of 186 mph.**² The XKR-S also distinguishes itself with a unique front bumper, carbon fiber splitter, broad vertical side intakes and twin nacelles. Performance Active Exhaust with quad tailpipes gives the XKR-S its own powerful sound signature. Bespoke Adaptive Dynamics together with a 10mm reduction in ride height and changes to suspension components deliver pin sharp handling, maximizing grip and control.

The unique interior of the XKR-S includes all of Jaguar's legendary elegance and comfort, but with a distinctive edge. Beautiful contrast stitching and carbon leather detailing feature on the Performance seats and throughout the car while the headlining is a luxurious Poltrona Frau® Jet leather. The XKR-S is the ultimate expression of sporting luxury, combining dramatic performance with superb craftsmanship and materials.

VEHICLE SHOWN: XKR-S COUPE IN FRENCH RACING BLUE

THE POWER OF CHOICE

The XK is renowned for its performance, refined drive and effortless power and offers a choice of engines to suit the needs of every driver and driving style.

The 6-speed electronic automatic transmission with Jaguar Sequential Shift™ achieves almost imperceptible, superfast gear shifts and can be controlled manually with steering-wheel mounted paddles.

XKR DYNAMIC PACK

Dynamic Pack. The XKR Dynamic Pack takes the XKR experience to another level, further extending its dynamic capabilities. The pack includes:

- Increased top speed to 174 mph
- Body colored Aerodynamic Pack: side sill extensions, rear diffuser, lower front spoiler and larger rear spoiler
- Fully machined front knuckle with unique spring and damper settings
- Revised Adaptive Dynamics
- 10mm ride height reduction
- 20" Vulcan alloy wheels, forged and lightweight, in a polished finish
- Red brake calipers
- Available on both Coupe and Convertible, with select paint palette

XKR BLACK PACK

Black Pack. The Black Pack brings even greater visual assertiveness to the XK and XKR.

The pack includes:

- Body colored Aerodynamic Pack: lower front spoiler and larger rear spoiler
- Gloss black finish to upper and lower mesh grilles, side intakes, side power vents and trunk lid finisher
- Gloss black finish to window surrounds (Coupe only)
- 20" Kalimnos alloy wheels with gloss black finish
- Select paint palette

XKR COUPE IN POLARIS WHITE WITH OPTIONAL XKR BLACK PACK

INTELLIGENT CONTROL

The balanced performance of the XK comes from an array of intelligent adaptive technologies. The **Servotronic 2 steering system** delivers precise maneuverability at low speeds then reduces assistance at higher speeds. The six-speed ZF 6HP28 automatic transmission reads driving style and road environment to constantly adapt its gear shift pattern. It's designed to optimize fuel efficiency while anticipating and preparing to provide instant power.¹

Dynamic Stability Control intervenes in demanding driving situations by applying braking to individual wheels where necessary, reducing engine torque and helping to maintain stability in the most challenging driving conditions. **Adaptive Dynamics** continuously monitor the car's speed, steering and body movements, analyzing the suspension response and varying the damping to suit conditions. The system calculates the appropriate suspension response 500 times every second helping to keep the vehicle flat, stable and secure. This array of driving technologies is designed to assist but never overwhelm allowing confident, precise handling without any loss of ride comfort.¹

VEHICLE SHOWN: XKR COUPE IN ULTIMATE BLACK WITH OPTIONAL DYNAMIC WITH BLACK PACK

ACTIVE HANDLING

The XK driving experience is taken to the next level through engaging technologies that enhance handling, response and performance. **Jaguar Sequential Shift™** provides a choice of **Automatic or Sport mode**. Quickening the transmission's shifts, Sport mode exploits the full power of the XK engine. It monitors driving style and varies the shift schedule holding on to lower gears for longer. For total control, **manual gearshifting can be selected utilizing simple one touch paddles** mounted behind the steering wheel.¹

JaguarDrive Control™ offers further enhancements with Dynamic and Winter Modes. Engage **Dynamic Mode** and immediately the XK is more responsive. The engine torque delivery characteristics and suspension damping are modified to improve response speed and sensitivity. **Winter Mode** aids safe driving in slippery conditions. The accelerator pedal response is dampened to help reduce the risk of spin and maintain progressive wheel control. Its bespoke shift settings delay and soften gear shifts for improved grip.¹

VEHICLE SHOWN: XKR CONVERTIBLE IN POLARIS WHITE WITH OPTIONAL PERFORMANCE SEATS

SPECIAL SPACE

A high performance Grand Tourer, every aspect of the XK is **ergonomically designed** to enhance the driving experience. Whether crossing town or continent, the **2+2 configuration** of the XK provides rear seats, for occasional use or as a convenient storage area. For additional practicality, Convertible models have a **trunk capacity** of up to 11.1 cubic feet rising to 11.7 cubic feet on Coupe models. The XK never compromises on luxury – from the modern textures, flawless craftsmanship and signature phosphor blue mood lighting to the triple lined canvas top on Convertible models that provides excellent noise insulation and when stowed, minimizes encroachment on the trunkspace.

All seats are finished in supple twin-stitched leather. A wide selection of colors, materials and veneers offers the opportunity for personalization and individuality, while choices such as Poltrona Frau® leather headlining can provide the perfect finishing touch.

JAGUAR PRECISION ENGINEERING IN A SEAT

When car and driver connect, the XK comes alive. The seats are meticulously designed and engineered to be an intrinsic element of the car, seamlessly integrated into its construction. They not only hold and support through every turn, they can heat and cool, reshape and adjust. At the press of a button they instantly recall any individual shape and position preferred by different drivers. The second most complex component in the XK, after the engine, **the seat designs have been manually tested through 25,000 physical sittings** and subjected to weeks of humidity and temperature extremes to ensure they work perfectly. There is no better demonstration of Jaguar's craftsmanship and attention to detail.

Three styles are available, each with detailed finishing and a comprehensive range of color choices. 10-way adjustable **Sport** seats in bond grain leather feature heating and memory and are standard on the XK Touring trim level. 16-way adjustable **Luxury** seats, standard in the XK and XKR models, are upholstered in twin-stitched soft grain leather and feature both heating and cooling. Precision crafted **Performance** seats, standard in the XKR-S and available as an option on the XKR, offer heating, individually fine-tuned lumbar support and powerfully sculpted side bolsters for exceptional lateral support during hard cornering.

PERFORMANCE SEAT IN WARM CHARCOAL AND RED DUO-TONE WITH RED STITCH

XK EXPERIENCE

With the XK, the journey begins as you approach it. With keyless entry, the Jaguar Smart Key in your bag or pocket has already sensed your proximity and unlocked the driver's door. Settling in to the luxurious leather seats, the Start button glows red on the center console. Press, and the JaguarDrive Selector™ rises up into the palm of your hand. The dashboard illuminates as the cabin features are highlighted in a cool phosphor blue. The center console's 7 inch Touch-screen lights up. Simple and intuitive; it controls satellite navigation, climate control, Bluetooth® telephone system and in-car audio. Grip the soft leather of the steering wheel, engage the JaguarDrive Selector™ and prepare for the unforgettable XK driving experience.³

XK OWNERSHIP EXPERIENCE

Service, assurance, and peace of mind are all part of the pride of owning your new XK.

TOTAL CARE

Seamless support for your new Jaguar car, so you can relax and drive. A combination of vehicle warranty, paint and corrosion protection and Jaguar Assistance.

WARRANTY⁽¹⁾

Jaguar Cars offers a comprehensive, 4 year/50,000 miles New Vehicle Limited Warranty as well as a 6-year/unlimited mileage Corrosion Protection Limited Warranty.

JAGUAR ASSISTANCE⁽²⁾

Handled by Jaguar-trained specialists, this incident management program provides complimentary towing service, jump-starts, lockout assistance, gasoline delivery, tire changes and trip routing help, 24/7. Just call 1.800.4.JAGUAR.

JAGUAR FINANCIAL GROUP

Available both for individuals and businesses, Jaguar Financial Group offers leasing and financing packages that can meet most needs. Ask your local authorized Jaguar retailer for details.

JAGUAR RETAILER EXPERIENCE

Jaguar ownership begins with a first class retailer experience. It continues with the outstanding support from retailer service teams dedicated to maintaining your vehicle's condition and performance. You will find only the best factory-trained technicians at authorized Jaguar retailers.

JAGUAR VEHICLE ACCESSORIES[†]

Jaguar vehicle accessories enable you to personalize your car, to create a driving experience that is even more individually rewarding. All Jaguar accessories are tested rigorously for safety and durability in the most arduous of climates and conditions. With a comprehensive range of styling options and interior and exterior accessories, you can tailor your Jaguar vehicle to suit your personal style. What's more, every accessory is covered for 12 months unlimited mileage or the balance of the New Vehicle Limited Warranty, whichever is greater. Any genuine Jaguar Accessories (excluding gift items and luggage from Jaguar Collection) supplied and fitted by an authorized Jaguar retailer within one month or 1,000 miles (whichever occurs first) of a new vehicle being put into service will benefit from the same warranty terms and duration as the New Vehicle Limited Warranty. Accessories purchased outside of this period will be subject to 12 month unlimited mileage warranty.

JAGUAR MAGAZINE

Jaguar Magazine is the official magazine of Jaguar Cars. It features stories about the full Jaguar line-up and the worlds of luxury, style, design and travel. Also available, a fully interactive iPad® app takes the very best of the print edition of the Magazine and adds extra images and exclusive information, allowing you to explore the world of Jaguar in a whole new way.

JAGUARUSA.COM

Visit the official web site to access the retailer locator, car configurator, price lists, model comparisons and more. Sign up for "Keep Me Informed" to receive all the latest news and special offers.

⁽¹⁾See your authorized Jaguar retailer for complete terms and conditions of limited warranty coverage.

⁽²⁾All elements of Jaguar Assistance are available only while your Jaguar New Vehicle Limited Warranty is in effect.

[†]All Jaguar approved accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out so that Accessories are both durable and importantly, continue to comply with current laws.

IMPORTANT NOTICE

Jaguar Cars Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Cars Limited by any express or implied undertaking or representation. Illustrations in this brochure may include optional extras.

Comparisons are based on manufacturer's own data and testing.

ENVIRONMENTAL INNOVATION AT JAGUAR

Jaguar is proud to continue the company's tradition with its approach to Environmental Innovation. From the choice of lightweight materials and lean production methods to the efficiency of its engines and designs, Jaguar is committed to operating as a more sustainable business and reducing its overall environmental impact.

Jaguar's flagship XJ model was the first in the company to achieve ISO 14040, the international standard for vehicle 'whole life cycle' assessment. This certification measures the environmental impact of the XJ from component material sourcing and manufacturing process, through its driven life time, to final disposal. But that's not all. Every new Jaguar vehicle is designed to be 85% recyclable and reusable, in addition to 95% recoverable and reusable with 10% for energy generation.

The XJ and XK's innovative use of lightweight aluminum, which incorporates up to 50% recycled material from the manufacturing process of the body structures, provides considerable performance benefits. This includes improved fuel consumption and less CO₂ emissions associated with lighter structures as well as the dynamic performance inherent in its weight saving design.

Jaguar is committed to reducing dependency on fossil fuels, using fewer resources and creating less waste. Already the manufacturing assembly CO₂ emissions of each Jaguar built in the UK since 2009 is offset. For every ton of CO₂ emitted in the assembly process, Jaguar invests in carbon reduction projects that reduce an equivalent ton of CO₂ elsewhere. Offsetting allows Jaguar to take action now, to reduce its impact on the environment, as part of an integrated carbon management plan. This company plan includes targets to reduce operating CO₂ emissions and waste to landfill by 25% by 2012, water consumption by 10% by 2012 and fleet average tailpipe CO₂ emissions by 25% by 2015, based on 2007 levels.

But it doesn't stop there. World class manufacturing facilities certified to ISO 14001 since 1998, transport miles have been cut from delivery routes and new ways are being introduced to produce energy from food waste at our Gaydon site in the UK.
