Cherokee Chief 4-Door

Tens of thousands of off-road enthusiasts who take their pastime seriously, take to Jeep Country in the magnificent Jeep Cherokee. It's first choice of so many because it offers so much.

Cherokee truly is a large sport/utility vehicle, with stretch-out room for five big people plus spacious storage behind the rear seat. It offers a solid, integral, full steel roof. It has exceptionally high ground clearance plus excellent load entry height. The built-in (not added on) part-time 4WD system is Jeep tough, Jeep tested—the result of more than 40 years design and engineering experience. That experience pays off in proven durability. Over the last ten years, 95.6% of all Jeep vehicles built are still out working or playing.*

Jeep Cherokee comes equipped to make you feel at home—in the driveway or on the range! Famous Jeep Part-Time four-wheel drive teams with a standard 258 CID Six and 4-speed manual transmission (5-speed optional) to provide solid dependable performance wherever you roam. Power steering and brakes, electronic ignition, front stabilizer and steering damper, fuel tank and transfer case plates are all standard. That's equipment off roaders insist on. If you want more, Cherokee can be very accommodating.

Cherokee Chief

Like its illustrious kin, CJ, Cherokee Chief has become a legend itself among 4WD sport/utility fans. "Chief" is standard on the 4-door Cherokee, and available on the sporty Wide Wheel 2-door. The package includes: Distinctive upper and lower body blackout treatment • Special bodyside & tailgate striping • Bright drip moldings • 15" x 7" white styled wheels and P235/75R15 Arriva BSW radials (4-door) • 15" x 8" white styled steel wheels and 10x15 Tracker A/T OWL tires (Wide-Wheel 2-door) • Blackout grille • Sun Valley vinyl front bucket seats and rear bench seat • Matching door and front quarter trim panels • Folding driver seat back (Wide-Wheel 2-door) • Soft Feel Sports Steering Wheel • Color-keyed carpeting • Center armrest (front) • Passenger assist handle • And more

Cherokee Laredo

Jeep's candidate for "best dressed" in the large sports/utility class. It's available on the Wide-Wheel 2-door or the 4-door Cherokee, and includes: Special exterior striping • 15" x 8" chrome styled wheels with black hubs and 10R15 Goodyear Wrangler radials (Wide-Wheel 2-door) • 15" x 7" argent styled wheels with bright trim rings & hubs and P235/75R15 Arriva BSW radials (4-door) • Laredo nameplates • Bright moldings • Luggage rack • Special folding driver and passenger front bucket seats w/center armrest and rear bench seat trimmed in choice of Cara Vinyl or Western Weave Fabric • Carpeted floors, wheel housings and side panels • Leather-wrapped steering wheel • Passenger assist handle • Special door and instrument panel trim • Convenience Group • Light Group • Visibility Group including Halogen headlamps

For a complete review of Jeep Cherokee standard features and options, interior trim levels and exterior color selection see your Jeep Dealer.

Vehicles illustrated in this brochure may vary slightly from actual production models. Consult your Jeep Dealer for recent product changes. This folder does not constitute an offer or commitment to sell. In order that product improvements may be made at any time, specifications and other data are subject to change without notice. Jeep vehicles incorporate thousands of different components produced by Jeep Corporation, affiliated companies and various independent suppliers. From time to time during the manufacturing process, it may be necessary to produce Jeep vehicles with different components or differently sourced components than initially scheduled. All components must meet the standards of Jeep Corporation and will provide the performance expected from Jeep vehicles. Jeep vehicles meet or exceed all applicable Federal Motor Vehicle Safety Standards at time of manufacture. Some of the Jeep vehicles shown and described in this brochure have optional equipment.
