

1951 Jeep Jeepster

LEGENDARY LINEAGE. For nearly 70 years, Jeep vehicles have ruled the rocks, road, and mud, fearlessly taking charge with courage and dependability. With legendary roots spanning from the birth of the Jeep Wrangler, enhanced by a generous infusion of creature comforts and efficient value, Compass claims the role of modern-day hero. The utterly capable Compass takes every adventure-seeking enthusiast up, over, and beyond to arrive at destinations that those less-accomplished can only dream of reaching.

*Standard and available equipment shown. A note about this brochure: All disclaimers and disclosures can be found on inside back cover.

The recognized standard for proven off-road capability. Compass moves you up and over to Trail Rated® freedom. With the available Trail Rated Freedom Drive II® Off-Road Group, Compass delivers the efficient power and control to confidently rule the road, rocks, mud, and most every other driving condition in between. The 2.4L DOHC 16V dual VVT engine moves with unsurpassed 4x4 efficiency,⁽¹⁰⁾ pushing 172 hp and achieving up to an EPA estimated 28 mpg* on the highway.

*EPA estimated 23 city/28 highway mpg when equipped with 5-speed manual transmission.

CVT2. CVT2 with AutoStick uses a 30-mm high-strength multilayer steel drive belt and two active V pulleys to vary vehicle speed. The result: a smooth, quiet ride that's very economical too.

CLIMB ON. Compass takes on all challenges like a true Jeep 4WD champion, earning capability kudos for helping you arrive in style and on time.

SOLID CONTACT. The four-wheel independent suspension is "touring-tuned," helping to improve on-road handling and cornering while working to help keep you comfortably in control.

MEET THE OPTIMIZER. The available AutoStick shifter puts optimal vehicle performance under your command.

AIR OF CONFIDENCE. The standard air bag⁽¹⁾ system includes supplemental side-curtain air bags⁽¹⁾ for outboard occupants plus advanced multistage driver and front-passenger air bags⁽¹⁾. Front-seat active head restraints⁽⁴⁾ move forward and upward in the event of a rear-end collision, decreasing the space between the head restraint and occupant's head, thus helping to reduce the chance of injury.

Compass has your back, sides, and front end. Head out with confidence, knowing that a robust set of more than 30 safety and security systems are in place to give you peace of mind whether you're on the road or on the trail. You're protected by a safety cage structure that contains a front crumple zone specifically designed to absorb energy during a frontal impact. The standard Electronic Stability Control (ESC)⁽²⁾ integrates a four-wheel antilock brake system (ABS), with all-speed traction control, and a Brake Assist system that automatically helps provide braking to appropriate wheels and reduces engine power when the system detects overly sharp steering and/or impending wheel lift.

HILL START ASSIST (HSA). Standard on manual transaxle models, and included with the Trail Rated® Freedom Drive II® Off-Road Group, HSA helps stop that annoying "roll-back" when you tackle uphill climbs.

HEATED POWER EXTERIOR MIRRORS. Melt snow and ice off your sideview mirrors as you warm up your interior. Helps keep your mirrors icicle-free as you drive, as well.

TIRE PRESSURE MONITORING SYSTEMS. Embedded sensors continuously monitor the pressure in the tires and will immediately notify the driver when levels drop below the minimum acceptable level.

SENTRY KEY.® A unique embedded key code matched only to your vehicle helps keep your Compass safely where it belongs.

Safety and Security Features

SIRIUS TRAVEL LINK.™ (3) As packaged with the available Media Center 430N radio, you'll have access to real-time information on accidents, traffic flow, construction, road closures, and more. Alternative route guidance and mapping lets you easily avoid troubled areas to help you arrive safely and on time.

ALL-WEATHER 4WD STABILITY. Rain, snow, sleet, or muck-filled potholes are no match for the available Freedom Drive II Off-Road Group on Compass. It automatically provides optimal traction to all wheels, adjusting torque on demand.

Stay connected to the people, music, and devices that matter most. Uconnect® is an intuitive hub for all your media — cell phone, Internet, satellite radio, navigation system, MP3 player, and smartphone — designed to make your life easier, wherever you roam.

PHONE. Talking on the phone while driving has never been easier — or more responsible. Uconnect Phone is the in-vehicle, voice-activated communication system that allows you to talk on your Bluetooth® compatible phone virtually hands-free. This clever system is also smart enough to synchronize with your Bluetooth compatible phone's address book® — up to 1,000 entries — every time you get into your vehicle.

WEB. Put the power of high-speed Internet in your vehicle with Uconnect Web.® Effortlessly connect any WiFi enabled device to the Internet at 3G broadband speeds, making your vehicle a mobile Hotspot. Passengers can use multiple devices at the same time. There's no need for cell cards or software with this unique Authentic Accessory by Mopar — it's all wireless. Subscription required. Sold separately.

VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Vocally select FM radio stations, SIRIUS® Satellite Radio® channels, and record voice memos. Plug an iPod® into the remote USB port and command all your music. This smart system technology can also be trained to better recognize your voice and can understand commands in English, French, and Spanish.

ENTERTAINMENT. Manage all of your media. You'll have multiple ways to access audio, including SIRIUS Satellite Radio® (your first year of service is included), a 28GB hard drive, and Bluetooth streaming audio. Rear Seat Video, an Authentic Jeep® Accessory by Mopar, can be accessed four ways: watch SIRIUS Backseat TV,™(3) DVDs, compatible multimedia devices, and gaming consoles.

NAVIGATION. Provides enhanced GPS navigation and information on the go. It can also locate nearby restaurants, shopping, hospitals, or points of local interest. An upgraded Uconnect radio features optional GPS Navigation from Garmin.™ An intuitive user interface features turn-by-turn audible directions and lane guidance, a new media-center "first" that provides visible assistance when approaching multiple lane-changing options.

SIRIUS TRAVEL LINK.™(3) Access a wealth of information at your fingertips, including national and local weather reports, local gas prices, in-game and final sports scores, weekly movie times, even local ski slope conditions. Subscription is required after one-year complimentary service.

GARMIN. NAV.™ Offered for the first time is a media center that includes Garmin, the most recognized name in GPS wayfinding. It features the Garmin intuitive user interface and navigation with lane guidance, bringing the popular handheld experience to a factory in-dash screen.

PREMIUM. Leather-trimmed heated seats are a standard feature on Compass Limited that quickly take the chill away on cold winter days.

Jeep® Compass Limited. Not everyone understands the smart, distinctive value of upscale features paired with fuel economy. Compass Limited's powertrain performance is efficiently tuned to deliver up to an EPA estimated 27 mpg on the highway, assisted by its standard 2.4L 4-cylinder engine with Variable Valve Timing (VVT). Limited's cabin includes standard luxury features like Automatic Temperature Control (ATC), heated front bucket seats, and an optional Media Center 430M navigation radio.

18-inch Motive Ultra-Brite

Compass Limited (Available)

DETAILS MAKE A DIFFERENCE. Reach out to Compass Limited's new soft-to-the-touch interior components that are padded where you'll appreciate them most: the center console armrest, upper front console, and door trim. Chrome accents add a decidedly upscale sparkle to the instrument panel, center stack, and air vents.

COMPASS LIMITED. Go forth and conquer with upscale style and all-weather capability. **STANDARD:** 2.4L 16V dual VVT engine, Continuously Variable Automatic Transaxle (CVT2) with AutoStick, fog lamps, heated exterior power mirrors, leather-trimmed seats, EVIC, heated front bucket seats, leather-wrapped steering wheel with speed and audio controls, power six-way adjustable driver's seat, Uconnect® Media Center 230 radio, SIRIUS® Satellite Radio,[®] Automatic Temperature Control (ATC), 18-inch aluminum wheels. **AVAILABLE:** Trail Rated® Freedom Drive II® Off-Road Group, CVT2 transaxle with AutoStick, Sun and Sound Group with nine Boston Acoustics® speakers with two flip-down liftgate speakers and power sunroof.

COMFORTABLY SOUND, ALL AROUND. Compass Latitude sends your music in the right direction. Its available Premium Sound System transmits 368 watts of power via nine Boston Acoustics® speakers, including a subwoofer and two flip-down liftgate speakers.

Jeep® Compass Latitude. Outfitted with room to move with capability and style, Compass Latitude stands ready to roam. Its distinctive appearance includes an exclusive “Latitude” liftgate badge and 17-inch aluminum wheels. Inside, standard comfort and convenience features abound, including a fold-flat front passenger seat, a 115-volt auxiliary power outlet, and an available Remote Start System.

Comfortable city trips and adventurous expeditions are mapped out here. **STANDARD:** 2.0L DOHC 16V dual VVT 4-cylinder engine, antilock brake system (ABS), Electronic Stability Control (ESC),⁽²⁾ Brake Assist, all-speed traction control, Electronic Roll Mitigation (ERM), front and supplemental side-curtain air bags,⁽¹⁾ fully independent touring-tuned suspension, Sentry Key® antitheft engine immobilizer, power heated folding mirrors, heated front seats, front-passenger fold-flat bucket seat, Uconnect® Media Center 130 radio, fog lamps, 17-inch cast aluminum wheels, leather-wrapped steering wheel with speed and audio controls. **AVAILABLE:** Freedom Drive II® Off-Road Group, SIRIUS® Satellite Radio®, Sun and Sound Group with power sunroof.

Latitude’s standard issue offers drivers and front passengers the soothing comfort of heated seats. The front-passenger seat folds flat to act as a secure landing spot for laptops and small electric household items* (that can plug into the convenient 115-volt auxiliary power outlet). And for the comfort of your backseat passengers, the rear seats have a recline feature for up to 12 degrees of added relaxation.

*Properly secure all cargo.

17-inch Painted Cast Aluminum
Compass Latitude (Standard)

TRAIL RATED® FREEDOM DRIVE II® OFF-ROAD GROUP. Serious off-road adventurers now have an opportunity to Go Anywhere, Do Anything™ while enjoying the efficient economy that Compass offers. Option the Freedom Drive II Off-Road Group on your Compass and you'll travel far with its active full-time 4WD with LOCK mode, Hill Descent Control (HDC) with grade sensing and Hill Start Assist (HSA), skid plates, tow hooks, increased ground clearance, All-Terrain tires, heavy-duty cooling and alternator, matched to a Continuously Variable Automatic Transaxle (CVT2) with a 19:1 crawl ratio.

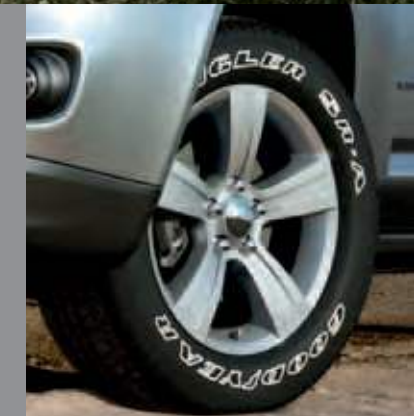

Jeep® Compass. Compass welcomes value-minded enthusiasts to the land of Jeep brand capability. A bevy of strong and standard features accompany you, including a four-wheel antilock brake system (ABS), Electronic Stability Control (ESC)⁽²⁾ with Electronic Roll Mitigation (ERM) and all-speed traction control. The standard 158-hp 2.0L engine matched to a five-speed manual transaxle (2WD) delivers up to an EPA estimated 29 mpg for efficiently capable highway traveling.

CONFIGURE ON TAKING YOUR TOYS WITH YOU. Compass is ready to meet the trail with standard cloth seats that can handle the dirt and mud your big adventures bring. Its configurable interior lets you arrange things to your liking: the rear liftgate opens up to provide 53.6 cu ft of cargo room when the standard 60/40 split-folding rear seats are laid down flat.

COMPASS. Begin living the Jeep life here. **STANDARD:** 2.0L DOHC 16V dual VVT 4-cylinder engine, 5-speed manual transmission with Hill Start Assist (HSA), Bright roof side rails, antilock brake system (ABS), Electronic Stability Control (ESC)⁽²⁾, Brake Assist, all-speed traction control, Electronic Roll Mitigation (ERM), speed control, advanced multistage front and supplemental side-curtain air bags,⁽¹⁾ fully independent touring-tuned suspension, Sentry Key® anti-theft engine immobilizer, deluxe cloth-trimmed seats, speed-sensitive power locks, remote keyless entry, Tire Pressure Monitoring Warning Lamp, Media Center 130 CD/MP3 radio, 12-volt accessory power outlet, outside temperature gauge. **AVAILABLE:** Freedom Drive I active full-time 4WD, Freedom Drive II® Off-Road Group, Uconnect® Media Center 230 radio with six-CD/DVD changer.

17-inch Painted Aluminum
Compass (Standard)

Always authentic, from all directions. When your Compass is outfitted with Authentic Jeep® Accessories by Mopar, its stylish, eye-catching profile becomes uniquely you. All Mopar products are specifically designed to enhance your vehicle, fashioning it into a creation of distinction and flair. When it comes to the fit, finish, and functionality of accessories for your Compass, choose only those that bear a legendary brand. For the full line of Authentic Jeep Accessories by Mopar, visit mopar.com.

Properly secure all cargo.

WATER-RESISTANT SEAT COVERS.® Black “wet suit” material helps keep moisture and dirt off your seat surfaces. Front passenger-side cover has a handy seatback pocket. Covers are custom-fit for front and rear seats.

HITCH RECEIVER.® This Class I hitch receiver has a 1¼-inch opening. Ball Mount, Hitch Ball, Hitch Plug and Wiring Harness sold separately.

DOOR SILL GUARDS. Brighten up your doors with some stylish protection. Guards protect your door sills in stainless steel style and feature an embossed Compass logo.

Jeep® Compass (Limited) shown above with Roof Top Cargo Carrier, Sport Utility Bars, 18-Inch Black Painted Cast-Aluminum Wheels, Chrome Mirror Covers, and Chrome Fuel Filler Door. Authentic Jeep Accessories by Mopar.

ROOF TOP CARGO BASKET. Measures 44" x 39" and features a front air deflector. Roof Basket Cargo Net is also available (sold separately). Basket adds cargo space, and locks to the Sport Utility Bars (sold separately). Sport Utility Bars are built of heavy-duty Black anodized aluminum and attach to the standard equipment side rails and accommodate all our carrier accessories.

Properly secure all cargo.

™The Advanced Front Air Bags in this vehicle are certified to the new U.S. federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. ®No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ®Required SIRIUS Radio, Traffic, Travel Link, and Backseat TV subscriptions sold separately after trial period. Other fees and taxes will apply. SIRIUS Traffic and Travel Link available in select markets; Backseat TV subscription not available without SIRIUS Radio subscription; and SIRIUS data displays and individual product availability vary by hardware equipment. SIRIUS service available only to those at least 18 years of age in the 48 contiguous U.S.A., DC, and Puerto Rico (with coverage limitations), while Internet radio is also available in AK, HI, and PR. Fees and programming subject to change. Service automatically renews and you will be billed, at then current rates, unless you call 1-888-539-7474 to cancel. Subscriptions governed by SIRIUS Terms and Conditions available at sirius.com. Service available in Canada: see siriuscanada.ca. ®Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. ®Phone must support Bluetooth Phone Book Access Profile (PBAP). ®Uconnect Web feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. ®Garmin and the Garmin Logo are registered trademarks of Garmin, Ltd. or its subsidiaries and are registered in one or more countries, including the U.S. ®Only available without side seat air bags. ®When equipped with the Trailer Tow Prep Group or Freedom Drive II Off-Road Group. All occupants should always wear their lap and shoulder belts properly. (a)Based on Ward's Sport/Utility vehicle segmentation. Litho in U.S.A. 74-383-2176 (53.3M)

As a founding member and official partner, we urge all Jeep owners to "Use common sense and stay on designated trails" and follow Tread Lightly! Guidelines, helping preserve the beauty of our landscape for generations to come. Call (800) 966-9900 or visit treadlightly.org to learn more.

Travel responsibly on designated roads and trails or in permitted areas. Respect the rights of others, including private property owners and all recreational trail users, campers and others, to allow them to enjoy their recreational activities undisturbed. Educate yourself by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely. Avoid sensitive areas such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage. Do your part by leaving the area better than you found it, properly dispose of waste, minimize the use of fire, avoid the spread of invasive species, restore degraded areas, and join a local enthusiast organization.
