Leave it to Jeep® Grand Cherokee
to deliver this unique brand of hand-hewn character in a
modern package that's altogether uncompromising.
This is where new meets old and the most beautiful of
adventures begin.

SCULPTED AND ATHLETIC. Meet the all-new heir to Grand Cherokee's nearly 20-year heritage of original, innovative design. Nearly every exterior surface has been reimagined to improve aerodynamics and reduce noise, vibration, and harshness.

Jeep

AN ARTIST'S EYE FOR DETAIL. Interior designers took exceptional care and attention with Grand Cherokee's all-new cabin. Soft-touch accents, hands-free technology, and utterly luxurious amenities are crafted with an artisan's eye for detail.

The challenge of merging all-new capability with appointments of effortless grace was formidable. The result? An evolutionary masterpiece culled from 70 years of rugged Jeep® brand expertise, a steady hand, and a palate for detailed finery. This is the all-new Jeep Grand Cherokee.

INGENUITY UNLEASHED. The imaginations of Grand Cherokee's designers and engineers were given free reign to create an all-new SUV that exceeds all expectations. After literally hundreds of handmade and computer-aided sketches and designs, the results revealed in the 2011 Jeep Grand Cherokee are simply stunning.

Jeep brand vehicles are among the most easily recognized in the world. With the all-new Grand Cherokee, you also see something more: it has taken a breathtaking step forward. A higher, wider stance reflects tremendous strength. The traditional seven-slot grille and trapezoidal wheel arches tell the world you're driving a legend.

Redefine world-class capability and luxury. With this formidable task firmly in hand, Jeep brand engineers have infused Grand Cherokee with technical wonders, like the class-exclusive Quadra-LiftTM(1) Selec-TerrainTM Adaptive Cruise Control⁽⁷⁾ (late availability), and amenities, such as the available CommandView® dual pane sunroof.

Jeep brand engineers and testers helped validate Grand Cherokee's solid durability and strength by devoting countless hours to wind, noise, and aerodynamic evaluations. Their tireless work helps ensure Grand Cherokee's weather-tight, quiet ride. Its capability was proven in the most extreme conditions, such as those on the Rubicon Trail.

THE DIFFERENCE IS IN THE DETAILS. Every surface within reach is soft to the touch. Available: real wood, chrome details, and stitching accents offer exceptional craftsmanship. With Keyless Enter-N-Go, your key can stay in your pocket or purse — and your journey begins with the simple push of a button.

AN INTERIOR THAT LEAVES NOTHING TO WANT. Leather-covered tilt/telescoping steering wheel with cruise control, EVIC, and remote audio control are standard. Available: real wood, heated power tilt/telescoping steering wheel, including Uconnect® with Voice Command, hands-free phone, and Adaptive Cruise⁽⁷⁾ Controls.

THESE SEATS ARE ABSOLUTELY ALL-INVITING. All-new premium seats are designed for comfort and versatility and deliver with every stylish stitch. Standard: eight-way power driver's seat, power lumbar control, reclining rear seats, and detailed stitching. Available: premium leather-trimmed interior, eight-way power passenger seat, heated first- and second-row seats, and ventilated front seats.

CLASS EXCLUSIVE⁽¹⁾

Quadra-Lift™ Air Suspension

Adding to Grand Cherokee's all-new roster of robust and finely tuned technologies is the available Quadra-Lift, engineered to take you to incredible new heights. This closed-type air suspension system lifts you up to master the road ahead, allowing you to electronically adjust the suspension, thus augmenting its capabilities. Rather than drawing exterior air, like more power- and time-consuming open-type systems, Grand Cherokee sends stored, pressurized air to the springs as needed. In turn, the system re-pressurizes the reservoir, rather than releasing the air out of the vehicle. This gives you the ability to quickly adjust your vehicle height, no matter the altitude. It also raises the vehicle from back to front, keeping headlights focused downward on the road in front of you, supporting a safe and smoother transition. The available Quadra-Lift adds up to 4.1 inches of lift supported by four-corner air springs that help provide a cushioned, luxurious ride. Better yet: you control this ingenious system with the push of a button or turn of a dial. Welcome to a world that is far above and beyond the everyday.

4.1 INCHES OF LIFT SPAN

- OFF-ROAD 2** (+2.6") Best-in-Class⁽¹⁾ 10.7" ground clearance
- OFF-ROAD 1** (+1.3") Added height helps clear obstacles
- NORMAL RIDE HEIGHT** A very capable 8.1" of clearance
- AERO MODE** (-.5") Improved aerodynamics
- PARK MODE** (-1.5") Easier entry, exit, and loading

ALL-NEW CAPABILITY CONTROL Selec-Terrain™ System

Optimal on- and off-road traction is instantly at hand with the available class-leading Selec-Terrain.⁽¹⁾ Five selectable settings electronically coordinate 12 different vehicle management systems, including Hill Start Assist (HSA), Hill Descent Control (HDC), throttle control, transmission shifting, transfer case, traction control, and Electronic Stability Control (ESC).⁽⁶⁾ Coupled with the all-new available four-corner Quadra-Lift,TM you'll have an adjustable suspension span that delivers legendary Jeep® brand Trail Rated® performance.

SPORT Improves on-road capability with enhanced torque-split and aerodynamics.

SNOW Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer.

AUTO Intuitively adapts to any on- or off-road situation. It perfectly orchestrates 12 vehicle systems so you can simply enjoy the drive.

SAND/MUD Traction control operates with aggressive response to wheel spin. The suspension raises for optimal performance.

ROCK Raises vehicle to maximum height, the transfer case, differential, and throttle coordinate to provide low-speed control.

PREMIUM RIDE AND HANDLING. You're protected from the world and its worries, thanks to Grand Cherokee's hushed and smooth ride. A stronger UniFrame construction, manufacturing improvements that tighten fit and finish, additional sound dampening elements, and new steering and suspension designs come together to deliver a controlled and quietly luxurious ride.

SMART UTILITY. A larger rear cargo area opens to reveal 36.3 cubic feet of room for gear. Appointments are useful as well as stylish with available attractive floor-protecting runners, a removable rechargeable flashlight, grocery hooks, and dual storage bins inside the spare tire compartment, now conveniently placed under the cargo floor.

BEST-IN-CLASS REAR SEAT LEG ROOM.⁽¹⁾ Now more comfortable than ever, the 2011 Grand Cherokee adds four inches of leg room to the second row of reclining seats. Available heated rear seats further complement passenger comfort.

COMMANDVIEW® DUAL PANE PANORAMIC SUNROOF. This new, available feature delivers commanding views that might otherwise go unnoticed. Two large panes of glass provide a clear view of the sky, with power open/close control and a power sunshade to help keep things cool when needed.

SELEC-TERRAIN™ VEHICLE-MANAGEMENT SYSTEM. Enhance Grand Cherokee's renowned 4WD capability: Selec-Terrain tailors traction performance to expertly tackle whatever the road sets before you, be it mud, sand, snow, or rambling two-tracks. It automatically adjusts and coordinates 12 vehicle-management systems, all with a simple turn of a dial.

PENTASTAR™ 3.6L V6 ENGINE. This all-new power plant infuses your Grand Cherokee with a Best-in-Class⁽¹⁾ 290 hp, while increasing 4x2 highway fuel economy from 21 to 23 EPA est. mpg. A state-of-the-art design incorporates dual overhead camshafts (DOHC) and structural refinements that allow it to operate quietly while it pours on the power.

QUADRA-LIFT™ AIR SUSPENSION SYSTEM. Gain ultimate control of your suspension system along with a serious lift in off-road performance and capability. This revolutionary class-exclusive system allows you to easily raise your vehicle up to 4.1 additional inches, from park mode to a maximum 10.7 inches of ground clearance.

BADGE OF HONOR. Jeep® Trail Rated® vehicles are designed to tackle challenges like true off-road warriors. They perform to rigorous standards in five performance categories: Articulation, Traction, Maneuverability, Ground Clearance, and Water Fording.⁽¹¹⁾ Visit jeep.com to learn more about the superior capabilities behind the badge.

GRAND CHEROKEE OVERLAND® Premium, world-class Jeep® brand capability seamlessly infused with top-of-the-line luxuries and refinements. STANDARD: Exclusive Overland badge on liftgate, 3.6L Pentastar™ V6 engine, power liftgate, 20-inch Satin Carbon painted wheels, Quadra-Trac II® 4WD system,⁽¹²⁾ CommandView® dual pane panoramic sunroof, Selec-Terrain™ vehicle-management system,⁽¹²⁾ remote start, SmartBeam™ Bi-Xenon High-Intensity Discharge (HID) headlamps with auto-leveling, Nappa leather-trimmed seats with edge welting (late availability), ventilated front seats, real Olive Ash burl wood steering wheel, leather-wrapped and stitched instrument panel and armrests, Keyless Enter-N-Go, Uconnect® navigation system and SIRIUS Travel Link™⁽⁹⁾ (late availability), Alpine® Premium Audio System, Infrared Dual Zone Climate Control, ParkSense® Rear Park Assist System,⁽⁹⁾ ParkView® Rear Back-Up Camera.⁽⁹⁾ AVAILABLE: 5.7L V8 engine with Multi-Displacement System (MDS) and VVT, Quadra-Drive® II 4WD system, Quadra-Lift™ air suspension system, Adaptive Cruise Control (ACC)⁽⁷⁾ (late availability), Blind Spot Monitoring⁽⁴⁾ and Rear Cross-Path Detection⁽⁵⁾ (late availability), Forward Collision Warning (FCW)⁽¹⁰⁾ (late availability)

With an uncompromised ride,
when two roads diverge in the woods,
yours is always the one best traveled.

CommandView® Sunroof. With the available all-new panoramic sunroof, your view always is all-encompassing. By adding this dual paned, sliding-glass ceiling, your travels continue in brilliant high definition. Everyday adventures are wide-screen worthy.

Here's to the well-connected.
Here's to those who travel with a
soundtrack and never need maps
to know where they're headed.

STAY CONNECTED. Outfit your Grand Cherokee with Uconnect® to help stay in touch with the people, music, and devices that matter most. It acts as the hub for your most important media → cell phone, Internet satellite radio, navigation system, personal devices such as an iPod® or smartphone. The Uconnect user-friendly systems are designed to make your life easier, wherever you roam.

PHONE. Talking on the phone while driving has never been easier – or more responsible. Uconnect Phone is the in-vehicle, voice-activated communication system that allows you to pair up to seven Bluetooth® compatible phones and then talk virtually hands-free. This system is also clever enough to synchronize with your phone's address bookTM → up to 1,000 entries – every time you get into your vehicle. Audible text messaging offers instant – and safe – text communication.

WEB. Put the power of high-speed Internet in your vehicle with Uconnect Web!TM Effortlessly connect any WiFi-enabled device to the Internet at 3G broadband speeds, making your vehicle a Mobile Hotspot within a 150-ft range. Use multiple devices at the same time. There's no need for cell cards or software with this unique Authentic Accessory by Mopar – connectivity is all done wirelessly.

VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Vocally select FM radio stations, SIRIUSSM Satellite Radio[®] channels, make and receive calls, select navigation destinations, and record voice memos. This smart system technology can also be trained to better recognize your voice and can understand commands in English, French, and Spanish.

MULTIMEDIA. Manage all of your media. You'll have six ways to access audio, including SIRIUS Satellite Radio[®] (your first year of service is included), a 30GB hard drive, and iPod Control with Voice Command and Bluetooth[®] streaming audio. Real seat video can be accessed five ways: watch FLO TVTM with 100s of shows, SIRIUS Backseat TVTM DVDs, compatible multimedia devices, and gaming consoles.

NAVIGATION. Provides turn-by-turn guidance by voice command and visual display. It can also locate nearby restaurants, shopping, hospitals, or points of local interest. Add SIRIUS TrafficTM for real-time traffic updates, including accident alerts, road closings, and traffic flow. Your first year of SIRIUS Traffic service is included.

SIRIUS TRAVEL LINKTM brings a wealth of useful information to your fingertips including: national weather information for current and forecasted weather, fuel prices to check local gas prices, sports scores for in-game and final scores, as well as weekly schedules and local movie theater listings (late availability).

BEST-IN-CLASS
STANDARD HORSEPOWER⁽¹⁾

3.6L PENTASTAR™ V6 ENGINE. All-new and engineered equally for fuel efficiency, Best-in-Class horsepower,⁽¹⁾ and refinement. The Pentastar engine makes the most of its dual overhead cams (DOHC) and Variable Valve Timing (VVT) to deliver optimum combustion efficiency over the full speed and load ranges. Translation: it excels its predecessor by providing an increase of 38 percent in horsepower (290 hp) and 11 percent in torque (260 lb-ft) with a very appealing 10 percent improvement in highway fuel economy, delivering up to a 500-mile driving range and an EPA estimate of 16 city and 23 highway miles per gallon on 4x2 models.

Jeep® Grand Cherokee. Redefines the ascent. It's about being polite and powerful within the confines of every incredible instant. Grand Cherokee's Best-in-Class⁽¹⁾ power plants, each infused with Variable Valve Timing (VVT), may speak quietly, but they always command a great deal of respect.

BEST-IN-CLASS AVAILABLE
HORSEPOWER AND TORQUE⁽¹⁾

5.7L V8 ENGINE WITH MDS AND VVT. This available workhorse churns out Best-in-Class⁽¹⁾ horsepower and torque. It is strong enough to tow up to 7,400 lb,⁽¹⁶⁾ with a Multi-Displacement System (MDS) that revamps your eight-cylinder, 360-hp brute during cruising speeds, turning it into a four-cylinder model of efficiency. When you want full action, step on the pedal and all eight cylinders roar to life, delivering full 390 lb-ft of torque and power upon request. Variable Valve Timing (VVT) contributes to a pleasing EPA estimate of 14 city/20 highway miles per gallon on 4x2 models.

CUSHIONED CRUISING. The impeccable road manners of an all-new independent front and rear suspension system deliver an exceptional driving experience. Available for 4x2 models, the available Trailer Tow Package includes load-leveling shock absorbers that automatically raise the vehicle's height when payload is increased. You can continue to cruise with control, even when weighted with heavy cargo.

KEYLESS ENTER-N-GO. Live, ride, and drive key-free. This new technology automatically unlocks doors when you pull the handle, letting you keep your focus on more important things, rather than fumbling for keys. Once in the car, a simple press of the "Start/Stop" button and beep, and the Grand Cherokee's engine is on, and you're instantly prepared for departure.

AUTHENTIC JEEP. ACCESSORIES

It reflects a true American heritage, fused with modern cues and curves. The seven-slot grille speaks volumes about its legendary style and capability. Its presence is at once contemporary and timeless. By any measure, there's nothing quite like the all-new 2011 Jeep® Grand Cherokee.

ALWAYS AUTHENTIC, FROM EVERY ANGLE. When your Grand Cherokee is outfitted with Authentic Jeep® Accessories by Mopar, its impressive presence is further amplified. All Mopar products are specifically designed to enhance your vehicle, sculpting it into a creation of impeccable taste and discernment. As the official parts and accessories division of Chrysler Group LLC, you should regard Mopar parts as original equipment, manufactured with the same uncompromising standards as your Jeep Grand Cherokee. Shown on vehicle at left: Chrome Fog Light Bezels, Chrome Tubular Side Steps, and Chromed Stainless Steel Mesh Grille Insert. For the full line of Authentic Jeep Accessories by Mopar, visit mopar.com.

SMARTBEAM™ HIGH-INTENSITY HEADLAMPS WITH AUTO-LEVELING. The right beam of light, right when and where you need it. Bi-Xenon High-Intensity Discharge (HID) headlamps automatically and quickly adjust high-beam brightness and intensity so you can keep your attention focused where it matters most. The auto-leveling feature is keen on keeping the headlights aimed safely down at the road.

EFFORTLESS ACCESS. Designed for beauty as well as ultimate utility, the all-new power liftgate adds graceful accessibility to Grand Cherokee's rear cargo area. Keyless Enter-N-Go is hands-free via the key fob, so you can keep hold of what's in your hands without fumbling to unlock the gate. Rear visibility is improved via a significantly larger flipper glass panel with rear wiper.

MORE CARGO ROOM. With 36.3 cubic feet of cargo volume behind the second-row seats, Grand Cherokee lets you take your adventure gear, along with five passengers, to places known and unknown. When it's time for moving the big things in life, fold down the rear seats to have access to 68.3 cubic feet of free space.

GRAND CHEROKEE LIMITED. Jeep® brand capability takes on a high level of technologically advanced systems and interior features. **STANDARD:** Exclusive Limited badge on liftgate, 3.6L Pentastar™ V6 engine, Quadra-Trac II® 4WD system,⁽¹²⁾ CommandView® dual pane panoramic sunroof, Selec-Terrain™ vehicle management system,⁽¹²⁾ remote start, rain-sensing wipers, SmartBeam™ Bi-Xenon High-Intensity Discharge (HID) headlamps with auto-leveling, Keyless Enter-N-Go, heated first- and second-row leather-trimmed seats, Uconnect® Media Center 430N AM/FM/CD/DVD radio with Garmin® navigation⁽⁹⁾ (late availability), Uconnect Phone, Alpine® Premium Audio System. **AVAILABLE:** 5.7L V8 engine with Multi-Displacement System (MDS) and VVT, Quadra-Drive® II 4WD system, Quadra-Lift™ air suspension system, Luxury Group interior trim package, SIRIUS Travel Link™⁽⁶⁾ (late availability), Adaptive Cruise Control (ACC)⁽⁷⁾ (late availability), Blind Spot monitoring (late availability),⁽⁴⁾ Rear Cross-Path Detection⁽⁹⁾ (late availability), and Forward Collision Warning (FCW)⁽¹⁰⁾ (late availability)

Properly secure all cargo.

SURE-FOOTED STYLE AND GRACE. The available new Quadra-Lift™ air suspension system on 4x4 models allows you to lower Grand Cherokee 1.5 inches below normal ride height, for easier entry, exit, and loading. When it comes to on-road manners and interior comfort, a few short inches added to the all-new Grand Cherokee's wheelbase help deliver a ride that is miles above and beyond ordinary. By increasing the wheelbase by 5.3 inches, rear-seat passengers enjoy an extra four inches of Best-in-Class leg room.⁽¹⁾

GARMIN® NAVIGATION.[®] Debuting on the 2011 Jeep® Grand Cherokee is an available upgraded Uconnect® radio featuring optional GPS Navigation from Garmin, the name recognized by drivers everywhere as the dependable, must-have navigation tool. The new radio features Garmin's intuitive user interface, and brings the Garmin consumer experience to a factory in-dash radio (late availability).

NOTABLE DETAILS. Well within reach is Grand Cherokee's all-new finely crafted interior, made of premium soft-touch materials and leathers. The instrument panel and center console feature detailed French stitching for an upscale design.

ADAPTIVE CRUISE CONTROL.⁽⁷⁾ The evolution of automotive safety and convenience technology continues with Grand Cherokee's new available Adaptive Cruise Control (ACC). When activated during highway cruising, the system constantly monitors the amount of space between your vehicle and those ahead, maintaining a preset distance between you. If traffic slows ahead or another vehicle moves in front of you, ACC slows the vehicle by coasting or engaging the brakes. Conversely, when the vehicle ahead speeds up or moves into another lane, the system accelerates to the preset speed. While no system can operate as quickly as a human, ACC is not affected by weather conditions and can be helpful during inclement weather, such as fog and rain, when visibility is reduced (late availability).

ALPINE® SURROUND SOUND SYSTEM. Step into your own personal sound stage for a realistic concert experience. Alpine's available premium audio system utilizes a high-powered 12-channel, 506-watt amplifier powering nine speakers and a subwoofer optimally placed throughout the cabin. Two 25-mm silk dome tweeters bookend a 3.5-inch center-channel speaker at the front of your cabin. Two 6 x 9-inch premium cone speakers are within the front doors and two 6.5-inch premium speakers are within the rear doors, pushing sound toward the center of the cabin. Two 2.5-inch imaging surround speakers and 8-inch dual voice coil subwoofer send clean sound from behind.

FLO TV™⁽¹⁵⁾ The Living Room is redefined. Now you can receive televised broadcast programming to keep the entire crew entertained with new, changing and real-time shows available through FLO TV™ Auto Entertainment from Mopar®. Relax listening to familiar news sources on msnbc or FOX News and laugh to the sound of stand-up performances on Comedy Central or morning talk shows on NBC 2Go, without ever averting your eyes from the road. Passengers' attention is caught while the miles fly by watching the latest episodes on Adult Swim Mobile, Disney Channel, MTV, nickelodeon, and more.

Driving terra firma. Grand Cherokee's state-of-the-art safety and security systems keep you firmly grounded. Every mile traveled heightens the experience, with the relaxed confidence that allows you to enjoy your company and the view.

Peace of mind takes you and yours far. The all-new 2011 Jeep® Grand Cherokee is reimagined and reengineered to perform heroically in all driving conditions. You'll feel the strength of its reinforced structure, sheltered within an environment that serves you well. Go boldly forth, empowered with the inspired confidence Jeep Grand Cherokee offers.

ELECTRONIC STABILITY CONTROL (ESC).⁽⁸⁾

A vehicle-wide network of safety sensors provides instant aid when it detects that you're veering off your intended path. ESC immediately goes into action when needed.

SMARTBEAM™ HEADLAMPS WITH AUTO-LEVELING. Brighter, better, safer. Bi-Xenon High-Intensity Discharge (HID) headlamps shine up to three times brighter than regular headlamps. A new auto-leveling feature keeps lamps focused down on the road ahead.

A SAFE, SECURE AIR BAG SYSTEM.⁽⁹⁾

Always standard: full-length side-impact seat-mounted side-thorax, and advanced multistage front airbags all work in tandem to help provide protection.

RAIN-SENSING WIPERS AND RAIN BRAKE SUPPORT. (Late Availability) Storm clouds hold little influence over your daily drive. Front wipers activate when raindrops are detected and a new smart brake system helps dry the brake rotors on wet roads.

PARKVIEW® and PARKSENSE® PARK ASSIST SYSTEMS.⁽⁹⁾ Back out with grace. These systems help bring previously hidden rear objects to your attention, either on-screen or with an audible warning, in good time to react.

ADAPTIVE CRUISE CONTROL (ACC).⁽⁷⁾

(Late Availability) The all-new ACC automatically adjusts cruising speed to maintain a preset distance between your Grand Cherokee and the crowd ahead.

Safety and Security Features

BLIND SPOT MONITORING⁽⁴⁾ AND REAR CROSS-PATH DETECTION SYSTEM.⁽⁵⁾

(Late Availability) These new sentry systems constantly monitor the personal space between you and other drivers. When a side or rear blind spot is encroached, you're notified via illuminated icons on side-view mirrors or an audible chime.

ACTIVE HEAD RESTRAINTS.⁽¹⁷⁾ A standard, simple, and effective safety feature that can help slow off-neck motion. Restraints automatically react and adjust to help provide protection during rear-impact collisions.

FORWARD COLLISION WARNING (FCW).⁽¹⁰⁾

(Late Availability) Even the most attentive drivers will appreciate the help of this new warning system. Approach another vehicle rapidly and FCW can alert you now, so you can take appropriate action.

ELECTRONIC ROLL MITIGATION (ERM).⁽⁹⁾

If things get rough, Grand Cherokee ERM takes immediate action to help you maintain stability and remain under control.

TRAILER SWAY CONTROL (TSC).⁽⁹⁾

Crosswinds and traffic hold no sway over you and your payload. As part of ESC, TSC helps keep you, and the toys you are towing, safely on course and under control.

HILL DESCENT CONTROL (HDC)⁽¹²⁾ and HILL START ASSIST (HSA).

These systems are always at your beck and call when you need to get safely around the corner or up and down the mountain.

ANTILOCK BRAKE SYSTEM (ABS).

Over benefits of ABS on slippery, wet roads are widely known. This advanced system knows when you're driving over rough terrain and adjusts accordingly to help keep you in optimum control.

SENTRY KEY® ENGINE IMMOBILIZER.

A unique, embedded key code matched only to your vehicle helps keep your Grand Cherokee safely where it belongs.

GRAND CHEROKEE LAREDO. It arrives outfitted with all the finery and capability that makes this Jeep® brand icon a classic. STANDARD: Laredo badge on liftgate, 3.6L Pentastar™ V6 engine, Quadra-Trac I® 4WD system,⁽¹²⁾ Electronic Stability Control (ESC),⁽⁹⁾ tinted glass, fog lamps, rear liftgate flipper glass, Keyless Enter-N-Go, Media Center 130 AM/FM/CD radio, cloth seats with eight-way power driver's seat, leather-wrapped steering wheel with manual tilt and telescoping steering column, cruise control. AVAILABLE: 5.7L V8 engine with Multi-Displacement System (MDS) and VVT, Quadra-Lift™ air suspension system, Selec-Terrain™ vehicle management system, Quadra-Drive® II 4WD system, remote start, CommandView® dual pane panoramic sunroof, Uconnect® with Garmin® navigation system⁽⁹⁾ (late availability) and SIRIUS Travel Link™⁽⁶⁾ (late availability), Alpine® Premium Audio System

Jeep® Grand Cherokee.
Beautiful proof that it's
not just the getting there,
but the going that's good.

Connect to people, places, music, movies, and the Web.

Uconnect® keeps you in touch and in tune with the latest hands-free, in-vehicle communication systems. Select the best Uconnect Media Center for your active lifestyle. Among your choices, you'll find top-of-the-line navigation, entertainment, and communication systems like Garmin,⁽⁹⁾ SIRIUS,⁽⁶⁾ and Uconnect Web.⁽¹⁴⁾

VOICE COMMAND Simply say the title of the song you want to hear, the name of the person you want to call, or the location where you want to go, and Uconnect, with its optional Voice Command, instantly responds. It's an ingeniously fun and safe way to enjoy the robust features that the Uconnect Media Centers offer.

GARMIN NAV⁽⁹⁾ Debuting on the 2011 Jeep® Grand Cherokee is a radio featuring navigation from Garmin, the most recognized name in GPS wayfinding. The new radio features Garmin's intuitive user interface, bringing the Garmin hand-held experience to a factory in-dash radio.

UCONNECT WEB⁽¹⁴⁾ is available in your Jeep Grand Cherokee from Mopar. This system provides high-speed data transfer and flexibility, combining WiFi and cellular connectivity for a new level of wireless technology that transforms your vehicle into a Mobile Hotspot to access the Internet directly wherever you are.

NAVIGATION Enjoy safe travels with turn-by-turn GPS navigation with Voice Command, plus hands-free phone, radio and NAV operation. You'll have access to SIRIUS Traffic^{TM(6)} with real-time information on accidents, traffic flow, construction road closures, and more. Alternative route guidance and mapping lets you easily avoid troubled areas to help you get where you're going safely and on time.

SIRIUS TRAVEL LINK^{TM(6)} brings a wealth of information to your fingertips. Fuel Prices from over 120,000 gas stations nationwide are available instantly and can be sorted by price, distance, or alphabetically, with routes shown to your selected station. Sports Scores give fans the status of games currently playing, plus final scores and weekly schedules for all their favorite pro teams. Movie Listings check local movie theater listings, letting you know playing times and theater location so you can give yourself plenty of time to get refreshments beforehand. National Weather Information informs you of current and forecasted weather, both locally and nationally, plus ski resort conditions, so you can make travel plans accordingly.

AUTHENTIC JEEP. ACCESSORIES

Packages

LUXURY GROUP II

Includes: Ventilated front seats, power liftgate, heated steering wheel and power tilt/telescoping steering wheel. Available on Limited.

SECURITY AND CONVENIENCE GROUP

Includes cargo compartment cover, security alarm, remote start system, HomeLink® universal garage door opener, Uconnect® Phone and 115V auxiliary power outlet. Available on Laredo.

OFF-ROAD ADVENTURE GROUP I

Includes Skid Plate Group, Quadra Trac II®, Selec-Terrain™ vehicle management system, Hill Descent Control (HDC), tow hooks and full-size spare tire. Available on Laredo and Limited 4x4 models.

OFF-ROAD ADVENTURE GROUP II

Includes Skid Plate Group, Quadra-Drive® II (if equipped with V8 engine), Selec-Terrain vehicle management system, Quadra-Lift™ air suspension system, outline white-letter tires, tow hooks, 18-inch wheels on Overland.® Available on all 4x4 models.

TRAILER TOW GROUP

Includes Class 4 hitch receiver, 7- and 4-pin wiring harness, rear load-leveling shocks and full-size spare tire. Available on all models.

ADVANCED WARNING AND ADAPTIVE CRUISE CONTROL GROUP

Includes Forward Collision Warning⁽¹⁰⁾ Adaptive Cruise Control⁽⁷⁾ Blind Spot Monitoring⁽⁴⁾ and Rear Cross-Path Detection⁽⁵⁾ Limited models must have Luxury Group II. Available on Limited and Overland (late availability).

REAR DVD ENTERTAINMENT GROUP

Includes rear seat video screen, overhead console, power sunroof, SIRIUS Backseat TV,^{TM(6)} two wireless headphones and remote control. Available on Limited and Overland.

Safety and Security Features

- > ACTIVE HEAD RESTRAINTS⁽¹⁷⁾ — In the event of a rear collision, these restraints help to reduce the chance of injury for front occupants. Standard.
- > ADAPTIVE CRUISE CONTROL (ACC)⁽⁷⁾ — Automatically adjusts cruising speed to maintain a preset distance between your vehicle and the one ahead. Available.
- > AIR BAGS⁽²⁾ — Advanced multistage, full-length side-curtain, and seat-mounted side thorax air bag. Standard.
- > ANTILOCK BRAKE SYSTEM (ABS) — Prevents wheel lock up and offers improved steering when under extreme conditions. Rough road detection feature aids braking operation when traveling over off-road surfaces or trails. Standard.
- > BLIND SPOT MONITORING (BSM)⁽⁴⁾ — Dual radar sensors constantly monitor driver blind spots, providing notification of an encroaching vehicle via illuminating icons on sideview mirror and an audible chime. Available.
- > ELECTRONIC STABILITY CONTROL (ESC)⁽⁸⁾ — A network of sensors enhances driver control and helps maintain vehicle stability at all times, over all terrain. Robust system includes Electronic Roll Mitigation (ERM), antilock brake system (ABS) and Brake Assist, all-speed traction control, and Trailer Sway Control (TSC). Standard.
- > FORWARD COLLISION WARNING (FCW)⁽¹⁰⁾ — Radar sensors detect when vehicle may be approaching another too rapidly, alerting driver with an audible chime. Available.
- > HILL DESCENT CONTROL (HDC)⁽⁸⁾ AND HILL START ASSIST (HSA) — These brake control systems help to provide smooth and controlled uphill and downhill climbs. HSA – Standard, HDC – Available.
- > KEYLESS ENTER-N-GO — Upon entry, electronic sensors detect the presence of key fob unique to the vehicle and allow driver to push “Go” button to start ignition. Standard.
- > PARKSENSE® REAR PARK ASSIST SYSTEM⁽⁹⁾ — When in Reverse, sensors detect the presence of objects in backup pathway and provide an audible warning. Available.
- > PARKVIEW® REAR BACK-UP CAMERA⁽³⁾ — Provides a wide-angle view on NAV screen of the area behind vehicle. Available.
- > PASSIVE ENTRY — Sensors in key fob automatically unlock vehicle and allow entry without having to fumble for key ring. Standard.
- > RAINY BRAKE SUPPORT — During rainy conditions, helps keep brake rotors dry, allowing optimal brake operation. Standard. Late availability.
- > RAIN-SENSING WIPERS — Sensors automatically detect moisture on windshield and activate wipers. Available.
- > REAR CROSS-PATH DETECTION⁽⁵⁾ — When in Reverse, warns driver with an audible chime when cross-traffic is approaching vehicle. Available.
- > SENTRY KEY® ENGINE IMMOBILIZER — Vehicle is prevented from starting unless key fob containing a unique, embedded code is present. Standard.
- > SMARTBEAM™ HEADLAMPS — Bi-Xenon High-Intensity Discharge (HID) headlamps automatically adjust to oncoming traffic. Auto-leveling feature keeps lamps focused on the road ahead. Available.
- > TIRE PRESSURE MONITORING — Pressure sensors in tire valves allow for automatic detection and notification when tire pressure is low. Standard.
- > TRAILER SWAY CONTROL (TSC)⁽⁶⁾ — Improves handling in adverse conditions by automatically applying appropriate braking action to counteract swaying motion of trailer. Standard.

Technical Information

POWERTRAIN

Engine	3.6L V6 with VVT	5.7L V8 with MDS and VVT
Displacement (cu in)	290	345
Horsepower (SAE net @ rpm)	290 @ 6,400	360 @ 5,150
Torque (SAE net lb-ft @ rpm)	260 @ 4,800	390 @ 4,250
Axle Ratio	3.06:1	3.47:1

Fuel System Sequential multipoint electronic fuel injection.

Variable Valve Timing (VVT) VVT offers increased engine breathing throughout the rpm range by varying the degree that the valves open and close in conjunction with the piston position. Results are tangible: better performance, more efficient operation and increased torque for towing and hauling (3.6L and 5.7L).

Multi-Displacement System (MDS) Deactivates 4 cylinders (1, 4, 6, and 7) during steady speed cruising, low-acceleration and shallow-grade climbing conditions. (5.7L).

Transmission 5-speed automatic with Electronic Range Select, adaptive electronic control, Brake-Park Interlock and electronically modulated torque converter (3.6L); Multispeed automatic with 5 forward speeds, alternate second gear, Tow/Haul feature, Brake-Park Interlock and electronically modulated torque converter (5.7L).

CAPACITIES/WEIGHTS (pounds)

Base Curb Weight 2WD/4WD	4,470/4,660
Payload Capacity Max/Min (with all occupants and cargo)	2,030/1,580
Gross Vehicle Weight Rating	
3.6L V6	6,500
5.7L V8	6,800

TOWING DATA (pounds)

Gross Trailer Weight Rating ⁽²⁰⁾	
3.6L V6, 2WD/4WD	5,000/5,000
5.7L V8, 2WD/4WD	7,400/7,200
Tongue Load Limit Min/Max	350/1110

RESTRICTION: Trailer frontal area limitation of 64 sq ft; maximum trailer length of 30 ft (Class IV); Trailer Sway Control and low-profile mirrors are recommended. This chart is meant to serve as a quick and easy reference guide on how to properly equip your Jeep® Grand Cherokee for towing. For specific details, discuss your plans with your Jeep dealer, who will help you select the right equipment to meet your specifications.

BODY/SUSPENSION/CHASSIS

Body Design UniFrame construction: All-steel body sheet metal and frame structural members welded and bonded into a single unit.

Suspension
Front: Short/long arm (SLA) independent design with coil springs, gas-charged, twin-tube coil-over shock absorbers, upper and lower control arms (“A” arms) and stabilizer bar
Rear: Multilink rear suspension, coil springs, twin-tube shocks, aluminum lower control arm and independent upper links.

Steering Rack-and-pinion, power-assisted

Variable Ratio (center, full-lock) 18.9:1, 15.7:1

Turns (lock-to-lock) 3.67

Turning Diameter (ft), curb-to-curb 37.1

BRAKE SYSTEM

Front: Power-assisted disc brakes; 12.9-inch rotor diameter

Rear: Power-assisted disc brakes; 12.6-inch rotor diameter

Electronic Stability Control (ESC)⁽⁸⁾ 4-channel, 4-wheel antilock with active wheel-speed, vehicle-speed, steering wheel-angle, yaw-rate, and lateral-acceleration sensors, vehicle stability management with two-stage activation switch, all-speed traction control, Brake Assist, Electronic Roll Mitigation (ERM) and Electronic Brake Distribution (EBD)

EXTERIOR DIMENSIONS (inches unless otherwise specified)

Length	
Wheelbase	114.8
Overall Length	189.8
Width	
Overall Width/Body Width	84.8/76.3
Track front/rear	63.9/64.1
Height (Overall with roof rails)	69.4
Ground Clearance (Std. suspension/Air suspension OR2)	8.1/10.7
Approach Angle (Std. suspension/Air suspension OR2)	26.3°/35.9°
Departure Angle (Std. suspension/Air suspension OR2)	26.4°/29.2°
Breakover Angle (Std. suspension/Air suspension OR2)	19.0°/25.1°

INTERIOR DIMENSIONS (inches unless otherwise specified)

Seating Capacity	5 Adults
Head Room, front/rear	40.0/39.3
Leg Room, front/rear	40.3/38.6
Shoulder Room, front/rear	58.6/58.0
Hip Room, front/rear	57.0/56.5
Cargo Volume (cu ft), rear seat up/folded	36.3/68.3

Off-Road Capability

Available Four-Wheel-Drive Systems

QUADRA-DRIVE® II NV245 Active full-time; 2-speed with low range (2.72:1) and Neutral, variable with 48/52 front/rear default torque split, electronically controlled clutch pack coupling in center differential and rear Electronic Limited-Slip Differential (5.7L)

QUADRA-TRAC II® NV245 Active full-time; 2-speed with low range (2.72:1) and Neutral, variable with 48/52 front/rear default torque split, electronically controlled clutch pack coupling in center differential and open front/rear differentials (3.6L, 5.7L)

QUADRA-TRAC I® NV140 Full-time; single-speed with 48/52 front/rear torque split and open front, center, and rear differentials (3.6L)

Quadra-Lift™ Air Suspension

This closed-type air suspension system lifts you up to master the road ahead, allowing you to adjust your vehicle's suspension lift, thus augmenting your vehicle's capabilities far faster than open-type systems. The available Quadra-Lift adds up to 4.1 inches of lift, supported by four-corner air springs that help provide a cushioned, luxurious ride. Better yet: you control this ingenious system with the push of a button to match vehicle lift to the driver's needs. Welcome to a world that is far above and beyond the everyday.

Selec-Terrain™ Capability Control

With an easy turn of a dial, your Grand Cherokee's traction control is adjusted to match the driving conditions facing you on the road ahead. Whether you're caught amidst city streets covered in snow or climbing backcountry hills, available Selec-Terrain gives you the confidence to bravely meet all challenges. Five selectable settings electronically coordinate up to 12 of Grand Cherokee's powertrain, braking and suspension systems. Couple with the available and all-new four-corner Quadra-Lift, and you'll be at the forefront with Best-in-Class⁽¹⁾ Trail Rated® performance.

SPORT: Enhances on-road "Fun to Drive" capability.

SNOW: Adjusts for ultimate performance over snow-covered roads.

AUTO: Automatically adapts to any on- or off-road situation.

SAND/MUD: Traction control operates with aggressive response to wheel spin. The suspension raises for optimal performance.

ROCK: Quadra-Lift suspension raises to maximum height, and the transfer case, differential, and throttle coordinate to provide low-speed control.
