WE EXPLORE
THE WORLD
WITH PURPOSE
AND CREATE
PATHWAYS
ALL OUR OWN.

RENEGADE

WHY DO WE CALL IT JEEP® ACTIVE DRIVE? BECAUSE THESE TWO 4x4 SYSTEMS CAN ACTIVELY TRANSITION FROM 4x4 INTO FUEL-SAVING FRONT-WHEEL DRIVE (FWD) FOR A WELCOMED GAIN IN EFFICIENCY. JUST KEEP THE SYSTEM'S STANDARD SELEC-TERRAIN® DIAL IN AUTO MODE AND RENEGADE WILL SEAMLESSLY MATCH ITS JEEP ENGINEERED CAPABILITY TO ANY ROAD CONDITION. TURN THE DIAL TO ANY OTHER MODE, AND 4x4 CAPABILITY IS ALWAYS ENGAGED.

JEEP®

ACTIVE DRIVE 4x4*

CAPABILITY MEETS FUEL EFFICIENCY

20:1 CRAWL RATIO

*Available

Both Jeep® Active Drive systems can keep you moving forward, even when just one wheel has traction on the ground. When this occurs, each system will automatically and seamlessly adjust to thrust a portion of the engine's power to the wheel (or wheels) with ground contact. This allows Renegade to really grab on and keep you moving forward.

This single-speed unit sends power generated from the engine and transmission to the wheel that needs it the most. This helps create the system's enhanced traction and dynamic driving performance.

POWER TRANSFER UNIT

The class-exclusive³ disconnecting rear axle helps make Renegade one of the most fuel-efficient small 4x4 SUVs in its class. It can switch from 4x4 into FWD mode when Selec-Terrain® is in Auto mode, providing a noticeable uptick in mpg.

DISCONNECTING REAR AXLE

FEATURES

EASY COME:

Helps avoid roll-back when starting on steep inclines by keeping the brakes applied, giving you time to transfer your foot to the gas pedal. Standard.

EASY GO: HILL DESCENT CONTROL

Monitors throttle, speed and braking when gravity's pull wants to take over. Brakes are automatically applied for a safe and smooth descent. Exclusive on Trailhawk®.

20:1
CRAWL RATIO

JEEP ACTIVE DRIVE LOW
BEST-IN-CLASS² 4x4 CAPABILITY ON TRAILHAWK

Get tough on the ridges and rocks with Jeep Active Drive Low, a one-speed system featuring Hill Descent Control. Its gnarly low range delivers a Trail Rated® 20:1 crawl ratio. Exclusive on Trailhawk.

DIALED IN FOR ALL TERRAINS

No matter where you are, tackle Mother Nature's toughest conditions with the help of the available **Selec-Terrain® Traction Management System**, with the class-exclusive³ Selec-Terrain dial, standard on every Jeep® Active Drive 4x4 system. Five selectable settings help deliver safe and secure driving stability so you can explore the wonders of the world as you see fit. Choose from Auto, Snow, Sand and Mud modes, and exclusive on Trailhawk® – the addition of Rock mode. You'll dial in to authentic 4x4 capability that can take you to places others only dream of reaching.

LATITUDE SHOWN IN SNOW-COVERED COMMANDO

Achieves impressive performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems automatically managed in this mode include antilock brakes and traction control.

SNOW

Maximizes low-speed traction by allowing additional wheel slip via specifically tuned chassis controls, differentials and transmission ratios that are geared to successfully tackle mud.

MUD

AUTO

In Auto, Selec-Terrain® does all the work, automatically adjusting vehicle dynamics to gain fuel efficiencies, while allowing Renegade's performance to best suit the terrain.

This available mode exclusive to Trailhawk® delivers low-speed 4x4 capability thanks to its rear differential locking element. This allows Renegade to command the world's most challenging terrain.

ROCK

The system converts to a uniquely calibrated Sand mode that utilizes an aggressive throttle and up-shift points to tackle looser, sand-covered surfaces.

SAND

ROCK STAR

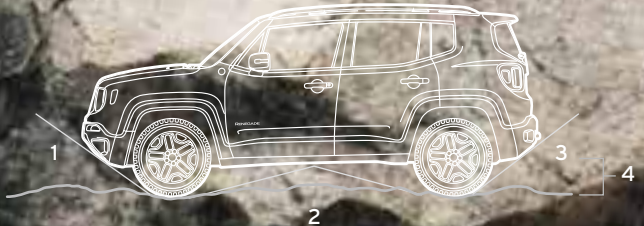

DO YOU KNOW WHERE YOU'RE CAPABLE OF GOING? JEEP® RENEGADE TRAILHAWK® TESTS YOUR WILL AND ALWAYS LETS YOU WIN. IT WAS PROVEN ON SOME OF THE WORLD'S MOST INTIMIDATING TRAILS, TO RISE ABOVE ALL THE REST. RENEGADE IS LIKE NO OTHER SMALL SUV ON THE PLANET, DESIGNED TO TAKE YOU TO BRAND-NEW HEART-POUNGING, TRAIL RATED® HEIGHTS.

READY-TO-PLAY STANDARD FEATURES:

- BEST-IN-CLASS² 4x4 CAPABILITY WITH JEEP® ACTIVE DRIVE LOW AND A 20:1 CRAWL RATIO

MY SKY™

CLASS-EXCLUSIVE³
OPEN-AIR SUNROOF SYSTEM

LATITUDE SHOWN IN COLORADO RED

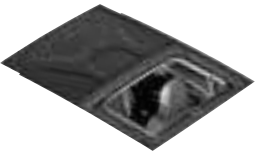

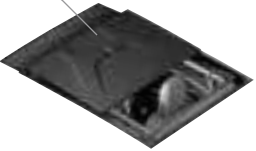

SEE MORE OF EVERYTHING IT'S MORE THAN A SUNROOF. THE AVAILABLE MY SKY™ CLASS-EXCLUSIVE³ OPEN-AIR SUNROOF SYSTEM CONSISTS OF TWO EASILY REMOVABLE⁶ PANELS, OPTIMALLY SIZED FOR FLAT STORAGE IN THE CARGO AREA. PANELS ARE LIGHTWEIGHT, STRONG AND HELP MAINTAIN CABIN ACOUSTICS. MY SKY OPENS UP YOUR WORLD AND BRINGS IT ALL IN.

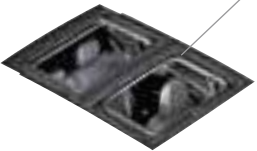

LATITUDE SHOWN IN TWO-TONE BLACK/SANDSTORM CLOTH

— MY SKY™ OPEN-AIR SUNROOF SYSTEM —

This available option lets you open My Sky with the push of a button. It operates like a traditional sunroof system, allowing fore and aft ventilation. When power is not needed, both panels can be manually removed.⁶

ARE EMBOSSED WITH A STRENGTH-ENHANCING X-FORM AND MADE OF A COMPOSITE HONEYCOMB STRUCTURE FOR EXCELLENT ACOUSTIC QUALITIES, RIGIDITY AND LIGHTWEIGHT REMOVAL.⁶

For a full-on fresh-air experience, this available option lets you manually take both panels off. Each panel weighs a mere 10 pounds and can be easily taken off and replaced by one person.

Open the front panel to give the driver and front passenger a dose of fresh air. For manual panel removal⁶ the vehicle must be parked. A special key attached to the fob unlocks and releases the panels so they can be lifted out.

When you remove the My Sky panels, slip them into their own special storage bag. It helps protect them from damage and fits nicely into the rear cargo area.

- 2.4L TIGERSHARK® ENGINE

- ARTFUL AERODYNAMICS
- LIGHTWEIGHT HIGH-
STRENGTH STEEL
- UNIBODY STRUCTURE

IT'S A BEAUTIFUL THING: POWERFUL DRIVE COMBINED WITH
A STRONG RESPONSIBILITY TO DELIVER A CONSISTENTLY
EFFICIENT PERFORMANCE. ALL OF IT WRAPPED IN A BODY THAT
DEMANDS TO BE APPRECIATED - STUNNING AT EVERY TURN.

LATITUDE SHOWN IN BLACK

IT'S DESIGNED
TO TAKE YOU FAR
IN MORE WAYS THAN ONE

A meticulously sculpted exterior helps Renegade cut through the air with minimal drag to provide yet another boost to its efficient performance.

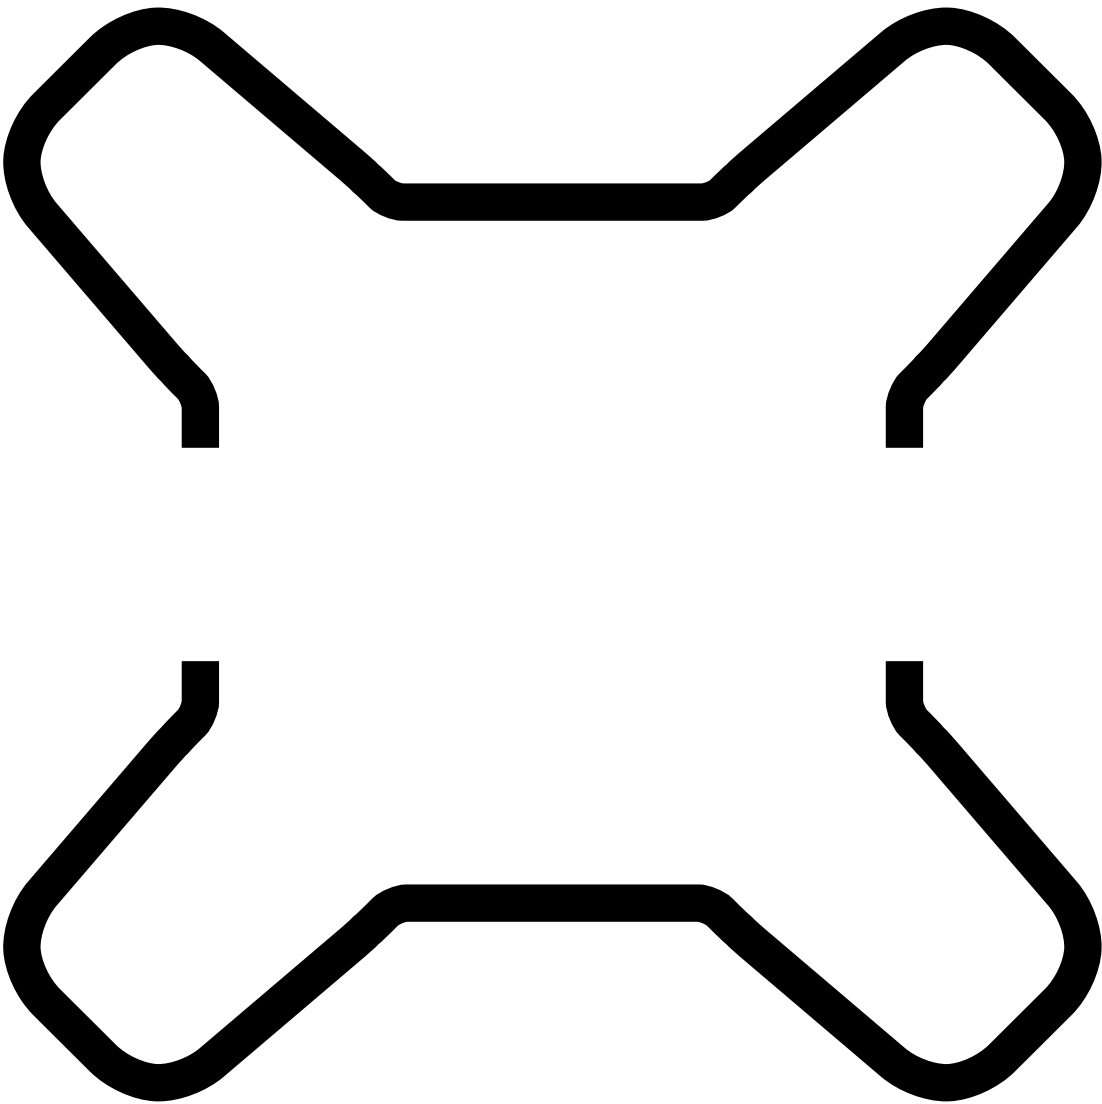

AERODYNAMICS

Renegade's profile is authentically rugged and athletic. Its unibody frame is comprised of a hybrid mix of lightweight materials, including aluminum, magnesium and high-strength steel, which aids efficiency, while helping to reduce cabin noise and adding a solid measure of safety.

28/29 EFFICIENCY

LATITUDE SHOWN IN SOLAR YELLOW

9-SPEED AUTOMATIC TRANSMISSION An exclusive³ offering in the small SUV arena, this available automatic transmission operates with precision when it's matched to the 2.4L Tigershark[®] engine. Its fine-tuned 9.79 ratio spread between gears ensures quick takeoffs and consistently refined performance with exceptional efficiencies through all gears at all speeds.

6-SPEED MANUAL TRANSMISSION Matched with the 1.4L MultiAir[®] Turbo engine, this manual transmission is able to transmit high maximum torque values and aids efficiency, moving through shifts with smooth gear transitions. Cabin noise is kept to a minimum.

1.4L MULTIAIR® TURBO ENGINE

MultiAir technology utilizes electrohydraulic valves for more direct control of air and combustion, improving power up to 10 percent*, fuel efficiency up to 10 percent* and torque up to 15 percent*. Emissions, in turn, are cut an impressive 40 percent*.

HORSEPOWER

160

TORQUE

184 LB-FT

2.4L TIGERSHARK® ENGINE

Acclaimed for its unique and efficient valve-lift system, the Tigershark incorporates a column of oil flow with precise control of intake valve events. This I-4 burns clean, improves fuel efficiency and reduces emissions with a quiet and refined ride.

HORSEPOWER

180

TORQUE

175 LB-FT

PULL A TON OF TOYS Outfit Renegade with the optional Trailer Tow Group and own bragging rights to 2,000 lb best-in-class³ towing capability. You'll get a Class III hitch receiver and a 7- and 4-pin wiring harness (requires 2.4L engine). It's a must-have option for everyone who's got the stuff that makes doing stuff a lot more fun.

Properly secure all cargo. *Percentages based on averages when compared to "non-MultiAir" equipped engines.

LATITUDE SHOWN IN SIERRA BLUE

360° PROTECTION

RENEGADE OFFERS MORE THAN 70 AVAILABLE SAFETY AND SECURITY FEATURES. MANY OF THEM CAN BE VIEWED AND CONTROLLED THROUGH THE DRIVER INFORMATION DISPLAY (DID) ON RENEGADE'S INSTRUMENT PANEL.

PEACE OF MIND BEGINS WITH SEVEN STANDARD AIR BAGS⁷ Your sense of security is fully met with Renegade's all-around air bag⁷ system. Full-length front and rear side-curtain, driver inflatable knee bolster, seat-mounted side for front occupants, and advanced multistage driver and front passenger air bags⁷ all work in tandem to help provide encompassing protection. Standard.

ELECTRONIC STABILITY CONTROL (ESC)⁸ A vehicle-wide network of safety sensors provide instant aid should they detect you're veering off your intended path. ESC⁸ coordinates Electronic Roll Mitigation (ERM), Hill Start Assist (HSA), antilock brake system (ABS) and Brake Assist, all-speed traction control and Trailer Sway Control (TSC)⁸ sending them into action when needed. Standard.

UCONNECT[®] VOICE COMMAND⁴ Allows driver to safely send, reply to or listen to a text, take or make phone calls, request detailed information like fuel prices, get navigation directions and more while keeping both hands on the wheel. Available on Bluetooth[®]-compatible smartphones.

TRAILER SWAY CONTROL (TSC)⁸ Crosswinds and traffic hold no sway over you and your payload. As part of ESC⁸, TSC⁸ helps keep you and the toys you are towing safely on course. Standard.

CHASSIS STRENGTH Renegade delivers exceptional peace of mind with a hero's heart – a strong unibody structure is constructed with nearly 70 percent high-strength steel. Standard.

ELECTRONIC ROLL MITIGATION (ERM) As an extension of ESC⁸, ERM employs ESC⁸ sensors to anticipate potential risk situations. If things get rough, ERM takes immediate action to help you maintain stability and remain under control. Standard.

UCONNECT ACCESS⁹ WITH 9-1-1 CALL¹⁰ AND ROADSIDE ASSISTANCE CALL¹¹ A direct connection to help is right at hand with Uconnect Access⁹, the next benchmark in emergency vehicle assistance. Two buttons on the overhead console offer connections to a 9-1-1 call center¹⁰ or press "Assist" to quickly summon roadside help.¹¹ Available.

PARKSENSE[®] REAR PARK ASSIST SYSTEM¹² Renegade can help you park and back out with grace. This available system uses rear ultrasonic sensors to determine relative distance. Readouts in the DID notify the driver of rear object proximity.

PARKVIEW[®] REAR BACK-UP CAMERA¹² Back out safely with grace. This system helps bring previously hidden rear objects to your attention, on-screen in good time to react. Dynamic grid lines help guide the driver by bending with the degree of steering. Available. Requires Uconnect 5.0 or 6.5AN radio.

BLIND SPOT MONITORING (BSM)¹³ AND REAR CROSS-PATH DETECTION¹² These sentry systems constantly monitor the space between you and other drivers via dual wideband radar sensors located in the rear quarter panels. When a side or rear blind spot is encroached, you're notified via illuminated icons on sideview mirrors. Rear Cross-Path Detection¹² notifies you of vehicles crossing your path when in Reverse or backing out of a parking space. Available.

LANESENSE[®] LANE DEPARTURE WARNING (LDW) PLUS¹⁴ The vehicle's lane position is monitored by a camera mounted near the rearview mirror and, should the driver drift outside of lane boundaries and no turn signal is applied or if the driver's hands are off the wheel, a visual warning through the Driver Information Display (DID) is given and steering-wheel movement is felt. Available.

FORWARD COLLISION WARNING (FCW) PLUS¹⁵ Radar sensors detect when Renegade may be approaching another vehicle too rapidly and send an audible and visual alert along with a brake jerk if the driver does not react in time. Includes Advanced Brake Assist (ABA), which increases brake pressure if the driver isn't braking enough, and the Collision Mitigation System (CMS) reacts if the driver doesn't, which will actuate the brake system to avoid a collision. Available.

THE RIGHT FIT

JEEP® RENEGADE TAKES ON THE WORLD OF THE SMALL SUV IN A BIG, NEW WAY. ITS AUTHENTIC DESIGN EARNS THE RIGHT TO WEAR THE LEGENDARY JEEP BRAND BADGE. WITHIN RENEGADE'S CABIN YOU'LL FIND AN INTERIOR THAT'S VERY ROOMY AND FULLY UPLOADED WITH ALL THE LATEST TRICKS. CLIMB INSIDE, GET COMFORTABLY PLUGGED IN, AND CONNECT TO A WHOLE LOT OF FUN.

1 TEEMING WITH TECH

Renegade sets you up with popular options like a premium 6.5-inch touchscreen audio system with navigation, Uconnect® hands-free⁴ communication and texting, and an available 7-inch full-color Driver Information Display (DID) cluster that puts an array of vehicle stats on your dashboard. One standard USB port and another is available, so you can power up a number of devices.

2 INTERIOR TEK-TONIC FASHION

This unique cabin is designed with an array of textures, fabrics, soft-touch surfaces, and bezel and trim surrounds that add a kick of anodized color. Available leather-trimmed seats are contoured and cushioned for cruising, and accented with eye-catching contrasting stitching.

3 MADE TO HANDLE IT ALL

Your Jeep® brand steering wheel arrives with standard steering wheel audio controls and available stitch-accented leather wrapping, with buttons for available cruise, voice and phone control. You'll have hands-free⁴ access to vehicle performance data, and much more, too. Front seat passengers can take hold of the grab handle, taken straight from Wrangler's legendary playbook.

TRAILHAWK® SHOWN IN BLACK LEATHER TRIM WITH RUBY RED ACCENTS

ROOM TO BREATHE

HEAD AND
BEST-IN-CLASS³
SHOULDER
ROOM

Contoured seats give you cushion where it counts, with a standard six-way adjustable driver seat and four-way adjustable front passenger seat. Upgrade to an eight-way power-adjustable driver seat with four-way power lumbar adjustment, for exceptionally comfortable adventures. Renegade makes a big space for head and shoulder room, so no one feels too boxed in. Rear-seat foot room is helped by wide front-seat tracks.

COMFORT

FRONT AND CENTER INSTANTLY ACCESS A RANGE OF USEFUL INFORMATION FROM AN AVAILABLE 7-INCH FULL-COLOR DRIVER INFORMATION DISPLAY (DID) COMPRISED OF A THIN FILM TRANSISTOR (TFT) LIQUID CRYSTAL DISPLAY (LCD) ON YOUR INSTRUMENT CLUSTER. FROM NAVIGATION TO SAFETY ALERTS, AND FROM FUEL USAGE TO SELEC-TERRAIN® DATA, RENEGADE'S RECONFIGURABLE DISPLAY LETS YOU CUSTOMIZE WHAT YOU SEE.

GET A GRIP

MORE THAN COMFORT AND CONVENIENCE JEEP® RENEGADE HAS THE POWER TO HELP YOU FEEL SAFER, BETTER INFORMED AND EXCEEDINGLY COMFORTABLE. IT'S A CONCEPT WELL WORTH GRASPING.

DUAL-ZONE CLIMATE CONTROL Dual-Zone Automatic Temperature Control (ATC) constantly adjusts the air temperature inside the cabin to create a customized environment. Available.

POWER/HEATED SIDEVIEW MIRRORS Keep snow and ice from disturbing your view – it will just melt away. You can easily adjust your mirrors from inside the cabin, as well. Available.

HEATED FRONT SEATS These automatically warmed front seats will warm your heart. Both passenger and driver have two selectable settings that provide just the right amount of heat where it really counts. Available.

KEYLESS ENTER 'N GO™ No more fumbling for keys to get going. Keep the key fob in your purse or pocket and you can simply grab the door handle, climb in, press on the brake, press a button and shift into "GO." Available.

REMOTE START Just press the button on your key fob a few minutes prior to takeoff, from as much as 200 feet away. You're ready to roll with a nicely heated or cooled cabin. Available.

WINDSHIELD WIPER DE-ICER When Mother Nature gets seriously cold and snowy, a specially placed interior heating element keeps your wipers free of slush so they can keep doing their job. Available.

HEATED STEERING WHEEL Nothing beats the instant warmth you feel when your hands grab a leather-wrapped heated steering wheel in winter's cold. Available.

ALL-SEASON FLOOR MATS Keep mud, rain and snow at bay with full-coverage, carpeted protection.

COLD WEATHER GROUP

When the temps take a turn, stay safe and warm with this bundle of play-all-day essentials.

1 VOICE COMMAND⁴ CONTROL Pair your Bluetooth® enabled phone and you can use your voice to safely make phone calls. And, depending on selected options, you can use this button to speak to select radio stations or SiriusXM^{®16} satellite channels, help receive, dictate and send text messages,¹⁷ control the navigation system, set cabin temps and more.

2 DRIVER INFORMATION DISPLAY (DID) CONTROL Whether you have the 3.5-inch monochrome display shown (standard on Sport and Latitude) or the 7-inch full-color display (standard on Trailhawk® and Limited), fingertip operation scrolls you through a rich selection of vehicle data.

3 CRUISE CONTROLS Accelerate, slow down or set a specific speed with the press of a button.

A person holding a surfboard stands on a grassy dune, looking out over a sunset. A silver SUV is parked on a winding path that leads up the dune. The sky is a mix of orange and brown, with some clouds. The overall mood is adventurous and serene.

**THE SPIRIT
OF ADVENTURE
LIVES OVER EVERY RIDGE,
DOWN EVERY ROAD,
AROUND EVERY CORNER.**

(1) Most Capable Small SUV Ever is based on historical U.S. unibody B-SUV segment competitors as identified by *Ward's* Auto Small Crossover and Small SUV segments (years 1985–2014). 4x4 capability based on Jeep B-SUV offering low-range power transfer unit (PTU) with 20:1 crawl ratio, low-range 4x4 capability. (2) BIC 4x4 capability based on Jeep Renegade offering low-range power transfer unit (PTU) with 20:1 crawl ratio, low-range 4x4 capability. (3) Jeep's "small SUV" sub-segmentation based on small SUV and small crossovers as defined by SIR: 4x4 and AWD SUV. (4) Requires a mobile phone equipped with the Bluetooth® Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. (5) Do not attempt water fording unless depth known to be less than 20 inches. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (6) Be sure to follow all instruction in the Owner's Manual for removal of top, doors and lowering of windshield. Driving with doors off and windshield down is for off-road use only. (7) The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (8) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. (9) Uconnect Access is available only on equipped vehicles purchased within the contiguous United States plus Alaska. Services can only be used where cellular coverage is available, see coverage map for details. For a complete list of Uconnect Access services, please visit http://www.driveuconnect.com/features/uconnect_access/packages/. Vehicle must be registered for Uconnect Access service and fulfill minimum subscription requirements. (10) The 9-1-1 Call button will connect you directly with Emergency Assistance. If you accidentally press the button, you have 10 seconds to cancel the call by either pressing the 9-1-1 button on the rearview mirror or the Cancel button on the Uconnect touchscreen. (11) Provides direct-dial access to Roadside Assistance Service. Vehicle must be within the United States, have network coverage and be registered with Uconnect Access with an active subscription that includes the applicable feature. Additional Roadside Assistance charges may apply. Check warranty for details. (12) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (13) Always check visually for vehicles prior to changing lanes. (14) LDW is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. (15) FCW system is solely an alert system for the front of the vehicle which does not take any actions to change vehicle dynamics to avoid a collision, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. (16) SiriusXM audio and data services each require a subscription after the trial included with the new vehicle purchase, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com.** All fees and programming subject to change. (17) Voice Text Reply and Voice Texting features require a compatible mobile device enabled with Bluetooth® Message Access Profile (MAP). iPhone and some other smartphones do not currently support Bluetooth® MAP. Visit www.UconnectPhone.com for system and device compatibility. Ensure MAP is ON and incoming message notification is enabled. Vehicle must be registered for Uconnect® Access service and you must fulfill minimum subscription requirements. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth®. Check UconnectPhone.com for device compatibility. (18) WiFi subscription required. Vehicle must be registered with Uconnect Access service and fulfill minimum subscription requirements. Vehicle must be properly equipped and in active and usable cellular range for WiFi usage. WiFi Hotspot does not enable direct communication between multiple in-vehicle devices. Factors affecting the performance of WiFi Hotspot include: cellular network, signal strength and quality, time of day, number of channels used by the service provider, type of connection, number of clients using WiFi Hotspot and client device. This feature is not intended for use by the driver while the vehicle is in motion. Always drive safely. (19) The SiriusXM Travel Link data displays and individual product availability vary by vehicle hardware. Not all vehicles or devices are capable of receiving all Travel Link services offered by SiriusXM; Weather Forecast. Current Conditions may not be available in all locations and features of individual systems will vary. Images shown are for representative purposes only and are not real products. For actual features and images of real products, consult the vehicle manufacturer. SiriusXM is not responsible for any errors or inaccuracies in the SiriusXM Travel Link services or their use. Our satellite service is available only to those at least 18 and older in the 48 contiguous U.S.A. and DC. Our Sirius satellite service is also available in PR (with coverage limitations). Our Internet radio service is available throughout our satellite service area and in AK and HI. (20) Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must also be properly equipped and in an active and usable cellular range. Theft Alarm Notification is only available on factory-installed alarms. If you have this feature and have reported your vehicle as stolen to an appropriate law enforcement agency, Uconnect will try to locate your vehicle after receiving proper documents and once law enforcement contacts Uconnect Customer Care. Uconnect may refuse to locate your vehicle if you do not provide the requested information or documents. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own. (21) If you have this feature and have reported your vehicle as stolen to an appropriate law enforcement agency, Uconnect will try to locate your vehicle after receiving proper documents and once law enforcement contacts Uconnect Customer Care. Uconnect may refuse to locate your vehicle if you do not provide the requested information or documents. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own.
