ROOM IN SIGHT. THIS
REVOLUTIONARY LIFE
IS ON ITS OWN TIME,
FORGED WITH A FORCE
THAT'S FEARLESS. NEVER
BACK DOWN. TODAY
IS DRIVEN BY GAME-
CHANGING FREEDOM.

TRAILHAWK® IN OMAHA ORANGE

A white Jeep Renegade is driving on a concrete bridge with a black metal railing. The bridge spans a body of water. The car is positioned in the middle of the frame, moving towards the right. The background shows a clear blue sky and the water below the bridge.

GETTING TO THE GOOD PLACE.

Calling all freedom-seekers, rebels and one-of-a-kind-ers. Discover your dreams as well as the mindset to get there, on your own time and in your own way. That's what happens when Jeep® Renegade® arrives. It's made to stand out and stand up to the challenges of every road taken. Renegade makes the grade with an efficient performance that lets you honor your budget as well as your principles. A handful of technology-driven features keep you connected to the world and always in control, on busy city streets and over tough trails, through snow, ice, mud and sand. Its right-sized footprint won't feel overbearing. Its well-sized interior feels spacious enough to afford you and your passengers plenty of room to move when the music moves you, plus you can configure seating arrangements to haul the gear you need for whatever you need to do. Realize all the excitement in your life, in any and every direction, with Jeep Renegade.

LIMITED IN ALPINE WHITE

GO FOR THE BIGGER STRETCH. Renegade's enticing interior encourages creativity by offering available soft and supple leather-trimmed seats with contrast stitching, or go for attractive cloth trim that utilizes a heavy-duty mesh fabric featuring subtle Jeep® Brand logos woven throughout. Storage abounds with utilitarian cubbies and pockets and a nicely sized locking glove box. Limited's standard Passive Entry and Remote Start System lets you pocket your key fob permanently. Just pull on the door handle, take a seat, push the start button and get out there. The available power-adjustable driver's seat lets you find just the right fit, while the front passenger can grab hold of the traditional Jeep Brand grab handle if things get real exciting.

DARE TO GO

WINTER'S MAGICAL
TRANSFORMATION.
HEAD FOR THE FRESH,
THE EXTRA, THE
EXCEPTIONAL. PLAY
BIG IN THE WORLD.
AND, JUST LIKE A
RENEGADE, LIVE FREE.

LATITUDE IN GLACIER METALLIC

FREEDOM FEEDS THE SOUL. With Jeep® Renegade®, you're free to choose from two available 4x4 systems that can actively transition from 4x4 into fuel-saving front-wheel drive (FWD) for a smart gain in efficiency. Both will keep you moving forward, even when only one wheel has traction. The disconnecting rear axle seamlessly transitions from 4x4 into FWD and back again, allowing capability and efficiency to take turns driving in the limelight. Only on the Trail Rated® Renegade Trailhawk® model can you find Jeep Active Drive Low, with Hill Descent Control and a 20:1 crawl ratio. This rock-climber gives you so much power and freedom, you may reach the mountaintop and opt to stay.

TRAILHAWK® INTERIOR IN BLACK MATRIC TOPOGRAPHIC CLOTH WITH ANODIZED RUBY RED ACCENTS

STAND FOR SOMETHING.

A true Renegade knows what matters, and in the chill of winter, that means traveling in a warm, cozy ride. There's no better way to express this opinion than with Renegade®'s available Cold Weather Group,* a package of features bundled together in one easy-to-option bunch for Latitude and Trailhawk® models. We're talking about heated front seats and fully heated steering wheel, rain-sensitive windshield wipers† and a windshield wiper de-icer. For models with the 1.4L MultiAir® Turbo engine, an auxiliary heater booster helps generate warmth quickly. The Passive Entry Remote Start Package is a must-have that adds another level of convenience when you option the Cold Weather Group along with the 2.4L Tigershark® engine.

*Requires Passive Entry Remote Start Package. †Standard on Trailhawk.

BE FEARLESS. BELIEVE.
WHEN FACED WITH THE
RUSH OF A CHALLENGE,
TAKE HOLD OF WHAT'S
INSIDE AND GO FORWARD
WITH PURPOSE, LIKE A
TRUE RENEGADE.

TRAILHAWK® IN GLACIER METALLIC

MAKE LIFE MORE LIFELIKE.

Renegade® offers up to 70 standard and available safety and security features, all designed to deliver welcomed peace of mind. When you need them, they're there, including Blind Spot Monitoring (BSM)¹² and Rear Cross-Path Detection¹¹ that let you know what's outside your line of vision, LaneSense® Lane Departure Warning (LDW+) with Lane Keep Assist¹³ that helps keep you in line and in your lane. Full-Speed Forward Collision Warning (FSFCW+) with Active Braking¹⁴ – it reacts quickly to apply a brake warning should its monitors sense a potential collision. Electric Park Brake keeps Renegade in a stopped position on slopes without needing to engage a brake pedal or work an emergency hand brake.

TRAIL RATED® TRAILHAWK®.

You've always wanted to head deep into the hills and set up camp for a week or two. Get going with Renegade® Trailhawk®. Load up with your best backwoods gear, plus a buddy or two. Everything you need fits into Trailhawk's spacious 118.6-cu-ft configurable interior with a 60/40 split-folding rear seat, and roof rails ready for a packable rack. This hill-climber is your carry-all, carry-anywhere, arriving equipped with authentic capability that virtually stops at nothing to take you to your favorite off-road location. With Jeep® Active Drive Low 4x4 and Selec-Terrain® Traction Management System, you're ready to experience everything.

LONG DAYS OF
SUMMER. A DE
FACTO DESTINATION.
SO, GO FIND YOURSELF:
YOU'RE IN THE MIDDLE OF
SOMETHING BIG. SPEAK
YOUR MIND, MAKE A
DIFFERENCE: WORDS HAVE
SUCH ENORMOUS POWER.
SUDDENLY, YOU'VE
STARTED SOMETHING: YOU
CAN CHANGE EVERYTHING.

TRAILHAWK® IN SOLAR YELLOW

EYE OF THE CAMERA. With its touchscreen display and Integrated Voice Command⁵ with Bluetooth[®], the available Uconnect[®] 6.5 NAV or Uconnect 5.0 radio gives you so many opportunities to connect. The system hands over the use of its screen to a helpful safety feature when your vehicle is in Reverse: the ParkView[®] Rear Back-Up Camera¹¹ with Dynamic Grid Lines. When ParkView is in play, it can let you see objects and areas that might be hazardous. Additionally, rear ultrasonic sensors in Renegade's available ParkSense[®] Rear Park Assist System¹¹ determine relative distance of objects when parking or backing out. Read-outs in the 3.5-inch or available 7.0-inch Driver Information Display (DID) assist you in avoiding an obstacle. That's Renegade's heroism in action.

SEE MORE OF EVERYTHING.

It's more than a sunroof. It's a life refresher. It's a happiness catcher; a moonbeam reflector. The available My Sky® Open-Air Sunroof System consists of two easily removable¹⁵ panels that conveniently store in the cargo area. These lightweight panels are strong and secure when in place, so good cabin acoustics are maintained. With the power retractable option, you can open up your world with the easy touch of a button, just like a traditional sunroof system, allowing fore and/or aft ventilation on the front panel. Available High Intensity Discharge (HID) headlamps shine bright for greater visibility and the Auto High-Beam Headlamp Control dims for oncoming traffic. Available cornering fog lamps project light where it's most useful when making turns.

AUTHENTIC CAPABILITY MAKES
EVERY SEASON LEGENDARY.

LATITUDE WITH CLOTH SEATING IN BLACK/SANDSTORM

TRAILHAWK® IN ANVIL

CAPABILITY

1] SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM Every Renegade® equipped with an available 4x4 system arrives with a Jeep® Selec-Terrain® Traction Management System. It offers a variety of settings that deliver ultimate driving stability by coordinating various vehicle systems, including throttle control, transmission shifting, transfer case, traction control and Electronic Stability Control (ESC).⁷ Choose from up to five sure-footed modes: Auto, Snow, Sand, Mud and, exclusively on Trailhawk®, Rock.

2] TRAIL RATED® Every Jeep vehicle bearing a Trail Rated® badge is designed and built to Go Anywhere, Do Anything® and perform with exceptional 4WD capability. Each must successfully pass five performance test categories: Traction, Articulation, Maneuverability, Ground Clearance and Water Fording.¹⁶

3] JEEP® ACTIVE DRIVE This fully automatic and available 4WD system features a single-speed PTU that combines authentic Jeep Brand-engineered capability with welcome efficiencies. It can seamlessly move into FWD from 4WD, and out of 4WD at any speed, thanks to the system's rear axle disconnect that operates in tandem with Renegade's available Selec-Terrain Traction Management System's Auto mode. Under normal driving conditions, the front wheels provide most of the traction. If the front wheels begin to lose traction, power is shifted automatically to the rear wheels, giving you the ability to master difficult terrain at a moment's notice without needing to push any additional buttons or switches.

JEEP ACTIVE DRIVE LOW Get tough on the ridges and rocks with Jeep Active Drive Low, a one-speed system featuring Hill Descent Control. Its gnarly low range delivers a Trail Rated 20:1 crawl ratio. Exclusively on Trailhawk.

4] 2.4L TIGERSHARK® I-4 ENGINE Acclaimed for its unique and efficient valve-lift system, the available Tigershark® incorporates a column of oil flow with precise control of intake valve events. This I-4 burns clean, improves fuel-efficiency and reduces emissions with a quiet and refined ride.

5] 1.4L MULTIAIR® TURBO ENGINE MultiAir® technology utilizes electrohydraulic valves for more direct control of air and combustion, improving power up to 10 percent,* fuel-efficiency up to 10 percent* and torque up to 15 percent.* Emissions, in turn, are cut an impressive 40 percent.*

9-SPEED AUTOMATIC TRANSMISSION This available automatic transmission operates with precision when it's matched to the 2.4L Tigershark engine. Its fine-tuned 9.79 ratio spread between gears ensures quick takeoffs and consistently refined performance with exceptional efficiencies through all gears at all speeds.

PULL A TON OF TOYS Outfit Renegade® with the optional Trailer Tow Group and own bragging rights up to a 2,000-lb towing capacity. You'll get a Class III hitch receiver and a 4-pin wiring harness (requires 2.4L engine). It's a must-have option for everyone who's got the stuff that makes doing stuff a lot more fun.

6-SPEED MANUAL TRANSMISSION Matched with the 1.4L MultiAir Turbo engine, this standard manual transmission is able to transmit high maximum torque values and aids efficiency, moving through shifts with smooth gear transitions. Cabin noise is kept to a minimum.

EFFICIENT FROM ALL ANGLES Renegade's profile is authentically rugged and athletic. Its unibody frame is comprised of a hybrid mix of lightweight materials, including aluminum, magnesium and high-strength steel, which aids efficiency, while helping to reduce cabin noise and adding a solid measure of safety.

HILL START ASSIST Helps avoid rollback when starting on steep inclines by keeping the brakes applied, giving you time to transfer your foot to the gas pedal. Standard on all models.

HILL DESCENT CONTROL Monitors throttle, speed and braking when gravity's pull wants to take over. Brakes are automatically applied for a safe and smooth descent. Exclusively on Trailhawk®.

1] TEK-TONIC STYLE This unique cabin is designed with an array of textures, fabrics, soft-touch surfaces and anodized color trim. Available leather-trimmed seats are contoured and cushioned for cruising, accented with eye-catching contrast stitching. An available eight-way power-adjustable driver's seat with four-way power lumbar adjuster adds further customization.

MADE TO HANDLE IT ALL The steering wheel offers standard audio controls and available stitch-accented leather wrapping, with buttons for available cruise, voice and phone control. Front-seat passengers can take hold of the grab handle, taken straight from Wrangler's legendary playbook.

2] TEEMING WITH TECH Innovation is everywhere you turn thanks to this available premium 6.5-inch touchscreen radio system with navigation, Integrated Voice Command⁵ with Bluetooth[®] and texting!¹⁷ and an available 7-inch full-color Driver Information Display (DID) cluster that puts an array of vehicle stats on your dashboard. One USB port is standard and another is available to power devices.

3] BEATSAUDIO™ 9-SPEAKER PREMIUM SOUND SYSTEM Enjoy studio-quality sound from nine top-line speakers, including a 6.5-inch subwoofer in the rear. This eight-channel performance sound system pumps out 506 watts of power that can definitely make your presence known.

OPEN-AIR

MY SKY® OPEN-AIR SUNROOF SYSTEM Way more than a sunroof, the available My Sky[®] allows you to see more of everything. The system consists of two easily removable¹⁵ panels, optimally sized for flat storage in the cargo area. Panels are lightweight, strong and help maintain cabin acoustics. Each weighs a mere 10 pounds and can be easily taken off and replaced by one person. My Sky opens up your world and brings it all in.

> The available power retractable option operates like a traditional sunroof, allowing fore and aft ventilation of the front panel.

> Both available versions let you manually remove¹⁵ both front and rear panels for a full open-air experience.

> When you remove¹⁵ the My Sky panels, slip them into the included protective storage bag, which fits perfectly into the rear cargo area.

CONTROLS

RADIO There are no cords at this station. But we've got just about everything else, including 150 channels of the best satellite radio content. With exclusive entertainment, sports, comedy, news and commercial-free music, when SiriusXM® meets Uconnect® it really sings. Additionally, stream from your desktop or download the free SiriusXM app on your smartphone or tablet and enjoy All-Access¹⁹ when out of your Jeep® Brand vehicle. It's all included in your first-year trial.

PHONE Prioritize different phones so multiple drivers can connect and call. Uconnect syncs with your compatible phone's contacts²⁰ allowing you to call by name and view your contact's name on the touchscreen display. Music drops for driving directions and incoming calls, then returns on cue.

INTEGRATED VOICE COMMAND⁵ WITH BLUETOOTH[®] Access a favorite playlist on your music player or USB drive with simple voice commands. Ask for directions to a certain address. Or make a call. No problem. Uconnect Voice Command⁵ and Bluetooth help you to keep your hands on the wheel and eyes on the road while you keep moving.

APPS Our list of apps keeps growing. YELP®* will find it for you. Looking for a burrito joint that is open? A restaurant nearby? A boutique to buy a new pair of jeans? YELP® is here to help. Use it to search for places to eat, shop, relax and play.

NAV Enter your destination with just your voice – the route is calculated in seconds, and displayed on the spacious 6.5-inch touchscreen. Then, get turn-by-turn audio directions, so your eyes can stay devoted to the road. SiriusXM® Traffic¹⁹ will inform and reroute you at your choosing. You can even look up local fuel prices and weather using SiriusXM Travel Link.¹⁹

WI-FI¹⁸ Expand your options by turning your vehicle into an on-demand Wi-Fi Hotspot.¹⁸ Purchase by day, month, or year, after you register for Uconnect® Access®. Simply turn on your signal, connect your devices and go. Available.

CONTROLS Via the touchscreen, you can adjust your seat, select a new music station or make a call. So sit back, get comfortable, and experience all the ways Uconnect makes the ride more enjoyable.

THIS AVAILABLE SUITE OF FEATURES AND SERVICES IS THE NEXT GENERATION OF IN-VEHICLE CONNECTIVITY, WITH THE EASE OF INTEGRATED VOICE COMMAND⁵ WITH BLUETOOTH[®] AND FINGERTIP CONTROL.

*Certain features are not available while the vehicle is in motion.

UTILITY

1] VERSATILE CARGO AREA Renegade® is always ready to accommodate all kinds of cargo and passenger configurations via its 118.6-cu-ft interior volume and available 40/20/40 split-folding rear seat with pass-through. Turn down the “40/20” sections to carry a good amount of stuff in the back, leaving the remaining “40” section open for that much-needed third passenger – the one who’s willing to carry the heavy loads.

2 + 3] ADJUSTABLE CARGO FLOOR Renegade’s available height-adjustable rear cargo floor stands ready to provide increased cargo space. Raise it up for easy, slide-in loading or lower it to have more room to carry taller items.

4] MY SKY® PANEL STORAGE When you remove¹⁵ the My Sky® panels, slip them into the included protective storage bag, which fits perfectly into the rear cargo area.

SEVEN STANDARD AIR BAGS⁶ Your sense of security is met with this all-around air bag⁶ system. Full-length front and rear side-curtain, driver inflatable knee bolster, seat-mounted side for front occupants, and advanced multistage driver and front-passenger air bags⁶ all work in tandem to help provide encompassing protection. Standard.

ELECTRONIC STABILITY CONTROL (ESC)⁷ A vehicle-wide network of safety sensors provide instant aid should they detect you’re veering off your intended path. ESC⁷ coordinates Electronic Roll Mitigation (ERM), Hill Start Assist (HSA), antilock brake system (ABS) and Advanced Brake Assist, all-speed traction control and Trailer Sway Control (TSC),⁷ sending them into action when needed. Standard.

INTEGRATED VOICE COMMAND⁸ WITH BLUETOOTH[®] Allows the driver to safely send, reply to or listen to a text,¹⁷ take or make phone calls, request detailed information like fuel prices, get navigation directions and more while keeping both hands on the wheel. Available on Bluetooth[®]-compatible smartphones.

RAIN-SENSITIVE WINDSHIELD WIPERS Storm clouds hold little influence over your daily drive. Front wipers activate when raindrops are detected. Available.

UCONNECT[®] ACCESS⁸ WITH 9-1-1 CALL⁹ AND ROADSIDE ASSISTANCE CALL¹⁰ A direct connection to help is right at hand with Uconnect[®] Access⁸, the next benchmark in emergency vehicle assistance. Two buttons on the overhead console offer connections to a 9-1-1 call center,⁹ or press the Assist button to quickly summon roadside help.¹⁰ Available.

WINDSHIELD WIPER DE-ICER Maintain a clear view of the road ahead during snowy weather. Heating elements on the lower inside windshield glass help keep wipers free from ice and the windshield clear for an unobstructed view of the road. Available.

PARKSENSE[®] REAR PARK ASSIST SYSTEM¹¹ Renegade[®] can help you park and back out with grace. This system uses rear ultrasonic sensors to determine relative distance to objects in your back-up pathway. Read-outs in the Driver Information Display (DID) notify the driver of rear object proximity. Available.

HIGH INTENSITY DISCHARGE (HID) HEADLAMPS Light up the road ahead with bright lamps that are noticeable from far distances. Available.

AUTO HIGH-BEAM HEADLAMP CONTROL Sensors eliminate the need to manually turn off high beams when oncoming traffic approaches. Available.

5] PARKVIEW[®] REAR BACK-UP CAMERA¹¹ WITH DYNAMIC GRID LINES Back out safely with grace. This system helps bring previously hidden rear objects to your attention, either on-screen or with an audible warning, in good time to react. Available.

BLIND SPOT MONITORING (BSM)¹² AND REAR CROSS-PATH DETECTION¹¹ These sentry systems constantly monitor the space between you and other drivers via dual wideband radar sensors located in the rear quarter panels. When a side or rear blind spot is encroached, you’re notified via illuminated icons on sideview mirrors. Rear Cross-Path Detection¹¹ notifies you of vehicles crossing your path when in Reverse or backing out of a parking space. Available.

LANESENSE[®] LANE DEPARTURE WARNING (LDW+) WITH LANE KEEP ASSIST¹³ The vehicle’s lane position is monitored by a camera mounted near the rearview mirror and, should the driver drift outside of lane boundaries and no turn signal is applied or if the driver’s hands are off the wheel, a visual warning is given through the DID and steering-wheel movement is felt. Available.

TRAILER SWAY CONTROL (TSC)⁷ Crosswinds and traffic hold no sway over you and your payload. As part of ESC,⁷ TSC⁷ helps keep you and the toys you are towing safely on course. Standard.

FULL-SPEED FORWARD COLLISION WARNING (FSFCW+) WITH ACTIVE BRAKING¹⁴ Radar sensors and a forward camera detect when Renegade may be approaching another vehicle too rapidly and sends an audible and visual alert along with a brake jerk if the driver does not react in time. Includes Advanced Brake Assist (ABA), which increases brake pressure if the driver isn’t braking enough, and the Collision Mitigation System (CMS) reacts if the driver doesn’t, which will actuate the brake system to avoid a collision. Available.

CHASSIS STRENGTH Renegade delivers exceptional peace of mind with a hero’s heart – a strong unibody structure is constructed with nearly 70 percent high-strength steel. Standard.

FEATURES GALLERY

WHEN ONE ADVENTURE ENDS, ANOTHER BEGINS.

(1) Most Capable Small SUV Ever is based on historical U.S. unibody B-SUV segment competitors as identified by Wards Auto Small Crossover and Small SUV segments (years 1985 – 2014). 4x4 capability based on Jeep B-SUV offering low-range power transfer unit (PTU) with 20:1 crawl ratio, low-range 4x4 capability. (2) Based on Jeep Brand Small SUV segmentation. Based on latest available competitive information. (3) When properly equipped. Based on Jeep Brand Small SUV segmentation. (4) Based on Jeep Brand Small SUV segmentation. (5) Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. (6) The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (7) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (8) Uconnect Access is available only on equipped vehicles purchased within the contiguous United States plus Alaska. Services can only be used where cellular coverage is available, see coverage map for details. For a complete list of Uconnect Access services, please visit http://www.driveuconnect.com/features/uconnect_access/packages/. Vehicle must be registered for Uconnect Access and fulfill minimum subscription requirements. (9) The 9-1-1 Call button will connect you directly with Emergency Assistance. If you accidentally press the button, you have 10 seconds to cancel the call by either pressing the 9-1-1 button on the rearview mirror or the Cancel button on the Uconnect touchscreen. (10) Provides direct-dial access to Roadside Assistance Service. Vehicle must be within the United States, have network coverage and must be registered with Uconnect Access with an active subscription that includes the applicable feature. Additional Roadside Assistance charges may apply. Check warranty for details. (11) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (12) Always check visually for vehicles prior to changing lanes. (13) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (14) This system is not intended to avoid collisions on its own, nor can FCW detect every type of potential crash. The driver must remain aware of traffic conditions and be prepared to brake and steer to avoid potential collisions at all times. (15) Be sure to follow all instructions in Owner's Manual for removal of top and doors, and lowering of windshield. Driving with doors off and windshield down is for off-road use only. (16) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (17) Voice Text Reply and Voice Texting features require a compatible mobile device enabled with Bluetooth Message Access Profile (MAP). iPhone and some other smartphones do not currently support Bluetooth MAP. Visit www.UconnectPhone.com for system and device compatibility. Ensure MAP is ON and incoming message notification is enabled. Vehicle must be registered for Uconnect Access and you must fulfill minimum subscription requirements. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Check UconnectPhone.com for device compatibility. (18) Wi-Fi subscription required. Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must be properly equipped and in active and usable cellular range for Wi-Fi usage. Wi-Fi Hotspot does not enable direct communication between multiple in-vehicle devices. Factors affecting the performance of Wi-Fi Hotspot include: cellular network, signal strength and quality, time of day, number of channels used by the service provider, type of connection, number of clients using Wi-Fi Hotspot and client device. This feature is not intended for use by the driver while the vehicle is in motion. Always drive safely. (19) SiriusXM subscriptions for audio and data services are sold by SiriusXM to follow your trial subscription. If you decide to continue listening after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See the SiriusXM Customer Agreement for complete terms and more information at www.siriusxm.com. All fees and programming subject to change. Your equipment and features for SiriusXM services will vary depending upon the vehicle you select and may be limited in select markets. (20) Phone must support Bluetooth Phone Book Access Profile (PBAP). (21) If you have this feature and have reported your vehicle as stolen to an appropriate law enforcement agency, Uconnect will try to locate your vehicle after receiving proper documents and once law enforcement contacts Uconnect Customer Care. Uconnect may refuse to locate your vehicle if you do not provide the requested information or documents. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own. (22) Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must also be properly equipped and in an active and usable cellular range. Theft Alarm Notification is only available on factory-installed alarms.
