

2014
SEDONA

THE IDEAL MINIVAN

FOR FAMILIES ON THE GO

The 2014 Sedona is the perfect minivan to help your family enjoy life from dawn to dusk and beyond. Its spacious interior and flexible seating configurations let you carry passengers in comfort and pack cargo for all kinds of adventures. Features such as an available navigation system* with voice guidance and standard *Bluetooth*® wireless technology¹ make driving more convenient and enjoyable. Sedona is also equipped with sophisticated active and passive safety systems[†] that help provide protection and peace of mind. Like every Kia, Sedona comes with an industry-leading, 10-year/100,000-mile warranty program.²

1, 2, 3, 4, 5, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. *No system, no matter how advanced, can compensate for all driver error, driving conditions, accidents, and/or injuries. Always drive responsibly. Cover and this page: EX WITH LUXURY PACKAGE SHOWN.

SPACIOUS AND COMFORTABLE

Spacious seating for seven lets everyone relax and enjoy the drive. Air conditioning includes separate controls for rear passengers, while EX models feature dual-zone automatic temperature control with an ionized air-filtration system.

FLEXIBLE SEATING

The 2nd-row captain's chairs can flip and fold forward or be completely removed to increase cargo space. The 60/40 split-folding 3rd-row seats fold into the floor to create a large, flat cargo area.

ENTERTAINMENT CHOICES

SiriusXM® Satellite Radio³ lets you choose your favorite music and entertainment. You may also listen to tunes from your personal music library, thanks to an integrated USB/auxiliary jack.

POWERFUL CAPABILITIES

Sedona provides dependable performance for the long haul. Its 3.5L V6 engine delivers 269 horsepower and 3,500 lbs. of towing capacity⁴ and is complemented by a 6-speed Sportmatic® transmission.

PEACE OF MIND

Advanced active and passive safety systems¹ include Electronic Stability Control (ESC), a Brake Assist System (BAS) and an advanced airbag system including full-length side-curtain airbags.⁵

ADVANCED SAFETY SYSTEMS

TO HELP HANDLE UNEXPECTED CONDITIONS

*No system, no matter how advanced, can compensate for all driver error, driving conditions, accidents, and/or injuries. Always drive responsibly. EX SHOWN.

Safe driving begins with the ability to avoid accidents. That's why Sedona incorporates active safety systems[†] that help you avoid mishaps in the first place. These safety features are designed to help you maintain control, even in certain harsh road conditions and some other unexpected situations.

ANTI-LOCK BRAKING SYSTEM (ABS)

The foundation of an active safety system, ABS helps to provide greater vehicle control when stopping in difficult conditions like wet or slippery roads.

ELECTRONIC STABILITY CONTROL (ESC)

ESC helps monitor your vehicle's response during certain driving maneuvers. It then helps control the engine and brakes to keep your Sedona on course.

TRACTION CONTROL SYSTEM (TCS)

When TCS senses wheel spin during acceleration, it uses engine power and brake force to help transfer power to the wheels that have the most traction.

BRAKE ASSIST SYSTEM (BAS)

If BAS detects emergency braking, based on how quickly you step on the brake pedal, it instantly applies full braking force, which helps shorten your overall stopping distance.

ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)

To help maintain more consistent braking as vehicle loads and weight distribution change, EBD adjusts the front-to-rear balance of brake pressure.

DESIGNED TO HELP
PROTECT
DRIVER & PASSENGERS

Sedona is equipped with a range of passive safety systems.[†] Six airbags placed throughout the cabin are designed to help protect occupants in certain collisions. They include dual front advanced, dual front seat-mounted side, and full-length side-curtain airbags. The advanced front airbag system monitors the severity of a frontal impact, the presence of a front passenger and seat-belt use, and then controls airbag inflation accordingly.⁵

5, 6 See Specifications page for endnotes. Image shown for illustration purposes only. For maximum protection, always wear your seatbelt. [†]No system, no matter how advanced, can compensate for all driver error, driving conditions, accidents, and/or injuries. Always drive responsibly. EX WITH LUXURY PACKAGE SHOWN.

FRONT ACTIVE HEADREST

Passive safety systems include more than airbags. In the event of certain rear collisions, the active headrests move forward, helping to reduce the likelihood of injury.

REINFORCED BODY

All doors are reinforced with steel beams to help absorb impact energy and deflect side-impact force. The A and B pillars are also reinforced to help strengthen the body of the vehicle.

FRONT SEAT-BELT PRETENSIONERS

Pretensioners tighten the front seat belts in the event of certain collisions. This helps to reduce the likelihood of injuries.

TIRE-PRESSURE MONITORING SYSTEM⁶

This system includes air-pressure sensors located at each wheel. If a tire reaches a specified low air pressure, a warning light will alert you.

LATCH SYSTEM

The standardized Lower Anchors and Tethers for Children (LATCH) system makes it easier to secure a compatible child seat in the 2nd row and passenger-side 3rd row.

ROOM FOR ALL KINDS OF FAMILY FUN

Sedona has a spacious interior with generous head- and legroom for all passengers. Roomy seating for seven includes captain's chairs in both the first and second rows, and a comfortable bench seat for three in the third. It's also well equipped with features that enhance your comfort, including air conditioning that has separate controls for rear passengers and an available power tilt/sliding sunroof.*

* See Features page for availability. Not all optional features are available on all trims. EX WITH NAVIGATION PACKAGE SHOWN.

1. HEATED FRONT SEATS Sedona EX models are equipped with heated front seats — a comforting feature that both driver and front passenger will appreciate on chilly mornings. **2. POWER-ADJUSTABLE PEDALS*** Sedona is designed to easily accommodate drivers of different heights. Its available power-adjustable accelerator and brake pedals provide virtually custom ergonomics. **3. 6-WAY ADJUSTABLE DRIVER'S SEAT** A 6-way power-adjustable driver's seat with lumbar support and a 4-way power-adjustable front passenger's seat are standard on EX models. **4. FRONT AND REAR AIR CONDITIONING** Air conditioning includes separate front and rear controls so everyone can travel in comfort.

FIRST-CLASS FEATURES

AT YOUR FINGERTIPS

Sedona has a variety of technologically advanced features designed to enhance your driving experience, including a convenient Rear-Camera Display.^{7*} A navigation system with voice guidance is also available with EX models, complemented by a rain-sensing windshield wiper system that detects the amount of rainfall and then automatically adjusts wiper speed to match.

1. **AUTO RAIN-SENSING WIPERS*** Enjoy the convenience of available rain-sensing windshield wipers.
2. **REAR-CAMERA DISPLAY^{7*}** An available system helps the driver see objects behind the vehicle that might be difficult to see when looking over your shoulder.
3. **USB/AUXILIARY JACKS FOR MP3 AUDIO PLAYERS** An integrated USB/auxiliary jack lets you listen to your favorite tunes from your own music library. An accessory cable integrates your iPod® mobile digital device with the audio system controls.
4. **SIRIUSXM SATELLITE RADIO³** Get over 140 channels of satellite radio, including commercial-free music, plus all your favorite sports, news, talk and entertainment. **BLUETOOTH® WIRELESS TECHNOLOGY¹** Bluetooth® wireless technology allows you to enjoy convenient, hands-free use of your compatible cell phone. **POWER CONTROLS** Sedona has a variety of standard features designed for everyday convenience, including power windows, door locks and outside mirrors. **BACK-UP WARNING SYSTEM⁷** An available sonar sensor system is concealed in the rear bumper. It activates a distinct audible warning when it detects certain objects behind your vehicle.

1, 3, 7, 8, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. EX WITH NAVIGATION PACKAGE SHOWN.

EXCEPTIONALLY CONVENIENT & VERSATILE

Count on Sedona for maximum flexibility. Both the easily adjustable second- and third-row seats allow multiple configurations for carrying passengers, cargo — or combinations of both. Available features include dual power-sliding doors* and a power liftgate* that can be conveniently operated with the touch of a button on the instrument panel, or from outside with the remote keyless entry.

9. * See Features and Specifications pages for availability and endnote. Not all optional features are available on all trims. EX WITH LUXURY PACKAGE SHOWN.

**FLEXIBLE CONFIGURATIONS**

Carry passengers, cargo⁹ or a combination of both, thanks to the variety of 2nd- and 3rd-row seating and cargo configurations.

COMFORTABLE 2ND-ROW SEATS

The 2nd-row captain's chairs are spaced apart to give each passenger plenty of room. They also slide and fold forward for easy access to the 3rd row. The seat backs recline for added comfort, or fold over flat when not in use. To increase the rear cargo space, 2nd-row seats can flip and fold forward or be completely removed.

MAXIMUM CARGO SPACE

The 3rd-row seats fold into the floor to create a large, flat cargo area. For added versatility, they have a 60/40 split design.⁹

EXPANSIVE CARGO SPACE

No matter the occasion, you'll soon discover that Sedona can handle whatever you and your family have in mind. Its spacious, easily accessible cargo area lets you pack everything you need for a family outing. For weekend getaways or longer vacations, standard roof rails let you carry extra cargo.¹⁰ To give you easy access to the things you need, Sedona boasts a variety of intelligently designed and useful storage areas throughout the cabin.

1. CENTER STORAGE CONSOLE Keep your CDs or other items close at hand with this flip-down compartment. **2. SUNGLASSES HOLDER** An overhead compartment gives you a handy place to store sunglasses. **3. CENTER FOLDING TRAY** A center tray located between the front seats folds up and features a holder for iPad®/tablet and two cupholders. **4. 3RD-ROW STORAGE BIN** A compartment with a flip-up lid lets 3rd-row passengers store small items. **5. IN-FLOOR STORAGE COMPARTMENT** When the 3rd-row seats are folded down, a sizable in-floor storage compartment provides extra space for additional cargo. **6. FOLD-IN-THE-FLOOR SEATS** With a simple pull of a strap, the 3rd-row seats fold down for a variety of cargo options.⁹

PERFORMANCE
YOU CAN COUNT ON FOR THE
LONG HAUL

Sedona's 3.5L V6 engine delivers outstanding acceleration and 3,500 lbs. of towing capacity.⁴ All models are equipped with a 6-speed Sportmatic® transmission that gives you a choice between traditional automatic mode and manual, clutch-free gear shifting. MacPherson strut front and multi-link rear suspension systems provide an ideal combination of precise handling and a comfortable ride.

OUTSTANDING V6 POWER

Exceptional power is yours, thanks to a 3.5L 24-valve DOHC V6 engine. It delivers 269 horsepower, 246 lbs.-ft. of torque and 3,500 lbs. of towing capacity⁴ for dependable performance.

SMOOTH, PRECISE HANDLING

MacPherson strut front and multi-link rear suspension systems offer exceptional handling, directional stability and smooth operation.

SPORTMATIC® TRANSMISSION

The 6-speed Sportmatic® transmission provides smooth, seamless shifting and allows you to choose between automatic and clutch-free manual shifting.

BRAKE PERFORMANCE

Four-wheel disc brakes with ABS help prevent wheel lockup and help maintain steering control.

⁴ See Specifications page for endnote. EX WITH LUXURY PACKAGE SHOWN.

DELIVERING ON A PROMISE

Kia is committed to producing world-class vehicles to suit most every driving need. This promise has led to the development of stylish vehicles with an extraordinary combination of precision engineering, outstanding performance, innovative features and advanced safety systems. The value found in every Kia vehicle has been widely recognized,¹¹ resulting in Kia becoming one of the fastest-growing automotive brands in America for the past five years.¹²

TAKING ON THE COMPETITION

The Kia Racing team is dedicated to competing against world-class competition — and winning. That dedication is part of Kia's belief that the knowledge gained in competition can be applied to the entire Kia lineup to provide you with vehicles that perform beyond your expectations. The Kia Racing team includes championship-winning drivers with a proven track record. In 2012 the team stood on the podium at Daytona International Speedway and in six of 12 races in the Pirelli World Challenge. Look for Kia drivers in the winner's circle at race-tracks across America in the months ahead.

COMPELLING DESIGN

Kia vehicles have captured worldwide attention for their interior and exterior styling, which represents the collaborative work of designers who have created a look that makes every Kia recognizable at first sight. Today, the lineup consists of vehicles that fill owners as well as Kia's designers with pride.

COMMITMENT TO AMERICA

Kia Motors has invested over \$1.1 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant is capable of producing 360,000 vehicles a year. The Sorento crossover and Optima midsize sedans are currently being built at this plant.¹ In addition to producing high-quality vehicles, more than 3,000 jobs were created at the facility plus 7,500 additional jobs in the surrounding area. It's all part of Kia Motors' commitment to America — a commitment that is sure to grow and strengthen in the years ahead.

INDUSTRY-LEADING WARRANTY PROGRAM²

Kia engineers are passionate about producing vehicles that are exceptionally well designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an industry-leading warranty program.²

- 10-year/100,000-mile limited powertrain warranty
- 5-year/60,000-mile limited basic warranty
- 5-year/100,000-mile limited anti-perforation warranty
- 5-year/60,000-mile 24-hour roadside assistance¹⁵

DONORSCHOOSE.ORG

Kia is committed to providing assistance to those in need. That's why Kia became the first car company to partner with DonorsChoose.org, an online charity that allows organizations and individuals to donate to classrooms in need. Kia recently donated \$1 million to fund a "Double Your Impact" campaign that matched individuals' donations and delivered more than \$2 million worth of resources to nearly half a million public school students across all 50 states.
