SOUL

SOUL EV

A new way to roll®

Presenting the 2015 Kia Soul. With unique styling, precise handling and a wealth of entertainment options, it redefines fun-to-drive. Soul also offers an impressive array of available premium features matched by a wide range of advanced standard safety systems. This year, Soul is generating even more excitement with the new all-electric Soul EV.[†] Its innovative energy-efficient engineering means no more stops at the gas station, no more oil changes and no more emissions. So now, with the debut of the forward-thinking Soul EV, you can choose from two great ways to roll.

[†]Soul EV expected September 2014. Only available in certain markets with limited availability.
Cover: *! (exclaim)* WITH THE WHOLE SHABANG PACKAGE SHOWN. This page: *! (exclaim)* WITH THE WHOLE SHABANG PACKAGE AND SOUL EV + *(plus)* SHOWN.

Excitement by design

Everything from an available 2.0L Gasoline Direct Injection (GDI) engine* to an available panoramic sunroof* with power sunshade is designed to make every drive more exciting than ever. Unique exterior styling — complemented by a striking interior with soft-touch material throughout — gives Soul a personality all its own. Three trim levels along with a choice of packages allow you to add an impressive variety of options. Like all Kia models, Soul comes with an industry-leading, 10-year/100,000-mile warranty program.¹

1, * See Features and Specifications pages for availability and endnote. Not all optional features are available on all trims. † (exclaim) WITH THE WHOLE SHABANG PACKAGE SHOWN.

Uniquely entertaining

Available pulsating multicolored front-door speaker lights* — they're just one of the features Soul combines into a fully integrated entertainment system. USB/auxiliary jacks allow you to play your favorite tunes from your own music library using a compatible MP3 audio player. Soul lets you enjoy that music on an available Infinity®² premium sound system with eight speakers, including an external amplifier and a subwoofer that provides a concert-like audio experience.* In addition, an available UVO eServices³ Infotainment System with voice-command navigation* increases your choices in entertainment and convenience.

2, 3, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. *! (exclaim)* WITH THE WHOLE SHABANG PACKAGE SHOWN.

It's open to almost anything

Soul lets you carry all the cargo you need to suit your lifestyle with an expansive 24.2 cu. ft. of available space. It's also remarkably versatile thanks to 60/40 split-folding rear seats. An easy-open liftgate provides quick access to the roomy cargo area, which also includes a handy, hidden storage compartment with built-in dividers.

1. 60/40 SPLIT-FOLDING REAR SEATS Conveniently carry longer items, passengers — or a combination of both — by folding down one or both of the rear seats. **2. REAR-PASSENGER COMFORT** The rear seat has room for three passengers or two passengers and a flip-down center armrest with dual cupholders. **3. CONCEALED STORAGE** The floor of the cargo area flips up to reveal a hidden compartment for securely carrying smaller items. In addition, a cargo cover on + (*plus*) and ! (*exclaim*) models will keep your things out of view. **4. ROOF-RACK READY** To carry even more gear, an accessory roof-rack is available.[†] The rack's mounting points are flush with the roofline to maintain a streamlined exterior design when the rack is not installed.

The freedom of a panoramic sunroof

If you've ever marveled at a sky full of stars, then you'll appreciate the idea behind the available panoramic sunroof with power sunshade.* It gives you all the room you need to let your imagination soar — which is one more reason why, with Soul, the sky's the limit.

*See Features page for availability. Not all optional features are available on all trims. ***Not available with panoramic sunroof.** † (*exclaim*) WITH THE WHOLE SHABANG PACKAGE SHOWN.

Comfort to go

It's your space — and the closer you look, the better it gets. A spacious, well-appointed interior lets you travel in style and comfort. Soft-touch material on the dash and throughout the interior, complemented by available black gloss trim accents,* gives it a sleek look all its own. Soul + *(plus)* and Soul ! *(exclaim)* are available with features that enhance comfort and convenience, including leather seat trim, a 10-way power-adjustable driver's seat with power lumbar support and automatic climate control.* In addition, glove-soft Nappa leather seat trim, available on Soul ! *(exclaim)*, is both sophisticated and exceptionally comfortable.

*See Features page for availability. Not all optional features are available on all trims. Rear-center armrest will have limited availability on some models. ! *(exclaim)* WITH THE WHOLE SHABANG PACKAGE SHOWN.

Enjoy the benefits of advanced technology

Soul puts advanced technology to work for you, making every drive more convenient and enjoyable. Premium available features include everything from a voice-command navigation system to an Infinity®² audio system with eight speakers, including a subwoofer and an external amplifier for the ultimate audio experience.*

1. SUPERVISION GAUGES* Available Supervision meter cluster display has sharp, high-contrast graphics thanks to its 4.3-inch Thin-Film Transistor (TFT) color LCD. **2. HEATED STEERING WHEEL*** Make driving in colder weather more comfortable with an available heated steering wheel. **3. HEATED SEATS*** To help ensure comfortable driving in cold weather, available heated front seats feature multiple temperature settings. The available heated rear seat cushions have high and low settings. **3. VENTILATED FRONT SEATS*** To help ensure optimal comfort in warm weather, the available ventilated front seats let you choose multiple fan speeds to circulate cool air through perforations in the seat leather. **4. REAR-CAMERA DISPLAY**** This available feature helps you see things behind your vehicle that you might not see by looking over your shoulder. **5. SPEAKER LIGHTS*** Front-door speakers are highlighted by available pulsating, multicolored speaker lights. Choose a setting that alternates colors or pulsates according to volume level with a steady yellow-orange. **6. PUSH-BUTTON START*** Start or stop the engine with the push of a button with the available Smart Key remote, even when you have the key fob in your pocket or purse.

BLUETOOTH® WIRELESS TECHNOLOGY* Enjoy streaming audio when using a Bluetooth® wireless technology-enabled device. **SIRIUSXM® SATELLITE RADIO*** Enjoy 150 channels of commercial-free music, sports and news in your Soul during your 3-month SiriusXM All Access trial, which also includes 160+ channels on your computer, smartphone and tablet. **STEERING-WHEEL-MOUNTED CONTROLS** Soul lets you conveniently operate the audio system without taking your hands off the steering wheel.

2, 4, 5, 6, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. Images are for illustration only. / (exclaim) WITH THE WHOLE SHABANG PACKAGE SHOWN.

It's nice
to be well
connected

ADVANCED VOICE RECOGNITION*

UVO eServicesTM* advanced voice-recognition technology lets you conveniently manage your music and enjoy hands-free³ use of your phone — with simple, intuitive verbal commands.

LOCAL SEARCH POWERED BY GOOGLE®7*

UVO eServices^{3*} can access Local Search powered by Google[®] when it is connected wirelessly to an internet hotspot.³

MY POINTS OF INTEREST*

UVO eServices^{3*} allows you to use a web-enabled computer to send locations that you find on Google Maps^{TM7} mapping service to the navigation system for route guidance.

PARKING MINDER⁸⁺

Parking Minder can record your vehicle's location whenever you park. Then you can use your compatible smartphone⁹ to help find your car. It also lets you take pictures of the area for reference, write a reminder note or set an alarm if you're parked at a meter.

911 CONNECT^{10*}

In the event that an airbag is deployed, 911 Connect automatically initiates a call to emergency services. In some circumstances, UVO eServices^{3*} can also transmit your vehicle's location to the emergency services operator.

ENHANCED ROADSIDE ASSIST¹¹

You can call for roadside assistance by touching an icon on the smartphone⁹ app^{3*} screen. UVO eServices^{3*} then sends your location to the Call Center and connects you to an operator.

VEHICLE DIAGNOSTICS^{12*}

Vehicle Diagnostics lets you perform a diagnostics check at any time or schedule one on a regular basis. Diagnostics Trouble Code (DTC) automatically alerts you to schedule an appointment or request roadside assistance if the system detects a critical powertrain issue.

UVO — short for **"your voice."** Soul is available with the innovative UVO eServices³ Infotainment System with voice-command navigation.* It provides you with an easy, hands-free³ way to connect to your vehicle by seamlessly integrating a compatible smartphone⁹ with your Soul. UVO eServices³* also lets you stream

music, download Apps from the App Download Center, monitor your vehicle's driving habits, access 911 Connect¹⁰ or Enhanced Roadside Assist,¹¹ and check maintenance requirements with Vehicle Diagnostics¹² on the large 8" capacity touch screen.* Additionally, there are no subscription fees³ to enjoy all these benefits.

UVO eSERVICES APP³

An available free app allows you to integrate your compatible smartphone⁹ with your vehicle — and make the most of UVO eServices.^{3*} This app can be downloaded at the App Store^{SM13} and Google Play™ Store.⁷

MY CAR ZONE*

My Car Zone provides Curfew, Speed and Geo Fence alerts based on your targeted presets. You may also use the touch screen to check driving habits — including the history of preset violations for curfew time, speed limit or geographical radius parameters.

eSERVICES³ GUIDE*

To learn more about UVO eServices^{3*} features, you may access an automated user manual by using the touch screen on the vehicle.

VOICE-COMMAND NAVIGATION*

The available voice-command navigation system has a vivid 8-inch color screen and delivers continuously updated highway conditions from SiriusXM Traffic.⁶

MYUVO.COM WEB/MOBILE*

MyUVO.com lets you check Vehicle Diagnostics^{12*} and schedule appointments with your preferred or nearby Kia retailer using your home computer or mobile device.

APP DOWNLOAD CENTER*

Wirelessly connect to an internet hotspot³ and download available apps to your Soul.

APPLE®¹³ SIRI® COMPATIBLE*

UVO eServices^{3*} enables you to access your iPhone®'s¹³ Siri with the vehicle's steering-wheel-mounted³ controls.

3, 6, 7, 8, 9, 10, 11, 12, 13, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. Actual component appearance may vary. Siri compatible with iOS 6 and above only. UVO eSERVICES INFOTAINMENT SYSTEM WITH VOICE-COMMAND NAVIGATION SHOWN.

Engineered to perform

Soul is designed to make driving fun. You can turn every trip around town into a high-energy outing thanks to Soul + (*plus*) and ! (*exclaim*) models' 164-horsepower, 2.0L Gasoline Direct Injection (GDI) engine and Sportmatic® transmission with clutch-free manual shifting. In addition, FlexSteer™ electronic steering gives you a choice between regular and comfort settings — along with a sport setting for when you're in the mood to enjoy Soul's quick and agile handling. An available Eco Package on Soul + (*plus*) includes Idle Stop & Go (ISG). It automatically turns off the engine when you come to a complete stop and then seamlessly restarts the engine when you release the brake pedal.

! (*exclaim*) WITH THE WHOLE SHABANG PACKAGE SHOWN.

Advanced safety systems — because driving is more than fun and games

Soul helps provide peace of mind when life throws you a curve. Its safety systems† are engineered to help you maintain control, even in challenging road conditions and in some emergency situations. Each one is designed to function automatically, leaving you free to focus on the road ahead.

VEHICLE STABILITY MANAGEMENT (VSM)
VSM adds steering direction control capability. It intervenes when appropriate to help the driver regain control of the vehicle.

ELECTRONIC STABILITY CONTROL (ESC)
ESC monitors your vehicle's response during emergency maneuvers. It can then control the engine and brakes to help keep your Soul on course.

TRACTION CONTROL SYSTEM (TCS)
When TCS senses wheelspin during vehicle acceleration, it uses engine power and brake force to help transfer power to the wheels that have the most traction.

ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)
To help maintain more consistent braking as vehicle loads and weight distribution change, EBD adjusts the front-to-rear balance of brake pressure.

BRAKE ASSIST SYSTEM (BAS)
If BAS detects emergency braking, based on how quickly you step on the brake pedal, it instantly applies full braking force, which helps shorten your overall stopping distance.

HILL-START ASSIST CONTROL (HAC)
To help keep you from rolling backward when starting off on a steep hill, HAC automatically holds the brake pressure for two seconds after you take your foot off the brake pedal.

†No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. † (exclaim) WITH THE WHOLE SHABANG PACKAGE SHOWN.

Strength

SIDE-IMPACT DOOR BEAMS

All doors are reinforced with steel beams to help absorb impact energy and deflect side-impact force. The A and B pillars are also reinforced to help strengthen the body of the vehicle.

FRONT & REAR CRUMPLE ZONES

Front and rear crumple zones are specially engineered to help absorb and dissipate impact energy, helping to preserve the structural integrity of the passenger compartment in certain collisions.

REAR CHILD-SAFETY DOOR LOCKS

Rear child-safety door locks are designed to help prevent the doors from being opened accidentally, which is especially important when small children are passengers. With the doors in the locked position, they can only be opened from the outside.

LATCH SYSTEM

The Lower Anchors and Tethers for Children (LATCH) system is standard and makes it easier to securely install a compatible child seat at either end of the rear seat.

Intelligence

AIRBAG & SEAT BELT SENSORS

This advanced system monitors the severity of certain impacts, the presence of a front passenger and seat belt use, and then controls airbag inflation accordingly.¹⁴

FRONT SEAT BELT PRETENSIONERS

Pretensioners have been designed to tighten the front seat belts in the event of certain collisions. This helps to reduce the likelihood of injuries in some situations.

HEIGHT-ADJUSTABLE SEAT BELT ANCHORS

The front height-adjustable seat belt anchors allow the driver and front-passenger seat belts to be raised and lowered for a proper fit.

FRONT AND REAR THREE-POINT SEAT BELTS

Three-point seat belts are standard for all five seating positions, so that each person is protected with an over-the-lap and shoulder seat belt.

No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. Inflated airbags are shown for illustration only.
14 See Specifications page for endnote. 1 (exclaim) WITH THE WHOLE SHABANG PACKAGE SHOWN.

Delivering on a promise

Kia is committed to producing world-class vehicles to suit most every driving need. This commitment has led to the development of stylish vehicles with an extraordinary combination of precision engineering, outstanding performance, innovative features and advanced safety systems. Kia’s dedication to quality and value has been widely recognized — one reason why Kia has been named as a top 100 brand in Interbrand’s Best Global Brands 2013 report.¹⁵ In addition, Kelley Blue Book’s KBB.com has announced the recipients of its Brand Image Awards, naming Kia as the 2014 Best Value Brand. This honor recognizes our success at producing fuel-efficient and affordable vehicles.¹⁶

TAKING ON THE COMPETITION
The Kia Racing team is dedicated to competing against world-class competition — and winning. That dedication is part of Kia’s belief that the knowledge gained in competition can be applied to the entire Kia lineup to provide you with vehicles that perform beyond your expectations. The Kia Racing team includes championship-winning drivers with proven track records, and after two podium finishes early in the 2014 season you can look for Kia in the winner’s circle at racetracks across America in the months ahead.

COMPELLING DESIGN
Kia vehicles have captured worldwide attention for their interior and exterior styling, which represents the collaborative work of designers who have created a look that makes every Kia recognizable at first sight. Today, the lineup consists of vehicles that fill owners as well as Kia’s designers with pride.

COMMITMENT TO AMERICA
Kia Motors has invested over \$1.1 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant recently produced its one millionth vehicle after less than four years of operation. The Sorento crossover and certain Optima midsize sedans are currently being assembled at this plant.¹ Together with on-site and local suppliers, the Georgia facility is responsible for the creation of more than 14,000 jobs in West Point and the surrounding areas. It’s all part of Kia Motors’ commitment to America — a commitment that is sure to grow and strengthen in the years ahead.

INDUSTRY-LEADING WARRANTY PROGRAM¹
Kia engineers are passionate about producing vehicles that are exceptionally well-designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an industry-leading warranty program.¹

- 10-year/100,000-mile limited powertrain warranty
- 5-year/60,000-mile limited basic warranty
- 5-year/100,000-mile limited anti-perforation warranty
- 5-year/60,000-mile 24-hour roadside assistance

DONORSCHOOSE.ORG
Kia is committed to providing assistance to those in need. That’s why Kia became the first car company to partner with DonorsChoose.org, an online charity that allows organizations and individuals to donate to classrooms in need. Together with thousands of citizen philanthropists, Kia has raised more than \$5 million to fund more than 10,000 projects across all 50 U.S. states, impacting more than 1.5 million high-need public school students in just two years.

¹The Sorento and Optima GDI (EX, SX & Limited and certain LX Trims only) are assembled in the United States from U.S. and globally-sourced parts. 1, 15, 16, 17, 18 See Specifications page for endnotes.

PACKAGES

- UVO eSERVICES PACKAGE
(AVAILABLE ON SOUL 1.6L W/AUTOMATIC TRANSMISSION AND + (PLUS))
- 1. UVO eServices³ Infotainment System

ENDNOTES

1. The Kia 10-year/100,000-mile warranty program includes various warranties and roadside assistance. Warranties include powertrain and the New Vehicle Limited Warranty (Basic). All warranties and roadside assistance are limited. See retailer for details or go to [kia.com](#). **2.** Infinity® is a registered trademark of Harman International Industries, Inc. **3.** Warning: Driving while distracted is dangerous and should be avoided. It can result in a loss of vehicle control that may lead to an accident, severe personal injury and death. Drivers should remain attentive to driving and always exercise caution when using the steering-wheel-mounted controls while driving. The driver's primary responsibility is in the safe and legal operation of a vehicle, and use of any handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or which are not permissible by law should never be used during operation of the vehicle. Actual product may vary in appearance from photographs. See retailer for details. No subscription fee for UVO eServices. No charge for the UVO eServices app but requires downloading. App uses your smartphone cellular data service. Normal cellular service rates will apply. Internet hotspot connection can be made to your personal wireless Internet at home or to a smartphone device with Internet service plan (normal cellular service rates may apply). **4.** The Rear-Camera Display is not a substitute for proper and safe backing-up procedures. Always drive safely and use caution when backing up. The Rear-Camera Display may not detect every object behind the vehicle. **5.** The *Bluetooth®* word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Kia is under license. Other trademarks and trade names are those of their respective owners. A compatible *Bluetooth®* enabled cell phone is required to use *Bluetooth®* wireless technology. **6.** All SiriusXM services require a subscription, sold separately, after 3-month trial included with vehicle purchase. **See the SiriusXM Customer Agreement for complete terms at [www.siriusxm.com](#).** Programming subject to change. Sirius satellite service is available only to those in the 48 contiguous USA, D.C., and PR (with coverage limitations). Traffic information not available in all markets. See [siriusxm.com/traffic](#) for details. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. Satellite and Internet radio channel lineups may vary slightly. **7.** Google, Google Play and Google Maps are trademarks of Google Inc. Google Maps ©2014 Google. **8.** Feature operates with certain smartphone devices

with activation of app. Normal cellular service rates apply. **9.** Apple iPhone® and select Android™ devices only are UVO eServices compatible. iPhone® is a registered trademark of Apple Inc. Android™ is a trademark of Google Inc. **10.** Feature activates after an airbag deployment. Feature requires a mobile phone connected via *Bluetooth®* wireless technology. Dependent on cellular service coverage. **11.** 24-hour Roadside Assistance is a service plan provided by Kia Motors America, Inc. Certain limitations apply. Coverage details are available in the Kia Warranty and Consumer Information Manual. To use the Enhanced Roadside Assist feature, a mobile phone connected via *Bluetooth®* wireless technology within the cellular service coverage area is required. **12.** Vehicle Diagnostics feature does not take the place of regularly scheduled maintenance. Feature checks powertrain, chassis, and airbag systems only. For factory-recommended maintenance schedule, see the Maintenance Feature of UVO eServices or the Owner's Manual. **13.** Apple, the Apple logo, Siri and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. App Store is a service mark of Apple Inc. Siri compatible with iOS 6 and above only. **14.** For maximum protection, always wear your seat belt. No system, no matter how advanced, can compensate for all driver errors, driving conditions, and/or injury. **15.** Interbrand's Best Global Brands 2013 report is a look at financial performance of the brand, role of brand in the purchase decision process and the brand strength. Go to [www.bestglobalbrands.com](#) for more information. **16.** 2014 Kelley Blue Book Brand Image Awards are based on the Brand Watch™ study from Kelley Blue Book Market Intelligence. Award calculated among non-luxury shoppers. For more information, visit [www.kbb.com](#). Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. For EPA-estimated MPG information, see retailer or go to [kia.com](#). **17.** NBA Identifications are the intellectual property of NBA Properties, Inc. ©2014 NBA Properties, Inc. All rights reserved. **18.** All materials and intellectual property related to the LPGA are owned by the LPGA, and any unauthorized use is strictly prohibited without the LPGA's expressed prior written consent. **19.** HD Radio™ and the HD Radio logo are proprietary trademarks of iBiquity Digital Corporation. **20.** Even with the Tire-Pressure Monitoring System, always check your tire pressure on a regular basis. **21.** Refer to specifications above for EPA fuel economy estimates. Actual mileage will vary with options, driving conditions, driving habits and your vehicle's condition.
