

FROM AUTOMOTIVE LEGENDS,
AN EPIC GT IS BORN.
INTRODUCING THE 2018 STINGER

GT2 SHOWN

STINGER

"I HAD A SPORTS CAR ON MY MIND FOR YEARS. IT WAS LIKE A DREAM FOR ME SINCE I ARRIVED AT KIA. FINALLY THE OPPORTUNITY PRESENTED ITSELF, AND I KNEW FROM THE START I WANTED GREGORY ON OUR TEAM."

— PETER SCHREYER

You can see Peter and Gregory's impact on the brand in the iconic Kia grille. Now this pairing of masters has produced a sports sedan that took seven years to make, but takes just an instant to appreciate.

AT RIGHT: PETER SCHREYER, PRESIDENT AND CHIEF DESIGN OFFICER

An internationally acclaimed designer, Schreyer's contributions to European sports and luxury brands have influenced a generation of automotive stylists. He joined Kia in 2006, where he oversees a network of design studios on three continents.

AT LEFT: GREGORY GUILLAUME, CHIEF DESIGNER, KIA EUROPE DESIGN CENTER

Award-winning Chief Designer Guillaume brings 25 years of global design achievement to Kia. He's led Kia's European Design Center since 2005.

GT2 SHOWN

"I'LL NEVER FORGET THE ALLURE OF THE FANTASTIC GTs FROM THE '70s. CARS THAT WERE AS ELEGANT AS THEY WERE FAST. WE DESIGNED THE STINGER WITH THIS VISION — A MODERN INTERPRETATION OF THE CLASSIC GT THAT DRIVES AS GOOD AS IT LOOKS."

— GREGORY GUILLAUME

What's possible when there's nothing holding you back?

When you're free to create the car of your dreams, without history weighing you down? What can you achieve with a blank slate, a deep bench of legendary talent, an irrepressible spirit, and seven years to design, engineer, and fine-tune that dream into reality? We know. Now it's your turn to find out.

2.0 LITERS, TWO POWERFUL CHOICES

Stinger's powerful 2.0L Twin Scroll turbocharged Gasoline Direct Injection (GDI) engine comes in two trim levels. These key features will help you compare.

PREMIUM AWD SHOWN

STINGER

packed with an impressive array of features

DRIVING

2.0L Twin Scroll Turbo 4-cylinder engine
255 hp, 260 lb.-ft. torque
8-speed automatic transmission w/paddle shifters¹
18" tires w/alloy wheels
Projector beam headlights
All-wheel drive*

TECHNOLOGY

UVO eServices¹ Infotainment System w/7" touch screen, Apple CarPlay™² & Android Auto™³
Push-button start w/Smart Key
Rear-Camera Display⁴
Front & Rear Park Assist System⁴

Blind Spot Collision Warning w/Lane Change Assist**
Rear Cross Traffic Collision Warning**
Forward Collision Avoidance**
Forward Collision Warning**
Smart Cruise Control w/Stop & GO**
Lane Keeping Assist**
Lane Departure Warning**
Driver Attention Warning**
High Beam Assist*
Rain Sensing Wipers*

INTERIOR

Leather seat trim w/heated front seats
12-way power-adjustable driver's seat w/lumbar support
8-way power-adjustable front passenger seat
Dual-zone automatic temperature control

Heated steering wheel*

PREMIUM

upgrades Stinger with these additional technology and convenience features

2.0L Twin Scroll Turbo 4-cylinder engine
255 hp, 260 lb.-ft. torque
8-speed automatic transmission w/paddle shifters¹
18" tires w/machined-finish alloy wheels
LED headlights & rear turn signals
All-wheel drive*

UVO eServices¹ Infotainment System w/8" touch screen, Apple CarPlay™² & Android Auto™³
Push-button start w/Smart Key
Rear-Camera Display⁴
Front & Rear Park Assist System⁴
Harman Kardon®⁵ premium audio surround-sound system w/15 speakers
Voice-command navigation system¹
7" LCD color instrument cluster
Blind Spot Collision Warning w/Lane Change Assist**
Rear Cross Traffic Collision Warning**
Forward Collision Avoidance**
Forward Collision Warning**
Smart Cruise Control w/Stop & GO**
Lane Keeping Assist**
Lane Departure Warning**
Driver Attention Warning**
High Beam Assist*
Rain Sensing Wipers*

Leather seat trim w/heated front seats
12-way power-adjustable driver's seat w/lumbar support & memory
8-way power-adjustable front passenger seat
Dual-zone automatic temperature control
Power sunroof
Power tilt & telescopic steering wheel
Heated steering wheel*

*OPTIONAL FEATURE AVAILABLE ONLY ON CERTAIN TRIMS (HIGHLIGHTED ON THIS PAGE ONLY). SEE KIA.COM FOR DETAILS. 1, 2, 3, 4, 5 See last page for endnotes.

GT

incredible, just as it is

DRIVING

3.3L Twin Turbo Gasoline Direct Injection (GDI) V6 engine
365 hp, 376 lb.-ft. torque
8-speed automatic transmission w/paddle shifters¹
19" tires w/alloy wheels
LED headlights & rear turn signals
Brembo® brakes
Launch control

All-wheel drive*

THE GTs: 365 HORSEPOWER, 3 WAYS TO GET IT

The GT's exhilarating Twin Turbo V6 engine has three trims. Use the key features here to find the one for you.

*OPTIONAL FEATURE AVAILABLE ONLY ON CERTAIN TRIMS (HIGHLIGHTED ON THIS PAGE ONLY). SEE KIA.COM FOR DETAILS.
1, 2, 3, 4, 5, 6 See last page for endnotes.

GT2 SHOWN

"FOR THE KIA BRAND THE STINGER IS AN EXPLOSION BECAUSE NOBODY EXPECTED SUCH A CAR. NOT JUST THE WAY IT LOOKS BUT ALSO THE WAY IT DRIVES. THE DRIVING STABILITY, THE HIGH-SPEED CORNERS ON THE NÜRBURGRING... IT'S A WHOLE DIFFERENT ANIMAL."

— ALBERT BIERMANN

Kia went to extraordinary lengths — and extreme destinations — to guarantee that Stinger delivered on Albert Biermann's high-performance intentions with guts and grace. Ride and handling precision were fine-tuned on the high-speed, blind corners of Germany's grueling Nürburgring circuit. Stinger's long-distance chops were challenged through the deserts of Death Valley, California. And to test its mettle in extreme weather and low grip conditions, we put Stinger through its paces on a skidpad and handling circuit carved into a frozen lake in Arjeplog, Sweden.*

ALBERT BIERMANN, HEAD OF VEHICLE TEST & HIGH-PERFORMANCE DEVELOPMENT

A legend in the world of high-performance engineering, Mr. Biermann is renowned for honing the performance of some of the most acclaimed European road and race cars.

*Always drive safely and use caution. GT2 SHOWN

IT TOOK 7 YEARS TO GET HERE AND

4.7 SECONDS

TO UNDERSTAND WHY

Stinger's 365-horsepower, 3.3L V6* has a 0–60 time of 4.7 seconds and a top speed of 167 mph.[†] It's faster than the 2018 Audi A7 Sportback AWD, BMW 640i Gran Coupe, and 2017 Porsche Panamera V6 RWD.[‡] And everything, from its wheel housings to kicked-up trunk lid, has been ingeniously engineered to cheat the wind for incredible stability at higher speeds. But it's also made for the long journey. So you can take your time, just like we did.

**REAR-WHEEL DRIVE (RWD)
OR ALL-WHEEL DRIVE (AWD)***

are both tuned to give you maximum driving thrills with either choice

ISO-STRUCTURE™

is made with 55% advanced, high-strength steel to help improve rigidity in a variety of circumstances — which means you'll enjoy better driving dynamics and a quiet ride

FIVE DRIVE MODE SELECTIONS

adjust steering boost, shift points, throttle mapping, and suspension damping* to give you a choice of five unique drive modes: Smart, ECO, Comfort, Sport, or Custom

LAUNCH CONTROL SYSTEM*

maximizes off-the-line response for quick acceleration[^]

ELECTRONICALLY CONTROLLED SUSPENSION (ECS)*

is designed to give you the ride you want, from comfort to sport, by adapting the suspension of the car to the driving conditions

MECHANICAL LIMITED-SLIP DIFFERENTIAL*

helps to evenly distribute power through the rear wheels, resulting in more responsive and agile handling[^]

SPORT VARIABLE GEAR RATIO STEERING*

increases steering responsiveness during spirited driving to elevate your driving experience[^]

[†]Preliminary performance estimates for Stinger GT rear-wheel drive using Launch Control and equipped with 19-inch wheels. Actual results may vary depending on options, driving conditions, driving habits, and vehicle condition. Do not attempt to verify these results on public roads. Always drive safely and obey all traffic laws. [‡]Based on published manufacturer specifications as of September 2017. [^]Always drive safely and use caution. *Optional feature available only on certain trims. See kia.com for details. GT2 SHOWN

BRAKES THAT WERE BORN ON THE TRACK

Look behind the GT's 19-inch wheels* and you'll find vented Brembo® brakes — the same brand found on some of the most prestigious cars of the last 40 years. They give you outstanding deceleration performance, corner brake control, and precise handling in a variety of conditions†

BREMBO® HIGH-PERFORMANCE BRAKES*

GT's powerful Brembo® brakes feature signature red, fixed quad-piston front calipers and dual-piston rear calipers. Larger overall brake rotors than 2017 Porsche Panamera V6‡ help provide more consistent braking performance.†

BRAKE ASSIST SYSTEM (BAS)

If you slam on your brakes, BAS is designed to sense the urgency and apply full brake power, which can help shorten your braking distance.†

ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)

Based on the vehicle's weight distribution, EBD helps adjust the balance of brake power accordingly.†

BRAKE FADE COMPENSATION

It automatically increases hydraulic pressure in the braking system as the temperatures rise, so the driver does not need to press as hard on the pedal. This results in a more consistent and confident braking feel.†

†No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. ‡Based on published manufacturer specifications as of September 2017. *Optional feature available only on certain trims. See kia.com for details. GT2 SHOWN

**FORWARD COLLISION AVOIDANCE (FCA)
WITH PEDESTRIAN DETECTION****

is designed to detect and alert you to a collision risk or pedestrian approaching, and even automatically apply the brakes if necessary

FORWARD COLLISION WARNING (FCW)**

is designed to detect slowing or stopped traffic ahead, and alert you if you get too close

SMART CRUISE CONTROL WITH STOP & GO**

is designed to maintain a predetermined distance from vehicles ahead by automatically adjusting the driving speed as needed

LANE KEEPING ASSIST**

is designed to detect if you're getting too close to lane markers, and can even apply corrective steering to help prevent you from drifting into another lane

LANE DEPARTURE WARNING**

can alert you with a warning beep if you drift too close to the lane marker without signaling

DRIVER ATTENTION WARNING (DAW)**

is designed to detect a drowsy or fatigued driver and give a warning signal to take a break if needed

RAIN SENSING WIPERS*

turn on automatically when the windshield sensors detect rain

BLIND SPOT COLLISION WARNING WITH LANE CHANGE ASSIST**

is designed to detect vehicles in your blind spot and even warn of vehicles approaching from behind when you signal to change lanes

REAR CROSS TRAFFIC COLLISION WARNING**

is designed to detect traffic approaching from either side while backing up

HIGH BEAM ASSIST*

is designed to automatically dim the LED headlights for oncoming vehicles

KIA DRIVE WISE

DESIGNED TO LOOK OUT, SPEAK UP, AND EVEN STEP IN

Kia Drive Wise* is a suite of available, advanced driver-assistance technologies designed to keep you alert, aware of surrounding traffic, and even intervene in certain situations if needed to help you avoid collisions.⁴ Because even the best drivers can use a backup.

**DRIVE
WISE**

Driver Attention Warning is not a substitute for safe driving and may not detect all instances of driver fatigue or inattentive driving practices. Failure to pay attention to travel conditions and vehicle operation could result in loss of vehicle control. Always drive safely and use caution. ⁴ See last page for endnote. *Optional feature available only on certain trims. See kia.com for details. GT2 SHOWN

AHEAD OF THE CURVE, EVEN IN THE DARK

Moonless nights, winding roads, and other nocturnal challenges won't slow you down with Stinger's advanced illuminating technologies — each designed to help combat the rigors of nighttime driving and boost visibility in various conditions.

FULL LED LIGHTS*

with high-tech details expressed in the crystal LED turn signals, signature LED daytime running lights, and bright and powerful, projection-type LED headlights

DYNAMIC LOW BEAM ASSIST*

is designed to track with your steering angle and vehicle speed to help enhance directional lighting

AUTO ON/OFF HEADLIGHTS

turn on or off automatically depending on outside light levels

*Optional feature available only on certain trims. See kia.com for details. GT2 SHOWN

EASY IN, EASY OUT OF TOWN

HIDDEN UNDER-FLOOR STORAGE COMPARTMENTS

These include a tray for concealing smaller objects, along with a spare tire and tire-repair kit.

60/40 SPLIT-FOLDING REAR SEATS

They accommodate a range of storage options and increase cargo space for added versatility.

MORE CARGO VOLUME

Stinger's cargo area is greater than 2018 BMW 6-Series Gran Coupe and 2017 Porsche Panamera.[†]

SMART KEY

Just stand near your Stinger with the available Smart Key in your hand, pocket, or bag and its sensors are designed to work their magic as described below.

SMART WELCOME

It turns on the perimeter and interior lights, and unfolds the power side mirrors to greet you.

SMART POWER TRUNK*

When you stand near your trunk, it's designed to automatically open after three seconds. Close it with a push of a button.

All cargo should be evenly distributed, properly secured, and never piled higher than the seatback. [†]Based on published manufacturer specifications as of September 2017.
*Optional feature available only on certain trims. See kia.com for details. GT2 SHOWN

"NO DETAIL WAS TOO SMALL
TO BE OBSESSED OVER."

— ORTH HEDRICK, VP OF PRODUCT PLANNING,
KIA MOTORS AMERICA

Stinger's cabin is exquisitely crafted, with meticulous care put into every stitch and seam to ensure the highest attention to detail. The hand-stitched leather steering wheel is finished with a diamond-shaped pattern that requires extra time and experience to execute. Everything you touch, see, and feel will move you, even before you start the engine.

Image shown for illustration only.

NAPPA LEATHER*

covers the deeply contoured seats in supple, premium luxury

HEATED & VENTILATED SEATS

include standard heated front seats, and optional ventilated front seats*

16-WAY POWER-ADJUSTABLE DRIVER'S SEAT*

includes width-adjusting power side bolsters and 4-way aircell lumbar support for optimal comfort

INTEGRATED MEMORY SYSTEM*

remembers the setting preferences for two drivers including seat position, steering wheel, and outside mirrors

SPACIOUS INTERIOR

comes courtesy of Stinger's generous wheelbase, which is longer than the 2018 BMW 4-Series Gran Coupe and Audi A5 Sportback[†] — giving Stinger a very spacious interior

A HIGH-END CABIN WITH **HIGH-END COMFORT**

*Optional feature available only on certain trims. See kia.com for details.

[†]Based on published manufacturer specifications as of September 2017. GT2 SHOWN

SIT BACK AND RELAX BEFORE THE

ADRENALINE KICKS IN

Stinger's cockpit calls to mind the elegance of the classic '70s Gran Turismos. Its cocoonlike interior features stitch finishing, turbine-inspired air vents, metal-ringed gauges, and premium technology features designed to bring spirit and emotion back to long-distance driving.

1, 5 See last page for endnotes. *Optional feature available only on certain trims. See kia.com for details.
Simulated screen shown. GT2 SHOWN

GENUINE ALUMINUM TRIM*
accents the doors and center console

**D-SHAPED STEERING WHEEL
WITH PADDLE SHIFTERS¹**
on the GTs, inspired by those in race cars

HEATED STEERING WHEEL*
for frosty mornings

**HARMAN KARDON®⁵ PREMIUM
AUDIO SYSTEM***
includes QuantumLogic™⁵ surround-sound system
w/Clari-Fi™⁵ & 15 speakers for a rich, crisp sound

**AUTO-DIMMING REARVIEW
& OUTSIDE MIRRORS***
are designed to automatically cut the glare
from the headlights of the car behind you

LOCATION IS EVERYTHING

All of your technology, right where you need it —
Stinger's screens are positioned to put you in
command and keep key info in your line of sight.

HEAD-UP DISPLAY^{6*}

projects a color readout of important info on the windshield

FRONT & REAR PARK ASSIST SYSTEM⁴

gives an audible warning before you
bump into something while parking

REAR-CAMERA DISPLAY⁴

has helpful guidelines that track with your steering

7" LCD COLOR INSTRUMENT CLUSTER^{*}

includes a G-force meter, chrono lap timer, and oil temperature gauges

UVO INFOTAINMENT SYSTEM WITH VOICE-COMMAND NAVIGATION^{1*}

Links with your compatible smartphone⁷ for a hands-free way
to stream music, check maintenance requirements with
Vehicle Diagnostics,⁸ access 911 Connect⁹ or Enhanced Roadside Assist,¹⁰
and more — all with no subscription fees for 10 years.

An advanced voice-command navigation¹ system is also available.*

UVO eSERVICES APP¹

Download it from the App Store^{®2} or Google Play^{™3} Store
to take advantage of additional features like
Parking Minder,¹¹ which helps you find where you parked.

APPLE CarPlay^{™2} & ANDROID AUTO^{™3}

Just plug your compatible smartphone⁷ into the USB port to navigate
to your destination, make calls, play voicemails, or send texts
via voice command. Certain apps even work through the touch screen.

1, 2, 3, 4, 6, 7, 8, 9, 10, 11 See last page for endnotes. *Optional feature available only on certain trims.
See kia.com for details. Simulated screen shown. GT2 SHOWN

At Kia, the priority is always on improving all aspects of safety. Advanced sensor systems, strategically placed airbags, and breakthroughs in material design that have led to stronger body construction are just a few of the ways we never stop working to increase your protection.

ADVANCED AIRBAG SYSTEM¹²

includes dual front, front seat-mounted side, driver's knee, and full-length side curtain airbags

AIRBAG & SEAT-BELT SENSORS¹²

monitor the severity of certain impacts and seat-belt use, then help to control airbag inflation accordingly

REINFORCED BODY CAGE & DOOR BEAMS

help absorb impact energy in certain situations

FRONT SEAT-BELT PRETENSIONERS

tighten extra slack in front seat belts in certain collisions

HEIGHT-ADJUSTABLE SEAT-BELT ANCHORS

help ensure a proper, more comfortable fit

SAFETY

NEVER TAKES A DAY OFF

No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. ¹² See back cover for endnote. Simulated image. Inflated airbags shown for illustration purposes only. GT2 SHOWN

GO WHERE YOU WANT, WHEN YOU WANT

Stinger's advanced range of active safety features and technologies help combat slipping or skidding in challenging situations, allowing you to face down slick roads and unexpected turns with confidence.†

ALL-WHEEL DRIVE (AWD) SYSTEM*

AWD with Dynamic Torque Vectoring Control automatically adjusts the ratio of power and braking force to the appropriate wheels front-to-rear to enhance traction in certain low-grip conditions. All-season tires* provide additional traction.

ELECTRONIC STABILITY CONTROL (ESC)

In difficult driving situations, ESC is designed to control the engine and brakes for improved directional stability.

VEHICLE STABILITY MANAGEMENT (VSM)

VSM is designed to intervene to enhance stability and steering responses in appropriate situations.

TRACTION CONTROL SYSTEM (TCS)

When TCS senses wheelspin during acceleration, it uses a combination of engine power and brake force to help transfer power to the wheel that has more traction.

HILL-START ASSIST CONTROL (HAC)

When starting off on an incline, HAC is designed to automatically hold the brake pressure for two seconds after you take your foot off the brake pedal to help prevent you from rolling back.

†No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. *Optional feature available only on certain trims. See kia.com for details. GT2 AWD SHOWN
