

supra

FROM AUTOMOTIVE LEGENDS,
AN EPIC GT.

GT2 SHOWN

"I HAD A SPORTS CAR ON MY MIND FOR YEARS. IT WAS LIKE A DREAM FOR ME SINCE I ARRIVED AT KIA. FINALLY THE OPPORTUNITY PRESENTED ITSELF, AND I KNEW FROM THE START I WANTED GREGORY ON OUR TEAM."

— PETER SCHREYER

You can see Peter and Gregory's impact on the brand in the iconic Kia grille. Now this pairing of masters has produced a sports sedan that took seven years to make, but takes just an instant to appreciate.

AT RIGHT: PETER SCHREYER, PRESIDENT AND CHIEF DESIGN OFFICER

An internationally acclaimed designer, Schreyer's contributions to European sports and luxury brands have influenced a generation of automotive stylists. He joined Kia in 2006, where he oversees a network of design studios on three continents.

AT LEFT: GREGORY GUILLAUME, CHIEF DESIGNER, KIA EUROPE DESIGN CENTER

Award-winning Chief Designer Guillaume brings more than 25 years of global design achievement to Kia. He's led Kia's European Design Center since 2005.

GT2 SHOWN

"I'LL NEVER FORGET THE ALLURE OF THE FANTASTIC GTs FROM THE '70s. CARS THAT WERE AS ELEGANT AS THEY WERE FAST. WE DESIGNED THE STINGER WITH THIS VISION — A MODERN INTERPRETATION OF THE CLASSIC GT THAT DRIVES AS GOOD AS IT LOOKS."

— GREGORY GUILLAUME

What's possible when there's nothing holding you back?

When you're free to create the car of your dreams, without history weighing you down? What can you achieve with a blank slate, a deep bench of legendary talent, an irrepressible spirit, and seven years to design, engineer, and fine-tune that dream into reality? We know. Now it's your turn to find out.

2.0 LITERS, TWO POWERFUL CHOICES

Stinger's powerful 2.0L Twin Scroll turbocharged Gasoline Direct Injection (GDI) engine comes in two trim levels. These key features and options will help you compare.

THE GTs: 365 HORSEPOWER,[§] 3 WAYS TO GET IT

The GT's exhilarating Twin Turbo V6 engine has three trims. Use the key features and options here to find the one for you.

[§]With premium gasoline. *OPTIONAL FEATURE AVAILABLE ONLY ON CERTAIN TRIMS (HIGHLIGHTED ON THIS PAGE ONLY). SEE KIA.COM FOR DETAILS. 1-9 See last page for endnotes. GT2 SHOWN

"FOR THE KIA BRAND THE STINGER IS AN EXPLOSION BECAUSE NOBODY EXPECTED SUCH A CAR. NOT JUST THE WAY IT LOOKS BUT ALSO THE WAY IT DRIVES. THE DRIVING STABILITY, THE HIGH-SPEED CORNERS ON THE NÜRBURGRING... IT'S A WHOLE DIFFERENT ANIMAL."

— ALBERT BIERMANN

Kia went to extraordinary lengths — and extreme destinations — to guarantee that Stinger delivered on Albert Biermann's high-performance intentions with guts and grace. Ride and handling precision were fine-tuned on the high-speed, blind corners of Germany's grueling Nürburgring circuit. Stinger's long-distance chops were challenged through the deserts of Death Valley, California. And to test its mettle in extreme weather and low-grip conditions, we put Stinger through its paces on a skidpad and handling circuit carved into a frozen lake in Arjeplog, Sweden.*

ALBERT BIERMANN, HEAD OF VEHICLE TEST & HIGH-PERFORMANCE DEVELOPMENT

A legend in the world of high-performance engineering, Mr. Biermann is renowned for honing the performance of some of the most acclaimed European road and race cars.

*Vehicle equipped with aftermarket snow tires. Always drive safely and use caution. Simulated screen shown. GT2 SHOWN

IT TOOK 7 YEARS TO CREATE AND

4.7 SECONDS

TO UNDERSTAND WHY

Stinger's 365-horsepower,[§] 3.3L V6* has a 0–60 time of 4.7 seconds and a top speed of 167 mph.[†] It's faster than the 2018 Audi A7 Sportback AWD, 2019 BMW 640i Gran Coupe, and 2018 Porsche Panamera V6 RWD.[‡] And everything, from its wheel housings to kicked-up trunk lid, has been ingeniously engineered to cheat the wind for incredible stability at higher speeds. But it's also made for the long journey. So you can take your time, just like we did.

**REAR-WHEEL DRIVE (RWD)
OR ALL-WHEEL DRIVE (AWD)***
are both tuned to give you maximum
driving thrills with either choice

ISO-STRUCTURE™
is made with 55% advanced, high-strength steel to help
improve rigidity in a variety of circumstances — which
means you'll enjoy better driving dynamics and a quiet ride

FIVE DRIVE MODE SELECTIONS
adjust steering boost, shift points, throttle mapping, and
suspension damping* to give you a choice of five unique
drive modes: Smart, ECO, Comfort, Sport, or Custom

LAUNCH CONTROL SYSTEM*
maximizes off-the-line response for quick acceleration[^]

ELECTRONICALLY CONTROLLED SUSPENSION (ECS)*
is designed to give you the ride you want, from comfort to sport,
by adapting the suspension of the car to the driving conditions

MECHANICAL LIMITED-SLIP DIFFERENTIAL*
helps to evenly distribute power through the rear
wheels, resulting in more responsive and agile handling[^]

SPORT VARIABLE GEAR RATIO STEERING*
increases steering responsiveness during spirited
driving to elevate your driving experience[^]

*Optional feature available only on certain trims. See kia.com for details. [§]With premium gasoline. [†]Preliminary performance estimates determined by Kia for Stinger GT rear-wheel drive using Launch Control and factory-equipped with 19-inch wheels. Stinger GTs that are factory-equipped with 18-inch wheels are limited to 130 mph top speed (i.e., installation of 19-inch wheels will not increase the top speed). Actual results may vary depending on options, driving conditions, driving habits, and vehicle condition. Verification of these results should not be attempted. Always drive safely and obey all traffic laws. [‡]Based on published manufacturer specifications as of June 2018. [^]Always drive safely and use caution. GT2 SHOWN

BRAKES THAT WERE BORN ON THE TRACK

Look behind the GT's 19-inch wheels* and you'll find vented Brembo® brakes — the same brand found on some of the most prestigious cars of the last 40 years. They help give you outstanding deceleration performance and precise handling in a variety of conditions†

BREMBO® HIGH-PERFORMANCE BRAKES*

GT's powerful Brembo® brakes feature signature red, fixed quad-piston front calipers and dual-piston rear calipers. Larger overall brake rotors than the 2018 Porsche Panamera V6† help provide more consistent braking performance‡

BRAKE ASSIST SYSTEM (BAS)

If you suddenly slam on your brakes, BAS is designed to sense the urgency and apply full braking power, which can help shorten your braking distance‡

ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)

Based on the vehicle's weight distribution, it helps adjust the balance of braking power accordingly‡

BRAKE FADE COMPENSATION

It automatically increases hydraulic pressure in the braking system as the temperatures rise, so the driver does not need to press as hard on the pedal. This results in a more consistent and confident braking feel‡

*Optional feature available only on certain trims. See kia.com for details. †No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive safely. ‡Based on published manufacturer specifications as of June 2018. GT2 SHOWN

FORWARD COLLISION-AVOIDANCE ASSIST WITH PEDESTRIAN DETECTION^{6*}

is designed to help detect and alert you of a collision risk or pedestrian approaching, and even automatically apply the brakes in some cases

FORWARD COLLISION WARNING^{6*}

is designed to help detect slowing or stopped traffic ahead, and alert you if it detects you getting too close

SMART CRUISE CONTROL WITH STOP & GO^{6*}

is designed to automatically adjust your driving speed to help maintain a predetermined distance from a vehicle detected ahead of you

LANE KEEPING ASSIST^{6*}

is designed to help detect if the vehicle is getting too close to lane markers, and it can apply corrective steering to help prevent you from drifting into another lane

LANE DEPARTURE WARNING^{6*}

can help alert you with a warning beep if you drift too close to the lane marker without signaling

DRIVER ATTENTION WARNING^{7*}

is designed to give you a warning signal to take a break if it detects you becoming drowsy or fatigued

RAIN SENSING WIPERS*

turn on automatically when the windshield sensors detect rain

BLIND SPOT COLLISION WARNING^{6*}

is designed to help detect vehicles in your blind spot and give visible and audible alerts to help you avoid some hazardous lane-change decisions

LANE CHANGE ASSIST^{6*}

is designed to help warn you of vehicles that it detects in adjacent lanes approaching from behind, when you put your blinker on to change lanes

REAR CROSS TRAFFIC COLLISION WARNING^{6*}

uses visual and audible alerts that can help warn of traffic the system detects coming from either side when you're in reverse

HIGH BEAM ASSIST*

is designed to automatically dim the high beams for oncoming vehicles, then returns to high-beam setting once the vehicle passes

KIA DRIVE WISE

DESIGNED TO LOOK OUT, SPEAK UP, AND EVEN STEP IN

Even the best drivers can't be perfect 100% of the time. So we created Kia Drive Wise*, a suite of standard and available advanced driver-assistance technologies that are designed to help keep you alert, aware of surrounding traffic, and even intervene in certain situations to help you avoid collisions.⁶

**DRIVE
WISE**

*Optional feature available only on certain trims. See kia.com for details. 6, 7 See last page for endnotes. GT2 SHOWN

KIA DRIVE WISE

KIA.COM/STINGER

for even more details

AHEAD OF THE CURVE, EVEN IN THE DARK

Moonless nights, winding roads, and other nocturnal challenges are no match for Stinger's advanced illuminating technologies — each designed to help combat the rigors of nighttime driving and boost visibility in various conditions.

FULL LED LIGHTS*

with high-tech details expressed in the crystal LED turn signals, signature LED daytime running lights, and bright and powerful, projection-type LED headlights

LOW BEAM ASSIST — DYNAMIC*

headlights are designed to track with your steering angle and vehicle speed to help enhance directional lighting

AUTO ON/OFF HEADLIGHTS

turn on or off automatically depending on outside light levels

*Optional feature available only on certain trims. See kia.com for details. GT2 SHOWN

EASY IN, EASY OUT OF TOWN

HIDDEN UNDER-FLOOR STORAGE COMPARTMENTS

These include a tray with partitions for storing smaller, loose objects, along with a spare tire

60/40 SPLIT-FOLDING REAR SEATS

They accommodate a range of storage options and increase cargo space for added versatility

MORE CARGO VOLUME

Stinger's cargo area is greater than 2019 BMW 6-Series Gran Coupe and 2018 Porsche Panamera†

SMART KEY

Just stand near your Stinger with the Smart Key in your hand, pocket, or bag and its sensors are designed to work their magic as described below

SMART WELCOME

It turns on the perimeter and interior lights, and unfolds the power side mirrors to greet you

SMART POWER TRUNK*

When you stand near your trunk, it's designed to automatically open after three seconds. Close it with a push of a button

*Optional feature available only on certain trims. See kia.com for details. All cargo should be evenly distributed, properly secured, and never piled higher than the seatback.
†Based on published manufacturer specifications as of June 2018. GT2 SHOWN

"NO DETAIL WAS TOO SMALL
TO BE OBSESSED OVER."

— ORTH HEDRICK, VP OF PRODUCT PLANNING,
KIA MOTORS AMERICA

Stinger's cabin is exquisitely crafted, with meticulous care put into every stitch and seam to ensure the highest attention to detail. The hand-stitched leather steering wheel is finished with a diamond-shaped pattern that requires extra time and experience to execute. Everything you touch, see, and feel will move you, even before you start the engine.

Image shown for illustration only.

NAPPA LEATHER TRIM*

adds premium luxury to the deeply contoured seats

HEATED & VENTILATED SEATS*

include standard heated front seats, optional heated rear outboard seats, and optional ventilated front seats

16-WAY POWER-ADJUSTABLE DRIVER'S SEAT*

includes width-adjusting power side bolsters and 4-way aircell lumbar support for optimal comfort

INTEGRATED MEMORY SYSTEM*

remembers the setting preferences for two drivers including seat position, steering wheel, and outside mirrors

SPACIOUS INTERIOR

comes courtesy of Stinger's generous wheelbase, which is longer than the 2019 BMW 4-Series Gran Coupe and 2018 Audi A5 Sportback[†] — giving Stinger a very spacious interior

A HIGH-END CABIN WITH
HIGH-END COMFORT

*Optional feature available only on certain trims. See kia.com for details. [†]Based on published manufacturer specifications as of June 2018. Simulated screen shown. GT2 SHOWN

SIT BACK AND RELAX BEFORE THE
**ADRENALINE
KICKS IN**

Stinger's cockpit calls to mind the elegance of the classic '70s Gran Turismos. Its cocoon-like interior features stitch finishing, turbine-inspired air vents, metal-ringed gauges, and premium technology features designed to bring spirit and emotion back to long-distance driving.

*Optional feature available only on certain trims. See kia.com for details.

GENUINE ALUMINUM TRIM*
accents the doors and center console

**D-SHAPED STEERING WHEEL
WITH PADDLE SHIFTERS***
on the GTs, inspired by those in race cars

HEATED STEERING WHEEL*
for frosty mornings

**HARMAN KARDON®5 PREMIUM
AUDIO SYSTEM***
includes QuantumLogic™5 surround-sound system
w/Clari-Fi™5 & 15 speakers for a rich, crisp sound

SiriusXM®10 RADIO
lets you hear your favorite music,
sports, comedy, news, and more

**AUTO-DIMMING REARVIEW
& OUTSIDE MIRRORS***
are designed to automatically cut the glare
from the headlights of the car behind you

LOCATION IS EVERYTHING

All of your technology, right where you need it —
Stinger's screens are positioned to put you in
command and keep key info near your line of sight.†

SURROUND-VIEW MONITOR®*

uses four cameras to provide a view around the vehicle —
especially helpful when parking in tight spots

HEAD-UP DISPLAY®*

projects a color readout of important info on the windshield

FRONT & REAR PARK ASSIST SYSTEM®

gives an audible warning if it detects certain objects
close to your vehicle while parking

REAR-CAMERA DISPLAY®

has helpful guidelines that track with your steering

7" LCD COLOR INSTRUMENT CLUSTER*

includes a G-force meter, chrono lap timer, and oil temperature gauges

UVO eSERVICES®*

Links with your compatible smartphone¹¹ for a hands-free way
to stream music, check maintenance requirements with
Vehicle Diagnostics¹² and access 911 Connect¹³ or Enhanced
Roadside Assist.¹⁴ This free service is available for five years.
An advanced Premium Navigation¹ system is also available*

UVO eSERVICES APP²

Download it from the App Store^{®3} or Google Play^{™4} Store
to take advantage of additional features like
Parking Minder,¹⁵ which helps you find where you parked

APPLE CarPlay^{™3} & ANDROID AUTO^{™4}

Just plug your compatible smartphone¹¹ into the USB port to navigate
to your destination, make calls, play voicemails, or send texts
via voice command. Certain apps even work through the touch screen

*Optional feature available only on certain trims. See kia.com for details. †Distracted driving can result in a loss of vehicle control. Never use a handheld device or vehicle system that takes your focus away from safe vehicle operation. 1–4, 6, 9, 11–15 See last page for endnotes. Simulated screen shown. GT2 SHOWN

At Kia, the priority is always on improving all aspects of safety. Advanced sensor systems, strategically placed airbags, and breakthroughs in materials and design that have led to strong body construction are just a few of the ways we never stop working to increase your protection.*

ADVANCED AIRBAG SYSTEM¹⁶

includes dual front, front seat-mounted side, driver's knee, and full-length side curtain airbags

AIRBAG & SEAT-BELT SENSORS¹⁶

monitor the severity of certain impacts and seat-belt use, then help to control airbag inflation accordingly

REINFORCED BODY CAGE & DOOR BEAMS

help absorb impact energy in certain situations

FRONT SEAT-BELT PRETENSIONERS

tighten extra slack in front seat belts in certain collisions

HEIGHT-ADJUSTABLE SEAT-BELT ANCHORS

help provide a customized, more comfortable fit

SAFETY

NEVER TAKES A DAY OFF

*No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive safely. ¹⁶ See back cover for endnote. Inflated airbags shown for illustration only. GT2 SHOWN

GO WHERE YOU WANT, WHEN YOU WANT

Stinger's advanced range of active safety features and technologies help combat slipping or skidding in challenging situations, helping you to face down slick roads and unexpected turns with confidence!

FULLY ACTIVE ALL-WHEEL DRIVE (AWD) SYSTEM*

Available all-wheel drive delivers enhanced handling and stability under heavy cornering or low-grip surfaces. On Stinger GT models, the Dynamic Torque Vectoring Control (DTVC) system monitors the drive, and automatically applies power or braking to the front and rear wheels accordingly

ELECTRONIC STABILITY CONTROL (ESC)

In difficult driving situations, ESC is designed to control the engine and brakes for improved directional stability

VEHICLE STABILITY MANAGEMENT (VSM)

VSM is designed to intervene to enhance stability and steering responses in certain situations

TRACTION CONTROL SYSTEM (TCS)

When TCS senses wheelspin during acceleration, it uses a combination of engine power and brake force to help transfer power to the wheel that has more traction

HILL-START ASSIST CONTROL (HAC)

When starting off on an incline, HAC is designed to automatically hold the brake pressure for two seconds after you take your foot off the brake pedal to help prevent you from rolling back

*Optional feature available only on certain trims. See kia.com for details. †No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive safely. GT2 AWD SHOWN

kia.com

ENDNOTES

1. Distracted driving can result in a loss of vehicle control. When operating a vehicle, never use a handheld device or vehicle system that takes your focus away from safe vehicle operation. Navigation is for information purposes only, and Kia does not make any warranties about the accuracy of the information.
2. Purchase/lease of a new 2019 Kia Stinger vehicle with UVO eServices or eServices w/Premium Navigation ("UVO eServices") includes a complimentary 5-year subscription starting from new vehicle retail sale/lease date as recorded by the dealer. After your complimentary 5-year UVO eServices subscription expires, your access to UVO eServices will immediately terminate. Use of UVO eServices is subject to agreement to the UVO Privacy Policy (available at <https://www.myuvo.com/legal/privacy-policy.shtml>) and Terms of Service (available at <https://www.myuvo.com/legal/terms-of-service.shtml>). UVO eServices is transferable to subsequent owner(s) during the original UVO eServices/eServices w/Premium Navigation service term. Only use UVO eServices when safe to do so. UVO eServices app is available from the App Store® or Google Play™ Store. Kia Motors America, Inc. reserves the right to change or discontinue UVO eServices at any time without prior notification or incurring any future obligation. Message and data rates may apply. Cellular and GPS coverage are required to use most features. UVO eServices features may vary by model, model year, and trim level. Features and specifications are subject to change. For more on details and limitations, visit [myuvo.com](https://www.myuvo.com) or your authorized Kia dealer. Google and logos are trademarks of Google Inc. App Store is a registered trademark of Apple Inc.
3. Apple, the Apple logo, App Store, Apple CarPlay, and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries.
4. ©2018 Google Inc. Google is a registered trademark, and Google Play and Android Auto are trademarks of Google Inc.
5. ©2018 Harman International Industries, Inc. All rights reserved. Clari-Fi and QuantumLogic are trademarks and Harman Kardon is a registered trademark of Harman International Industries, Inc.
6. These features are not substitutes for safe driving and may not detect all objects surrounding vehicle. Always drive safely and use caution.
7. Driver Attention Warning is not a substitute for safe driving and may not detect all instances of driver fatigue or inattentive driving practices. Failure to pay attention to travel conditions and vehicle operation could result in loss of vehicle control. Always drive safely and use caution.
8. Charging system only works with select devices. Refer to the vehicle's Owner's Manual for warnings and instructions.
9. Failure to pay attention to travel conditions and vehicle operation could result in loss of vehicle control. Always drive safely and use caution.
10. SiriusXM® audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. **If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Traffic information not available in all markets. See [siriusxm.com/traffic](https://www.siriusxm.com/traffic) for details.** Sirius, XM, SiriusXM, and all related marks and logos are trademarks of Sirius XM Radio Inc. Satellite and streaming lineups may vary slightly.
11. Apple iPhone® and select Android™ devices only are UVO eServices-compatible. iPhone® is a registered trademark of Apple Inc. Android™ is a trademark of Google Inc.
12. Vehicle Diagnostics is not a substitute for regularly scheduled maintenance. Vehicle Diagnostics checks powertrain, chassis, and airbag systems, and requires initial activation. See the UVO Maintenance section or Owner's Manual for maintenance schedule.
13. 911 Connect must be enabled on head unit, and activates after airbag deployment. Requires a compatible smartphone connected via *Bluetooth*® wireless technology and cellular coverage. Cellular service rates apply.
14. 24-hour Roadside Assistance is a service plan provided by Kia Motors America, Inc. Limitations apply. See Kia Warranty and Consumer Information Manual for details. Requires a compatible smartphone connected via *Bluetooth*® wireless technology, and cellular coverage. Cellular service rates apply.
15. Parking Minder requires cellular coverage, a USB-connected compatible smartphone, and the UVO eServices app. Cellular service rates apply.
16. For maximum protection, always wear your seat belt. No system, no matter how advanced, can compensate for all driver errors, driving conditions, and/or injury.
17. Warranties include 10-year/100,000-mile powertrain and 5-year/60,000-mile basic. All warranties and roadside assistance are limited. See retailer for warranty details.
