SPECIFICATION

Page 16

The New Discovery Sport is the first in a new generation of Land Rover SUV design. This is a modern, relevant and compelling vehicle, with its well-proportioned compact body and purposeful stance. Its distinctive silhouette and beautifully sculptured surfaces all combine to create a vehicle that truly connects on an emotional level.

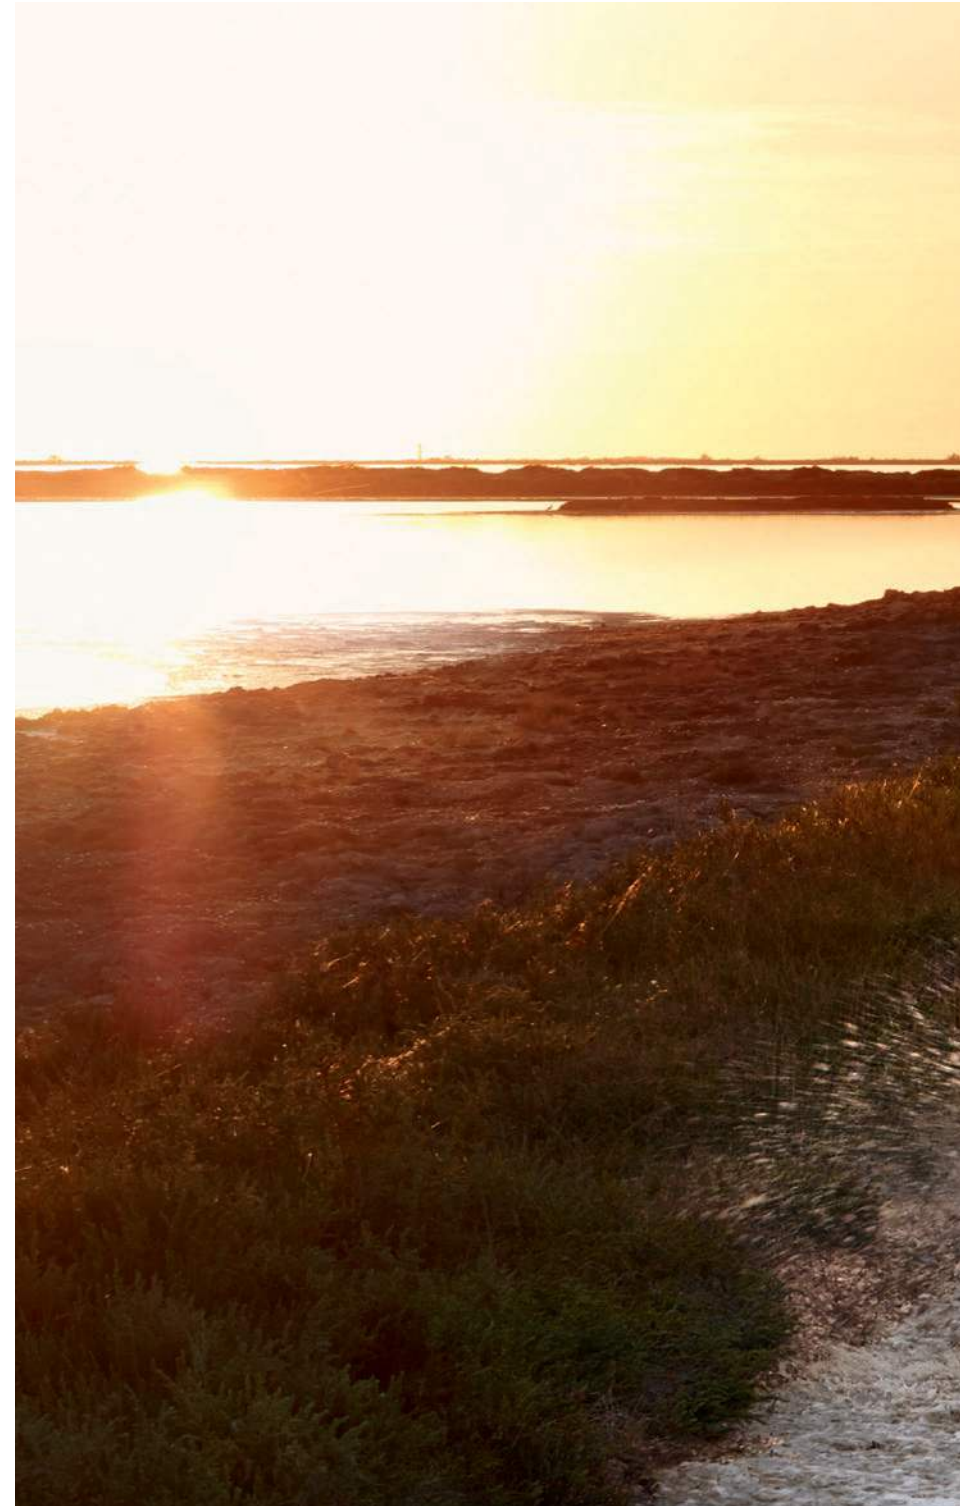

The desirability of the exterior design continues into the cabin with bold horizontal and vertical lines. Complemented by clean surfaces, superb finishes and premium leathers to promote what is a highly versatile package. Inside and outside seamlessly blend into a vehicle that clearly communicates its Discovery DNA, while firmly looking forward.

Land Rover has always been synonymous with capability and the New Discovery Sport vehicle lives up to even the most demanding expectations. Confident, assured and responsive, the drive is further enhanced by a generous wheel articulation and innovative off-road technologies such as Terrain Response®*.

*These features are not a substitute for driving safely with due care and attention, and will not function under all circumstances, speeds, weather and road conditions. The driver should not assume that these features will correct errors of judgment in driving. Please consult your vehicle's owner's manual or your local authorized Land Rover Retailer for more details.

Vehicle shown left and above is HSE Luxury in Scotia Gray.

Terrain Response® is designed to adapt the responses of the vehicle's engine, gearbox, differentials and chassis systems to optimize your drive and comfort.* In fact, such technologies have been tested for over 18 months in the most gruelling conditions and in more than 20 countries.

*These features are not a substitute for driving safely with due care and attention, and will not function under all circumstances, speeds, weather and road conditions. The driver should not assume that these features will correct errors of judgment in driving. Please consult your vehicle's owner's manual or your local authorized Land Rover Retailer for more details.

Vehicle shown left is HSE Luxury in Scotia Gray.

New Discovery Sport bursts with all the advances you'll need to make driving a pleasure. Features including Dynamic Stability Control, Roll Stability Control and Electronic Traction Control actively monitor the vehicle's behavior to deliver the most assured, confident drive imaginable so you'll always feel in control.

Family and friends keen to get out and make the most of a new day? The New Discovery Sport has been designed and engineered to meet any challenge. With a loadspace of up to 60 cubic feet and the option of flexible 5+2 seating which, when stored flat, gives a load floor of 38.8 inches, it accommodates 5+2 passengers and their gear with ease.

One look tells you this isn't the usual seating configuration or loadspace. The second row is both comfortable and spacious, thanks to the flexibility of the seats to travel 6.3 inches forward and back; in fact, when fully rearward, the second row offers impressive legroom of 37.3 inches. The optional 5+2 seating, with their simple, single-handed 50:50 deployment, has been incorporated without compromising the exterior design. So you can make the most of having more space and seating options than ever.

Vehicle shown above is HSE Luxury in Scotia Gray.
Interior shown left is HSE Luxury Glacier/Lunar with Glacier seats.

NOW IT'S TIME TO CHOOSE...

The New Discovery Sport offers you great options and flexibility to personalize your vehicle. The following pages take you through a logical series of steps to make it suit your lifestyle. There are several choices: from selecting your model to exterior and interior colors, wheels and those detailed touches to enable you to personalize your vehicle.

If you'd like to bring your options to life, go to our online configurator at LandRoverUSA.com

(4) Please remember that the safety belts in a Land Rover vehicle constitute the primary protection system for driver and passengers in collisions. Airbags are not designed to deploy in all collisions. The airbag Supplemental Restraint System (SRS) is a supplement to the safety belts and is designed to work as a system with the safety belts. Although airbags provide additional protection, airbags without safety belts do not provide optimal protection in a crash. Always wear your safety belts. Children younger than 13 years old should always be properly restrained in a back seat, away from airbags. Never place an infant seat in the front seat.

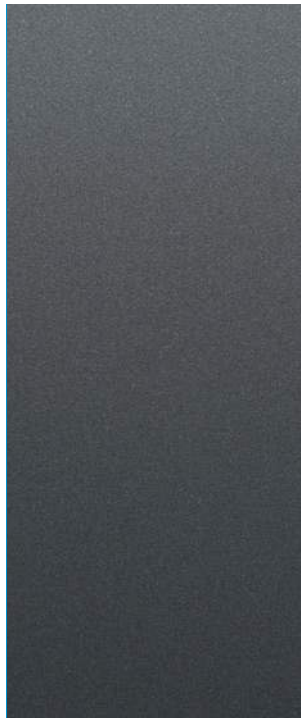

(5) These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these systems will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.

(6) Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones, and other devices, even with voice commands, when it is safe to do so.

The Bluetooth® word mark and logo are owned by the Bluetooth SIG, Inc. and any use of such marks by Land Rover is under license.

STEP 2 CHOOSE YOUR COLOR – BLACK DESIGN PACK

Personalizing the exterior

For an even more striking effect the New Discovery Sport can be further personalized with the optional Black Design Pack. Emphasizing the assertive, confident stance of the vehicle, the Black Design Pack makes Discovery Sport your own.

The Black Design Pack is available in all exterior color options and includes the following: Santorini Black contrast roof, Narvik Black: grille, fender vents and mirror caps with Black hood script and tailgate badging. A choice of 19 inch Gloss Black alloy wheels or 20 inch Gloss Black alloy wheels is available.

Vehicle shown is Black Design Pack in Corris Gray.

Visit LandRoverUSA.com for more information.

STEP 4 CHOOSE YOUR INTERIOR

The cabin in the New Discovery Sport embodies the finest of contemporary living. Bold horizontal and vertical lines and superb levels of comfort create a space in which you and your family and friends will want to spend time. A wide range of colorways and seat materials are available to suit all tastes.

STEP 4 CHOOSE YOUR INTERIOR – INTERIOR SEAT OPTIONS

Standard 60:40 Second Row Seats with Slide and Recline

These seats have forwards/backwards movement of 6.3 inches allowing truly flexible use of space for luggage or to maximize passenger legroom. The seats can also recline to provide even greater comfort.

Optional 5 + 2 Seating

A neatly integrated third row of seats can be opened to give you even more versatility. These seats are ideal for children and teenagers, or adults on short journeys. They are easily accessed by tipping and sliding forward the second row seats. When folded, the third row seats leave a flat floor in the luggage compartment as if it were a five-seat model.

KEY FEATURES

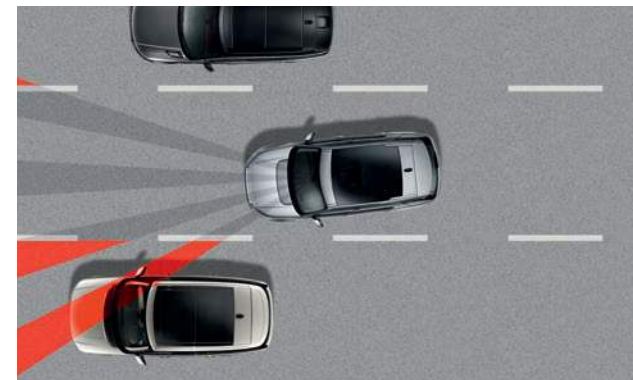

Autonomous Emergency Braking*

Autonomous Emergency Braking is an optional system which is designed to detect objects and to automatically reduce impact speed using a forward-facing digital camera. If it calculates that a collision is likely, the driver is alerted of the risk by a visual and audible warning signal. The system will fully stop a vehicle between 3mph to 30mph and mitigate collision up to 50mph.

Parallel Park, Parking Exit and Perpendicular Parking*

Optional Parallel Park is designed to identify suitable parking spaces and to automatically steer into the space while you operate the pedals. Parking Exit is designed to provide the same assistance to maneuver out of the space. Perpendicular Park is truly useful in parking lots and tight spaces, it is designed to automatically assess whether the chosen space is wide enough before steering the vehicle centrally into place as the driver operates the pedals.

Lane Departure Warning*

An optional forward-facing camera mounted ahead of the rear view mirror is designed to monitor the lane markings on both sides of the vehicle and to give the driver a warning when the vehicle drifts out of its lane without the indicators being triggered. The alert comes in the form of a discrete vibration through the steering wheel, allowing the driver to take the appropriate action.

Customer Configurable Mood Lighting

New levels of ambient refinement and personalization have been reached with the option of Customer Configurable Mood Lighting. Using a combination of colored LEDs, this feature allows occupants to vary the shade, changing the ambience of the cabin to suit their mood. There are five colors in total to suit every taste and mood, ranging from white through to moonlight and red.

Panoramic Roof**

The optional full glass fixed panoramic roof enhances the sense of space in the vehicle's interior and floods it with natural light. To maintain a comfortable interior temperature and to provide a sense of privacy, the toughened glass has a dark tint to offer a high degree of solar protection. When additional shade or privacy is required, an electric fabric sun blind can be extended across the full surface of the glass roof.

Eco Mode

Driver-selected feature which prioritizes the most efficient vehicle settings including auto transmission and comfort features like heating and air conditioning in order to minimize fuel consumption and CO₂ emissions.

*These features are not a substitute for driving safely with due care and attention, and will not function under all circumstances, speeds, weather and road conditions. The driver should not assume that these features will correct errors of judgment in driving. Please consult your vehicle's owner's manual or your local authorized Land Rover Retailer for more details.
 **Image shown with rear seat entertainment, not available in US market. Please consult your nearest Land Rover Retailer for more details.

Vehicle shown left is HSE Luxury in Scotia Gray.

Visit LandRoverUSA.com for more information.

KEY FEATURES

Climate Front Seats

For the ultimate comfort whatever the temperature, Climate Front Seats are available. This option provides both heated and cooled ventilation through perforations in the leather seats. Driver and passenger preferences can be independently controlled via the Touch-screen.**

Powered Tailgate

This optional feature allows the tailgate to be opened using the key fob, a switch on the fascia or operated independently using a button on the tailgate itself. A button located inside the tailgate allows the tailgate to be closed automatically.

Land Rover InControl® Apps**

Land Rover InControl® Apps enables you to use vehicle optimized smartphone apps on the vehicle's touch-screen. Using the InControl Apps USB port you can enjoy a variety of vehicle optimized apps such as: Contacts, Calendar and Music Player, with more third party vehicle apps being released over time. Your smartphone will also be re-charged while using InControl Apps.

Land Rover InControl® Remote and Protect

Peace of mind SOS Emergency Call and Optimized Land Rover Assistance use GPS technology to minimize delay in getting assistance to your exact location. In addition, make life a little easier with the associated InControl Remote and Protect smartphone application; check your fuel levels remotely, find your car, save your trip information and check if you have left doors or windows open. (Available as an option on all models.)

*These features are not a substitute for driving safely with due care and attention, and will not function under all circumstances, speeds, weather and road conditions. The driver should not assume that these features will correct errors of judgement in driving. Please consult your vehicle's owner's manual or your local authorized Land Rover Retailer for more details.

**Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones, and other devices, even with voice commands, when it is safe to do so.

ACCESSORIES

Side Steps*
VPLCP0210

The side steps aid entry and exit to the vehicle and improve access to the roof. Design features include bright stainless steel edge trim and a rubber tread mat.

Side Tubes*
VPLCP0209

Manufactured from stainless steel with a highly polished finish. The rugged off-road appearance complements the vehicle's exterior design.

19 inch five split-spoke 'Style 523'
VPLCW0104

With ceramic finish, contrasting Gloss Black inner spokes and a laser etched red pinstripe.

Stainless Steel Front Undershield
VPLCP0212

The off-road styled undershield features a premium bright polished finish for the front of the vehicle.

Stainless Steel Rear Undershield**
VPLCP0213

The off-road styled undershield features a premium bright polished finish for the rear of the vehicle.

20 inch five split-spoke 'Style 524'
VPLCW0105

With satin polished finish.

*Fitting of side tubes or side steps may affect the off-road capability of vehicle.

**Not available with towing systems for vehicles equipped with 5+2 seating and reduced section spare wheel.

Vehicle shown left is HSE Luxury in Yulong White. Color shown is not available in the US market, please contact your nearest Land Rover Retailer for more information.

ACCESSORIES

Luggage Divider – Full Height*
VPLCS0299

The Luggage Divider is designed to prevent cargo from entering the passenger compartment. It incorporates a useful integral ski hatch that allows longer items to be carried where a suitable rear seat option is fitted. The design of the luggage divider has been optimized to second row seating featuring tilt functionality.

Luggage Divider – Half Height*
VPLCS0300

The Luggage Divider is designed to prevent cargo from entering the passenger compartment. The design of the luggage divider has been optimized to second row seating featuring tilt functionality.

Loadspace Mat – Rubber
VPLCS0279

Waterproof rubber mat helps to protect the rear loadspace carpet from general dirt. Rubber mat extension for protection of the back of the rear seats when folded down also available – Part No: VPLCS0273.

Loadspace Liner Tray
VPLCS0274
VPLCS0268 – With luggage divider (not shown)

This liner provides superior protection to the loadspace floor and side wall carpets from dirty or wet equipment.

Flexible Loadspace Liner
VPLCS0272

Heavy duty fabric helps protect loadspace with floor, side trim and second row seat backs covered.

Loadspace Rails
VPLGS0171

Luggage Retention Kit
VPLVS0125

Loadspace Rails enable a number of convenient carrying accessories. The Luggage Retention Kit consists of a pack of attachments that fix into the loadspace rails via a quick lock/quick release system to provide a flexible solution for retaining items. The attachment pack includes a retractable strap with inertia reel, telescopic rod and stowage bag.

*Can be fitted with Loadspace Rubber Mat (VPLCS0279) and Loadspace Liner Tray (VPLCS0268).

Please note: The design of accessories is subject to change and may differ from the images shown.

Aperture Retention Net
VPLCS0267

The Aperture Retention Net keeps loads secure when tailgate is opened and maximizes packing space.

Loadspace Retention Net
VPLCS0269

The Loadspace Retention Net utilizes loadspace tie-down points to prevent items from moving when driving. Includes floor net and two ratchet straps.

Rear Bumper Protection Cover
VPLVS0179

Provides protection to the bumper paintwork while loading and unloading.

Rear Loadspace Treadplate Finisher
VPLCS0287LAA – Lunar
VPLCS0287PVJ – Ebony (not shown)

Manufactured from stainless steel with a bright finish, the Rear Loadspace Treadplate Finisher provides protection for the loadspace trim when loading or unloading.

ACCESSORIES

Premium Carpet Mats
VPLCS0282LAA – Lunar
VPLCS0282PVJ – Ebony (not shown)
Deep pile 2,050g weight carpet mats with waterproof backing.

Rubber Floor Mats
VPLCS0281 – Front and second row
VPLCS0280 – Third row (not shown)
Rubber footwell mats help provide protection from general dirt.

Center Armrest Cooler/Warmer Box
VPLVS0176
This convenient drink and food cabinet is ideal for use on long journeys and also provides a comfortable rear center armrest with a premium leather finish.

Illuminated Treadplates
VPLCS0286LAA – Lunar
VPLCS0286PVJ – Ebony (not shown)
Dealer-fit treadplates featuring illuminated Discovery script. Supplied as a pair for driver and front passenger sides of the vehicle to welcome you into the cabin.

Brushed Finish Treadplates
Lunar
Ebony (not shown)
Front pair of Brushed Finish Treadplates to add style to your vehicle and protect the sill trim from scuffs and scrapes. Please contact your Land Rover Retailer for part number information.

Stainless Steel Sports Pedals
VPLHS0044 – Automatic Transmission vehicles
Stainless steel pedals feature a bright design and hidden fixings for a clean finish.
Stainless Steel Sports Footrest
VPLVS0178
Complementing the sports pedals, the footrest is manufactured from stainless steel and features a satin finish.

Rear Sun Blinds
VPLCS0298 – Second row
VPLCS0297 – Third row
VPLCS0296 – Tailgate (not shown)

Easy to install or remove these sun blinds provide increased comfort helping to protect passengers from heat and glare of the sun. Three versions available for the second row, third row passenger side windows and the rear tailgate.

Cabin Umbrella Holder
VPLCS0294

Designed to take a wide range of compact umbrellas, this product fits discretely under the front passenger seat.

Coat Hanger
VPLCS0276

Convenient coat hanger attaches to the head restraint posts.

iPad® Holder
VPLVS0165 – iPad®**
VPLVS0164 – iPad® 1

Provides secure mounting for your iPad®. Rear seat facing, attaches to the head restraint posts.

Gearshift Paddles
VPLVS0187MMU – Aluminum
VPLVS0187CAY – Aluminum Red

Complete the look and feel of your steering wheel with premium aluminum paddles. Gearshift Paddles are machine polished, anodized and hand brushed to provide exceptional wear resistance with a premium finish.

Seat Back Stowage
VPLVS0182 – Premium
VPLVS0181 – Standard (not shown)

Convenient stowage system manufactured from the same grade of Windsor leather available in the interior, for the rear of the front seats provides multiple compartments for stowing small items. The Premium Seat Back Stowage also features a soft touch interior lining and magnetic clasps.

*Compatible with 2nd, 3rd and 4th generation iPad®. Not compatible with iPad Air™ or iPad Mini™.
iPad® is a registered trademark of Apple Inc., registered in the US and other countries.
Please note: The design of accessories is subject to change and may differ from the images shown.

ACCESSORIES

Roof Rails
 VPLCR0137 – Silver finish (panoramic roof)
 VPLCR0133 – Silver finish (fixed roof)[†]
 VPLCR0136 – Black finish (panoramic roof)
 VPLCR0132 – Black finish (fixed roof)[†]

Roof Rails facilitate easy fitment of cross bars. Pre-set positioning points ensure cross bars are fixed in optimum position for weight distribution and dynamics. Maximum payload is 75kg.**

Cross Bars
 VPLCR0131

T-track design utilizes the full length of the bars, providing space to mount multiple accessories. Aerodynamic profile minimizes drag and noise. Roof rails not included.

Roof Mounted Bike Carrier*
 VPLFR0091

Lockable bike carrier designed for holding a single bike. Cross bar kit will accommodate up to three bike carriers.

Luggage Carrier*
 LR006848

Flexible rack system to facilitate roof carrying. Maximum payload 75kg.**

Ski/Snowboard Holder*
 LR006849

Carries four pairs of skis or two snowboards. Lockable for security. Maximum payload 36kg.**

Aqua Sports Carrier*
 VPLGR0107

Carries one surfboard, sailboard, canoe or kayak. Includes lockable multi-purpose holder to carry a mast, oars or paddles. Tilts to facilitate easy loading/unloading. Maximum payload 45kg.**

Roof Box*
 VPLWR0100 – Large Sports Roof Box*
 VPLVR0061 – Sports Roof Box* (not shown)
 VPLVR0062 – Luggage Roof Box* (not shown)

Available in a range of sizes, all versions can be mounted either side for curbside opening in any country and include integral locks for security and peace of mind. Carrying capacity ranges from 320 liters for the Sports Box to the 410 liter Luggage Box or the capacious 430 liters Large Sports Box. Maximum payload 75kg.**

*Roof rails and cross bars are required for all Land Rover roof mounted accessories.

Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio system, if fitted.

**Maximum payload equals the load capacity of the roof mounted accessory.

[†]Vehicles with a fixed roof require separate ditch finishers, color matched to the rails. Part No. Silver – VPLCR0135 and Black – VPLCR0134.

Front Mudflaps
VPLCP0203

Mudflaps to reduce spray and help protect paintwork.

Rear Mudflaps
VPLCP0204
VPLCP0205^Δ

Mudflaps to reduce spray and help protect paintwork.

Fixed Tow Bar^{††}
VPLCT0141

Fixed position tow bar tows a trailer up to 2,500kg load capacity.

Tow Hitch^{††}

Please contact your Land Rover Retailer for part number information.

Towing Electrics
VPLTC0134

Fixed Tow Bar^{††}
VPLCT0143

Offered for vehicles equipped with 5+2 seating and reduced section spare wheel.

Tow Hitch^{††}

Offered for vehicles equipped with 5+2 seating and reduced section spare wheel. Please contact your Land Rover Retailer for part number information.

Towing Electrics
VPLTC0134

^{††}Maximum towing capacity 2,500kg and 2,200kg for 5+2 seating (capacity dependent upon engine, powertrain variant and seating).

^ΔOffered for vehicles equipped with 5+2 seating and reduced section spare wheel.
