

THE LEGEND. MORE POWERFUL THAN EVER.

DEFENDER WORKS V8 70TH EDITION

- CLASSIC -

CELEBRATING 70 YEARS OF AN ICON

1947, it's conceived as a silhouette in the sand of a Welsh beach. The very next year, it sets-off on its maiden journey, changes history for ever, masters all manner of terrain and becomes an undisputed icon. In seven decades of its illustrious existence, the Defender has seen it all, from record-breaking expeditions to rubbing shoulders with celebrity headliners and royalty.

Paying homage to this global icon of capability, strength and service on its 70th Anniversary, Land Rover Classic is creating the most powerful and the most refined Defender ever: Defender Works V8 70th Edition. No more than a 150 specially-selected vehicles will undergo the official Defender V8 Works 70th Edition conversion. Carried out by our experts at Jaguar Land Rover Classic Works, the conversion includes a 5.0 litre V8 powertrain that delivers 405PS and 515Nm of torque, an 8-speed automatic transmission, a specifically tuned suspension complemented by exclusive 18-inch diamond turned Sawtooth alloy wheels and other exclusive upgrades.

For enthusiasts around the world, this is the opportunity to own a Defender that's unique even among collector's edition vehicles.

CLASSIC WORKS -
HOME OF A LEGEND

Classic Works harnesses the glorious and much celebrated past of Jaguar Land Rover to provide it a glorious future. The 14,000 m² state-of-the-art facility, staffed by expert engineers and historic car specialists, is the ultimate and the only official destination for Land Rover conversions.

The Defender Works V8 70th Edition conversion will be applied to a 150 specially-selected Defenders from the 2012 model year onwards. Each of these vehicles will be sourced, assembled and meticulously refinished by our specialist teams dedicated to creating and supplying Authentic Cars.

INTRODUCING DEFENDER WORKS V8 70TH EDITION

“It’s fitting that we’ve been able to release the full potential of the iconic Defender, whose much-loved shape remains synonymous with Land Rover, 70 years since it was seen in public for the first time. We’ve enhanced comfort, all-terrain ability and added sensational acceleration, while the Land Rover authenticity is the ultimate finishing touch for discerning clients purchasing these collector’s edition Defenders.”

Tim Hannig
Director, Jaguar Land Rover Classic

INTERIOR COMFORT

Passengers enjoy refined comfort with a full leather interior trimmed in Windsor hides and RECARO sports seats trimmed in Taurus and Windsor perforated leather.

UPGRADED TECHNOLOGY

The all-new Land Rover Classic Infotainment System features DAB radio with touchscreen interface, smartphone integration and satellite navigation.

BESPOKE EXTERIOR DETAILING

A variety of exclusive exterior upgrades give the Defender Works V8 a contemporary look and also complement its iconic physical presence. The most noticeable of these upgrades include: Black contrast roof and wheel arches, all-new 18-inch diamond turned Sawtooth alloy wheels, upgraded bi-LED headlamps and distinctive 70th Edition badging.

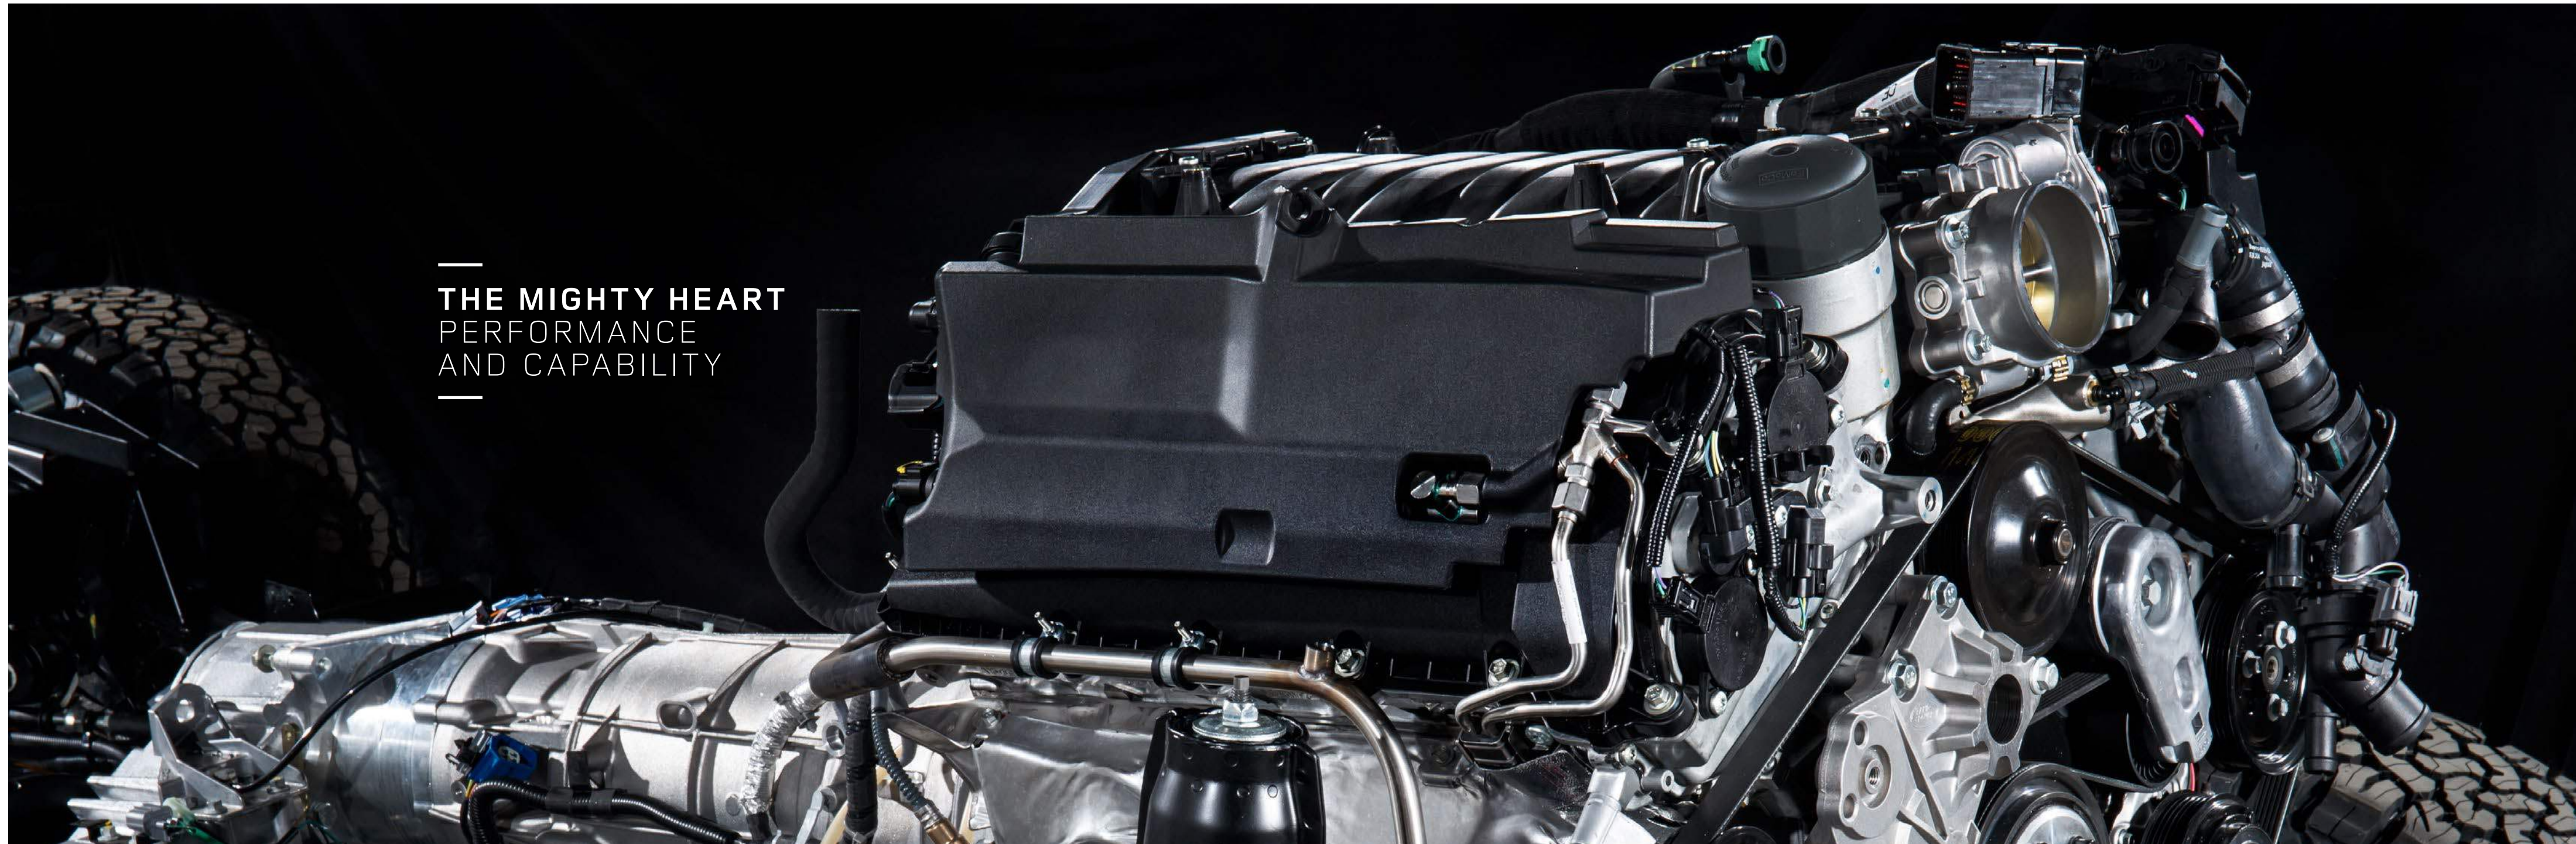

ENHANCED CAPABILITY AND CONTROL

A specifically tuned suspension and upgraded brakes provide additional driving confidence.

REFINED POWER

With a 5.0 litre naturally-aspirated petrol V8 engine complemented by an electronically controlled 8-speed automatic transmission, this is the most powerful and the most refined Defender ever.
