07 LEXUS SC PEBBLE BEACH EDITION: The Lone Cypress™

2007 LEXUS SC PEBBLE BEACH EDITION This year, Lexus and Pebble Beach Resorts® bring you a pairing worthy of our partnership: the 2007 Lexus SC Pebble Beach Edition. Starfire Pearl paint sets off a striking Pimento Red leather-trimmed interior, evoking memories of some of the world's best-loved convertibles. Updating this classic color combination are black bird's-eye maple accents throughout the cabin and sporty G-Spider 18-inch alloy wheels. Special Pebble Beach® badging on the front fenders, center console and floor mats is exclusive to this limited

edition of 400. Yet it shares with every other SC an array of highly advanced and thoughtful amenities: An engine that monitors and adjusts valve timing for ideal performance in any driving condition. A stereo that compensates for road noise when the top is down. A hardtop roof that tucks itself into the trunk at the touch of a button. Even headlamps that swivel to improve visibility going into a turn. Clearly, whether you make it onto the greens or not, a great drive awaits.

THE PASSIONATE PURSUIT OF PERFECTION.
