

LS

LEXUS 2012

THE 2012 LS LINE

LS 460 (RWD or AWD)

4.6-liter V8, eight-speed sequential-shift automatic transmission, 18-in 10-spoke alloy wheels,¹ multi-link suspension and 380 horsepower²

LS 460 Sport (RWD)

4.6-liter V8, eight-speed sequential-shift automatic, 19-in forged alloy wheels,¹ Brembo® brakes,² sport-tuned air suspension and 380 horsepower²

LS 460 L (RWD or AWD)

4.6-liter V8, eight-speed sequential-shift automatic, 18-in 10-spoke alloy wheels,¹ multi-link suspension, long wheelbase and 380 horsepower²

LS 600h L (AWD)

5.0-liter V8 + high-output electric-drive motor, Electronically controlled Continuously Variable Transmission (ECVT), 19-in seven-spoke alloy wheels,¹ long wheelbase and 438 total system horsepower²

INSPIRING AN INDUSTRY

2012 | LS

From the day it launched the Lexus brand, the LS has been one step ahead of other luxury automobiles. Generation after generation, its attention to detail, innovative technology and unrivaled interior experience have raised the automotive bar. In fact, with four unique versions and multiple world's first technologies on the 2012 LS, you might even say that surpassing tradition is becoming a tradition in itself.

EIGHT SPEEDS^{one dramatic shift}

AWD FULL-TIME ALL-WHEEL DRIVE
The all-wheel drive system available on the LS Line—including the LS 600h L, the world's first all-wheel drive V8 hybrid—distributes power to the wheels with the best grip. This helps improve traction and control while delivering the driver greater command during acceleration and cornering.

When developing the current-generation LS, engineers conducted numerous driving simulations to determine the ideal transmission for its 4.6-liter, 380-horsepower² V8 engine. One that would offer the optimal blend of acceleration, fuel efficiency and fast, smooth shifting. Their conclusion: It hadn't been invented yet. Countless hours, two gears and one monumental step later, the world's first eight-speed automatic transmission emerged. Delivering all of the above, it offers a 0-to-60 time of 5.4 seconds.^{2,4} Isn't progress fun?

LS 460 Sport shown with available equipment.

An experience that's second-to-none requires craftsmanship and innovation of the same caliber. For instance, to ensure you and your passengers are well cared for, the LS features an available rear-seat cool box, soft leather trim that is among the finest in the industry and exquisite wood accents that are hand-selected for consistency throughout the cabin. To help you arrive sooner, available NavTraffic^{TM5,6} and NavWeather^{TM5,6} can provide real-time traffic and weather updates to the available Navigation System.⁵ And, to assist you once you arrive, an available Advanced Parking Guidance System⁷ can help you parallel park or back into spaces without touching the steering wheel.

Vehicles shown with available equipment.

EXECUTIVE-CLASS SEATING PACKAGE*
To help you make the most of the longer wheelbase on the LS 460 L and LS 600h L, this available package replaces the rear bench with two individual seats. The right-rear seat has power-reclining capability and includes amenities such as a swiveling console table, built-in ottoman-style leg rest,^{8,9} and an indulgent shiatsu massager. Learn more at lexus.com/LS/exec.

LEXUS ENFORM^{®10,11} WITH SAFETY CONNECT^{®10,12}
Featuring everything from live, en route navigation assistance with finding top restaurants to the ability to request emergency services at the press of a button—or even in some cases, automatically—this available GPS-enabled service offers drivers the pinnacle of both convenience and care. For more information, please visit lexus.com/LS/enform.

**See inside back cover for more information regarding options/packages.*

REFINED

yet not reserved

With immense power, an exclusive sport-tuned suspension and the same eight-speed paddle-shifting transmission found in the IS F, the LS 460 Sport has a way of making you forget you're sitting in the lap of luxury. Add in 19-inch forged alloy wheels,¹ Brembo performance brakes,³ downshift rev-matching and distinctive design elements like a perforated Black and Saddle Tan leather-trimmed interior with bolstered front sport seats, and it may change your definition of luxury altogether.

LS 460 SPORT INTERIOR DETAILS

Among its exclusive details, the LS 460 Sport features Black and Saddle Tan perforated leather interior trim, matte dark brown ash burl wood interior accents and a Sport leather-trimmed steering wheel with paddle shifters.

LS 460 Sport shown with available equipment.

WORLD'S FIRST

and possibly finest

Its designations as the world's first premium prestige luxury and AWD V8 hybrid are just two of the ways the LS 600h L has set itself apart from the competition. By pairing a 5.0-liter V8 gasoline engine with advanced hybrid technology, it's remarkably efficient while delivering 438 total system horsepower.² About what you'd get from a far less considerate 6.0-liter V12. At the same time, its acceleration is exceptionally smooth, quiet and, with a 0-to-60 time of 5.5 seconds,^{2,4} exhilarating. Combine this type of performance with our finest amenities, and you'll realize we didn't just set out to create the finest hybrid vehicle. We set out to create the finest vehicle, period.

HYBRID LEADERSHIP

Lexus introduced the world's first luxury hybrid more than six years ago. Now, with more than 94% of all luxury hybrids on the road today,¹³ nearly six billion miles¹⁴ and six generations of hybrid technology behind us, our commitment to creating the most advanced luxury hybrid vehicles in the world couldn't be stronger.

THIN FILM TRANSISTOR DISPLAY

The instrument cluster in the LS 600h L uses a crisp Thin Film Transistor display to provide the driver with a variety of information, from turn-by-turn directions and hybrid energy consumption to menus where you can personalize settings for your vehicle.

LED HEADLAMPS

The LS 600h L features the world's first low-beam LED headlamps. In addition to providing improved efficiency and an extended life, they illuminate faster, brighter and offer greater light distribution than headlamps equipped with conventional bulbs.

FORWARD-LOOKING

in every way

Engineering the vehicles of the future sometimes requires engineering ways to see into it. Available Dynamic Radar Cruise Control¹⁵ is designed to automatically reduce your speed and even apply the brakes to help maintain a pre-set following distance from a vehicle traveling ahead. And, to help illuminate more of the road while cornering, the Adaptive Front Lighting System¹⁶ pivots the left headlamp up to 20 degrees and the right up to 10 degrees. Available intelligent high-beam headlamps,¹⁷ meanwhile, continuously monitor ambient light and the lights of vehicles ahead. If an oncoming vehicle is detected while in high-beam mode, the system automatically switches the LS headlamps to low-beam out of consideration for other drivers.

ADVANCED PRE-COLLISION SYSTEM
The available Advanced Pre-Collision System (APCS)¹⁸ can detect an imminent frontal collision and, while retracting the seatbelts, automatically prepare Brake Assist¹⁹ to provide increased braking pressure the moment you forcibly step on the brake pedal. The system can also detect pedestrians and other three-dimensional objects in the vehicle's path—even at night—and can apply the brakes to help reduce vehicle speed.

DRIVER ATTENTION MONITOR
Available Driver Attention Monitor²⁰ uses a camera and near-infrared illumination to continuously monitor the position of your face. If your face is turned away from the road when the LS's radar detects an object ahead, you're instantly alerted.

LANE KEEP ASSIST
Part of the available Advanced Pre-Collision System,¹⁸ available Lane Keep Assist²¹ with Lane Departure Warning²¹ uses a camera to monitor visible lane markings. When the system determines you are drifting, it can warn you, then take corrective measures to help steer you back into the lane.

LS 600h L shown with available equipment.

OVERVIEW

LS 460 / LS 460 L	
TYPE	Five-passenger luxury sedan
ENGINE	4.6 L 90° V8, aluminum block and heads, direct and port fuel injection
HORSEPOWER AT RPM	380 hp @ 6,400 (RWD); ² 357 hp @ 6,400 (AWD) ²
TORQUE AT RPM	367 lb-ft @ 4,100 (RWD); ² 344 lb-ft @ 4,100 (AWD) ²
EMISSION RATING	Certified Ultra-Low Emission Vehicle (ULEV II)
LS 600h L	
TYPE	Five-passenger hybrid prestige luxury sedan
ENGINE	5.0 L 90° V8, aluminum block and heads, direct and port fuel injection
ELECTRIC-DRIVE MOTOR	High-output, permanent-magnet, electric-drive motor
TOTAL SYSTEM HORSEPOWER	438 hp ²
EMISSION RATING	Certified Super Ultra-Low Emission Vehicle (SULEV II)

PERFORMANCE

LS 460 / LS 460 L	
0-60 MPH ACCELERATION	5.4 seconds (RWD) ^{2,4} 5.9 seconds (AWD) ^{2,4}
1/4-MILE ACCELERATION	14.0 seconds (RWD) ^{2,4} 14.3 seconds (AWD) ^{2,4}
TOP TRACK SPEED	130 mph ^{2,4} (electronically limited)
EPA FUEL ECONOMY ESTIMATES	16/24/19 mpg (RWD) ²² 16/23/18 mpg (AWD) ²² (city/highway/combined)
LS 600h L	
0-60 MPH ACCELERATION	5.5 seconds ^{2,4}
1/4-MILE ACCELERATION	13.8 seconds ^{2,4}
TOP TRACK SPEED	130 mph ^{2,4} (electronically limited)
EPA FUEL ECONOMY ESTIMATES	19/23/20 mpg ²² (city/highway/combined)

DRIVETRAIN

LS 460 / LS 460 L	
DRIVE WHEELS	Rear-wheel drive (RWD) (STANDARD) Full-time all-wheel drive (AWD) (AVAILABLE)
TRANSMISSION	Eight-speed sequential-shift automatic Electronically Controlled Transmission with intelligence (ECT-i)
LS 600h L	
DRIVE WHEELS	Full-time all-wheel drive (AWD)
TRANSMISSION	Electronically controlled Continuously Variable Transmission (ECVT) with Snow mode

¹Not available on AWD model.

CHASSIS

SUSPENSION	Front: Independent upper and lower multi-link double-joint suspension arms with stabilizer bar Rear: Independent multi-link suspension with stabilizer bar Height-adjustable Adaptive Variable Air Suspension (AVS) with electronically modulated damping (LS 600h L, LS 460 Sport, available LS 460 AWD, LS 460 L AWD and LS 460 L)
STEERING	Electronic Power Steering system (EPS) 3.2 turns lock-to-lock (LS 460, LS 460 L) Variable Gear-Ratio Steering (VGRS), 2.3-3.7 turns lock-to-lock (LS 600h L), 2.5-3.5 turns lock-to-lock (LS 460 Sport, available LS 460 AWD, LS 460 L AWD and LS 460 L)
BRAKES	Four-wheel power-assisted ventilated disc brakes with Electronic Controlled Braking (ECB), four-sensor, four-channel Anti-lock Braking System (ABS), Electronic Brakeforce Distribution (EBD) and Brake Assist ¹⁹ Regenerative braking function (LS 600h L)
WHEELS AND TIRES	18 x 7.5-in 10-spoke alloy wheels with 235/50VR18 all-season tires. ¹ Full-size spare tire on alloy wheel (LS 460, LS 460 L, available LS 600h L) 19 x 8.0-in five-spoke alloy wheels with 245/45VR19 all-season tires. ^{1†} Full-size spare tire on alloy wheel (available LS 460 RWD, LS 460 L RWD) 19 x 8.0-in seven-spoke alloy wheels with 245/45VR19 all-season tires. ¹ Full-size spare tire on alloy wheel (LS 600h L) 19 x 8.0-in split-10-spoke forged alloy wheels with 245/45YR19 summer tires. ¹ Full-size spare tire on alloy wheel (LS 460 Sport)

BODY AND DIMENSIONS

WHEELS

STANDARD LUXURY FEATURES (Abbreviated list)

LUXURY AND CONVENIENCE
SmartAccess ^{24,25} with push-button Start/Stop; SmartAccess ^{24,25} card key (LS 600h L)
Remote-linked window/moonroof opening and closing
Dual-zone automatic climate control with interior air filter, smog sensor and automatic recirculation mode
Lexus Memory System to control power driver’s seat (except lumbar), outside mirrors and steering wheel
Power tilt-and-telescopic steering column
Power windows and tilt-and-slide moonroof with one-touch open/close
Electrochromic (auto-dimming) inside rearview mirror and outside mirrors
Power door closers and power trunk open/close (LS 460 L, LS 600h L)
HomeLink® universal transceiver to operate compatible garage, gate, home lighting and home security systems
Power rear sunshade (LS 460 L, LS 600h L); power rear-door sunshades (LS 600h L)
Advanced Parking Guidance System ⁷ (LS 600h L)
Intuitive Parking Assist (LS 460 L, LS 600h L)
Scratch-resistant clearcoat paint
SEATING AND TRIM
Medium brown walnut, dark gray bird’s-eye maple or matte dark brown ash burl trim
Leather-trimmed interior (LS 460, LS 460 L); semi-aniline leather-trimmed interior with Alcantara® headliner and leather-trimmed instrument panel (LS 600h L)
Heated steering wheel (AWD models, LS 460 L, LS 600h L)
Wood-trimmed interior assist grips (LS 600h L)
16-way driver’s (including dual-function lumbar) with auto slide-away and 12-way front passenger’s (including lumbar) power seats
Climate-comfort front seats with heat/cool knob (LS 460 L, LS 600h L)
Heated rear seats and enhanced interior heater (LS 600h L)
Height-adjustable headrests for all seats
COMMUNICATION, AUDIO AND NAVIGATION
Lexus Enform ^{10,11} with Safety Connect ^{10,12} features Destination Assist, eDestination, Lexus Insider, Automatic Collision Notification, Stolen Vehicle Location, Emergency Assistance Button (SOS) and Enhanced Roadside Assistance ²⁶ services. Subscription required. One-year trial subscription included (LS 600h L)
Multi-information center-console display with integrated backup camera ²⁷ and Enhanced Bluetooth® technology ²⁸ (LS 460, LS 460 L)
Lexus 10-speaker Premium Sound System with Digital Sound Processor, Automatic Sound Levelizer (ASL), in-dash, single-feed, six-disc CD auto-changer (LS 460, LS 460 L)
Mark Levinson® 19-speaker Reference Surround Sound Audio System ²⁹ with in-dash, single-feed, six-disc DVD/CD auto-changer (LS 600h L)
SiriusXM Satellite Radio: ^{5,6} Subscription required. 90-day trial subscription included
NavTraffic; ^{5,6} NavWeather ^{5,6} and Sports and Stocks: ^{5,6} Subscription required. 90-day trial subscription included (LS 600h L)
USB input and Bluetooth wireless audio ³⁰ profile integration of compatible music players and audio system and A/V inputs and rear headphone jacks
INSTRUMENTATION AND CONTROLS
Steering-wheel-mounted audio, phone and display controls
Electronic TFT instrumentation (LS 600h L)
Electroluminescent instrumentation with TFT multi-information display (LS 460, LS 460 L)
Illuminated interior electronic trunk-lid and fuel-filler door releases
ECO indicator; ECO mode

SAFETY AND SECURITY FEATURES

ACTIVE SAFETY
Vehicle Dynamics Integrated Management (VDIM) ³¹ with Vehicle Stability Control (VSC) ³¹ and Traction Control (TRAC)
Four-wheel ventilated power-assisted disc brakes with Electronic Controlled Braking (ECB), four-sensor, four-channel Anti-lock Braking System (ABS), Brake Assist ¹⁹ and Electronic Brakeforce Distribution (EBD)
Smart Stop Technology ³²
Direct Tire Pressure Monitor System ³³
Four-wheel ventilated power-assisted disc brakes
Laminated side glass (LS 460 L, LS 600h L) and water-repellent front-door glass
Power-adjustable, auto-folding outside mirrors with turn indicators, defoggers, puddle lamps and auto tilt-down in reverse
Rain-sensing intermittent windshield wipers with mist cycle and deicer (LS 600h L)
Rear-window defogger with auto-off timer
High-Intensity Discharge headlamps with dynamic auto leveling (LS 460, LS 460 L)
Intelligent high-beam headlamps ¹⁷ (LS 460 L, LS 600h L)
LED headlamps with dynamic auto leveling (LS 600h L)
Dual-swivel Adaptive Front Lighting System (AFS) ¹⁶ with headlamp washers (LS 460 L, LS 600h L)
Daytime running lights
LED taillamps
PASSIVE SAFETY
Driver’s and front passenger’s advanced airbag system (SRS) ³⁴ with front passenger’s twin-chamber airbag (SRS) ³⁴
Front seat-mounted side airbags (SRS) ³⁴
Driver’s and front passenger’s knee airbags (SRS) ³⁴
Front and rear side curtain airbags (SRS) ³⁴
Advanced active front headrests ³⁵
Three-point seatbelts for all seating positions, pre-tensioners with force limiters for front and outboard rear seats
Automatic Locking Retractor/Emergency Locking Retractor (ALR/ELR) seatbelts for rear outboard seating positions. Emergency Locking Retractor (ELR) only for driver’s seat
Height-adjustable front shoulder belt anchors
Child Restraint Seat (CRS) tether anchor brackets for rear outboard seating positions
Highly rigid body structure with front and rear crumple zones
Side-impact door beams
Reinforcements in pillars and door sills
Impact-dissipating upper interior trim
Collapsible steering column
SECURITY
Safety Connect ^{10,12} features Automatic Collision Notification, Stolen Vehicle Location, Emergency Assistance Button (SOS) and Enhanced Roadside Assistance ²⁶ services. Subscription required. One-year trial subscription included
Vehicle theft-deterrent and engine-immobilizer system ²⁵
Emergency interior trunk release
First aid kit
Tool kit

*Please see inside back cover for more information. [†]Not available on AWD model.

OPTION PACKAGES* LS 460 (Abbreviated list)

- SPORT PACKAGE (RWD only)
- Brembo brakes³
- 19-in split-10-spoke forged alloy wheels with summer tires¹
- Sport-tuned air suspension with VGRS • Sport exterior trim and grille
- Black with Saddle Tan accent perforated leather interior trim, matte dark brown ash burl wood interior trim, Sport front seats and heated Sport steering wheel with paddle shifters
- COMFORT PACKAGE
- Wood- and leather-trimmed heated steering wheel (standard on AWD)
- Climate-comfort front seats with heat/cool knob, heated rear seats
- Intuitive Parking Assist • Power rear sunshade • Headlamp washers
- Power door closers and one-touch power trunk open/close

COMFORT PLUS PACKAGE

- Includes all Comfort Package features plus:
- Semi-aniline leather-trimmed interior
- Climate-comfort power rear seats with power-adjustable butterfly headrests, memory and power lumbar massage and adjustment for outboard seats
- Rear-seat side airbags (SRS)³⁴

NAVIGATION SYSTEM/MARK LEVINSON REFERENCE SURROUND SOUND AUDIO SYSTEM PACKAGE

- HDD Navigation System⁵ including voice command, color LCD display and Enhanced *Bluetooth* technology²⁸
- Lexus Enform^{10,11} offers Destination Assist, eDestination and Lexus Insider. Subscription required. One-year trial subscription included
- NavTraffic,^{5,6} NavWeather^{5,6} and Sports and Stocks^{5,6} Subscription required. 90-day trial subscription included
- Mark Levinson 19-speaker Reference Surround Sound Audio System²⁹ with in-dash, single-feed, six-disc DVD/CD auto-changer

NAVIGATION SYSTEM/MARK LEVINSON REFERENCE SURROUND SOUND SYSTEM/ADVANCED PARKING GUIDANCE SYSTEM PACKAGE

- Includes all Navigation System/Mark Levinson Reference Surround Sound Audio System Package features plus:
- Advanced Parking Guidance System⁷

OPTION PACKAGES* LS 600h L

- PREMIUM PACKAGE II
- Four-zone automatic climate control with interior air filter, smog sensor, automatic recirculation mode and rear-seat Air Purifier
- Rear-seat side airbags (SRS)³⁴
- Climate-comfort power rear seats with power-adjustable butterfly rear headrests, memory and power lumbar massage and adjustment for outboard seats
- Rear-Seat Entertainment System (RSES) with power nine-inch screen, rear-seat audio controls and wireless headphones³⁶

EXECUTIVE-CLASS SEATING PACKAGE II

- Includes all Premium Package II features plus:
- Four-person seating with rear fixed console⁹ • Rear-seat infrared temperature sensor for four-zone climate control • Climate-comfort power rear seats with power-adjustable butterfly headrests, memory and left-rear power lumbar massage and adjustment • Right-rear power recliner with multifunction massager, adjustment and leg rest^{8,9} • Rear-seat wood-trimmed table • 18 x 7.5-in 10-spoke alloy wheels with 235/50VR18 all-season tires¹

OPTION PACKAGES* LS 460 L (Abbreviated list)

- LUXURY PACKAGE
- Semi-aniline leather-trimmed interior with Alcantara headliner
- Power rear-door sunshades
- REAR-SEAT UPGRADE PACKAGE²³
- Includes all Luxury Package features plus:
- Four-zone automatic climate control with interior air filter, smog sensor, automatic recirculation mode, rear-seat Air Purifier and cool box
- Climate-comfort power rear seats with power-adjustable butterfly rear headrests, memory and power lumbar massage and adjustment for outboard seats
- Rear-seat audio controls
- Rear-seat side airbags (SRS)³⁴

EXECUTIVE-CLASS SEATING PACKAGE (Special order only)²³

- Includes all Rear-Seat Upgrade Package features plus:
- Four-person seating with rear fixed console⁹
- Rear-seat infrared temperature sensor for four-zone climate control
- Right-rear power recliner with multifunction massager, adjustment and leg rest^{8,9}
- Rear-seat wood-trimmed table
- Rear-Seat Entertainment System (RSES) with power nine-inch screen and wireless headphones³⁶

OPTION PACKAGES* LS 460/LS 460 L (Abbreviated list)

- APPEARANCE PACKAGE
- 19-in five-spoke alloy wheels (RWD)¹
- Sport exterior trim and grille
- COLD WEATHER PACKAGE
- Windshield-wiper deicer
- Enhanced interior heater
- Higher-capacity battery

OPTIONS AND ACCESSORIES* (Abbreviated list)

- Adaptive Variable Air Suspension (AVS) and Variable Gear-Ratio Steering (VGRS)
- Mark Levinson 19-speaker 450-watt @ less than 0.1% THD, 20–20,000 Hz³⁷ Reference Surround Sound Audio System²⁹ with in-dash, single-feed, six-disc DVD/CD auto-changer (LS 460 L)
- Advanced Pre-Collision System¹⁸ with Pedestrian Detection System,³⁸ Lane Keep Assist²¹ and Driver Attention Monitor²⁰ (LS 460 L, LS 600h L)
- HDD Navigation System⁵ including voice command, color LCD display with NavTraffic,^{5,6} NavWeather^{5,6} and Sports and Stocks^{5,6} and Lexus Enform^{10,11}
- Advanced Parking Guidance System⁷ (LS 460 L)
- Pre-Collision System (PCS)³⁹ and Dynamic Radar Cruise Control¹⁵
- All-weather floor mats⁴⁰ • Ashtray • Car cover • Cargo net – envelope • Carpet trunk mat • Door edge guards • First aid kit • Lexus Hybrid Drive window sticker (LS 600h L) • Paint protection film⁴¹ • Premium carpet floor mats⁴⁰ • Rear bumper appliqué • Wheel locks • Wireless headphones³⁶

WARRANTY

Four-year/50,000-mile Lexus Limited Warranty. Eight-year/100,000-mile Hybrid System Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. All warranties with zero deductible. See the LS or LSh *Warranty and Services Guides* at your Lexus dealer for details.

1. 18-in and 19-in performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 15,000 miles, depending on driving conditions. 2. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. 3. High-friction brakes require periodic inspection and measurement as outlined in the *Warranty and Services Guide*. The pads and rotors are expected to experience greater wear than conventional brakes. Pad life may be less than 20,000 miles, and brake rotor life may be less than 50,000 miles, depending on driving conditions. 4. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt. 5. Availability and accuracy of the information provided by the Navigation System or any SiriusXM services mentioned (if installed) are dependent upon many factors. Use common sense when relying on information provided. Services not available in every city or roadway. Periodic Navigation updates available at additional cost. Please see your *Navigation System Owner's Manual* or contact SiriusXM for details. 6. SiriusXM services require a subscription after trial period. Subscriptions governed by SiriusXM Customer Agreement available at siriusxm.com. If you decide to continue your SiriusXM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates unless you call 1-800-967-2346 to cancel. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. 7. The Advanced Parking Guidance System requires driver brake control. Always look around outside the vehicle and use mirrors to confirm clearance. 8. Leg rest may not fully recline based on height of rear-seat passenger. Do not allow passengers to sit in a seat that has been fully or severely reclined while driving. This feature is intended for use only when the vehicle is parked. While the vehicle is being driven, all vehicle occupants should have the seatback upright, sit well back in the seat and properly wear the seatbelts provided. In the event of a collision, the more the seat is reclined, the greater the risk of death or personal injury. Please see your *Owner's Manual* for additional information. 9. If leg rest is in use, seating capacity could be reduced from four to three. 10. Lexus Enform and Safety Connect are available. Contact with the Lexus Enform and/or Safety Connect response center is dependent upon the telematics device being in operative condition, cellular connection availability, navigation map data and GPS satellite signal reception, which can limit the ability to reach the response center or receive support. Enrollment and Telematics Subscription Service Agreement required. One-year trial subscription available only with new vehicle purchase of Lexus Enform- and Safety Connect-equipped vehicles. Additional subscription terms available; charges vary by subscription term selected. 11. Lexus Enform premium services Destination Assist and eDestination will function in the contiguous United States. These services may also function in Hawaii and limited areas of Alaska for vehicles that contain map data for those states. They will not function in Canada or in other countries outside the United States. 12. Safety Connect services will function in the United States, including Hawaii and Alaska, and in Canada. The services will not function outside of the United States in countries other than Canada. 13. Based on U.S. VIO through January 2011. Source: R. L. Polk & Co. 14. Estimate based on total global sales using an average of 10,000 miles driven per year. 15. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. Please see your *Owner's Manual* for important instructions and cautions. 16. The Adaptive Front Lighting System can help improve vision at night. However, conditions such as a dirty windshield, rapidly changing light conditions or hilly terrain will limit effectiveness so the driver may need to manually change the high beams from on to off. Please see your *Owner's Manual* for details. 17. The intelligent high-beam headlights can help improve vision at night. However, conditions such as a dirty windshield, rapidly changing light conditions or hilly terrain will limit effectiveness so the driver may need to manually change the high beams from on to off. Please see your *Owner's Manual* for details. 18. The Advanced Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. The included Driver Attention Monitor is designed to alert the driver if a potential hazard is detected ahead and the driver's face appears to be turned away. They are not collision-avoidance systems and are not substitutes for safe and attentive driving. System effectiveness depends on many factors. Please see your *Owner's Manual* for further information. 19. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. 20. The Driver Attention Monitor is designed to alert the driver if a potential hazard is detected ahead and the driver's face appears to be turned away. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors. Please see your *Owner's Manual* for further information. 21. Lane Keep Assist is designed to read the lane markers of certain roads and apply slight torque to the steering wheel to help keep the car in the center of the lane. If the vehicle approaches the outer limits of its lane, the Lane Departure Warning feature sounds a warning tone and applies slight torque to the steering wheel to notify the driver that corrective action may be required. These features are not a collision-avoidance system and are not a substitute for safe and attentive driving. System effectiveness depends on many factors. Please see your *Owner's Manual* for further information. 22. 2012 EPA-estimated mileage. Actual mileage will vary. 23. Trunk space is reduced with this package, see specifications. 24. The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 25. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key or SmartAccess fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key or SmartAccess fob, it can be costly to replace. If you lose a key or SmartAccess fob, your Lexus dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org. 26. Coverage only available in the continental U.S. and Canada. Please see your Lexus dealer for details. 27. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. 28. The Bluetooth technology phones listed on lexus.com have been tested for compatibility with Lexus vehicles. Performance will vary based on phone software version, coverage and your wireless carrier. Phones are warranted by their manufacturer, not Lexus. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. Other trademarks and trade names are those of their respective owners. 29. Mark Levinson is a registered trademark of Harman International Industries, Inc. 30. Bluetooth audio device must be enabled with A2DP and AVRCP. 31. Vehicle Stability Control (VSC) and Vehicle Dynamics Integrated Management (VDIM) are electronic systems designed to help the driver maintain vehicle control under adverse conditions. They are not substitutes for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC or VDIM will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. 32. Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your *Owner's Manual* for further details. 33. The Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. Please see your *Owner's Manual* for details. 34. All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. Please see your *Owner's Manual* for further information/warnings. 35. Active headrests can help reduce the extent of whiplash in certain types of rear-end collisions. 36. Headphones are for passenger use only. Do not use while operating vehicle. 37. Continuous average power, all channels driven, at less than 0.1% THD; 20-20,000 Hz. 38. The Active Pedestrian Detection System, part of the Advanced Pre-Collision System, is designed to help reduce the impact speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. Please see your *Owner's Manual* for further information. 39. The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. Please see your *Owner's Manual* for further information. 40. To avoid interference with pedal operation, do not install a floor mat on top of an existing floor mat, and each mat must be secured with retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle. 41. Currently only available pre-installed on select vehicles. Ask your Dealer Sales Consultant for vehicle application.

*Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of printing, are subject to change without notice, are for mainland U.S.A. vehicles only. Some vehicles shown with available equipment. See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
