

RX

LEXUS | 2013

With a driver-inspired design, intuitive technology and an innovative approach to performance, the RX not only created the category, it's redefined it with each new model. Introducing the 2013 RX, RX Hybrid and new RX F SPORT.

A LEGACY OF BENCHMARKS

The 2013 RX takes inspiration not from other car companies, but from the aspirations of Lexus drivers. To be more connected with the road. And to be more connected to information. For 2013, the RX presents a bolder look up front, highlighted by an aggressively styled grille. The new RX F SPORT pushes the performance attitude even further. And inside, the available next-generation Lexus Enform^{®1,2} Application Suite³ elevates the integration of in-vehicle information to the next level.

DRIVER-INSPIRED DESIGN.

From the onset, the current-generation RX was designed to make driving more effortless and enjoyable. Which is why, among its many courteous amenities, you'll find a spacious cargo area⁴, technology that puts you in total control of your interior surroundings and available heated and ventilated front seating.

Optional equipment shown.
See disclaimers on page 76.

TECHNOLOGY FOCUSED ON
KEEPING YOU
FOCUSED.

A UNIQUE APPROACH
TO SEATING: YOURS.

Because every driver is different, the finishing touches to every vehicle come courtesy of the person who will be sitting inside of it. Available adjustments like seating temperature—easily addressed by internal heating and ventilation—and seat cushions that can be extended for additional leg support. Both are simple ways to make the available semi-aniline leather-trimmed seating more comfortable than it already is.

PERFECTLY SUITED
FOR EVERY NEED
AND CINEMATIC
PREFERENCE.

Talk about accommodating: The cargo area⁴ offers enough floor space to lay four large suitcases flat, and an available dual-screen Rear-Seat Entertainment System⁸ enables two separate video sources to be watched simultaneously. This system includes seven-inch LCD monitors conveniently located behind the front headrests, wireless headphones⁹ and a single remote to control both screens.

Optional equipment shown.
See disclaimers on page 76.

An innovative take on the conventional double-wishbone design means you'll have even more usable room in the cargo area⁴. Need additional space? The rear seats fold effortlessly with remote levers on either side of the rear-door opening.

2010 model shown.

A high-angle, close-up photograph of the driver's side interior of a Lexus RX. The image highlights the leather-upholstered steering wheel with the Lexus emblem, the instrument cluster with its illuminated gauges, and the center console featuring a multi-touch infotainment screen and various control buttons. The ambient lighting is dim, emphasizing the textures and metallic accents of the interior.

INTUITIVE TECHNOLOGY.

The RX is so engineered around the driver's needs, it allows you to operate many of its features without ever removing your hands from the steering wheel. Multifunction toggle buttons, for instance, can be used to personalize up to 20 different functions—from interior illumination settings to door-locking preferences. And, with *Bluetooth*® technology,⁵ you can control your compatible cell phone and portable audio player¹⁰ wirelessly through the RX.

ALLOWS YOU TO DO WHAT MOST
NAVIGATION SYSTEMS DO NOT: DRIVE.

The available Navigation System⁶ on the RX was designed to help keep your focus where it belongs: on the road ahead. An available Heads-up Display projects simple turn-by-turn directions, speed and audio system information onto the windshield in front of you. And, with available SiriusXM Satellite Radio^{6,12} services, you can receive real-time traffic updates along your route and continually updated weather conditions.

Optional equipment shown.
See disclaimers on page 76.

LEXUS ENFORM®

DESIGNED TO HELP SIMPLIFY YOUR LIFE.

The available next-generation Lexus Enform^{1,2} Application Suite³ uses your compatible smartphone to give you in-vehicle access to your favorite mobile applications.¹³ You can connect to Bing,TM iHeartRadio, MovieTickets.com, OpenTable,[®] Pandora,^{®14,15} Yelp[®] and Facebook Places. And with wireless updates, new apps will be added as they become available. Learn more at lexus.com/RX/enform.

Need an address? Simply call Destination Assist via the RX's available Navigation System⁶ for live assistance. Once you've decided on a location, your agent can send the turn-by-turn directions straight to your vehicle's Navigation System.⁶ Planning a trip? You also have the option of preselecting up to 200 destinations online and sending them to your vehicle with Lexus' exclusive service, eDestination.

SAFETY CONNECT®

DESIGNED TO HELP SAFEGUARD YOUR LIFE.

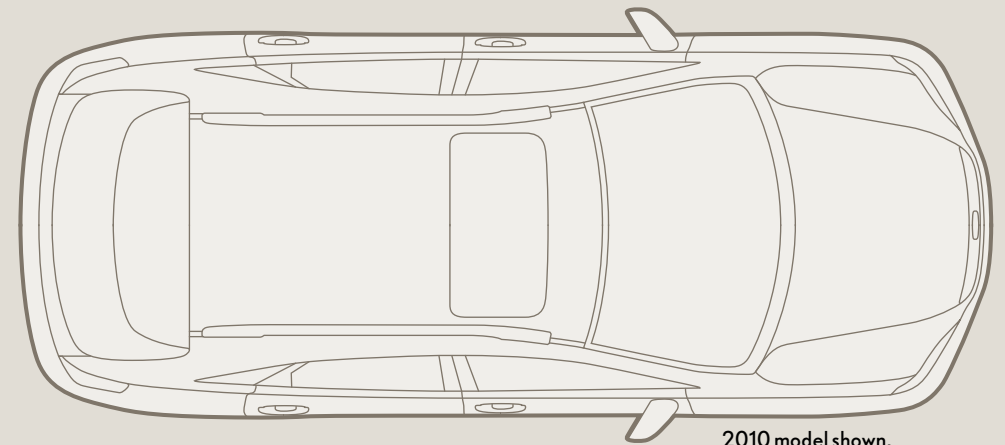

With the available Safety Connect^{1,16} you can request emergency help, whether that means assisting the police with locating your stolen vehicle or requesting Enhanced Roadside Assistance¹⁷ for a flat tire. The Safety Connect^{1,16} service also features Automatic Collision Notification (SOS), which automatically sends a call to help when the system senses the vehicle has been in a severe rear-end collision or the airbags¹⁸ have been deployed.

Optional equipment shown.
See disclaimers on page 76.

AN AUDIO SYSTEM AS AWE-INSPIRING AS IT IS CONVENIENT.

2010 model shown.

The RX was thoughtfully designed to enable you to access and control your portable audio player through the vehicle's interface using a USB port. Or, should you have a compatible *Bluetooth*® player,¹⁰ it can be accessed while remaining in your pocket or purse. And to ensure it's as flawless as it is functional, the available 15-speaker Mark Levinson® Premium Surround Sound Audio System¹⁹ uses 7.1-channel architecture to create a virtual sweet spot of sound that encompasses the entire interior.

UNCONVENTIONAL PERFORMANCE.

PERFORMANCE
HANDLING
ALL-WHEEL DRIVE
TRACTION

Behind the aggressively styled F SPORT mesh grille is a potent 3.5-liter V6 mated to an eight-speed Electronically Controlled Transmission with intelligence (ECT-i), and paddle shifters that help shave ticks off the 1/4-mile mph sprint. Behind the F SPORT 19-inch alloy wheels²⁰ with Dark Graphite finish, the RX suspension system has been tuned to performance specs. And behind the F SPORT name is the inspiration of Fuji Speedway, the legendary racetrack where Lexus engineers pursue higher levels of precision.

ADHERES TO THE ROAD.
NOT CONVENTIONS.

Optional equipment shown.

You don't design a vehicle around a driver and then ignore their right foot. Which is why you'll find the RX was designed with some of the most innovative—albeit unconventional—performance technology available. A uniquely designed double-wishbone rear suspension was created to improve rear road-handling grip. The undercarriage was crafted with wind channels for optimal aerodynamics. And intelligent automatic transmissions are paired with an engine that delivers 90% of its torque at lower RPM for smoother acceleration and response.

WEATHER CAN CHANGE IN AN INSTANT.
SO WE DESIGNED AN ALL-WHEEL DRIVE SYSTEM
TO RESPOND EVEN FASTER.

All-wheel drive or no all-wheel drive? Since Mother Nature can never seem to make up her mind, how's a driver to decide? With the RX 350's available Active Torque Control all-wheel drive, you don't. By monitoring a series of sensors, it powers the rear wheels only when needed and by the amount required. During normal on-road driving, for instance, the vehicle sends 100% of the power to the front wheels for optimal efficiency. Should you encounter a rogue patch of ice, the system will automatically allocate the necessary amount of power to the front and rear wheels to help maintain traction.

Optional equipment shown.

AMENITIES

INNOVATION

PERFORMANCE

HYBRID

SAFETY

SPECS

Utilizing a network of sensors that monitor everything from speed to steering to braking, the Vehicle Dynamics Integrated Management²¹ system available on the RX is designed to anticipate a loss of traction and take steps to help correct it before it occurs. All within a fraction of a second.

Optional equipment shown.
See disclaimers on page 76.

INNOVATIVE
POWER.

HYBRID
INNOVATION
PERFORMANCE

When the first RX Hybrid was introduced, it made a statement: Of all the ways to begin shaping the future of the automobile, none was more important than simply beginning. Multiple generations of hybrid technology later, the original luxury hybrid is even further ahead of its time.

DRIVEN BY MULTIPLE SYSTEMS. POWERED BY ONE UNWAVERING PHILOSOPHY.

The current-generation hybrid system on the RX 450h began with a challenge: Develop the most efficient RX Hybrid system to date without sacrificing an ounce of performance. Just a few of the systems that answered this challenge:

a gasoline engine that works differently from conventional engines to convert more of the energy generated during combustion into mechanical energy; an Exhaust Gas Recirculation system that captures, cools and reuses a

portion of the exhaust gasses, reducing emissions and improving fuel efficiency; and an ECO Driving Indicator that provides real-time feedback of economical driving practices.

RESPONSIBLE. AS WELL AS
RESPONSIVE.

The RX 450h is the first hybrid vehicle to feature Intelligent Shift Control, a shifting system that can estimate whether you are traveling uphill or downhill and automatically provide the optimal engine response. Enhancing performance even further, a Sequential Shift mode enables you to upshift or downshift on the fly. And a new SPORT mode transforms the acceleration and steering response of the RX 450h for more spirited driving.

SAFETY

SPECS

OUR PRIORITY:
YOUR PEACE
OF MIND.

The safest accident is the one that never happens. Which is why the RX offers a variety of innovative measures to help prevent one from occurring. Should an accident be unavoidable, we've helped plan for that, too. Two hundred and thirty-three crash tests were performed on the RX during development—leading to such passive safety measures as an overlapping pillar design that helps provide increased buckling strength and enhanced load sustainability when buckled.

HYBRID

SAFETY

SPECS

WE APPROACHED VISIBILITY FROM A DIFFERENT ANGLE.

The RX places such a premium on visibility, we even figured out a way to improve the vision of other drivers on the road. Using radar technology, the available Blind Spot Monitor²² is designed to detect vehicles positioned or approaching in the adjacent lanes. At speeds above 25 mph, if a vehicle is detected, the driver is notified by an illuminated icon in the outer mirror on the affected side.

HYBRID

SAFETY

SPECS

NUMEROUS SAFETY FEATURES

THAT INCLUDE IMPRESSIVE ADVANCEMENTS
IN INTUITION.

Call it a state-of-the-art inkling, if you will. Utilizing highly advanced radar technology, the available Pre-Collision System²³ can sense an unavoidable frontal collision and automatically retract the front seatbelts while preparing Brake Assist²⁴ for increased braking pressure when the driver steps on the brake pedal. It's just one of the 21 Actively Safe features offered on the RX. Of course, if impact does occur, you can also take comfort in knowing that the RX features a host of passive safety measures as well. Like a class-leading²⁵ 10-airbag system¹⁸ and active front headrests²⁶ that can move diagonally upward and forward in the event of certain types of rear collisions to assist in supporting the head, thereby helping to reduce the possibility of whiplash.

Optional equipment shown.
See disclaimers on page 76.

WE'RE CREATING INNOVATIONS EVERY DAY.
STAY INFORMED OF THEM
EVERY MONTH.

With so much innovative thinking at Lexus, it's hard to stay up-to-date. That's why we created the Lexus Pursuit newsletter. Each month, e-mail subscribers receive exclusive information about upcoming model launches and events, as well as the latest innovations and offers.

RX 350 STANDARD LUXURY FEATURES

LUXURY AND CONVENIENCE

- Power rear door
- SmartAccess^{31,32} with push-button Start/Stop and touch sensors on exterior front-door handles
- Dual-zone automatic climate control with interior air filter
- Power tilt-and-telescopic steering column
- Power windows with one-touch open/close feature
- Remote-linked opening for windows and available moonroof
- Power door locks
- Multifunction, in-key remote entry system with rolling-code technology³²
- Electrochromic (auto-dimming) inside rearview mirror
- Cruise control
- Sliding front center console with storage bin, dual power outlets and pass-through storage
- Front and rear cupholders
- HomeLink[®] universal transceiver to operate compatible garage, gate, home lighting and home security systems
- Lexus Personalized Settings (LPS)³³ to customize select electronic functions
- Illuminated entry system
- Accessory power outlet in front center stack, front console box and rear cargo area
- Dual illuminated visor vanity mirrors
- Extendable sun visors
- Rear bumper protector

SEATING AND TRIM

- Espresso or ebony bird's-eye maple interior trim
- Leather-trimmed steering wheel and shift knob
- 10-way driver's and front passenger's (including lumbar) power seats
- Height-adjustable headrests for all seating positions
- Reclining, sliding rear seat (40/20/40-split)

COMMUNICATION, AUDIO AND NAVIGATION

- Lexus nine-speaker Premium Sound System with Automatic Sound Levelizer (ASL), Live Ambience technology, HD Radio^{TM36} and in-dash six-disc CD auto-changer
- USB audio input for compatible iPod[®]/iPhone^{®37} integration with audio system
- Auxiliary iPod³⁷/MP3/Windows Media[®] Audio (WMA) port
- SiriusXM Satellite Radio^{6,12} Subscription required. 90-day trial subscription included
- Bluetooth[®] technology⁵
- Bluetooth audio¹⁰ profile for wireless integration of compatible music players
- FM-diversity antenna system
- Shark-fin antenna

INSTRUMENTATION AND CONTROLS

- Steering-wheel-mounted audio, phone and display controls
- Electroluminescent instrumentation
- Liquid Crystal Display (LCD) multi-information console display on upper console
- Organic Light-Emitting Diode (OLED) multi-information display in gauge cluster
- Outside temperature gauge
- Automatic on/off headlamps with auto-off delay
- Interior electronic fuel-filler door release

RX 350 SAFETY AND SECURITY FEATURES

ACTIVE SAFETY

- Vehicle Dynamics Integrated Management (VDIM)²¹ (RX F SPORT, available RX)
- Vehicle Stability Control (VSC)²¹
- Traction Control (TRAC)
- Four-wheel power-assisted disc brakes
- Four-sensor, four-channel Anti-lock Braking System (ABS)
- Smart Stop Technology³⁸
- Brake Assist²⁴
- Electronic Brakeforce Distribution (EBD)
- Full-time all-wheel drive (RX AWD, RX F SPORT)
- Tire Pressure Monitor System³⁹
- Water-repellent front-door glass
- LED daytime running lights
- Integrated foglamps
- LED taillamps
- Variable intermittent front windshield wipers
- Intermittent rear-window wiper with washer
- Rear-window defogger with auto-off timer
- Power-adjustable outside mirrors with integrated turn indicators and defoggers

PASSIVE SAFETY

- Driver's and front passenger's advanced airbag system (SRS) with front passenger's twin-chamber airbag (SRS)¹⁸
- Front and rear seat-mounted side airbags (SRS)¹⁸
- Driver's and front passenger's knee airbags (SRS)¹⁸
- Front and rear Roll-Sensing Curtain Airbags (RSCA) (SRS)¹⁸
- Active front headrests²⁶
- Three-point seatbelts for all seating positions, pre-tensioners with force limiters for all seating positions
- Automatic Locking Retractor/Emergency Locking Retractor (ALR/ELR) seatbelts for all outboard seating positions. Emergency Locking Retractor (ELR) only for driver's seat
- Height-adjustable front shoulder belt anchors
- Child Restraint Seat (CRS) tether anchor brackets for rear outboard seating positions
- Highly rigid body structure with front and rear crumple zones
- Reinforcements in pillars and door sills
- Side-impact door beams
- Impact-dissipating upper interior trim
- Collapsible steering column
- Collapsible brake pedal

SECURITY

- Safety Connect^{®1,16} offers Automatic Collision Notification, Stolen Vehicle Location, an Emergency Assistance Button (SOS) and Enhanced Roadside Assistance¹⁷ connectivity. Subscription required. One-year trial subscription included
- Vehicle theft-deterrent and engine-immobilizer system,³² with in-key transponder
- Tonneau cover
- First aid kit
- Tool kit

RX 350 OPTION PACKAGES*

PREMIUM PACKAGE

- Perforated leather-trimmed interior
- Lexus Memory System to control power driver’s seat (except lumbar), outside mirrors and steering wheel
- Rear-armrest storage compartment with cover
- Power tilt-and-slide moonroof with one-touch open/close and sliding sunshade
- Power-folding electrochromic (auto-dimming) heated outside mirrors
- Roof rails^{34,35}

PREMIUM PACKAGE WITH BLIND SPOT MONITOR

Includes all Premium Package equipment, plus:
Blind Spot Monitor²²

LUXURY PACKAGE

- Semi-aniline leather-trimmed interior
- Heated wood- and leather-trimmed steering wheel and shift knob
- Front-seat power cushion extenders
- Lexus Memory System to control power driver’s seat (except lumbar), outside mirrors and steering wheel
- Power tilt-and-slide moonroof with one-touch open/close and sliding sunshade
- Rear-armrest storage compartment with cover
- LED-illuminated front door sills
- Headlamp washers
- Power-folding electrochromic (auto-dimming) heated outside mirrors
- 19 x 17.5-in triple-split-five-spoke alloy wheels with Superchrome finish and 235/55VR19 all-season tires²⁰
- Smog-sensing automatic recirculation mode for climate-control system
- Roof rails^{34,35}

LUXURY PACKAGE WITH BLIND SPOT MONITOR

Includes all Luxury Package equipment, plus:
Blind Spot Monitor²²

NAVIGATION PACKAGE

- Navigation System⁶
- Remote Touch device⁷
- Voice command
- High-resolution color LCD display
- Integrated wide-view backup camera¹¹
- Enhanced Bluetooth® technology⁵
- SMS Text-to-Speech with Reply
- Compatible mobile-phone integration
- Lexus Enform^{®1,2} with Destination Assist and eDestination. Subscription required. One-year trial subscription included
- Lexus Enform^{1,2} Application Suite³ with Bing,™ iHeartRadio, MovieTickets.com, OpenTable,® Pandora,®^{14,15} Yelp® and Facebook Places. Subscription required. One-year trial subscription included
- NavTraffic,™^{6,12} NavWeather,™^{6,12} Sports and Stocks^{6,12} and Fuel Prices from SiriusXM. Subscription required. One-year trial subscription included
- 12-speaker Lexus Premium Sound System with HD Radio™³⁶
- Single-disc DVD/CD player

RX 350 F SPORT (AWD ONLY)

- Includes all Premium Package and Comfort Package equipment, plus:*
- All-wheel drive
 - Eight-speed automatic Electronically Controlled Transmission with intelligence (ECT-i), paddle shifters and Manual mode
 - F SPORT 19-inch split-five-spoke alloy wheels with Dark Graphite finish and 235/55VR19 all-season tires²⁰
 - F SPORT front bumper and upper and lower grille inserts
 - F SPORT suspension tuning with lateral performance dampers
 - Vehicle Dynamics Integrated Management (VDIM)²¹
 - Black leather interior trim with white perforations and contrasting stitching
 - Black headliner
 - Heavy-duty alternator and radiator
 - Transmission cooler

*Please see page 76 for more information regarding options/accessories/packages.

See disclaimers on page 76.

SPORT APPEARANCE PACKAGE (RX 350 FWD, RX 450h)

- F SPORT front bumper and lower-grille insert
- F SPORT 19-inch split-five-spoke alloy wheels with Superchrome finish and 235/55VR19 all-season tires²⁰

COMFORT PACKAGE

- Heated and ventilated front seats
- High-Intensity (HID) headlamps with dynamic auto-leveling
- Rain-sensing intermittent windshield wipers with mist cycle

REAR-SEAT ENTERTAINMENT SYSTEM (RSES) AND NAVIGATION SYSTEM PACKAGE

- Includes all Navigation Package equipment, plus:*
- High-resolution LED dual-screen DVD Rear-Seat Entertainment System (RSES)⁸
 - Single-disc DVD/CD player
 - Wireless headphones⁹
 - Audio/video inputs
 - Two-prong 120-volt AC power outlet

LEXUS DISPLAY AUDIO/BACKUP CAMERA PACKAGE

- 7.0-inch color LCD multi-information display
- Backup camera¹¹
- Center-console controller
- Lexus 12-speaker Premium Sound System
- Single-disc DVD/CD player
- HD Radio^{TM36}
- Digital signal technology including Live Ambience^r for improved audio performance
- SMS Text-to-Speech with Reply

*Please see page 76 for more information regarding options/accessories/packages.

- Liquid Crystal Display (LCD) multi-information console display on upper console
- Organic Light-Emitting Diode (OLED) multi-information display in gauge cluster
- Outside temperature gauge
- Automatic on/off headlamps with auto-off delay
- Interior electronic fuel-filler door release
- Driving modes with Normal, Sport, ECO and EV⁴² modes

RX 450h SAFETY AND SECURITY FEATURES

ACTIVE SAFETY

- Vehicle Dynamics Integrated Management (VDIM)²¹
- Vehicle Stability Control (VSC)²¹
- Traction Control (TRAC)
- Four-wheel power-assisted disc brakes
- Four-sensor, four-channel Anti-lock Braking System (ABS)
- Smart Stop Technology³⁸
- Brake Assist²⁴
- Electronic Brakeforce Distribution (EBD)
- Full-time all-wheel drive (RX AWD)
- Tire Pressure Monitor System³⁹
- Water-repellent front-door glass
- LED daytime running lights
- Integrated foglamps
- LED taillamps
- Variable intermittent front windshield wipers
- Intermittent rear-window wiper with washer
- Rear-window defogger with auto-off timer
- Power-adjustable outside mirrors with integrated turn indicators and defoggers

PASSIVE SAFETY

- Driver's and front passenger's advanced airbag system (SRS) with front passenger's twin-chamber airbag (SRS)¹⁸
- Front and rear seat-mounted side airbags (SRS)¹⁸
- Driver's and front passenger's knee airbags (SRS)¹⁸
- Front and rear Roll-Sensing Curtain Airbags (RSCA) (SRS)¹⁸
- Active front headrests²⁶
- Three-point seatbelts for all seating positions, pre-tensioners with force limiters for all seating positions
- Automatic Locking Retractor/Emergency Locking Retractor (ALR/ELR) seatbelts for all outboard seating positions. Emergency Locking Retractor (ELR) only for driver's seat
- Height-adjustable front shoulder belt anchors
- Child Restraint Seat (CRS) tether anchor brackets for rear outboard seating positions
- Highly rigid body structure with front and rear crumple zones
- Reinforcements in pillars and door sills
- Side-impact door beams
- Impact-dissipating upper interior trim
- Collapsible steering column
- Collapsible brake pedal

SECURITY

- Safety Connect^{®1,16} offers Automatic Collision Notification, Stolen Vehicle Location, an Emergency Assistance Button (SOS) and Enhanced Roadside Assistance¹⁷ connectivity. Subscription required. One-year trial subscription included
- Vehicle theft-deterrent and engine-immobilizer system³² with in-key transponder
- Tonneau cover
- First aid kit
- Tool kit

RX 450h OPTION PACKAGES*

PREMIUM PACKAGE

- Perforated leather-trimmed interior
- Lexus Memory System to control power driver’s seat (except lumbar), outside mirrors and steering wheel
- Rear-armrest storage compartment with cover
- Power tilt-and-slide moonroof with one-touch open/close and sliding sunshade
- Power-folding electrochromic (auto-dimming) heated outside mirrors
- Roof rails (RXh AWD only) ^{34,35}

PREMIUM PACKAGE WITH BLIND SPOT MONITOR

Includes all Premium Package equipment, plus:
Blind Spot Monitor²²

LUXURY PACKAGE (RXh AWD ONLY)

- Semi-aniline leather-trimmed interior
- Heated wood- and leather-trimmed steering wheel and shift knob
- Front-seat power cushion extenders
- Lexus Memory System to control power driver’s seat (except lumbar), outside mirrors and steering wheel
- Power tilt-and-slide moonroof with one-touch open/close and sliding sunshade
- Rear-armrest storage compartment with cover
- LED headlamps with dynamic auto-leveling
- LED-illuminated front door sills
- Headlamp washers
- Power-folding electrochromic (auto-dimming) heated outside mirrors
- 19 x 17.5-in triple-split-five-spoke alloy wheels with Superchrome finish and 235/55VR19 all-season tires²⁰
- Smog-sensing automatic recirculation mode for climate-control system
- Roof rails^{34,35}

LUXURY PACKAGE WITH BLIND SPOT MONITOR

Includes all Luxury Package equipment, plus:
Blind Spot Monitor²²

NAVIGATION PACKAGE

- Navigation System⁶
- Remote Touch device⁷
- Voice command
- High-resolution color LCD display
- Integrated wide-view backup camera¹¹
- Enhanced Bluetooth® technology⁵
- SMS Text-to-Speech with Reply
- Compatible mobile-phone integration
- Lexus Enform^{®1,2} with Destination Assist and eDestination. Subscription required. One-year trial subscription included
- Lexus Enform^{1,2} Application Suite³ with Bing,™ iHeartRadio, MovieTickets.com, OpenTable®, Pandora,®14,15 Yelp® and Facebook Places. Subscription required. One-year trial subscription included
- NavTraffic,™6,12 NavWeather,™6,12 Sports and Stocks^{6,12} and Fuel Prices from SiriusXM. Subscription required. One-year trial subscription included
- 12-speaker Lexus Premium Sound System with HD Radio™36

*Please see page 76 for more information regarding options/accessories/packages.

See disclaimers on page 76.

SPORT APPEARANCE PACKAGE (RX 450h)

- F SPORT front bumper and lower-grille insert
- F SPORT 19-inch split-five-spoke alloy wheels with Superchrome finish and 235/55VR19 all-season tires²⁰

COMFORT PACKAGE

- Heated and ventilated front seats
- High-Intensity (HID) headlamps with dynamic auto-leveling
- Rain-sensing intermittent windshield wipers with mist cycle

REAR-SEAT ENTERTAINMENT SYSTEM (RSES) AND NAVIGATION SYSTEM PACKAGE

- Includes all Navigation Package equipment, plus:*
- High-resolution LED dual-screen DVD Rear-Seat Entertainment System (RSES)⁸
 - Single-disc DVD/CD player
 - Wireless headphones⁹
 - Audio/video inputs
 - Two-prong 120-volt AC power outlet

LEXUS DISPLAY AUDIO/BACKUP CAMERA PACKAGE

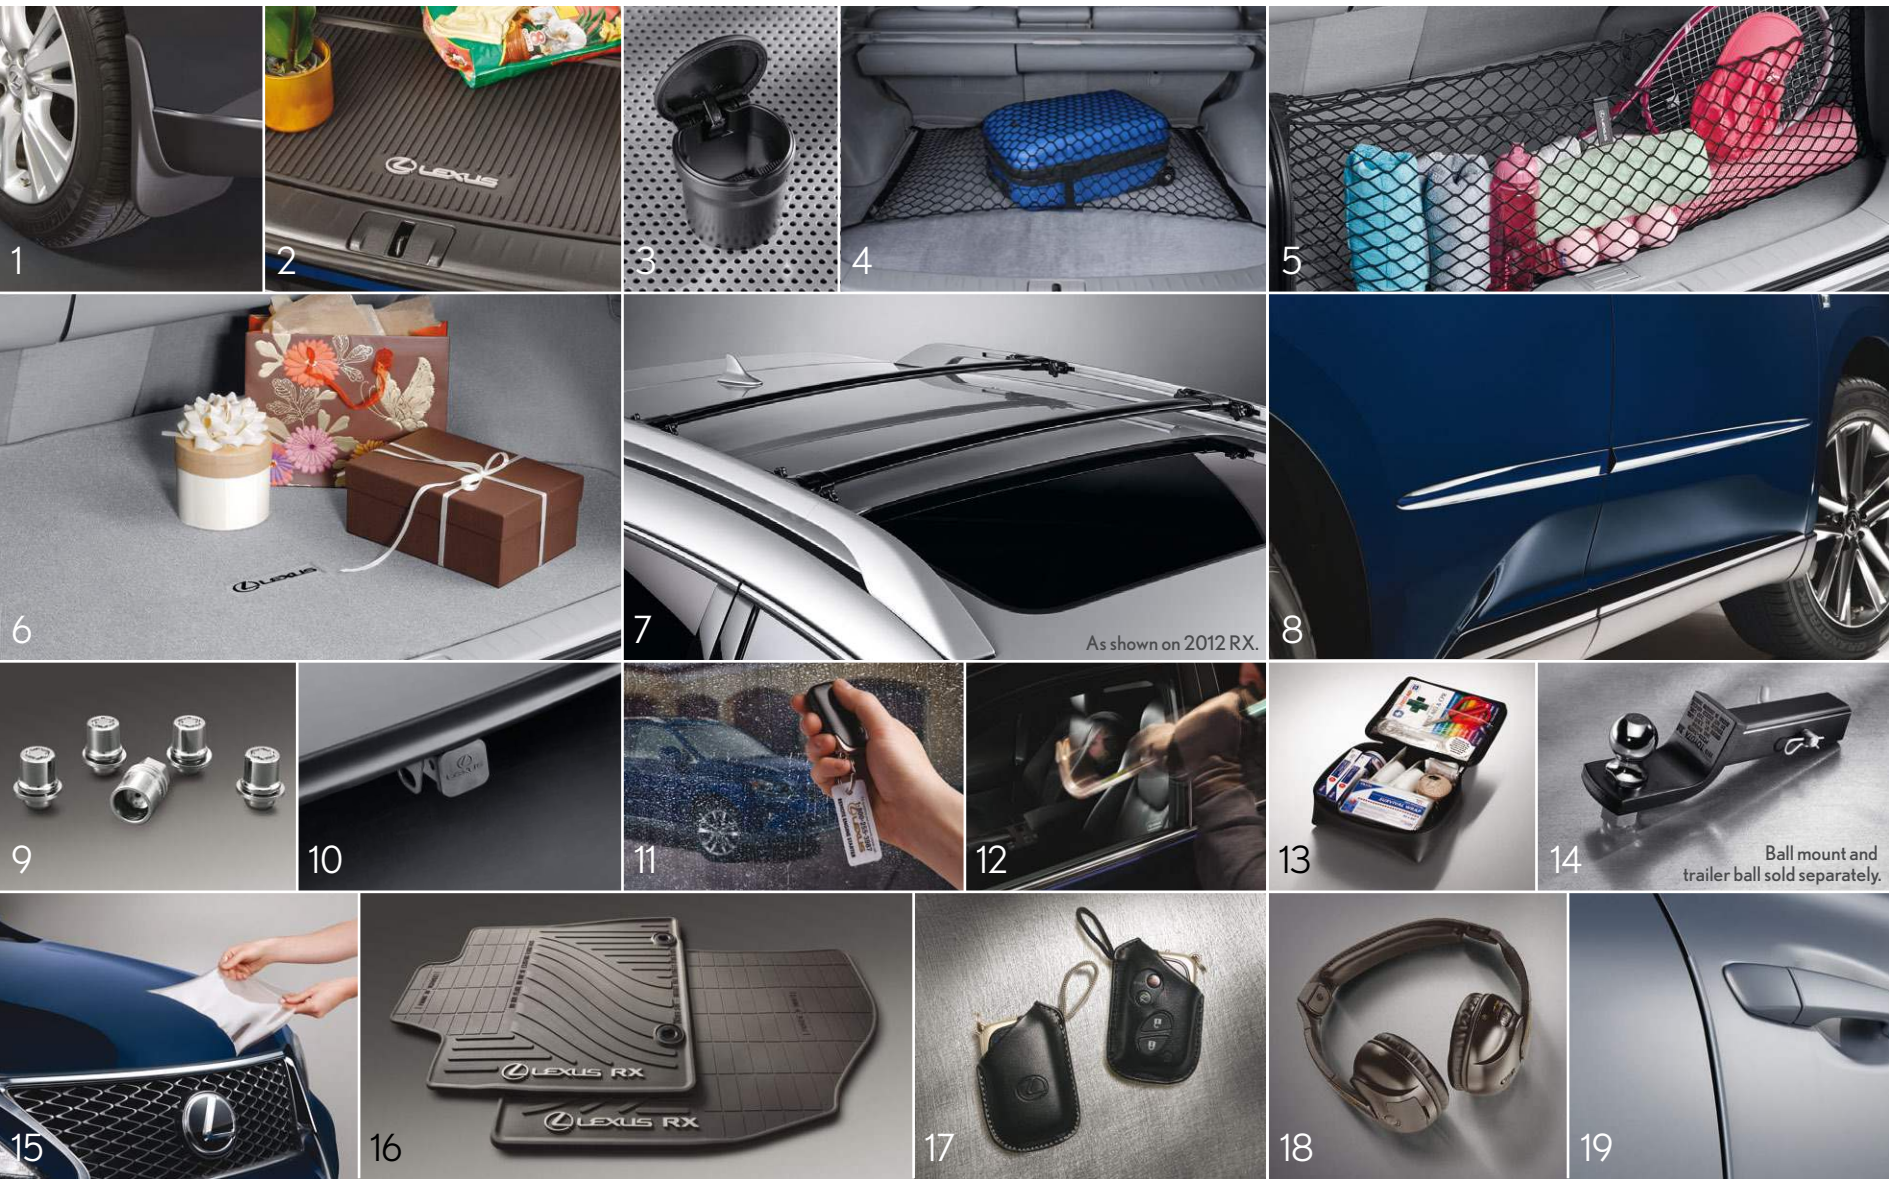

- 7.0-inch color LCD multi-information display
- Backup camera¹¹
- Center-console controller
- Lexus 12-Speaker Premium Sound System
- Single-disc DVD/CD player
- HD Radio^{TM36}
- Digital signal technology including Live Ambience^r for improved audio performance
- SMS Text-to-Speech with Reply

*Please see page 76 for more information regarding options/accessories/packages.
See disclaimers on page 76.

Optional equipment shown.

ACCESSORIES*

- 1. Mudguards
- 2. All-weather cargo mat
- 3. Ashtray cup
- 4. Cargo net - spider
- 5. Cargo net - envelope
- 6. Carpet cargo mat
- 7. Roof rack cross bars (not available on RXh FWD)^{35,43}
- 8. Body side moldings
- 9. Alloy wheel locks
- 10. Towing equipment^{29,30} – tow hitch receiver (not available on RXh FWD)
- 11. Remote engine starter³²
- 12. Glass breakage sensor
- 13. First aid kit
- 14. Towing equipment^{29,30} – trailer ball and ball mount (not available on RXh FWD)
- 15. Paint protection film⁴⁴
- 16. All-weather floor mats⁴⁵
- 17. Key glove
- 18. Wireless headphones⁹
- 19. Door edge guards

*Please see page 76 for more information regarding options/accessories/packages.
See disclaimers on page 76.

WARRANTY

Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Eight-year/100,000-mile Hybrid System Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. All warranties with zero deductible. See the RX or RXh *Warranty and Services Guide* at your Lexus dealer for details.

1. Lexus Enform[®] and Safety Connect[®] are available. Contact with the Lexus Enform and/or Safety Connect response center is dependent upon the telematics device being in operative condition, cellular connection availability, navigation map data and GPS satellite signal reception, which can limit the ability to reach the response center or receive emergency support. Enrollment and Telematics Subscription Service Agreement required. **2.** Lexus Enform premium services Destination Assist and eDestination will function in the contiguous United States and Washington, D.C. These services may also function in Hawaii and limited areas of Alaska for vehicles that contain map data for those states. They will not function in Canada or in other countries outside the United States. **3.** Always be sure to obey traffic regulations, maintain awareness of your surroundings and all road and traffic conditions. Select Enform apps use a large amount of data and you are responsible for all data charges. Apps and services vary by phone and carrier. Not all apps and data services are available initially. Apps identified by TM or [®] are trademarks or registered trademarks of their respective companies and cannot be used without permission. See lexus.com/enform for the latest information regarding apps and service. The Bluetooth[®] word mark is a registered trademark of the Bluetooth SIG. Features and capabilities vary by phone. **4.** Cargo and load capacity limited by weight and distribution. **5.** Bluetooth[®] technology phones listed on lexus.com have been tested for compatibility with Lexus vehicles. Performance will vary based on phone software version, coverage and your wireless carrier. Phones are warranted by their manufacturer, not Lexus. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. Other trademarks and trade names are those of their respective owners. **6.** Availability and accuracy of the information provided by the Navigation System or any SiriusXM services mentioned (if installed) are dependent upon many factors. Use common sense when relying on information provided. Services not available in every city or roadway. Periodic Navigation updates available at additional cost. Please see your *Navigation System Owner's Manual* or contact SiriusXM for details. **7.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions. **8.** A single feed, six-disc DVD changer is standard on vehicles equipped with the dual-screen Rear-Seat Entertainment System. A separate DVD player or game system utilizing the center console's video/audio inputs is required in order to use the split-screen function. **9.** Headphones are for passenger use only. Do not use while operating vehicle. **10.** Bluetooth[®] audio device must be enabled with A2DP and AVRCP. **11.** The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather may limit effectiveness and view may become cloudy. **12.** SiriusXM services require a subscription after trial period. Subscriptions governed by SiriusXM Customer Agreement available at siriusxm.com. **If you decide to continue your SiriusXM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates unless you call 1-800-967-2346 to cancel.** Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. **13.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. **14.** Always be sure to obey traffic regulations, maintain awareness of your surroundings and all road and traffic conditions. Select apps use a large amount of data and you are responsible for all data charges. Apps and services vary by phone and carrier. **15.** Daily use of Pandora or iHeartRadio may have an impact on your cellular data plan. It is estimated that one hour of streaming Pandora or iHeartRadio consumes roughly 14 to 27MB of cellular data. The other third-party applications, Bing[™] MovieTickets.com, and OpenTable[®], are expected to consume a negligible amount of data. You can take a look at the data calculators provided on your cellular carrier's website or speak with your wireless carrier to understand what data plans would fit you the best. PANDORA[®], the PANDORA[®] logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc., used with permission. **16.** The Safety Connect[™] services Automatic Collision Notification, Emergency Assistance and Stolen Vehicle Location will function in the United States, including Hawaii and Alaska, and in Canada. Enhanced Roadside Assistance will function in the United States (except for Hawaii) and in Canada. No Safety Connect services will function outside of the United States in countries other than Canada. **17.** Coverage only available in the continental U.S. and Canada. Please see your Lexus dealer for details. **18.** All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. Please see your *Owner's Manual* for further information/warnings. **19.** Mark Levinson[®] is a registered trademark of Harman International Industries, Inc. **20.** 18- or 19-inch performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 15,000 miles, depending upon driving conditions. **21.** Vehicle Stability Control (VSC) and Vehicle Dynamics Integrated Management (VDIM) are electronic systems designed to help the driver maintain control under adverse conditions. They are not substitutes for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC and VDIM will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. **22.** Do not rely exclusively on the Blind Spot Monitor to determine if a lane change is safe. Always look over your shoulder and use your turn signal before changing lanes. There are several limitations to the function, detection, range and clarity of the monitor. For a complete list of limitations and directions regarding use of the monitor, please see your *Owner's Manual*. **23.** The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. Please see your *Owner's Manual* for further information. **24.** Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. **25.** 2012 RX vs. 2011 competitors based on Luxury Midsize SUVs. **26.** Active headrests can help reduce the extent of whiplash in certain types of rear-end collisions. **27.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt. **28.** EPA MPG Estimates. Actual mileage will vary. **29.** Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. **30.** Please consult your Lexus dealer or *Owner's Manual* for towing and load specifications. **31.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **32.** The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key or SmartAccess fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key or SmartAccess fob, it can be costly to replace. If you lose a key or SmartAccess fob, your Lexus dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local *Yellow Pages* or by contacting www.aloa.org. **33.** The Lexus Personalized Settings (LPS) can be programmed in two ways: For most models equipped with the available Navigation System, the driver can modify the settings themselves; for other models, including those without a Navigation System, programming is done by your Lexus dealer via a one-time, complimentary offer during the first 12 months from the date the vehicle is sold. Please see your Lexus dealer for more information. **34.** Accessory roof rack with rails not recommended for luggage. **35.** Roof rack capacity is 165 lb. Please see *Owner's Manual* for details. **36.** HD Radio[™] Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio[™] and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. **37.** iPod[®] and iPhone[®] are registered trademarks of Apple Inc. All rights reserved. **38.** Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your *Owner's Manual* for further details. **39.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. Please see your *Owner's Manual* for details. **40.** Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. **41.** The RX 450h is not designed to be driven off-road. **42.** CAUTION! When driving a hybrid vehicle, pay special attention to the area around the vehicle. Because there is little vehicle noise in electric-only mode, pedestrians, people riding bicycles or other people and vehicles in the area may not be aware of the vehicle starting off or approaching them, so take extra care while driving. **43.** Roof rack with cross bars is not recommended for luggage. **44.** Currently available PPO. Ask your Dealer Sales Consultant for vehicle application. **45.** To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat, and each mat must be secured with retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle.

*Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of printing, are subject to change without notice, are for mainland U.S.A. vehicles only. Some vehicles shown with available equipment. See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
