

NX

—

2020 LEXUS

Dynamic craftsmanship.
Precision-engineered performance.
Class-leading safety technology.¹

Experience the crossover in its most visionary form.

The 2020 Lexus NX

NX 300

Razor-sharp styling conceals a 2.0-liter turbocharged in-line four-cylinder engine delivering 235 horsepower.² Every NX model features Amazon Alexa³ compatibility as well as new class-leading standard Lexus Safety System+ 2.0^{1,4}. And added iPhone^{®5} functionality via Apple CarPlay^{®6} integration. Available AWD.

NX 300 F SPORT

The NX 300 can be further enhanced with more aggressive styling and performance upgrades, including a more dynamic F SPORT-tuned suspension.

NX 300h AWD

Behind its cutting-edge style, the NX 300h pairs a potent 2.5-liter engine with powerful electric motors for instantaneous torque and a class-leading 31-MPG combined estimate.^{1,7} Standard AWD.

NX F SPORT shown in Ultra White (left), NX shown in Atomic Silver (right)

NX F SPORT shown in Ultra White

NX F SPORT shown in Ultra White

NX F SPORT shown with Black NuLuxe[®] and Metallic Sport interior trim

NX shown in Atomic Silver

Inspired by the facets of a cut gemstone, LED taillamps are just one of many eye-opening details that set the NX apart. Available Premium Triple-Beam LED headlamps and dramatically styled front and rear fascias further punctuate its low, wide stance. From the sharp contours of its exterior styling to the available expansive moonroof, every aspect pushes the conventional to the leading edge.

CUTTING-EDGE DESIGN

Multifaceted LED illumination puts scintillating design in razor-sharp focus.

NX F SPORT shown in Ultra White

STRETCHING THE LIMITS OF VERSATILITY

Lexus-first innovations and class-leading features push comfort and convenience even further.

Versatility goes beyond boundaries with the 2020 NX. It offers a Power Rear Door with Kick Sensor¹² that raises and lowers with a simple wave of your foot beneath the concealed sensor. Inside, available heated and ventilated front seats provide customized comfort, while available class-leading power-folding and -reclining rear seats¹³ take amenities to another level.

60/40
split power fold-flat rear seats

UNCOMPROMISING PERFORMANCE

From the high performance and fuel efficiency of its hybrid to the available adaptive suspension on its F SPORT, the NX is exhilaration, evolved.

NX shown in Atomic Silver

From the powerful NX 300 to higher-performance F SPORT models, this is a visceral driving experience, delivered. With a dynamic suspension and an available adaptive F SPORT suspension inspired by the LC, this is the most responsive NX yet.

**MORE EFFICIENCY.
MORE RESPONSE.**
MORE NX, PERIOD.

With two sources of power and innovative all-wheel drive, the NX Hybrid gives even more to the driver while taking less from the world.

NX 300h

Welcome to the next level of NX. Pairing a potent 2.5-liter engine with powerful electric motors, the NX Hybrid delivers immediate torque and smooth, seamless acceleration off the line. And, with its class-leading 31-MPG combined estimate^{1,7} you won't just enjoy a smoother and quieter ride, you'll enjoy it over many more miles on a single tank of gas. All without requiring a charge. Featuring an all-wheel drive system so innovative that it's designed to adapt to the angle or condition of the road, as well as an exclusive damping control system, it offers performance as captivating as its style.

TURBOCHARGED *POWER*

The surge of the 235-horsepower² engine in the NX and NX F SPORT doesn't let up—thanks to the Lexus engineers who spent years researching, developing and refining a turbocharger with advanced twin-scroll technology. The powerplant itself seamlessly moves between conventional and Atkinson cycles, for quick acceleration with greater efficiency.

ALL-WHEEL *DRIVE*

Go beyond limitations with available all-wheel drive. AWD predicts your path, monitoring the vehicle and your input. On the NX and NX F SPORT, if wheelspin is detected, it can deliver up to 50% of available torque to the rear wheels. On the NX Hybrid, the electronic AWD system is so innovative, it can even adapt to the angle or condition of the road.

Torque split up to
50/50

NX F SPORT shown in Atomic Silver

A bold front fascia sets the distinctive NX F SPORT even further apart. The 18-inch, split-five-spoke alloy wheels¹⁴ and black exterior mirrors punctuate its sleek stance, while its suspension was specially tuned to make this the most responsive NX yet.

ADAPTIVE VARIABLE SUSPENSION

Available AVS allows the driver to harness the engine's power and communicate with the pavement like never before. Based on the state-of-the-art technology in the Lexus LC, this system features 650 levels of damping that can automatically adapt to changing conditions, for enhanced response based on the selected drive mode.

NX F SPORT shown in Ultra White

F SPORT PERFORMANCE

For those with an even greater passion for performance, the NX F SPORT offers head-turning styling and technology that puts the F SPORT stamp on its thrilling driving experience.

F SPORT STYLING

The NX F SPORT doesn't just look the part—it feels it. From its aggressive exterior styling to deeply bolstered front sport seats that hug you through the turns, this luxury crossover brings exhilaration to every drive. Circuit Red NuLuxe®¹¹ and new Arctic White NuLuxe interior trims boldly reflect its performance roots. And impeccable contrast stitching completes the experience of pure invigoration for all the senses.

NX F SPORT shown in Atomic Silver

BOLSTERED SPORT SEATS

Feel confidence through every curve with the F SPORT front sport seats. Featuring a unique foam-injected construction and designed to contour to the needs of the driver, these enhanced bolstered sport seats cradle you from hip to shoulder for a more dynamic driving experience.

DRIVER'S COCKPIT

F SPORT performance is deeply ingrained in the driver's experience, with quick-shifting paddle shifters, exclusive G-force and turbo-boost gauges, and an exclusive perforated leather-trimmed shift knob and heated steering wheel. Additional signature touches in the F SPORT include rubber-studded aluminum pedals and Metallic Sport interior trim.

NX F SPORT shown with Apple CarPlay^{®6} integration and Circuit Red NuLuxe^{®11} interior trim

The highly advanced NX is not only designed to make a statement, with Amazon Alexa³ compatibility, it's also designed to make driving even more convenient. A high-resolution multimedia display provides access to your favorite iPhone⁵ apps via Apple CarPlay integration, and enables you to control audio, climate and other systems, including the available voice-activated Navigation System.¹⁵ On the NX F SPORT, G-force and turbo-boost displays ensure performance information is front and center.

INTUITIVE TECHNOLOGY

Experience an array of innovations—from class-leading standard active safety equipment^{1,4} to Apple CarPlay integration.

PEACE OF MIND, STANDARD

Presenting Lexus Safety System+ 2.0, an integrated suite of class-leading standard active safety equipment.^{1,4}

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION

By enhancing the radar and camera capabilities, it's now possible for the system¹⁶ to help detect not only the vehicle ahead, but also a preceding bicyclist in daytime and even a preceding pedestrian in daytime and low-light conditions.⁸ Should it detect a potential frontal collision, it can help automatically brake the vehicle to a stop.

LANE TRACING ASSIST

When All-Speed Dynamic Radar Cruise Control¹⁷ is enabled, this hands-on system¹⁰ monitors visible lane markings or the path of the preceding vehicle to help the driver keep their vehicle centered in the lane by providing steering assistance. Designed for added convenience and to help reduce driver strain, the system can even be used in traffic and on highways with gradual curves.

LANE DEPARTURE ALERT WITH STEERING ASSIST

This system⁹ utilizes a camera to monitor visible lane markings. If an inadvertent lane departure is detected at speeds above 32 mph, the system is designed to warn you so that you can steer back into the lane, and can even take slight corrective measures to help keep you within your visibly marked lane.

ROAD SIGN ASSIST

This system¹⁸ uses a built-in camera to help provide road sign information in the instrument panel. In addition to displaying speed limit information, the system can alert you of Do Not Enter, Yield, and Stop signs you otherwise might have missed.

ALL-SPEED DYNAMIC RADAR CRUISE CONTROL

This system¹⁷ uses radar and camera technology to help you maintain a preset speed and following distance from the vehicle ahead. Whether at highway speeds or in stop-and-go traffic, the system is designed to detect if you get closer than the preset distance and automatically slow your vehicle—even to a complete stop. If driving at highway speeds and the road ahead clears, your Lexus returns to its preset speed.

INTELLIGENT HIGH BEAMS

To help provide greater visibility for you as well as other drivers, Intelligent High Beams¹⁹ offer added illumination to help keep you focused on the road. When the road ahead is clear, the system defaults to high-beam mode, then temporarily switches to low beams when it detects the headlamps or taillamps of vehicles ahead.

TECHNOLOGY AT THE LEADING EDGE

LEXUS ENFORM

Lexus Enform²⁰ elevates connected technology and provides concierge-level convenience. From emergency assistance and onboard Wi-Fi™ to the ability to start your engine remotely²¹ using your smartphone, smartwatch, the Lexus skill on Amazon Alexa³ built-in devices, or the Lexus action on Google Assistant™-enabled²² devices, our premium suite of connected technology offers peace of mind with every drive.

AMAZON ALEXA

Bring all the convenience of Amazon Alexa³ on the road with the Lexus+Alexa²³ app. Using only your voice, you can easily access thousands of the same skills you get with Alexa at home. Listen to audiobooks, stream Amazon Music,³ make lists, check the weather, get news briefings and much more. You can also use it to control compatible smart-home devices such as lighting, thermostat and security systems. Offering added in-vehicle convenience, Alexa even syncs to your Navigation System¹⁵ to provide on-the-go recommendations.

APPLE CARPLAY®

With Apple CarPlay⁶ integration, you can access the same familiar interface from your iPhone⁵ through the vehicle's multimedia display. Simply connect your iPhone to get directions, make calls, send and receive messages via Siri,²⁴ and get access to your favorite apps like Waze, Spotify® and Apple Audiobooks.^{TM25}

NAVIGATION SYSTEMS

The available 10.3-inch high-resolution split-screen multimedia display provides immediate, simultaneous access to audio and climate controls and various systems, including Lexus Enform Dynamic Navigation.^{20,26} On vehicles with the standard multimedia display, Scout® GPS Link^{20,27} includes 3D functionality and interactive moving maps. With subscription-free Traffic and Weather updates,²⁸ getting to your destination is easier than ever.

MARK LEVINSON® AUDIO

The new available 14-speaker, 835-watt Mark Levinson®²⁹ Premium Surround Sound Audio System features patented, proprietary Clari-Fi®³⁰ technology that restores audio quality from compressed music, resulting in crisp, clear, dynamic sound from almost any source. This, combined with technology designed to create an expansive “sweet spot” of audio, envelops every passenger in three-dimensional sound that rivals the finest home audio systems.

INTUITIVE PARKING ASSIST

Using sensors in the front and rear bumpers, available Intuitive Parking Assist³¹ cues the driver with audible tones and an indicator on the multimedia display. Notifications indicate a detected object's location and proximity, which is especially helpful for routine tasks like parallel parking. If contact with an obstacle is imminent, the system can also bring the vehicle to a complete stop, under certain circumstances.

DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other features in your new Lexus, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime.^{®32} Learn more about these services at lexus.com/specialists.

NX STYLES

NX 300

- Standard on every NX:
- Drive Mode Select
 - Lexus Enform App Suite 2.0²⁰
 - Lexus Multimedia System³³ with 8.0-in color display and compatible Scout® GPS Link^{20,27} with MapStream and TurnStream modes. Included for the first three years of ownership.
 - Lexus Enform Safety Connect³⁴ and Service Connect.³⁴ Included for the first 10 years of ownership.
 - Lexus Enform Wi-Fi. 4GB/one-year trial³⁵ is included.
 - Lexus Enform Remote²¹ app with Amazon Alexa³ and Google Assistant^{TM22} compatibility. Included for the first year of ownership.
 - Subscription-free Traffic and Weather updates via HD Radio^{TM28}
 - Remote Touchpad³³
 - Amazon Alexa³ compatibility
 - Apple CarPlay^{®6} integration
 - Mobile Assistant
 - Voice Command
 - Bluetooth^{®36} and USB³⁷ smartphone connectivity
 - Eight-speaker Lexus Premium Sound System
 - Dual-zone automatic climate control with interior air filter
 - Leather-trimmed steering wheel and shift knob
 - NuLuxe^{®11} interior trim
 - Power tilt-and-telescopic steering column
 - Power-folding outside mirrors
 - SmartAccess^{38,39} with push-button Start/Stop
 - Lexus Safety System+ 2.0⁴
 - Backup camera⁴⁰
 - Eight airbags⁴¹
 - Roof rails^{42,43}
 - 2,000-lb towing capacity^{44,45} (NX only)
 - Complimentary maintenance services (please refer to the *Warranty and Services Guide* for details)

NX 300 LUXURY

- Includes NX 300 features and Premium Package, plus:
- Linear Black Shadow wood interior trim
 - A Perforated leather-trimmed interior
 - Rain-sensing windshield wipers
 - Heated steering wheel

NX 300h

- Includes NX 300 features, plus:
- Concealed exhaust
 - EV drive mode⁴⁶
 - Windshield wiper de-icer
 - Fast-response interior heater

NX 300h LUXURY

- Includes NX 300h features and Premium Package, plus:
- Linear Black Shadow wood interior trim
 - Perforated leather-trimmed interior
 - Rain-sensing windshield wipers
 - Heated steering wheel

NX 300 F SPORT

- Includes NX 300 features, and adds or replaces:
- F SPORT-tuned suspension
 - F SPORT front seats with enhanced bolsters
 - B F SPORT perforated leather-trimmed shift knob and heated steering wheel
 - Race-inspired paddle shifters
 - G-force and turbo-boost displays
 - Metallic Sport interior trim
 - Aluminum pedals
 - Black headliner
 - F SPORT front fascia and mesh grille insert
 - F SPORT front-fender and rear-door badges
 - Enhanced LED daytime running lights with integrated turn indicators
 - Black outside mirrors
 - F SPORT 18-in split-five-spoke alloy wheels and 235/55R18 summer tires¹⁴ or 18-in split-five-spoke alloy wheels with Gloss Black and machined finish and 225/60R18 all-season tires¹⁴

PACKAGES

COMFORT PACKAGE

- Heated and ventilated front seats
- Blind Spot Monitor⁴⁷ with Rear Cross-Traffic Alert⁴⁸
- Electrochromic (auto-dimming) heated outside mirrors with auto tilt-down in reverse

PREMIUM PACKAGE

- Includes Comfort Package, plus:*
- Electrochromic (auto-dimming) rearview mirror
 - Lexus Memory System to control power driver's seat, outside mirrors and steering column
 - 18-in split-five-spoke alloy wheels and 225/60R18 all-season tires¹⁴
 - Enhanced LED daytime running lights with integrated turn indicators (NX and NXh)
 - Power moonroof

NAVIGATION PACKAGE

- Navigation System¹⁵
- Lexus Enform Dynamic Navigation.^{20,26} Included for up to the first three years of ownership.
- 10.3-in high-resolution split-screen multimedia display
- Dynamic Voice Command²⁶
- Lexus Enform Destination Assist.⁴⁹ Included for the first year of ownership.
- 10-speaker Lexus Premium Sound System

NAVIGATION/MARK LEVINSON® AUDIO PACKAGE

- Includes Navigation Package, plus:*
- 14-speaker, 835-watt, 10-channel Mark Levinson^{®29} Premium Surround Sound Audio System

OPTIONS

- A Panoramic View Monitor⁵⁰
- Heated front seats
 - Power-folding and -reclining rear seatbacks¹³
 - Power open/close rear door
- B Power moonroof
- Heated steering wheel
 - Premium Triple-Beam LED headlamps
 - Adaptive Variable Suspension (NX F SPORT)
 - Power Rear Door with Kick Sensor¹²
 - Electrochromic (auto-dimming) rearview mirror with HomeLink^{®51} garage door opener
 - Intuitive Parking Assist³¹ with Automatic Braking⁵²
 - Windshield wiper de-icer
 - 1,500-lb towing capacity^{44,45} (NXh)

DISCLOSURES

WARRANTY Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. Eight-year/100,000-mile Hybrid System Warranty. All warranties with zero deductible. See the *NX Warranty and Services Guide* at your Lexus dealer for details.

1. 2020 NX/NXh vs. 2019 competitors. MPG claims exclude plug-in luxury hybrid vehicles. Information from manufacturers' websites as of 1/25/2019. 2. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. 3. Amazon, Alexa, Amazon Music and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Certain Alexa functionality is dependent on smart home technology. Not all Amazon Alexa functionality is available for in-vehicle use. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. 4. LSS+2.0 drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. LSS+2.0 system effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 5. iPhone is a registered trademark of Apple Inc. All rights reserved. 6. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay™ functionality requires a compatible iPhone™ tethered with an approved data cable into the USB media port. Apple CarPlay is a trademark of Apple Inc. 7. 2020 EPA estimates. Actual mileage will vary. 8. The Pedestrian Detection System is designed to detect a pedestrian or bicyclist ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. 9. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 10. Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. When potential lane departure is detected, LTA provides a visual warning and either an audible alert or vibration in the steering wheel and can apply a slight steering force. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors, including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 11. NuLuxe is a registered trademark of Toyota Motor Sales, U.S.A., Inc. 12. The touchless sensor can be affected by water, weather, dirt and other conditions. It may not operate promptly, or may operate unintentionally, under certain conditions. See *Owner's Manual* for additional limitations and details. 13. Do not allow passengers to sit in a seat that has been fully or severely reclined while driving. This feature is intended for use only when the vehicle is parked. While the vehicle is being driven, all vehicle occupants should have the seatback upright, sit well back in the seat and properly wear the seatbelts provided. In the event of a collision, the more the seat is reclined, the greater the risk of death or personal injury. See *Owner's Manual* for additional limitations and details. 14. 17- or 18-in performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy or 15,000 miles, depending upon driving conditions. 15. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability and accuracy of the information provided by the Navigation System are dependent upon many factors. Use common sense when relying on information provided. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change at any time without notice. See *lexus.com* for details. Services and programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for additional limitations and details. 16. The LSS+ Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 17. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. 18. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and Navigation System (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. 19. Intelligent High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. 20. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change at any time without notice. See *lexus.com/enform* for details. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyvts/>. The Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. 21. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability or functionality of the system. Registration and app download are required. Remote start/stop not available on manual transmission-equipped vehicles. App and services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual*. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyvts/>. The Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. 22. Google is a trademark of Google LLC. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. 23. Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Not all Amazon Alexa functionality is available for in-vehicle use. The Lexus Alexa app requires an Android™ smartphone using version 5.0 and above (Apple® iOS available early 2019). App download requires skills and services subject to change at any time without notice. 24. Always drive safely, obey traffic laws and focus on the road while driving. Siri is available on select iPhone/iPad models and requires Internet access. Siri is not available in all languages or all areas and features vary by area. Some Siri functionality and commands are not accessible in the vehicle. Data charges may apply. See Apple.com and phone carrier for details. Siri is a registered trademark of Apple Inc. 25. Apple Audiobooks is a trademark of Apple Inc. All rights reserved. Spotify is a registered trademark of Spotify Technology Holding. Waze and Waze logo are registered trademarks of Google LLC. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. 26. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Dynamic Navigation and Dynamic Voice Command are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability or functionality of the system. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyvts/>. Use common sense when relying on information provided. Services and programming subject to change at any time without notice. Services not available in every city or roadway. Subscription required upon end of trial service period. See *Navigation System Owner's Manual* for additional limitations and details. See *lexus.com/enform* for details. The Dynamic Navigation three-year trial begins the earlier of when the vehicle hits 100 miles or a year after the multimedia system manufacture date, regardless of when you purchase or lease the vehicle. Terms and conditions of subscriber agreement apply. 27. The Scout GPS Link app is compatible with select vehicle models. Availability and accuracy of the information provided by Scout GPS Link is subject to change at any time without notice and is dependent upon many factors, including smartphone connectivity, capability and cellular reception. Always use safe driving practices and follow all traffic rules. Data charges may apply. Scout and Telenav are registered trademarks of Telenav, Inc. The Scout GPS Link trial is at no extra cost and begins when the app is downloaded on the vehicle. Contact the Lexus Guest Experience Center at 800-253-3937 for length of trial period. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. 28. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. HD Radio Technology manufactured under license from Biquity Digital Corporation U.S. and Foreign Patents. HD Radio and the HD Radio and "Arc" logos are proprietary trademarks of Biquity Digital Corp. 29. Mark Levinson is a registered trademark of Harman International Industries, Inc. 30. Clari-Fi is a registered trademark of Harman International Industries, Inc. 31. Intuitive Parking Assist (IPA) is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's speed, shape, size and composition, may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. 32. Face time is a registered trademark of Apple Inc. All rights reserved. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. 33. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. 34. The Safety and Service Connect trial periods are at no extra cost and both begin on the original date of purchase or lease of a new vehicle. After the trial periods expire, enrollment in paid subscription is required to access the services. Terms and conditions apply. Lexus Enform services are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability to reach the response center or receive emergency support or otherwise limit the functionality or availability of the system. Terms and conditions of subscription service agreement apply. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change at any time without notice. See *lexus.com/enform* for details. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyvts/>. Stolen vehicle police report required to use Stolen Vehicle Locator. 35. The Wi-Fi Connect trial period is at no extra cost and begins on the date of activation. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. 36. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 37. May not be compatible with all mobile phones, MP3/WMA players and like models. 38. The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 39. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Lexus dealer can help. Alternately, you can have a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.waloo.org. 40. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 41. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. 42. Roof rack with rails not recommended for luggage. 43. Roof rack capacity is 176 lb (80 kg). See *Owner's Manual* for details. 44. Please consult your Lexus dealer or *Owner's Manual* for towing and load specifications. 45. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. Calculated with the new SAE J2807 method. 46. CAUTION! When driving a hybrid vehicle, pay special attention to the area around the vehicle. Because there is little vehicle noise in EV mode, pedestrians, people riding bicycles or other people and vehicles in the area may not be aware of the vehicle starting off or approaching them, so take extra care while driving. EV mode works under certain conditions. See *Owner's Manual* for additional limitations and details. 47. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. 48. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. 49. Destination Assist is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability or functionality of the system. Use common sense when relying on this information. Apps and services subject to change at any time without notice. See *lexus.com/enform* for details. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyvts/>. See *Owner's Manual* for additional details. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions of subscription service agreement apply. 50. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 51. HomeLink and the HomeLink house icon are registered trademarks of Genie Corporation. 52. Automatic Braking is intended to assist a driver, but it is the driver's responsibility to be aware of the vehicle's surroundings. The system cannot prevent all collisions, and performance is dependent on road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 53. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt. 54. All Accessories (Genuine Lexus and F SPORT) installed at the time of retail vehicle delivery are warranted for the same time as the new-vehicle warranty (48 months/50,000 miles). Accessories purchased after retail vehicle delivery and installed by an authorized Lexus dealer are warranted for 12 months from date of purchase or installation, regardless of mileage, or the remainder of any applicable new-vehicle limited warranty, whichever is greater. Accessories purchased over the counter are covered for 12 months from date of purchase. For all Accessories, read your accessory limited warranty, or documentation that accompanies accessory purchase for coverage and conditions. 55. Warranty honored at all Lexus dealerships nationwide excluding Hawaii. 56. This floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat. 57. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat. 58. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. 59. Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. 60. Lexus Universal Tablet Holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the vehicle in the event of an accident. Tablet, phone, music and videos played separately. 61. Genuine Lexus Paint Protection Film by 3M™ is designed for specific sections of the hood and front fenders. Depending on the model, it may also be applied to select portions of the front bumper for an additional charge. Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. 62. Accessory roof rack cross bars with side rails not recommended for luggage. See *Owner's Manual* for details. 63. Ball mount, trailer ball and tow hitch sold separately. Please consult your Lexus dealer or *Owner's Manual* for towing and load specifications. Some models require factory tow package option. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See *lexus.com* for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options and color are based upon information available at time of printing, are subject to change without notice, and are for mainline U.S.A. vehicles only. Vehicles shown may be prototypes and/or pre-production models. Actual models may vary. See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
