

2022 NX

MORE THAN NEW. THIS IS THE NEXT.

Welcome to the next chapter of Lexus design and performance, the 2022 NX. It was completely reimagined to connect the driver to the vehicle and the world like never before. A new, highly intuitive Lexus Interface offers a 14-inch touchscreen display that becomes an extension of you. Lexus-first Digital Latch handles are so smart they help prevent the doors from opening into the path of a bicyclist or a vehicle approaching from behind.¹ Lexus Safety System+ 3.0, the most advanced standard safety system² ever in a Lexus, offers the ability to help warn of pedestrians in intersections.³ And more powerful engines are offered across the NX line, including the first-ever Lexus plug-in hybrid electric vehicle, the NX 450h+ AWD. Introducing a vehicle crafted to the highest standard of all: yours. Introducing the next NX.

NX STYLES

NX 250 FWD/AWD

Available all-wheel drive

Standard features:

Front-wheel drive

Eight-speed automatic transmission with paddle shifters

Drive Mode Select with Sport, Normal and ECO drive modes

Lexus Interface⁹ with 9.8-in touchscreen display

Safety Connect¹⁰ Service Connect¹¹ Remote Connect¹² Wi-Fi Connect¹³—with AT&T Wi-Fi hotspot and Integrated Streaming Trials (subject to availability of 4G network)

Drive Connect capability with Cloud Navigation,¹⁴ including Google¹⁵ points-of-interest (POI) data; Intelligent Assistant, including Hey Lexus; and Destination Assist.¹⁶ Subscription required. (Subject to availability of 4G network.)

Wireless Apple CarPlay^{®17} integration

Wireless Android Auto^{™18} integration

Amazon Music¹⁹ Integrated Streaming Trial with an active Wi-Fi Connect¹³ subscription (subject to availability of 4G network)

Lexus 10-speaker Premium Sound System

Auto-dimming outside mirrors with auto tilt-down in reverse

Lexus Safety System+ 3.0²

Blind Spot Monitor²⁰ with Rear Cross-Traffic Alert²¹

Digital Latch with Safe Exit Assist¹

Backup camera²² with dynamic gridlines

Roof rails²³

Lexus app (Remote Connect¹² engine start, service scheduling, Vehicle Health Reports/Alerts and more)

Complimentary scheduled maintenance services.²⁴ (Please refer to the *Warranty and Services Guide* for details.)

NX 350 AWD

Includes NX 250 features, and adds or replaces:

All-wheel drive

NX 350h AWD

Includes NX 250 AWD features, and adds or replaces:

Electronically controlled Continuously Variable Transmission with paddle shifters

EV drive mode²⁵

NX 450h+ AWD

Includes NX 250 AWD features and Luxury Package features, and adds or replaces:

Heated steering wheel

20-in split-five-spoke alloy wheels

3.3kW onboard charger

36-mile estimated all-electric range⁷

NX 350 F SPORT AWD

Includes NX 350 AWD features, and adds or replaces:

Adaptive Variable Suspension

Front and rear performance dampers

10-in Head-Up Display

7.0-in multi-information display

Color-matched wheel fender arches

F SPORT front seats with enhanced bolsters

F SPORT perforated leather-trimmed shift knob and steering wheel

Race-inspired paddle shifters

G-meter and turbo-boost displays

Dark Graphite Aluminum trim

Aluminum pedals

F SPORT front fascia and mesh grille insert

F SPORT front-fender badges

Gloss Black window trim and roof rails²³

Black outside mirrors

20-in split-five-spoke alloy wheels with Gloss Black finish

NX 450h+ F SPORT AWD

Includes NX 350 F SPORT AWD features and F SPORT Luxury Package features, and adds or replaces:

Heated steering wheel

G-meter and energy monitor displays

3.3kW onboard charger

36-mile estimated all-electric range⁷

OPTIONS

2,000-lb towing²⁶ capacity

Heated steering wheel, windshield wiper de-icer and fast-response interior heater

Requires Premium Package:

14-in multimedia touchscreen display

Drive Connect trial with Cloud Navigation,¹⁴ including Google¹⁵ points-of-interest (POI) data; Intelligent Assistant, including Hey Lexus; and Destination Assist.¹⁶ (Subject to availability of 4G network.)

Thematic Ambient Illumination

20-in 20-spoke alloy wheels with Silver finish

10-in Head-Up Display, 7.0-in multi-information display and Digital Rearview Mirror

Lexus Digital Key,²⁷ SmartAccess card key^{28,29} and wireless charger³⁰

Requires Luxury Package or Premium Package:

Mark Levinson^{®31} 17-speaker, 10-channel, 1,500-watt Premium Surround Sound Audio System

Wireless charger³⁰

Requires NX 450h+ AWD:

6.6kW expedited charger

Requires Luxury Package:

Panoramic View Monitor,³² Lane Change Assist,³³ Front Cross-Traffic Alert;³ steering-wheel touch sensor

60/40-split, power-folding, heated rear seats

Advanced Remote Park (requires Remote Connect¹² trial or subscription)

Premium Triple-Beam LED headlamps, headlamp washers, cornering lamps

Panorama glass roof

Digital Rearview Mirror

PACKAGES

PREMIUM PACKAGE

Ventilated front seats

Lexus Memory System for driver's seat, steering wheel and outer mirrors

Black Prism interior ornamentation

Power tilt-and-slide moonroof

Power Rear Door with Kick Sensor³⁴

Rain-sensing windshield wipers

Power tilt-and-telescopic steering column

LUXURY PACKAGE

Includes Premium Package, and adds or replaces:

20-in 20-spoke alloy wheel with Silver finish (NX 350, NX 350h only)

Perforated leather-trimmed interior with unique chevron seat quilting

4-way lumbar support for driver

10-in Head-Up Display

Lexus Interface⁹ with 14-in touchscreen display

Drive Connect trial with Cloud Navigation,¹⁴ including Google¹⁵ points-of-interest (POI) data; Intelligent Assistant, including Hey Lexus; and Destination Assist.¹⁶ (Subject to availability of 4G network.)

1. Do not rely exclusively on Safe Exit Assist. Always look for approaching traffic before exiting the vehicle. There are limitations to the function, detection and range of the Safe Exit Assist system. See *Owner's Manual* for additional limitations and details. 2. Lexus Safety System+ 3.0 effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. 3. Do not overly rely on the Intuitive Intersection Support/Front Cross-Traffic Alert system. Always visually confirm that it is safe to proceed. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. 4. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. 5. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. 6. Projected EPA-estimated MPG ratings determined by manufacturer. EPA estimates not available at time of publishing. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 7. Manufacturer's projected 36-mile all-electric driving range rating when fully charged for 2022 Lexus NX 450h+. Use for comparison purposes only. Your range will vary for many reasons, including ambient temperature, your vehicle's condition and how/where you drive. 8. NuLuxe is a registered trademark of Toyota Motor Sales, U.S.A., Inc. 9. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. 10. Safety Connect depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Some features may require the Lexus app. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and lexus.com/enform for additional details. To learn about Lexus' data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 11. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle or region. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and lexus.com/enform for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Lexus Enform Remote trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of Use apply. 12. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Lexus Remote Connect depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration and Lexus app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual* and lexus.com/enform for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Lexus Enform Remote trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of Use apply. 13. Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Enform Wi-Fi coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/lexus for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Enform Wi-Fi trial begins at the time of activation and expires when 4GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply. 14. Functionality, availability and accuracy of information provided by the system depends on many factors outside of Lexus' control and service may not be available in every location. Use common sense when relying on information provided. Services subject to change at any time without notice. Subscription required. See *Owner's Manual* for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. 15. Google is a trademark of Google LLC. Always drive safely and obey traffic laws. Functionality depends on many factors outside of Lexus' control. Actions and services subject to change at any time without notice. To learn more, go to lexus.com/enform. To learn more about Lexus' data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. 16. Destination Assist depends on factors outside of Lexus's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and lexus.com/enform for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 17. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay and iPhone are registered trademarks of Apple Inc. 18. To use Android Auto on your audio display, you'll need an Android Auto-compatible vehicle and Android phone. For phone compatibility visit: <https://www.android.com/auto/>. Vehicle user interface is a product of Google and its terms and privacy statement apply. Requires compatible smartphone connected with an approved data cable into the USB media port and data plan rates apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android and Android Auto are trademarks of Google LLC. 19. Amazon, Alexa, Amazon Music and all related marks are trademarks of Amazon.com, Inc. or its affiliates. Password required to Start/Stop Engine or Lock/Unlock Door. When using Alexa to Start/Stop Engine or Lock/Unlock Door, do so only if aware of circumstances surrounding vehicle and it is legal and safe to do so. Do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child. Certain functions require adequate signal strength and/or smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Lexus app and Lexus+Alexa app are both required to begin in-vehicle use of Alexa. Data charges may apply for certain functions. Apps and services subject to change at any time without notice. To learn more, go to <https://www.lexus.com/enform>. To learn more about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. 20. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. 21. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. 22. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 23. Roof rails not recommended for luggage. 24. Lexus provides complimentary maintenance for your first two scheduled visits at the earlier of 6 months/5,000 miles and 12 months/10,000 miles. To schedule these services, contact your Lexus dealership. Please refer to your vehicle's *Warranty and Services Guide* for service details. These services apply to Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. 25. EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit use. See your *Owner's Manual* for additional limitations and details. 26. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. Installation of a tow-hitch receiver will disable the touchless sensor in your vehicle's power rear-door liftgate; sensor operation setting should be turned off. See *Owner's Manual* for additional limitations. 27. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Lexus Digital Key depends on factors outside of Lexus' control, including an operative Bluetooth-capable smart device, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration and Lexus app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Services subject to change at any time without notice. See usage precautions and service limitations in the Lexus *Owner's Manual* for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. 28. The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 29. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Lexus dealer can help or you can go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. 30. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. 31. Mark Levinson is a registered trademark of Harman International Industries, Inc. 32. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 33. Lane Change Assist operates only when Dynamic Radar Cruise Control (DRCC) and Lane Tracing Assist (LTA) are activated. Do not overly rely on this system. The driver must still make sure that the lane is clear. See *Owner's Manual* for additional limitations and details. 34. Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See *Owner's Manual* for limitations. 35. The Adaptive Front Lighting System helps improve night vision. Situations such as a dirty windshield, rapidly changing light conditions or hilly terrain will limit effectiveness, requiring the driver to manually turn off the system. See *Owner's Manual* for additional limitations and details. 36. Intuitive Parking Assist with Auto Brake is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's speed, shape, and size may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details.

Vehicles shown may be prototypes and/or shown with options. Actual models may vary. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of
