MADE FOR THE MODERN EXPLORER

Engineered to fit in. Designed to stand out. The versatile UX Hybrid line conquers city streets with nimble handling and two daring new F SPORT models. And with new Lexus Interface,¹ this is our most technologically advanced UX yet.

UX shown in Nori Green Pearl (left), UX Premium shown in Iridium⁵ (middle),
UX F SPORT Handling shown in Ultra White⁵ (right)

UX 250h FWD / AWD

- Class-leading 42-MPG combined estimate^{2,3}
- EV drive mode⁴

UX 250h PREMIUM

- Heated and ventilated front seats
- Power Rear Door with Kick Sensor

UX 250h F SPORT DESIGN

- Exterior upgrades, including color-keyed overfenders and 18-inch wheels
- F SPORT grille and Dark Chrome-finished surround

UX 250h F SPORT HANDLING

- Exclusive F SPORT-tuned suspension
- F SPORT steering wheel and shift knob

UX Premium shown in
Palomino NuLuxe® interior trim

MANY VEHICLES FIT FIVE. BUT HOW MANY FIT YOU?

With versatile cargo storage options and ample cabin space to fit everything and everyone, the UX Hybrid is always ready for the unexpected.

DESIGN

- Color-keyed overfenders (Premium and F SPORT models)
- Black contrast roof (F SPORT models)

- F SPORT front seats with enhanced bolsters (F SPORT Handling)
- Available heated and ventilated seating

- Available *washi* interior trim. This unique trim is crafted to mimic the soft grain of Japanese paper.

UX FEATURES

UX

Standard features include:

- SmartAccess²⁵ with push-button Start/Stop
- Drive Mode Select with Sport, Normal and ECO drive modes
- EV drive mode⁴
- Wireless Apple CarPlay^{®10} integration
- Wireless Android Auto^{™11} compatibility
- Lexus app (Remote Connect²⁶ engine start, service scheduling, Vehicle Health Reports/Alerts²⁷ and more)
- Lexus Interface¹ with 8-in touchscreen display
- Safety Connect,²⁸ Service Connect,²⁷ Remote Connect,²⁶ Wi-Fi Connect²⁹—with AT&T Wi-Fi hotspot trials and Integrated Streaming (Apple Music^{®12} and Amazon Music¹³) compatibility. Paid subscription required after trial. 4G network dependent. See lexus.com/interface for details.
- Drive Connect⁹ capability with Cloud Navigation, Intelligent Assistant (Hey Lexus), Destination Assist (available by subscription). 4G network dependent. See lexus.com/interface for details.
- Bluetooth^{®30} connectivity and four USB-C³¹ ports
- Dual-zone automatic climate control with interior air filter
- Eight-way power-adjustable front seats
- 60/40-split folding rear seats
- Adjustable rear cargo deckboard
- Blind Spot Monitor³² with Rear Cross-Traffic Alert³³
- Backup camera³⁴
- Lexus Safety System+ 2.5²⁰

PREMIUM

Includes UX features, and adds or replaces:

- Heated and ventilated front seats
- Power tilt-and-slide moonroof
- Rain-sensing windshield wipers
- Power Rear Door with Kick Sensor
- Color-keyed overfenders
- Auto-dimming rearview mirror with HomeLink^{®35} garage door opener

View all standard features and configure yours at lexus.com/UXBuild

UX Shown in Iridium⁵

UX F SPORT FEATURES

F SPORT DESIGN

Includes UX features, and adds or replaces:

- F SPORT 18-in split-five-spoke alloy wheels with run-flat tires^{36,37}
- Color-keyed overfenders
- LED foglamps and cornering lamps
- F SPORT exterior styling includes unique grille, front and rear bumpers, black roof and roof rails
- Rain-sensing windshield wipers
- Power tilt-and-slide moonroof

F SPORT HANDLING

Includes F SPORT Design features, and adds or replaces:

- F SPORT-tuned suspension
- Performance-inspired instrumentation with sliding bezel
- 8.0-in color multi-information display
- F SPORT interior styling, including bolstered front seats, perforated leather-trimmed steering wheel and more
- Lexus Interface¹ with 12.3-in touchscreen display; Drive Connect⁹ with Cloud Navigation, Intelligent Assistant (Hey Lexus) and Destination Assist trial. Paid subscription required after trial. 4G network dependent. See lexus.com/interface for details.
- Auto-dimming rearview mirror with HomeLink³⁵ garage door opener

VIEW LEXUS OFFERS

WARRANTY Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. Eight-year/100,000-mile Hybrid System Warranty. Ten-year/150,000-mile Hybrid Battery Warranty. All warranties with zero deductible. See the *UX Warranty and Services Guide* at your Lexus dealer for details.

1. Lexus Interface services depend on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. See usage precautions and service limitations in *Owner's Manual* and [lexus.com](https://www.lexus.com/privacyvts/) for additional limitations and details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply. **2.** 2023 UX 250h vs. 2022/2023 competitors. Excludes plug-in luxury hybrid vehicles. Based on projected EPA-estimated combined MPG ratings for 2023 Lexus UX 250h determined by manufacturer and information from [fueleconomy.gov](https://www.fueleconomy.gov) as of 6/23/2022. **3.** Projected EPA-estimated 41city/38hwy/39comb MPG rating for 2023 Lexus UX 250h FWD determined by manufacturer. EPA estimates not available at time of publishing. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **4.** EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your *Owner's Manual* for additional limitations and details. **5.** Ultra White, Ultrasonic Blue Mica 2.0, Cadmium Orange, Iridium, Cloudburst Gray and Eminent White Pearl available for an additional charge. **6.** NuLuxe is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **7.** 2023 UX vs. 2022/2023 competitors. Information from manufacturers' websites as of 4/8/2022. **8.** UX AWD system operates at speeds up to 43 mph. **9.** Drive Connect availability and accuracy depend on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Services subject to change at any time without notice. Requires app download/registration and subscription required after trial (if applicable). Terms of Use apply. See *Owner's Manual* and [lexus.com](https://www.lexus.com/privacyvts/) for additional limitations and details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Drive Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial (if applicable) to access the service. Terms of Use apply. **10.** Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected wirelessly to the vehicle. Apple CarPlay and iPhone are registered trademarks of Apple Inc. **11.** To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. Vehicle user interface is a product of Google and its terms and privacy statement apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android Auto is a trademark of Google LLC. **12.** Apple and Apple Music are trademarks of Apple Inc., registered in the U.S. and other countries. **13.** Amazon Music and all related marks are trademarks of Amazon Technologies, Inc. or its affiliates. **14.** Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and Navigation System (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. **15.** Intelligent High Beams operate at speeds above 21 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. **16.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **17.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **18.** Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for additional limitations and details. **19.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **20.** Lexus Safety System+ 2.5 effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. **21.** Subject to loaner vehicle availability at Service Dealership. **22.** Lexus provides complimentary maintenance for your first two scheduled visits at the earlier of 6 months/5,000 miles and 12 months/10,000 miles. To schedule these services, contact your Lexus dealership. Please refer to your vehicle's *Warranty and Services Guide* for service details. These services apply to Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. **23.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. **24.** Projected EPA-estimated MPG ratings determined by manufacturer. EPA estimates not available at time of publishing. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **25.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Lexus dealer can help or you can go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. **26.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Digital Key also requires Bluetooth connectivity. Service may vary by vehicle and region. Requires app download and registration/subscription after trial (if applicable). Terms of Use apply. Data charges may apply. Services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual* and [lexus.com](https://www.lexus.com/privacyvts/). To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Remote Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. Terms of Use apply. **27.** Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Requires app download/registration and subscription after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and [lexus.com](https://www.lexus.com/privacyvts/) for additional details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Service Connect is not renewable as a stand-alone service, and requires a subscription to any of Safety Connect, Remote Connect or Drive Connect upon trial expiration. **28.** Safety Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Requires app download/registration and subscription after trial (if applicable). Service subject to change at any time without notice. Terms of Use apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and [lexus.com](https://www.lexus.com/privacyvts/) for additional details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Safety Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. **29.** Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/lexus for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB of data use or the 1-month trial period ends. Subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Terms of Use apply. **30.** The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **31.** May not be compatible with all mobile phones, MP3/WMA players and like models. **32.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **33.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **34.** The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **35.** HomeLink and the HomeLink® house icon are registered trademarks of Gentex Corporation. **36.** UX models come standard with run-flat tires—there is no spare tire. **37.** Run-flat tire technology is designed for limited emergency use only. If air pressure is lost, vehicle speed must remain below 55 mph, cornering, braking and accelerating must be done with extreme caution; and the tire should be replaced within 100 miles. Temporary spare is not provided with the run-flat tire option. See *Owner's Manual* for additional limitations and details. **38.** Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. **39.** Intuitive Parking Assist with Auto Brake is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's speed, shape, and size may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **40.** For accessories purchased at the time of the new-vehicle purchase, the Lexus Accessory Warranty coverage is in effect for 48 months/50,000 miles from the vehicle's in-service date, which is the same coverage as the new-vehicle Basic Warranty. For accessories purchased after the new-vehicle purchase and installed by a Lexus dealer, the coverage is 12 months for the parts and labor, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new-vehicle warranty, whichever provides greater coverage. Accessories purchased over the counter are covered for 12 months from the date of purchase. Refer to your Lexus Accessory Limited Warranty or documentation that accompanies accessory purchase for coverage and conditions. Warranty honored at all Lexus dealerships nationwide excluding Hawaii. **41.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **42.** This floor liner or floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner or mat must be secured with its fasteners. Do not install a floor liner or mat on top of an existing floor liner or mat. **43.** Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **44.** Lexus Universal Tablet Holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the vehicle in the event of an accident. Tablet, phone, music and video player sold separately. **45.** Genuine Lexus Paint Protection Film by 3M™ is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Lexus Genuine Accessory Warranty only applies when installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **46.** Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions. Always properly secure cargo and cargo area.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of publishing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary. Colors depicted may vary based on multiple factors, including ambient lighting and the format in which they are being viewed (e.g., computer, mobile device, or print). See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
