

BLACK LABEL

Welcome

to the Lincoln Black Label Experience

Lincoln Black Label is your invitation to a uniquely elevated automotive experience, one that revolves around you. Seven carefully curated design themes – inspired by love of the arts, travel, fine food, culture, architecture and fashion – comprise our 2017 collection. Which one speaks to you? Explore them at your leisure with a one-to-one consultation in the Lincoln Black Label studio at your dealership or another place of your choosing! And when your new vehicle is ready, we'll be pleased to deliver it to your destination of choice! This is only the beginning of the exceptional privileges you'll enjoy as a Lincoln Black Label member.

Member Privileges

We know that simple luxuries contribute to a life well lived. To help keep your new Lincoln Black Label vehicle running at its best, we provide a 4-year/50,000-mile premium maintenance plan. It covers all required maintenance, including wear items like shock absorbers, brake pads and linings, wiper blades and more! The dedicated Service Liaison Team at your Lincoln Black Label dealership is pleased to assist with appointments. We'll pick up your vehicle, provide you with a courtesy Lincoln vehicle, and return yours to you when it's ready!

Premium Maintenance

The beauty of a vehicle is best appreciated when it's pristine – inside and out. In addition to unlimited complimentary exterior washes during service hours, any Lincoln Black Label dealership can provide a complete interior and exterior detailing once each year for the first 4 years of ownership! Your Lincoln Black Label Experience Liaison will arrange the service, which includes carpet and seat cleaning, hand waxing the exterior and more, near your purchase anniversary or in preparation for a special occasion, if you prefer.

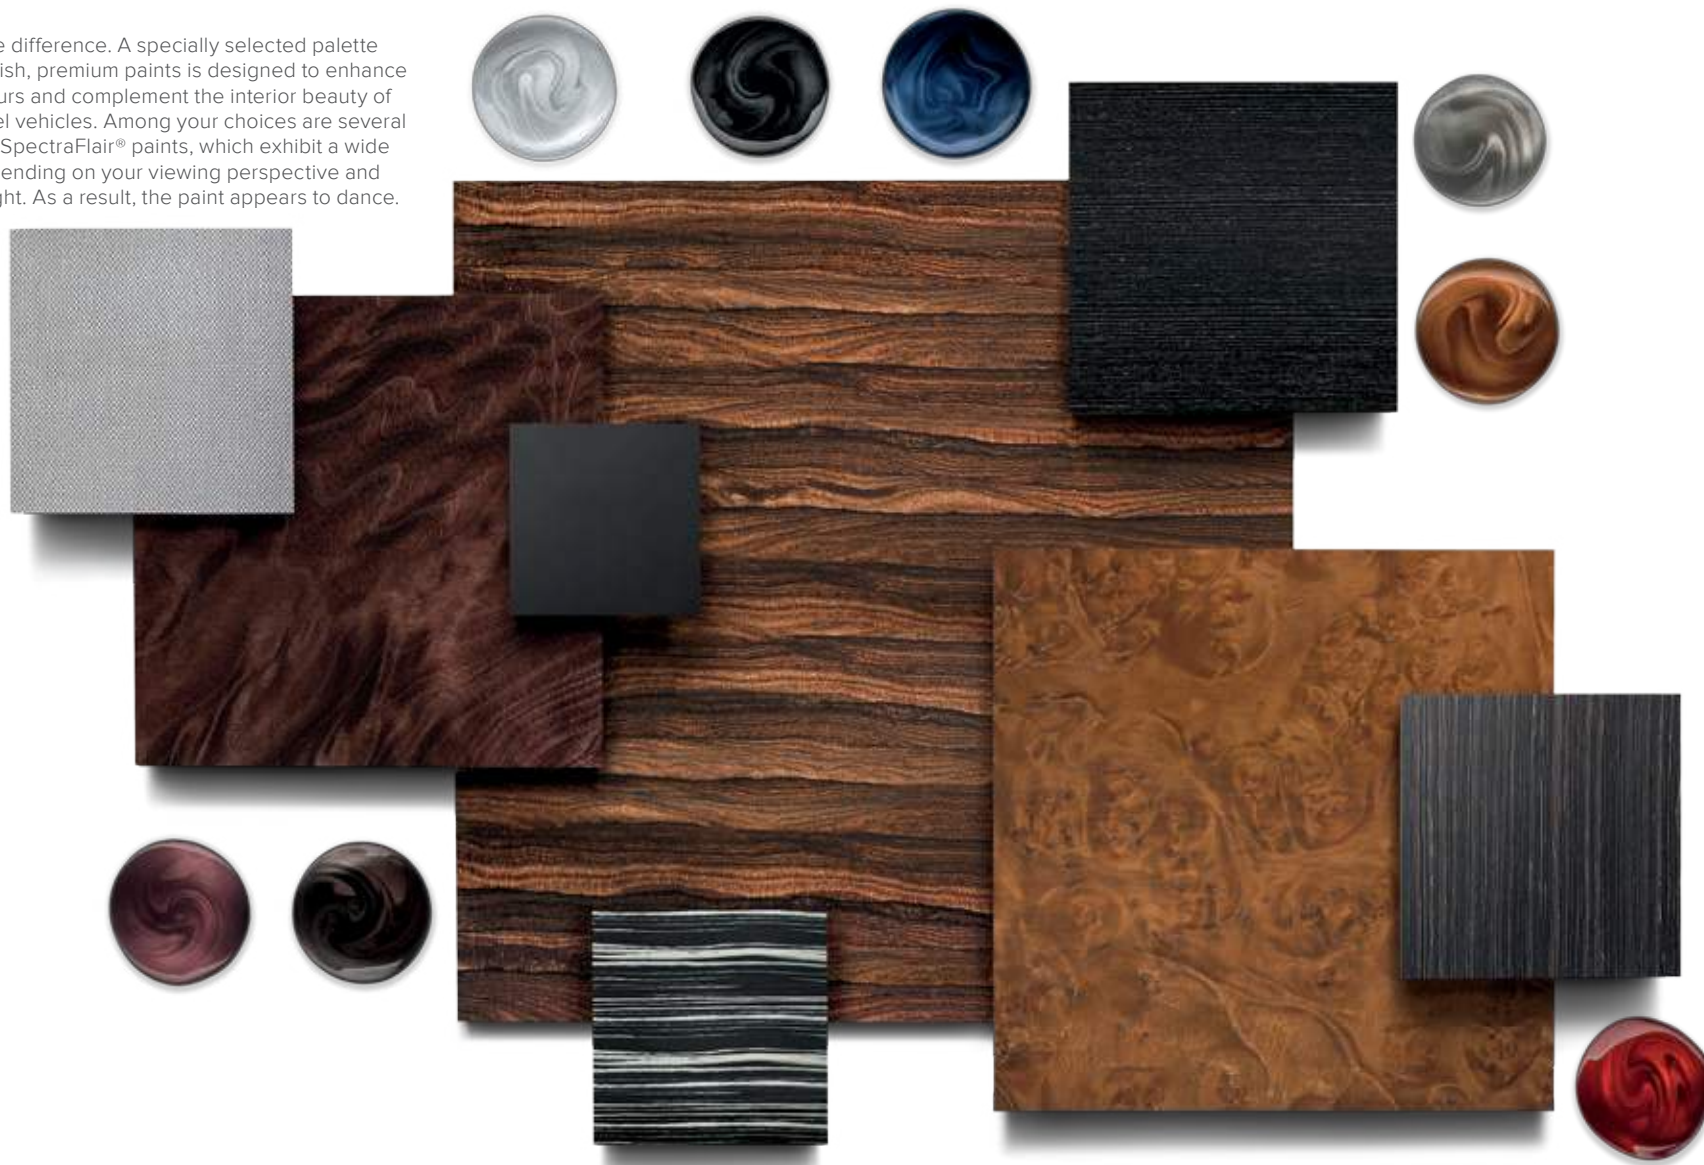

Vehicle Care

Your fine taste extends well beyond your automotive preferences. For your culinary pleasure, we've curated a list of restaurants from coast to coast featuring chefs prepared to provide you with an exclusive dining experience! You can also receive special consideration for future reservations and seating at these restaurants through your Lincoln Black Label Concierge. Whether you choose to dine within the Culinary Collection or elsewhere, we invite you to savor a gourmet celebratory meal courtesy of the Lincoln Motor Company.

Culinary Collection

Materials make the difference. A specially selected palette of custom, multifinish, premium paints is designed to enhance the exterior contours and complement the interior beauty of Lincoln Black Label vehicles. Among your choices are several ChromaFlair® and SpectraFlair® paints, which exhibit a wide range of hues depending on your viewing perspective and the angle of the light. As a result, the paint appears to dance.

The rich texture of enchanting woods makes a lasting impression. Ziricote, a heavily grained wood from South America, has long inspired artisans of furniture, musical instruments and yachts. The ethereal, sparkling effect of Argento wood is achieved by infusing metallic dust between its layers. Special touches like these draw you inside the Lincoln Black Label collection.

It takes an exceptional hide to make the cut. Less than 1% of those produced globally are chosen for Lincoln Black Label. They're selected by a 3rd-generation craftsman at Eagle Ottawa – a tannery since 1865 – then transformed into our exclusive Venetian Leather through a process that imparts the softest “hand” and outstanding durability. Custom perforation patterns and precise stitching give this exquisite, naturally grained leather the perfect finishing touches.

Distinguishing details exist for those who take the time to discern them. The headliners, visors and upper pillars inside Lincoln Black Label vehicles are wrapped in Alcantara®. Chosen for its luxurious look, feel and durability, it's a premium carbon-neutral material prized in many circles – from the world's most respected fashion houses to the poshest interior design studios.

A symphony of sensations, this dazzling new Lincoln Black Label design theme is inspired by the world of music, sound and style. The deep hues of its captivating interior emulate the velvet sky of twilight as you enjoy the orchestra under the stars. It's a celebration of that magical moment when the evening transitions to darkness and the brilliant shimmer of twinkling high notes gives way to a measured rest – setting the tone for life's travels.
