GRACEFUL SENSE OF COMPOSURE

Within this meticulously crafted space, you'll find everything has its place. Streamlined controls are arranged within easy reach, and sophisticated technologies are designed to respond to familiar motions. A pinch of your fingers is all it takes to zoom into a detailed navigation system¹ map while scouting that new home décor store. On your way home, the quick pull of a lever folds either side of the 60/40 split rear seat down, creating a flat load floor and an abundance of room for your latest finds.

The personal touches continue as you slide behind the Wollsdorf¹ leather-wrapped, heated¹ steering wheel that was individually hand-stitched for you by a Lincoln artisan. A convenient memory feature recalls your customized settings for the driver's seat, the power¹ tilt and telescoping steering column and more, each time you return. Ambient lighting¹ bathes the doors, cupholders and footwells in your preference of 7 soothing hues to help you easily access these areas after sundown. A press of the push-button start brings the engine to life. And the class-exclusive² push-button shift transmission displays each gear as a button of its own – making it simple for you to select Drive and begin your next journey.

¹Available feature. ²Class is Luxury Small Utilities starting under \$53,000 based on Lincoln segmentation.

IMMERSING YOU IN TRANQUILITY

MKC is designed to help you gather your thoughts and find your focus. Acoustic-laminate glass in the windshield and front doors helps minimize wind noise. A particulate air filter traps pollen and other irritants to help you breathe easy, while Active Noise Control helps refine engine sounds to enhance the cabin's ambience.

No matter the conditions outside, MKC can help you relax inside with heated and cooled¹ front seats, and heated rear outboard seats¹, all trimmed in luxurious Bridge of Weir Deepsoft™ leather.¹ Created exclusively for Lincoln, this premium, naturally milled leather is made from the finest hides in northern Europe. It's chromium-free and offers you a level of comfort more often found with upscale furniture. French seams and genuine wood¹ interior accents reflect your refined taste.

Treat yourself to magnificent views through the power panoramic Vista Roof.^{®1} It features a one-touch open/close operation, as well as a vent position and a power sunshade. With the key fob in your pocket or purse, a simple kick of your foot beneath the rear bumper opens or closes the Hands-Free Liftgate.¹ MKC brings an extra measure of elegance to your every day.

¹Available feature.

VOICE-ACTIVATED SIMPLICITY

SYNC 3 makes it easy to listen to your favorite music, handle phone calls, and even control compatible mobile apps, while you're on the go.¹ It all works through simple voice commands and the controls on your steering wheel. The system also includes Apple CarPlay™ compatibility² and Android Auto™ compatibility.²

With SYNC 3 AppLink®³ and the Lincoln+Alexa app,⁴ Amazon Alexa users can access thousands of the skills and services they enjoy on the Echo in their home – including control of connected smart home devices. With the app started on your connected phone, you can say things like “Alexa, lock the front door of my house.” SYNC 3 AppLink also works with the Waze™ community-based traffic and navigation app⁵ on your iPhone.⁶

SiriusXM® gives you music, sports, comedy, news and more – in your MKC and on the go with a 6-month All Access trial subscription.⁶ Plus, you'll enjoy a 6-year prepaid subscription⁶ to SiriusXM Traffic and Travel Link® services – the longest of any automobile manufacturer⁷ – with the Voice-Activated Touchscreen Navigation System.⁸ Take advantage of all the latest traffic and travel information, along with vivid 3-D maps and pinch-to-zoom capability, on the large touchscreen within easy reach of the driver and front passenger.

RICH, FULL SOUND

The Enhanced THX® II Certified Audio System⁸ gives every person in your MKC a front-row seat to the concert. Patented sound-processing technology distributes your music's bass evenly throughout the interior and, together with 14 speakers, brings the details of the studio to every drive.

QUICK STREAMING

Passengers can surf the web, stream music and more while you're driving, and up to 50' away from the vehicle when it's parked, using Lincoln Connect.^{TM9} It's an integrated 4G LTE Wi-Fi hotspot that can host up to 10 devices at a time. For help making the most of this, or any other MKC feature, remember your Lincoln Concierge is available 24/7.

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Requires phone with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ³Certain restrictions, 3rd-party terms, or message and data rates may apply. Commands may vary by phone and AppLink software. ⁴Requires available SYNC 3 AppLink version 2.2 or higher. Certain Alexa functionality is dependent on smart home technology. ⁵Requires available SYNC 3 AppLink version 3.0 or higher. ⁶After your trial period ends, SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI. ⁷Source: April 2018 analysis of satellite data service offers by SiriusXM to automobile manufacturers in the U.S.A. ⁸Available feature. ⁹See footnote 1 on Specifications page titled “Standard Features,” and your Lincoln Dealer for details.

SPIRITED IN ITS RESPONSE

You'll find joy on city streets, country lanes, and all the roads in between, driving the nimble MKC. Through advanced software and engineering, standard Torque Vectoring Control actively adjusts the speed between your front wheels for enhanced cornering agility.¹ This takes place seamlessly behind the scenes, without any need for driver input, so you can stay focused on the ride.

Imagine yourself gliding effortlessly along – at peace with your surroundings. Lincoln Drive Control featuring Adaptive Suspension² can take you there by helping to isolate your MKC from road imperfections. To personalize your ride, explore each of the 3 drive modes – Comfort, Normal and Sport. With any of them, Electric Power-Assisted Steering (EPAS) provides steering response and feedback that helps you feel confident behind the wheel.

Turbocharged 2.3-liter I-4²
285 hp³/305 lb.-ft. torque³

Turbocharged 2.0-liter I-4
245 hp³/275 lb.-ft. torque³

To offer the kind of performance you might expect from a V6, the 2.3-liter² and 2.0-liter engines both use turbocharging and direct fuel injection. They also use twin independent variable camshaft timing (Ti-VCT) to help optimize efficiency. With the 2.0-liter and Auto Start-Stop Technology,² MKC has an EPA-estimated rating of 27 hwy mpg.⁴

The 2.3-liter pairs with Intelligent all-wheel drive (AWD)² and Adaptive Suspension² for inspiring performance all around. Engage its Sport drive mode to tighten suspension tuning, firm up steering calibration, and hear more powerful engine sounds in the cabin – all while feeling blissfully connected to the road. Finding your way becomes pure pleasure in MKC.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

²Available feature. ³Horsepower and torque ratings achieved with 93-octane fuel. ⁴EPA-estimated rating of 20 city/27 hwy/23 combined mpg, 2.0-liter FWD. Actual mileage will vary.

CLEVER WITH ITS GUIDANCE

An informed driver is an empowered driver. That's the belief that inspires our extensive collection of driver-assist technology.^{1,2}

These smart features² utilize a network of radar and ultrasonic sensors, plus sophisticated cameras, to help guide you through all sorts of scenarios. From backing out of a driveway or parking spot onto a busy street, to dealing with the fatigue-inducing stop-and-go traffic that comes with so many commutes, MKC can help ease your drive.

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Available feature.
