THE LUXURY EXPERIENCE REDEFINED

Time is the ultimate luxury, which is why Lincoln is dedicated to helping you spend more of yours the way you prefer. As an MKZ driver, you'll be able to access remote vehicle features, contact a Lincoln Concierge, as well as find and pre-pay for parking in select cities, quickly and easily with the Lincoln Way™ app on your mobile device.¹ With complimentary Lincoln Pickup & Delivery,² you can continue seamlessly through your day while we service your vehicle.² Plus, Lincoln is working with CLEAR[®] to help you soar through lines at the airport.³ It's all part of an exclusive collection of services we call the Lincoln Way – benefits designed to help uncomplicate your life and make each day more effortless.

As it senses your approach, the 2019 MKZ invites you in with a graceful illumination sequence. Its exterior signature LED lamps fade on, while luminous welcome mats appear on the ground. LED lamps in the door handle pockets glow with an intensity that's fine-tuned to the exterior color. After you've closed the door and relaxed into your Comfort seat, MKZ deploys the autofold⁴ sideview mirrors with memory to your personalized settings. It's been expecting you.

DISCOVER YOUR OASIS

As you settle in to this elegant space, take a moment to open the fully retractable panoramic glass roof,¹ which features the largest opening among sedans.² You'll enjoy it in every season from the comfort of your heated and cooled¹ front seats trimmed in luxurious Bridge of Weir™ leather.¹ MKZ is also the only vehicle in its class³ that can help you melt away stress and muscle fatigue with the Active Motion® massage functionality of its multicontour front seats.¹ Heated rear outboard seats¹ comfort your passengers. Plus, they can charge their devices with the 110V power outlet¹ and 2 USB ports¹ conveniently located on the back of the floor console.

ENHANCE YOUR SERENITY

For a luxurious grip on your driving, the heated¹ steering wheel is wrapped in hand-stitched Wollsdorf leather. To help soften the glaring rays of the sun, a power rear-window sunshade¹ is easily deployed from the driver's seat. MKZ can even help you conquer inclement weather with a windshield wiper de-icer⁴ and rain-sensing windshield wipers. The acoustic experience stands out as well. From its aerodynamic sideview mirrors helping to deflect wind noise, to the multilayer door seals and sound-absorbing materials throughout its body, MKZ is designed to help keep road noise at bay. Plus, Active Noise Control helps refine engine sounds to enhance the cabin's ambience. Peace and quiet await – inside MKZ.

¹Available feature. ²Based on effective roof opening as measured by Webasto. ³Class is Luxury Midsize Sedans based on Lincoln segmentation. ⁴Standard on turbocharged engines only.

SPIRITED IN ITS RESPONSE

Twin-Turbocharged 3.0-liter V6¹

400 hp² (AWD)/400 lb.-ft. torque²

POWERFULLY POISED

MKZ is a driver's car with the desire to excite, and the ability to deliver. Equipped with one of the most powerful engines Lincoln has ever produced – the Twin-Turbocharged 3.0-liter V6¹ – MKZ Reserve II models put an impressive amount of horsepower and torque at your disposal. When the mood strikes, you can take control of the 6-speed SelectShift[®] automatic transmission with just a tap of the steering wheel-mounted paddle shifters.

CORNERS CONFIDENTLY

Combine the 3.0-liter with Intelligent all-wheel drive (AWD);¹ and you'll also get a sport-tuned suspension and Dynamic Torque Vectoring. This combination of technologies enables MKZ to send up to 100% of the available rear-axle torque to the outside rear wheel while cornering for a smooth and seamless driving experience. Coupled with the 3.0-liter's 400 horsepower² and 400 lb.-ft. of torque,² they provide a thrilling ride.

¹Available feature. ²Horsepower and torque ratings achieved with 93-octane fuel when equipped with optional AWD.

2.0-liter Atkinson-Cycle I-4 HEV
188 hp (combined)/129 lb.-ft. torque

Turbocharged 2.0-liter I-4
245 hp¹/275 lb.-ft. torque¹

GLIDE EFFORTLESSLY

Imagine yourself gliding along, calmly in command. MKZ can take you there, courtesy of its Lincoln Drive Control featuring Adaptive Suspension, which helps isolate your vehicle from road imperfections. To personalize your ride, explore each of the 3 drive modes: Comfort, Normal and Sport. With each of them, Electric Power-Assisted Steering (EPAS) provides steering response and feedback that help you feel confident behind the wheel.

WITH EXHILARATING EFFICIENCY

Get the kind of performance you might expect from a V6, with the Turbocharged 2.0-liter I-4 on MKZ. Twin-scroll turbocharging helps it produce abundant horsepower and torque on command, while direct fuel injection and twin-independent variable camshaft timing (Ti-VCT) contribute to its efficiency. Equipped with the 2.0-liter, MKZ has an EPA-estimated rating of 31 hwy mpg.² This standard engine is paired with the 6-speed SelectShift[®] automatic transmission and your choice of front-wheel drive or Intelligent AWD.³

HYBRID REWARDS AT NO EXTRA CHARGE

The only hybrid in its class⁴ with the same starting price as its gas-powered counterpart, MKZ Hybrid has a best-in-class EPA-estimated rating of 42 city mpg.⁵ It can travel in purely electric mode at speeds up to 85 mph, and switches seamlessly between the Atkinson-cycle gas engine and an electric traction motor as needed. It also charges its own lithium-ion battery – no need to plug it in. To help maximize efficiency, the Regenerative Braking System can capture up to 90% of the brake energy that would normally be lost and repurpose it as power.⁶ Plus, a SmartGauge[®] instrument cluster with EcoGuide helps you drive more efficiently.

ELEVATED BY DESIGN

To give your vehicle standout looks, the MKZ Reserve Plus Package features a Light Magnetic upper grille and adds uniquely styled 19" wheels. With this package, you'll also enjoy racing-inspired aluminum brake and accelerator pedal covers, a heated steering wheel, the single-panel power moonroof and more.
