YOUR WAY, EFFORTLESSLY

Make your drive a seamless and serene experience.

With the Lincoln Way™ App,¹ you are granted access

to essential information about your vehicle. What

does this afford you? Peace of mind, and a better

sense of connection when you're away from

your vehicle. Welcome to an effortless ownership

experience. Welcome to the Lincoln Way.

¹Lincoln Way App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. ²Lincoln Connect™, the Lincoln Way App, and complimentary Connected Service are required for remote features (see Lincoln Way Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. ³Requires feature activation. Not compatible with all smartphones. ⁴Complimentary Lincoln Pickup & Delivery service is available for 2017 model year and newer Lincoln vehicles with the 4-year/50,000-mile New Vehicle Limited Warranty (whichever comes first). Owners of 2016 and prior model year vehicles may arrange for the service at a cost. Mileage limitations may apply. ⁵See your dealer for details.

THE LINCOLN WAY APP

Enhance your ownership experience with the Lincoln Way™ App.¹

With a number of services and benefits you can take advantage of,

you'll enjoy more time to spend on what matters most.

- Connect and control your vehicle from virtually anywhere with complimentary remote features including start/stop, lock/unlock and scheduled starts.²
- Available Phone As A Key³ lets your smartphone act as a key fob so you won't need to carry anything else except your phone to take a trip.
- Vehicle details empower you to monitor your vehicle's health, oil life, tire pressure and more.
- Use the app to schedule Lincoln Pickup & Delivery for an effortless door-to-door experience.⁴
- Earn Points toward Lincoln Priority Service and exclusive experiences with Lincoln Access Rewards.⁵

Embrace the path
before you.

The warm welcome of Lincoln Aviator® goes beyond what you see. It's the exhilarating feeling you get as you approach. The available Air Glide Suspension with Dynamic Lower Entry kneels to greet you. The available hands-free liftgate opens at your convenience. And the Light Touch Door Handles allow you to enter with ease.

The available Illumination Package is sure to brighten your journey. Adaptive Pixel LED Headlamps use Speed Dependent Lighting for additional light, spreading it more widely at slower speeds to highlight the area around and in front of your vehicle. And let's not forget this package also includes the illuminated Lincoln Star on the grille, for an added touch of welcoming warmth.

YOURS TO BEHOLD

TWIN-TURBOCHARGED 3.0-LITER V6

The standard twin-turbocharged engine on Aviator® delivers ample power to the driver while also offering available Intelligent AWD. Both powertrains are paired with a 10-speed SelectShift® automatic transmission specifically designed to provide the right gear at the right time, giving you a refined drive that's smooth, sporty and sophisticated. There are 5 unique drive modes to tailor your trip: Normal, Conserve, Excite, Slippery and Deep Conditions. Each mode is intelligently engineered to improve your drive.

HORSEPOWER¹

LB.-FT. OF TORQUE¹

A thrilling union
of power and poise.

TWIN-TURBOCHARGED GRAND TOURING PLUG-IN HYBRID²

Powerful electric technology pairs with an advanced gas engine and Intelligent all-wheel drive (AWD) for a driving experience that is silky with some exciting get-up-and-go. Aviator Grand Touring is a plug-in hybrid that will let you coast on those longer trips without having to worry about finding a charging station. In addition to the 5 drive modes, you can also choose from one of the two electric-specific drive modes: “Preserve EV” generates and saves stored energy for later use and “Pure EV” gives your Aviator a fully electric drive.

HORSEPOWER³

LB.-FT. OF TORQUE³

Horsepower and torque are independent attributes and may not be achieved simultaneously. ¹Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. ²Available only at EV-certified Lincoln dealers. ³Calculated via combined performance of the engine and electric motor with peak battery power. The calculations utilize SAE J1349 engine results and Lincoln electric motor dyno testing. Your results may vary.

The convergence of comfort and convenience.

Aviator® is a place to call home when you're away from yours. It's an escape even before you decide to put it in Drive. Step inside and experience firsthand the indulgent craftsmanship of every detail. The available power, panoramic Vista Roof® with power sunshade unveils the world to your passengers, and allows plenty of light into the cabin.

From the available 30-way power-adjustable front seats with massage functionality, to the available quad-zone climate controls, you can tailor your trip whether you're a passenger or the driver. And with the 10.1" LCD touchscreen in the center stack, you have finger-ready controls for convenience meant to enhance your journey.

A GRAND PERSPECTIVE

Space for the
sanctuary you seek.

Thoughtfully designed with painstaking attention to detail and intuitive controls in mind, Lincoln Aviator® is a departure from your typical interior. It was designed around your experience and your needs, so you can be left with a keen sense of your surroundings.

SYNC® 3

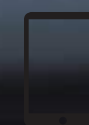

CONNECT AND COMMAND

SYNC 3 voice-activated technology¹ connects your tech with your Aviator,[®] and puts you in control of calls, music and more with the tap of a button on your steering wheel and simple voice commands.

IN-APP AND IN CONTROL

Aviator lets you enjoy voice control of compatible mobile apps on your connected phone using SYNC AppLink.^{®2} The system also works with your Lincoln Way™ App where you can access information about your vehicle and remotely lock, unlock, start and stop your Aviator all from your smartphone.³

WI-FI ON BOARD

A vast array of smartphones, tablets, gaming systems and computers may come along for the ride thanks to plenty of power connectivity in your Aviator. Lincoln Connect™³ allows for up to 10 devices to be connected at once.

1. Requires compatible smartphone and vehicle. Use voice-operated features while driving. Vehicle may be locked out while the vehicle is in motion. 2. Requires compatible smartphone and vehicle. Commands may vary by device. 3. Requires compatible smartphone and vehicle. To connect, the Lincoln Way App, and a compatible network are required for remote features (see Lincoln Way App for details). Features and features depend on compatible network and vehicle capability. Lincoln Connect is a registered trademark of Lincoln. Connected features are subject to change without notice.

ENGAGE WITH DYNAMIC AUDIO

The available Revel® and Revel Ultima 3D Audio Systems deliver finely crafted sound in full. With personalized listening modes like "Stereo," "Audience" and "On Stage," you have the freedom to experience different levels of sound immersion for any journey. Outstanding, multi-dimensional sound is courtesy of 14 carefully placed speakers in the Revel Audio System and 28 in the Revel Ultima 3D Audio System. Include advanced cabin correction tuning, QuantumLogic® 3D Surround sound technology and Revel Waveguides, and the level of precision isn't just heard. It's felt.

STAY INFORMED AND ENTERTAINED

SiriusXM® gives you ad-free music, plus sports, comedy, news and talk – inside your Aviator® and on the go – with a 3-month All Access trial subscription.¹ With the available Voice-Activated Touchscreen Navigation System, you'll also enjoy a 6-year subscription¹ to SiriusXM Traffic and Travel Link® services.

The available wireless charging pad² will help keep devices charged without having to plug them in. That's convenience without the cables.

To see your phone's familiar interface on the large screen, you can take advantage of smartphone compatibility.³

¹Trial length and service availability may vary by model, model year or trim. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service will automatically stop at the end of your trial unless a subscription is purchased. See the SiriusXM Customer Agreement at www.siriusxm.com for complete terms. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. ²Qi wireless charging may not be compatible with all mobile phones. ³Requires phone with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.

There to help you stay on the course ahead or to take the guesswork out of what's behind, Aviator driver-assistance features¹ can assist you in some tough situations. Take control of your travels with the help from our Lincoln Co-Pilot360™ 1.5 Technology.

MAKE EVERY JOURNEY A CONFIDENT ONE

Driving the Lincoln Aviator® SUV, you immediately feel a sense of command. As you head toward your destination, the electric power-assisted steering (EPAS) provides easy, fluid control. Plus, available Intelligent all-wheel drive uses sensors to constantly monitor your grip on the road, giving you confidence on-demand.

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations.

THE MONOCHROMATIC PACKAGE

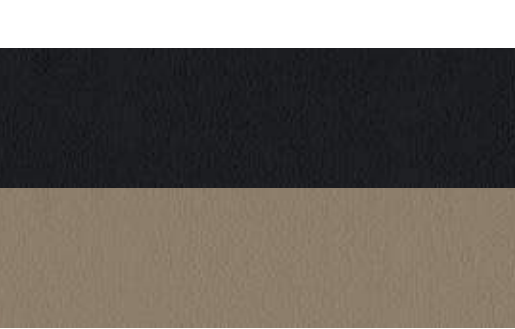

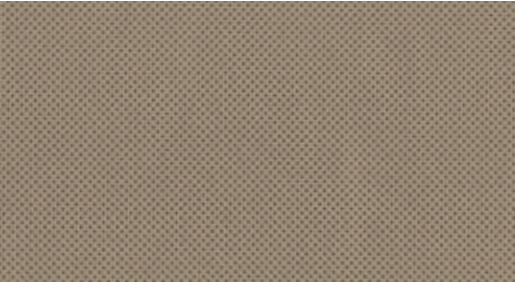

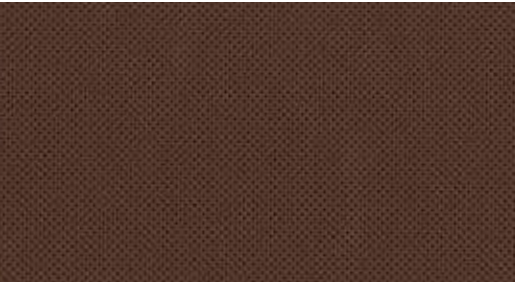

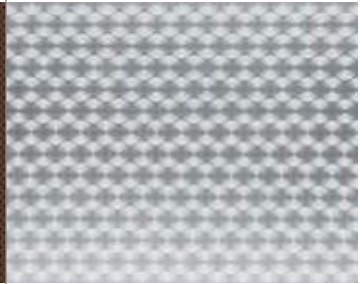

The available Monochromatic Package gives you an extra shade of style for your Aviator.[®] Choose from sweeping strokes of exterior body colors including Infinite Black Metallic, Pristine White Metallic Tri-coat¹ or Asher Gray Metallic. Additional exterior accents like a body-color-painted grille with chrome surround, body-color-painted sideview mirror caps, and 22" black aluminum wheels will give your Aviator a distinctive sleekness that's timeless and tantalizing.
