EVORA 400

The new Lotus Evora 400 is built in the true tradition of Lotus sports cars; high performance with precision handling.

This is a serious driver's car that consistently delivers dynamic and uncompromising performance, just as you would expect from a road car developed on the racetrack.

Its lightweight construction, outstanding agility and aerodynamic styling firmly sets it apart from its rivals.

With the Evora 400 nothing is superfluous, it's designed to perform with no compromise, reflecting the true legendary Lotus racing heritage and ensuring the driver is at one with the car.

This is the fastest road car Lotus has ever built.
