The Miata Decade

Rare Sunburst Yellow model, now the most coveted color. Also, the first black Miata was introduced.

1992

1993

Limited Edition in black, with red interior, Bilstein® shock absorbers.

M Edition in Starlight Mica, with Enkei® wheels and embroidered "M" upholstery.

1996

The first special edition, in classic British Racing Green.

1991

1994

M Edition in Montego Blue Mica. 1994 models had more power, improved safety and redesigned dash.

1990

The original Miata, introduced in 1989 as a 1990 model.

M Edition in Merlot Mica, with BBS® wheels.

1995

From the moment of its introduction, the Miata has struck a chord deep within sports-car lovers everywhere. Conceived from the start as a purpose-built roadster, it's always delivered the essence of the pure driving experience, visceral and exhilarating. Behind the wheel, open road stretching in front of you, you want to accelerate through the gears and

wind it out before each upshift. In and out of the curves, there's a complete and unique sense of unity between you, the car and the road. In 1989, the Miata created the sports-car renaissance, and it has been the world's most popular sports car since then.* Because even as it has continually improved and evolved, its original spirit remains untouched.

*Based on cumulative sales, 1989-1998.

Limited Edition in black, with red interior, Bilstein® shock absorbers.

1994

1995

M Edition in Starlight Mica, with Enkei® wheels and embroidered "M" upholstery.

1996

M Edition in Montego Blue Mica. 1994 models had more power, improved safety and redesigned dash.

1997

M Edition in Marina Green Mica, with polished wheels. Also, the STX edition in Twilight Mica.

1999

Completely redesigned, with more power, even better handling, glass rear window and a much more muscular style.
