2002 MAZDA
MIATA

GOOSE BUMPS
AHEAD.

2002 MAZDA MIATA

Long before you reach top gear the tingling has already reached your fingertips. At that moment it becomes a perfect day, the road is long and winding, the engine is singing, and you've got nothing but time... This is sports-car driving at its purest.

Inspire? Stimulate? Soar? You ask for it, the Mazda MX-5 Miata delivers. Built as a pure sports car from the first pixel on an engineer's computer screen, this two-seat, drop-top roadster combines a DOHC engine that loves the redline with

reflex-quick handling. And it's ready for action whenever you want some.

WHICH **VERB** WOULD YOU LIKE TO
EXPERIENCE TODAY?

ADD ROAD, STIR VIGOROUSLY.

All the key ingredients are available here—NARDI® wheel, Bose® speaker system, 6 speeds—combined as only our racing-enthusiast engineers could do it. And the steps couldn't be easier. Simply drop the top, turn the key, choose the tunes and add your favorite road. Then rev up and stir the short-throw shifter. For the most exhilarating results, we recommend you do this continuously.
