2008

CLK 350

CLK 550

CLK 63 AMG

CLK 550 Cabriolet shown in optional Iridium Silver metallic paint.

Mercedes-Benz. Unlike any other.

CLK 350

CLK 550

CLK 63 AMG

Style. Substance. And more than its share of soul.

The timeless style is immediately apparent. In its broad stance and sweeping lines. In a pillarless design that makes the coupe nearly as open and airy as the cabriolet. Substance? A transmission that actually learns your driving style and, in the cabriolet, a top that disappears in 17 silent seconds are only the beginning of the engineering wonders.

Ah, but soul. Harder to quantify, it is deeply felt nonetheless. It's there as you effortlessly hug a corner, the wind rushing around you. It's the broad smile that spreads across your face as the valet brings up your car. It is, finally, the sense that in the CLK-Class, you've joined Mercedes-Benz in a 100+ year celebration of the joy of driving.

The 2008 CLK-Class. Style, substance and soul. Unmatched.

The image shows the interior of a Mercedes-Benz CLK Cabriolet. The focus is on the black leather seats with white stitching. The car has a retractable roof, and the interior features wood trim. The text is overlaid on the upper part of the image.

Seats four. And better yet, satisfies them.

The CLK Coupe and Cabriolet offer the kind of comfort you'll want to share with three passengers. Dual-zone climate control and optional heated front seats, for starters. When the weather dazzles, the roof of the CLK Cabriolet retracts in 17 seconds with one touch. And an insulated triple-layer soft top plus a heated rear window ensure year-round drivability. On second thought, the CLK is such a pleasure, you may not want to share.

Take comfort in over a century of craftsmanship.

From the leather-wrapped steering wheel to the standard leather upholstery, the CLK interiors are the product of meticulous attention to detail. Hand-polished Burl Walnut or Black Ash wood trim sharpen the elegance to a finer point yet.

Fill the air with beautiful sound, made ever more so with the available harman/kardon® LOGIC7® digital surround-sound system. This dynamic audio system equips the cabin with 12 speakers in the coupe and 10 in the cabriolet, and features a CD player. Available SIRIUS Satellite Radio provides over 130 channels, including sports, news, real-time traffic and weather reports, and 69 commercial-free music stations.¹ In the CLK, you always move to the beat of true distinction.

CLK 550 Cabriolet shown with Black/Stone leather interior, Black Ash wood trim, optional heated front seats and optional DVD-based Navigation System.

CLK350 shown with Stone leather interior and optional Keyless Go, heated seats, DVD-based Navigation System and Premium 3 Package.
Please see page 43 for Endnotes.

Luxuries that will soon become necessities.

We believe convenience is so key, it should be a given. That's why our seat-belt presenters slide away as soon as you've buckled up. Why the front seats can be pushed entirely forward for unobstructed access to the rear cabin. And why our Keyless Go option allows you to start the CLK by stepping on the brake and touching the gearshift—without taking the key out of your pocket.

The multifunction steering wheel lets you use the stereo without moving your hand from the wheel. The optional COMAND and DVD-based Navigation systems bestow many other conveniences, such as directions to your destination on a large color-LCD screen.² And these are just some of the amenities that will soon become just another part of your driving life, albeit a key part.

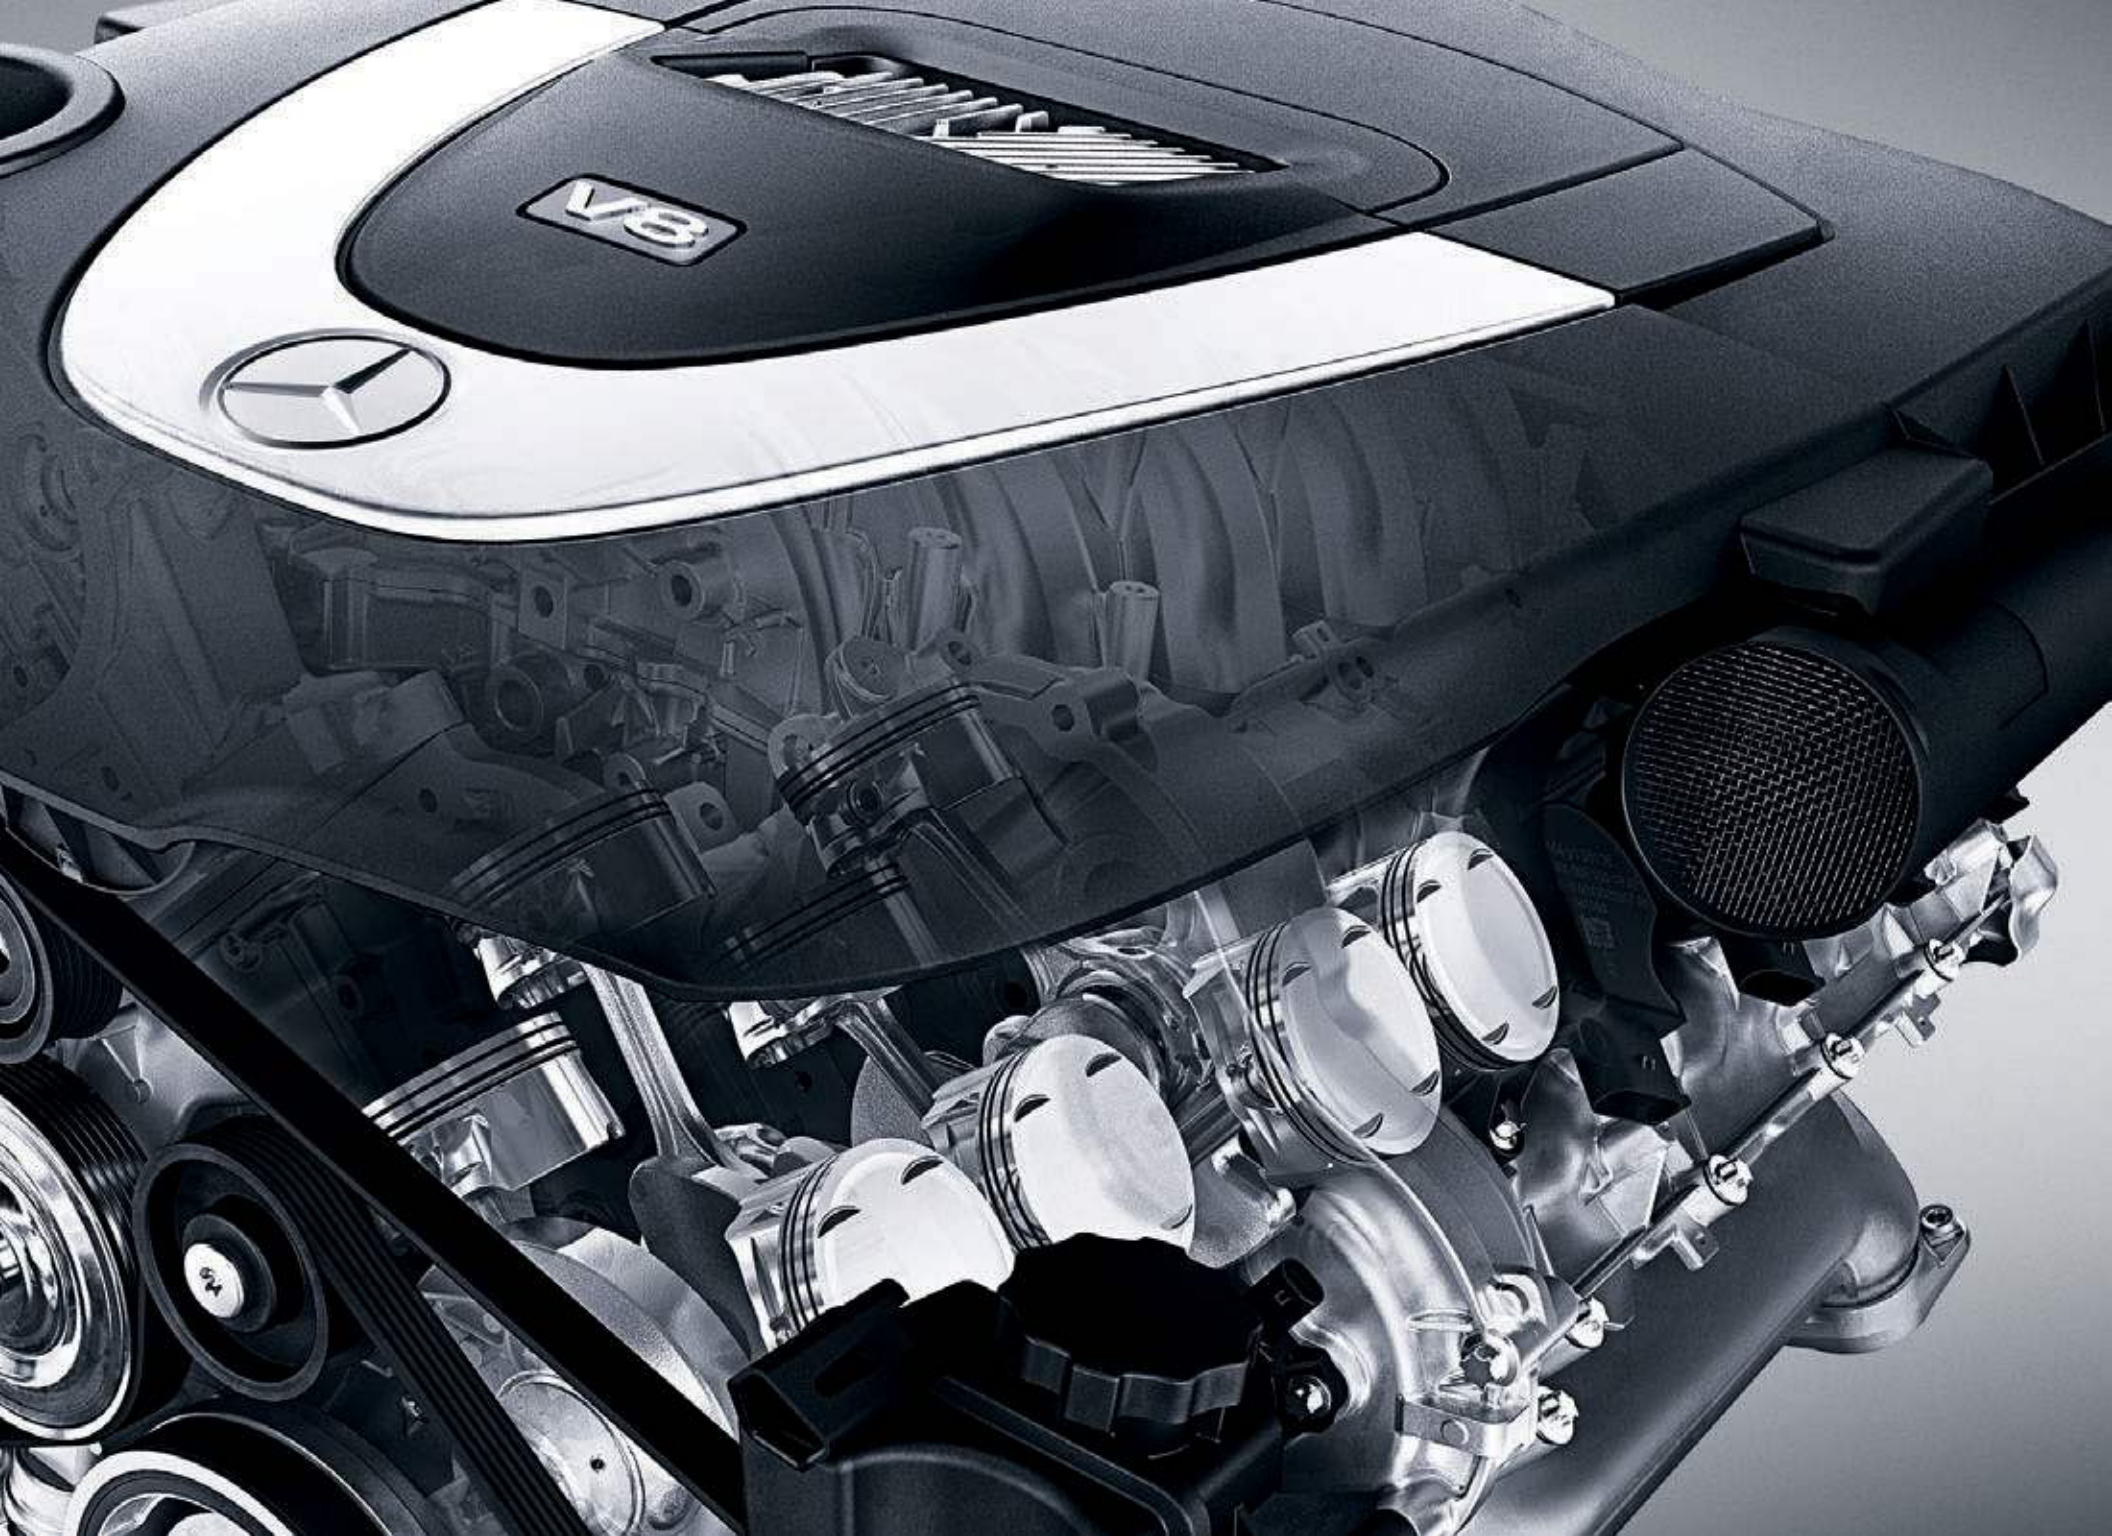

A choice of engines where performance is the only option.

The soulful blend of style and substance in the CLK-Class flows from three muscular engines. A 3.5-liter V-6 produces 268 horsepower to accelerate the CLK 350 Coupe from 0 to 60 mph in 6.4 seconds³ and the CLK 350 Cabriolet in 6.7 seconds.³ The CLK 550 Coupe and Cabriolet cover the same ground in 5.1³ and 5.2 seconds,³ respectively, thanks to a 5.5-liter, 382-horsepower V-8. As for the 6.3-liter V-8 in the CLK 63 AMG, its 475 horsepower hurtles the cabriolet from 0 to 60 in just 4.5 seconds.³ A 7-speed automatic transmission – AMG-calibrated in the CLK 63 – exerts the force of each powerplant decisively, and totally.

CLK 550 Coupe shown in Mars Red paint.
Please see page 43 for Endnotes.

A feel for the road matched only by a passion for it.

The CLK-Class can take on practically any challenge the pavement throws at it. Helping accomplish this are up to 18" staggered-width wheels and high-performance tires;⁴ as well as an ultra-rigid chassis. The Antilock Braking System presses the brakes up to 30 times per second to prevent lockup and maintain steering. Both coupe and cabriolet come equipped with Brake Assist, which senses emergency braking and automatically applies maximum stopping power.⁵ Just because something is a challenge doesn't mean it can't be fun.

CLK 550 Coupe shown at right in Black paint with optional Premium 1 Package.

CLK350 Cabriolet shown above left in optional Iridium Silver metallic paint with optional Premium 2 Package. CLK350 Coupe shown at right in optional Iridium Silver metallic paint with optional Premium 2 Package.

— The 2008 CLK-Class —

CLK 350 Coupe and Cabriolet

Cars so inspired, they're inspiring. The CLK 350 Coupe and Cabriolet are each fueled by a potent 268-horsepower V-6 engine. A landmark 7-speed automatic transmission harnesses all this might and adapts to your driving style. Inside, leather upholstery is but one sample of the tempting luxury. And the cabriolet introduces you and your passengers to a joy that only convertible driving can bring. After all, what's more inspiring than nature?

CLK 550 Coupe and Cabriolet

As if their fierce 5.5-liter V-8s were not enough, these models flaunt touches borne of the racing circuit, from an AMG front air dam to a dual exhaust that rumbles with just a tap of the accelerator. The CLK 550 Coupe and Cabriolet deliver on that promise, shooting from 0 to 60 mph in 5.1³ and 5.2 seconds³ respectively. Inside, Formula 1-style shift paddles, Black Ash wood trim and ivory-color instruments further the motorsports theme.

Large brakes and AMG wheels finish off the vehicle to make either CLK 550 a champion.

CLK 550 Cabriolet shown above left in Black paint with optional Premium 2 Package. CLK 550 Coupe shown at right in Black paint with optional Premium 2 Package. Please see page 43 for Endnotes.

CLK 63 AMG Cabriolet shown in optional Iridium Silver metallic paint with optional Premium 2 Package.
Please see page 43 for Endnotes.

CLK 63 AMG: A new engine meets an equally powerful philosophy.

Great speed requires great strength. Hence, an all-new 6.3-liter V-8 hand-built by one of AMG's master technicians. This powerplant generates an astounding 475 horsepower to rocket the CLK 63 Cabriolet from 0 to 60 mph in only 4.5 seconds.³ Its massive 465 lb-ft of torque is 20% more than that produced by comparable naturally aspirated engines with a similar power rating. The CLK 63 also boasts aggressive front and rear sport aprons, a specially calibrated AMG sport suspension and a rear spoiler on the trunk lid that reduces lift by 50%. The 7-speed automatic transmission with AMG SPEEDSHIFT™ invites you to choose your own shifting style – Manual mode provides 50% quicker shifting than Comfort mode.

Quicker, yes. Aggressive? Always.

CLK 63 AMG

Drivetrain	Engine	AMG-built DOHC 32-valve V-8
	Power	475 hp @ 6,800 rpm
	Torque	465 lb-ft @ 5,000 rpm
	Displacement	6,208-cc
	Compression	11.3:1
	Transmission	7-speed automatic with AMG SPEEDSHIFT. [™]
	Acceleration	0-60 mph in 4.5 seconds. ³
Dimensions	Wheelbase	106.9"
	Overall length	183.2"
	Overall height	54.4"
	Overall width	68.5"

In an AMG, even the interior performs.

Inside the CLK 63 AMG, you'll find a trove of racing-bred treasures. Steering-wheel mounted aluminum shift paddles let you change gears just like the pros. The instrument panel displays a 200-mph speedometer⁶ and other gauges, all gently backlit.

Elegant appointments such as Sand-cast aluminum or available Burl Walnut wood trim add more refinement to the cabin. While heated front seats and an AMG multicontour driver's seat with inflatable side bolsters keep you engaged at every turn, AMG badges throughout keep you engaged with the legend.

CLK 63 AMG shown with Black AMG Premium Leather interior, optional Keyless Go and optional DVD-based Navigation System.

5.5-liter V-8 engine

One of our most advanced engines generates 382 horsepower and 391 lb-ft of torque, with an amazing 75% of peak torque available at just 1,000 rpm. To help reduce engine weight and increase durability, the engine block is made of cast aluminum with a solid bedplate, an ideal construction for performance and durability. Indeed, the engine's smooth, immediate power delivery whisks the CLK 550 Coupe from 0 to 60 mph in just 5.1 seconds³; the CLK 550 Cabriolet, in 5.2.³

Please see page 43 for Endnotes.

3.5-liter V-6 engine

The dual overhead cam (DOHC) V-6 in CLK 350 models is efficient and exhilarating. It unleashes 268 horsepower and 258 lb-ft of peak torque to keep your adrenaline flowing, moving from 0 to 60 in 6.4 seconds³ in the CLK 350 Coupe and 6.7 seconds³ in the CLK 350 Cabriolet. Continually variable timing on both the intake and exhaust valves coupled with a dual-stage intake manifold helps the DOHC V-6 provide 100% of its peak torque at 2,400–5,000 rpm, ensuring immediate response to every throttle input.

AMG 6.3-liter V-8 engine

The most powerful naturally aspirated V-8 in our lineup has been mated to a 7-speed automatic transmission with AMG SPEEDSHIFT™ for ready access to that enormous strength. Feel a rush of euphoria as the engine develops a massive 475 horsepower and 465 lb-ft of torque to propel the CLK 63 AMG from 0 to 60 in just 4.5 seconds.³ And like all AMG engines, each is hand-built and signed by a single master technician.

7-speed automatic transmission

The Mercedes-Benz CLK-Class is the only car in its class to have a 7-speed automatic transmission as standard equipment. A wide range of closely spaced gears delivers the ideal gear ratio for virtually every driving condition, which means smoother cruising and immediate response for acceleration and passing, and even improved fuel efficiency on the highway. Clearly, our passion for advanced engineering isn't limited to our engines.

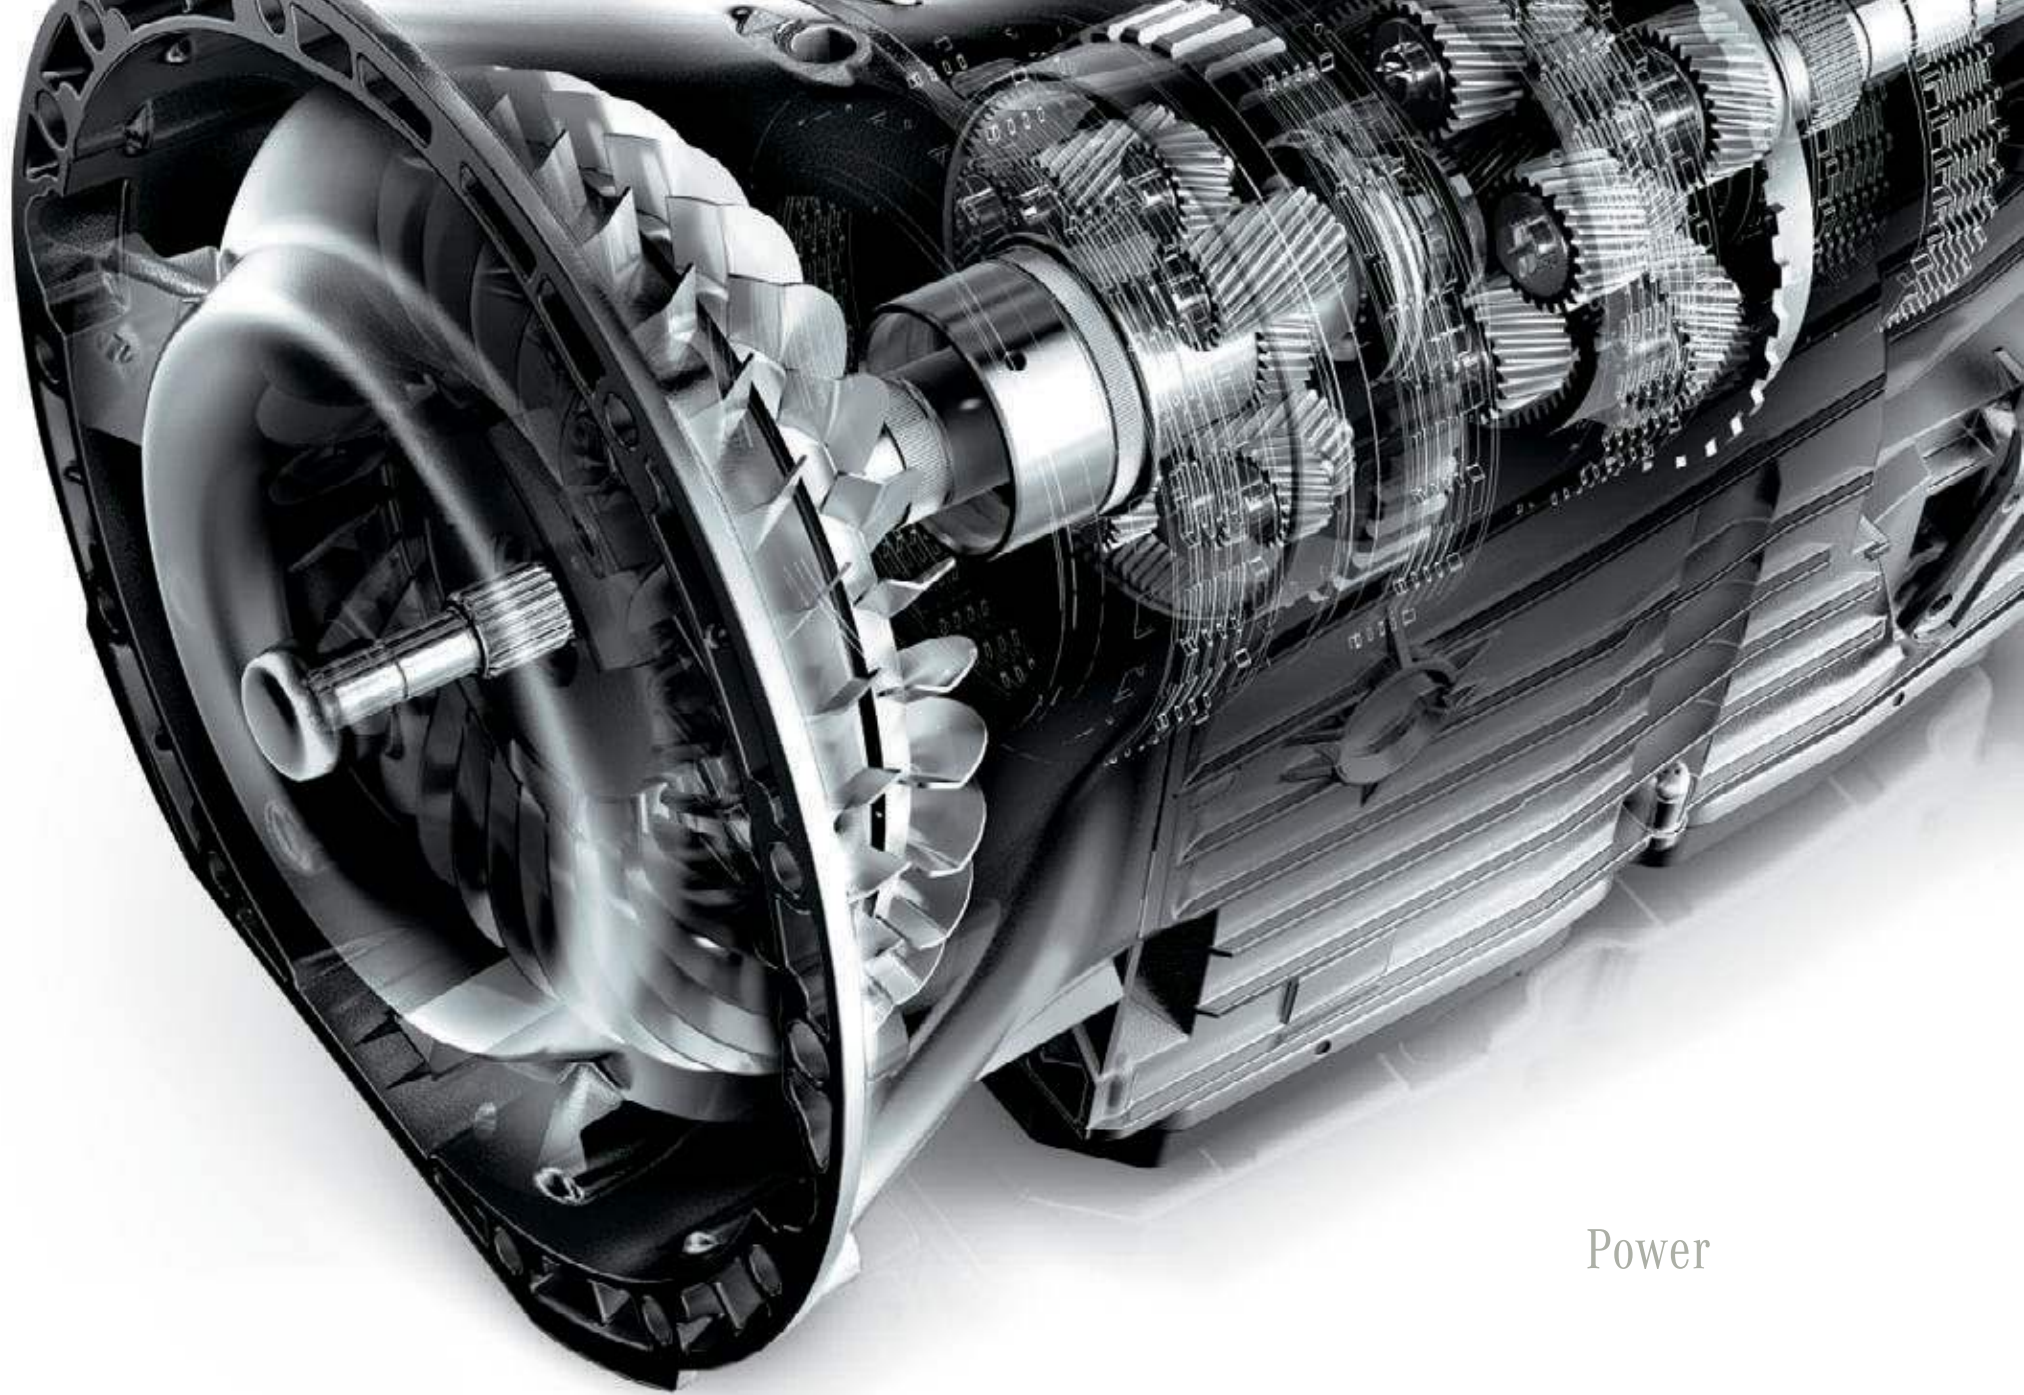

7-speed automatic transmission with AMG SPEEDSHIFT

Harness the phenomenal force of the CLK 63 AMG to the highest degree possible. Change gears rapidly using the AMG aluminum shift paddles on the steering wheel. Then choose any of three settings (S for Sport, C for Comfort and M for Manual) custom-tailored to the performance attributes of the AMG V-8—and whatever driving mood you're in.

Shift paddles

Shift paddles in the CLK 550 and CLK 63 AMG are ideally positioned for quick action. The paddles are black in the CLK 550 and aluminum in the CLK 63 AMG. Located on either side of the steering wheel, they can bring out the enthusiast in any driver by providing more than one way to enjoy the manual-style control of Touch Shift.

Power

Agility

Brakes •

The CLK-Class features numerous advances in braking, including internally ventilated discs to ensure that the brakes stay cool. The CLK 550 and CLK 350 models equipped with the Sport Appearance Package also offer perforated front discs for powerful, nearly fade-free stopping control. The CLK 550 even boasts 4-piston front calipers to make the brakes even more precise. And in the CLK 63 AMG, massive disc brakes with perforated front rotors and enlarged 6-piston front/4-piston rear calipers deliver truly arresting braking performance.⁵

Standard all models.

Vehicle-speed-sensitive steering ●

At lower speeds, the vehicle-speed-sensitive power rack-and-pinion steering delivers more power assist for easy handling. At higher speeds, the amount of power is adjusted for improved road feel and control.

Standard all models.

Multilink suspension ●

The CLK-Class uses an independent 3-link front suspension for decisive handling and an independent 5-link rear suspension with geometry for antisquat and alignment control, plus a stabilizer bar on both ends. The 5-arm rear multilink design—a Mercedes-Benz innovation—controls rear-wheel movement with outstanding precision. The suspension features coil springs at both the front and rear, as well as gas-pressurized shock absorbers. All these elements come together to deliver exceptional poise and control, even under severe braking.

Standard all models.

Sport suspension ● ○

Standard on CLK 550 models and included on CLK 350 models with the Sport Appearance Package, the sport suspension endows the CLK Coupes and Cabriolets with firmer coil springs and shock absorbers, as well as a lowered ride height, for sharpened handling response and a more aggressive stance. And the CLK 63 AMG boasts a sport suspension tuned specifically by AMG engineers for performance driving.

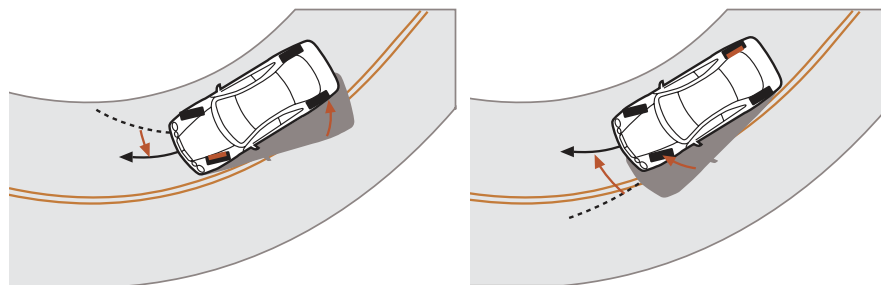

Standard CLK 550 and CLK 63 AMG. Optional CLK 350.

AMG light-alloy wheels ● –

Roll with bold style as you sharpen the refined handling of your CLK Coupe or Cabriolet. The CLK 550 features new 18" AMG 5-twin-spoke wheels with high-performance tires,⁴ staggered for extra grip when it's time to put down the power. For its part, the CLK 63 AMG races along on 18" 5-spoke staggered-width wheels⁴ that perform as aggressively as their looks suggest.

Standard CLK 550 and CLK 63 AMG. Not available CLK 350.

Electronic Stability Program (ESP®) ●

This advance continually monitors your vehicle's motion to help keep you going in your intended direction. If it detects wheelspin, severe understeer (plowing) or oversteer (fishtailing), ESP can brake individual wheels and reduce engine power to correct those problems and help bring the vehicle under control.⁷ Mercedes-Benz pioneered this safety landmark in 1995 and has continued to refine its exacting performance ever since.

Standard all models.

Seat belts ●

Equipped with Emergency Tensioning Devices (ETDs) and belt force limiters,⁸ seat belts are arguably our most important passive safety feature. If a collision exceeds a preset threshold, the ETDs instantly remove slack from the seat belts. Belt force limiters allow a slight amount of give in the seat belts and reduce the peak seat-belt forces on the occupant.

Standard all models.

Antilock Braking System (ABS) ●

ABS senses impending wheel lockup under heavy braking and pumps the front brakes individually or the rear brakes together. This intelligent system can pump the brakes as needed up to 30 times per second to prevent lockup and preserve steering ability.⁵

Standard all models.

Brake Assist (BAS) ●

Research shows that drivers rarely apply the brakes hard enough, soon enough in emergency situations. BAS monitors pedal application speed to sense emergency braking and, in such cases, can deliver maximum stopping power, thereby helping to reduce overall stopping distances.⁵

Standard all models.

Body structure ●

A range of precision safety elements work together to protect you and your passengers in the event of a collision. While High-Strength/Low-Alloy steel in important areas of the vehicle forms an exceptionally rigid barrier, advanced front and rear crumple zones deform progressively to help absorb the energy of an impact. A front bulkhead also helps channel some of the forces of a frontal impact under, over and around the cabin.

Standard all models.

Active Front Head Restraints ●

In the case of a rear impact exceeding a preset threshold, the Active Front Head Restraints move forward and slightly upward, reducing the distance between the head restraints and the front-seat occupants' heads. This action helps limit the rearward travel of their heads, thus reducing the possibility or severity of whiplash-type neck injuries.

Standard all models.

Pop-up roll bar ● -

The brilliant safety design of the CLK-Class includes pop-up roll bars in the Cabriolets. Integrated with the dual rear head restraints, this advance can sense an impending rollover and raise the roll bar automatically to help minimize the effects of a rollover.⁹

Standard all Cabriolets. Not available all Coupes.

A photograph showing the interior of a Mercedes-Benz CLK Cabriolet (convertible) with the top down. The front and rear seats are upholstered in a light-colored leather. A large, white, side-impact airbag is deployed from the rear of the front passenger seat. Another airbag is visible deployed from the side of the rear passenger seat. The car's body is dark, and the background is a plain, light color.

Protection

Integrated Restraint System
Our 6-air bag system in the CLK Coupe delivers 8-way protection, including dual-stage front air bags and Window Curtain Air Bags that span the front and rear sides of the vehicle. CLK Cabriolets feature dual-stage front air bags and head/thorax air bags for the driver and front-seat passenger. With properly worn seat belts, both the Window Curtain Air Bags and head/thorax air bags help protect occupants from head injury and broken glass in certain side impacts or rollovers that exceed the deployment threshold.¹⁰

Amenities

Retractable roof

Use the switch on the CLK Cabriolet's center console or its SmartKey remote, and in 17 seconds you're introduced to the delights of convertible driving. With no manual latches to operate, changing your outlook is truly a one-touch affair. A sculpted cover completes the top-down look seamlessly and stylishly. With its insulated, triple-layer soft top and heated glass rear window, this truly is a year-round convertible.

COMAND system ○

The optional Cockpit Management and Data (COMAND) system integrates the radio, CD player, DVD-based Navigation System and controls for the optional 6-disc CD changer into a single in-dash unit that you can access from the standard steering-wheel controls. The Navigation System uses GPS satellites to map the route to your location and help find points of interest along the way, including restaurants, hotels, ATMs and Mercedes-Benz dealerships. The maps and other visual aides appear on the large color-LCD COMAND screen.² A single DVD contains maps of the contiguous U.S., Canada and Oahu, Hawaii.¹¹ Be sure to ask your dealer about our NavUpdate discs to keep your maps and Points Of Interest current.

Optional all models.

harman/kardon® LOGIC7® digital surround-sound system ● ○

This optional digital surround-sound system fills the cabin with beautifully balanced sound—320 watts' worth in the CLK Coupe, 240 in the Cabriolet. Ten optimally placed speakers in the CLK Cabriolet or 12 in the Coupe deliver an enthralling surround-sound experience from FM radio, CD playback and available SIRIUS Satellite Radio.

Standard CLK 63 AMG. Optional CLK 350 and CLK 550.

6-disc CD changer ○

Available with the standard radio or available COMAND system is our optional 6-disc CD changer. It's glovebox-mounted, within easy reach but concealed from sight. It can play MP3-encoded CDs and seamlessly integrates with the CLK's audio system—via an innovative fiber-optic network—and multifunction steering wheel.

Optional all models.

SIRIUS Satellite Radio ● ○

Enjoy your SIRIUS Satellite Radio system with a complimentary 6-month subscription to over 130 channels, including 61 channels of sports, news, talk, entertainment, traffic, weather and data. SIRIUS is also home to 100% commercial-free music channels, featuring 69 music channels nationwide. Live play-by-play broadcasts of the biggest sports—NFL®, NASCAR®, NHL®, NBA® and games from over 150 college sports teams—round out what's sure to be one of your favorite cabin appointments.¹²

Standard CLK 63 AMG. Optional CLK 350 and CLK 550.

Tele Aid¹³ ●

Three buttons put a multitude of services at system subscribers' fingertips:

- **SOS button:** Push in an emergency for a Tele Aid Response Specialist who can notify police or other emergency personnel of your vehicle's location. The system also automatically activates when an air bag or seat-belt Emergency Tensioning Device deploys.
- **Wrench button:** For Mercedes-Benz Roadside Assistance. Service personnel will help you identify the trouble and dispatch roadside assistance as needed.¹⁴
- **i-button:** Contact the Customer Assistance Center, your Mercedes-Benz dealer or our Concierge Service. You can also receive Route Assistance and access Tele Aid's Traffic Information service.^{15,16}

Standard all models.

iPod® Integration Kit ○

Taking your music wherever you drive has never been easier. With the seamless integration of your iPod into the audio system of your CLK-Class, the steering wheel lets you view the track information display and control iPod buttons like Volume, Select and Change Menu. And with the dock connector, you can even charge your iPod while it's playing.¹⁷

Optional all models.

Bi-Xenon headlamps with corner-illuminating foglamps ○

An example of truly visionary thinking, active headlamps monitor your steering angle and driving speed, then shift their beams to either side to better follow the curve of the road ahead. As a result, you get a better view into corners by increasing usable illumination by up to 90% over conventional fixed headlamps. Enhancing their abilities, corner-illuminating front foglamps can illuminate a curving roadway by monitoring steering-wheel angle and driving speed (up to 25 mph) or be activated by your turn signal (at speeds up to 25 mph) to brighten your way into a dark driveway or alley.

Optional all models.

Parktronic system ○ –

When parking, ultrasonic sensors in the front and rear bumpers detect nearby objects within the system's field of view. Audible signals and illuminated displays, visible in both the instrument cluster and rearview mirror, help you maneuver with confidence. This system helps you avoid obstacles that might be outside your field of vision when parking in tight spaces.

Optional CLK 63 AMG. Not available CLK 350 and CLK 550.

10-way power front seats ●

Iconic seat-shaped controls help you easily find your ideal driving position. The 3-position memory even includes your settings for the power steering column and side mirrors.

Standard all models.

Automatic seat-belt presenters ●

Allow us. Each front seat belt features an automatic presenter that glides into action when you close the front door and retracts once you've buckled up.

Standard all models.

Heated and Active Ventilated seats ● ○

Heated and Active Ventilated front seats, optional or part of the Premium 3 Package on any CLK-Class, feature internal fans that circulate air through perforations in the upholstery and also have a heating feature that provides three levels of soothing warmth.

Heated seats standard CLK 63 AMG and optional CLK 350 and CLK 550. Active Ventilated Seats optional all models.

Multicontour driver's seat ● ○

Standard on the CLK 63 AMG and part of the Premium 3 Package on all other models, this seat offers pneumatically adjustable side bolsters, thigh support and dual lumbar supports, to provide an even greater degree of personalized comfort.

Standard CLK 63 AMG. Optional CLK 350 and CLK 550.

Dual-zone climate control ●

Both the driver and front-seat passenger can select his or her own level of heating or cooling, thanks to left and right controls on the dashboard. In addition to a sun sensor to improve its efficiency, the system comes equipped with a charcoal filter that automatically recirculates interior air when it detects a significant increase in smog.

Standard all models.

Keyless Go ○

A leap in ease and efficiency, this option lets you open or lock any door or the trunk while leaving your vehicle's SmartKey in your pocket. To start the vehicle, simply step on the brake pedal and push the Start button, located on the gearshift lever. You can also start the vehicle in the conventional way by inserting the SmartKey in the ignition.

Optional all models.

Electronic Trunk Closer ○

This convenient option allows you to fully open and close the trunk via a switch on the driver's interior door panel. You can also close the trunk lid by pressing a button on its underside or open it with the SmartKey remote.

Optional all models.

Multifunction steering wheel and display ●

One tap of the steering-wheel mounted controls lets you view displays of information which include trip computer and outside temperature data, as well as control and program your vehicle and audio settings.

Standard all models.

Wood/leather steering wheel ○ –

With this wheel's polished wood and supple leather, you'll appreciate the added luxury every time you drive. It's available to match the interior wood trim in any CLK 350 or CLK 550 vehicle.

Optional CLK 350 and CLK 550.

Not available CLK 63 AMG.

Accessories

Refine the sporty exuberance of your CLK Coupe or Cabriolet to match your personal preferences. Mercedes-Benz dealers offer an inviting array of CLK-Class accessories, from distinctive alloy wheels to arresting chrome accents. Each of the following components is also designed, engineered and tested to exacting Mercedes-Benz standards for a high level of quality. So ask your dealer for the CLK-Class Accessories Brochure to see our full line of appearance, utility and car care accessories. The CLK will always be a spirited coupe or cabriolet. Now it can also be a reflection of your individual style.

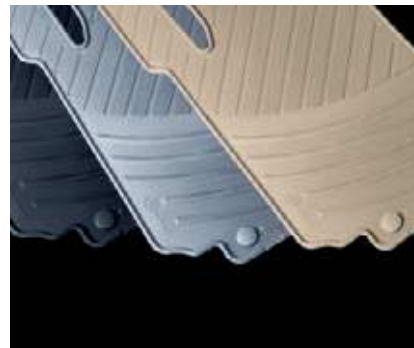

Chrome accents

Add extra flair to the distinctive look of your CLK-Class with exterior chrome mirror housings, two per set, that complement the range of coordinating exterior refinements. Help protect the finish on your coupe or cabriolet from scratches and add yet another touch of style with a set of two chrome door-handle inserts.

Accessory aluminum-alloy wheels

Engineered to the highest standards, each of our accessory wheels puts a unique spin on your CLK-Class, from bold Elarneb 17" 6-spoke wheels, to chic Anchat 17" 7-spoke wheels, to aggressive Sadachiba 18" wheels flaunting a 5-spoke design.

All-season floor mats

Keep the carpet of your CLK-Class in top shape despite virtually any weather condition. Deep channels in the floor mats trap large amounts of water, mud and melting snow. Easy to clean, they come four mats to a set and are available in Black, Grey or Beige.

Multi-Handset Interface (MHI) cradle and Bluetooth® Interface

The MHI cradle helps you enjoy the benefits of hands-free calling while charging your Mercedes-Benz-approved phone.¹⁸ Or consider the Bluetooth interface module, which allows you to make and receive calls, and even access select phone books, without taking your phone out of your pocket.¹⁹

Illuminated door sills

Light up your CLK-Class with radiant style every time you open the door, courtesy of luminous blue "CLK" stainless-steel door sills, available in sets of two.

Service & Support

Tele Aid¹³

Three buttons put a multitude of services at system subscribers' fingertips: emergency response (SOS button), roadside assistance (Wrench button) and even concierge services (*i*-button).¹⁵

Tele Aid Security & Care service

Enhance your sense of security with Remote Door Unlock, Stolen Vehicle Recovery and much more. Keep your annual subscription up-to-date for the peace of mind that comes from knowing you and yours have an added measure of security and care. With an active Tele Aid subscription, you may be eligible for a discount from your insurance provider.

Tele Aid Luxury & Convenience Package

Here, expand your privileges with access to a Personal Concierge that fulfills your requests for nearly "anything, anytime, anywhere" and an Online Concierge for accessing your Personal Concierge via your computer or PDA wherever Internet access is available, as well as Traffic Information¹⁶ and Route Assistance.

24-hour Roadside Assistance

The first of its kind and still the only one that remains in effect for the life of the vehicle. Our Roadside Assistance technicians draw on years of experience and training to get you back on the road as quickly as possible.¹⁴

Mercedes-Benz Limited Warranties

Our New Vehicle Limited Warranty runs for 48 months or 50,000 miles, whichever comes first. And anytime during the new vehicle warranty coverage, you can also purchase a Mercedes-Benz Extended Limited Warranty that will provide additional protection when the New Vehicle Limited Warranty expires.²⁰

Mercedes-Benz Maintenance System

Enjoy fixed, predictable service intervals every 13,000 miles or one year (10,000 miles or one year for AMG models).²¹ About a month before service is due, your vehicle even reminds you via a dashboard display that also explains which maintenance service is due.

No-charge Service Welcome

Stop by your Mercedes-Benz Center's Service Department for a no-charge first visit between 1,000 and 3,000 miles, where your dealer will perform a diagnostic check and address your questions. Your dealer will also provide the first tire inspection and set inflation pressure at no additional charge anytime before 6,500 miles.²²

24-hour Customer Service

Our Customer Assistance Center is your one-stop source for answers. Whether you need to know how to use your audio system, find the nearest Mercedes-Benz dealer, get pricing or learn about personal and automotive accessories, just call 1-800-FOR-MERCEDES or press the Tele Aid *i*-button in your vehicle.

Sign and Drive service

Our legendary Roadside Assistance service includes bringing you some fuel if you've run out, replacing a flat tire with your spare or jump-starting your car if the battery dies. All at no charge, and all for as long as you're driving a Mercedes-Benz – even somebody else's.²³ Help is as close as your vehicle's Wrench button (for Tele Aid subscribers) or just a phone call away at 1-800-FOR-MERCEDES.

Trip Interruption benefits

In the unlikely event that a breakdown covered by your MBUSA New Vehicle Limited Warranty occurs more than 100 miles from your home, leaves your Mercedes-Benz inoperable or unsafe to drive and requires overnight repairs at a Mercedes-Benz Center, you'll be reimbursed up to \$300 per day for any documented expenses—for up to three days—including meals, lodging and substitute transportation.

Dealer Alternate Transportation Program

Whenever you bring your vehicle into an official Mercedes-Benz Center for servicing during the warranty period, ask about your dealer's Alternate Transportation Program—so you can maintain your busy schedule while your dealer maintains your vehicle.²⁴

Mercedes-Benz Financial

Mercedes-Benz Financial offers a wide and impressive array of flexible and convenient financing options. To determine whether purchasing or leasing is right for you and to estimate the monthly payment of your next Mercedes-Benz, visit MercedesBenzFinancial.com.

European Delivery Program

With our factory delivery program, enjoy a honeymoon with your new Mercedes-Benz as you savor the delight of driving it in the land where it was built—while you enjoy a 7% savings on many models.²⁵ Also take advantage of the optional Rally Package, which takes you through the Black Forest and the Alps, then on to Munich, staying at luxurious, historic hotels all along the way.

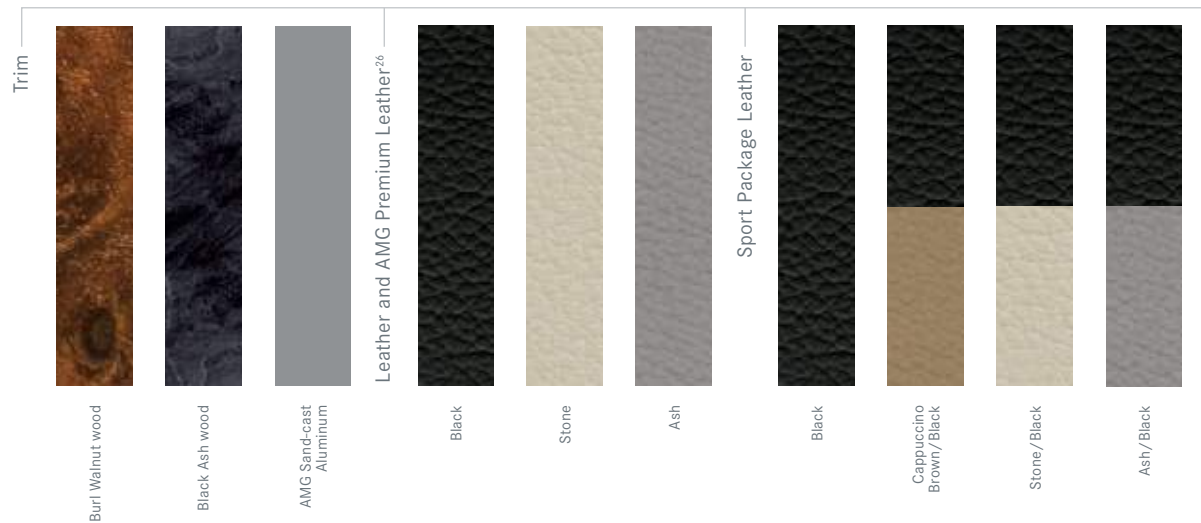

To learn more about these and many other services—including dealer locations and financing options—visit us at MBUSA.com today.

Color and Trim

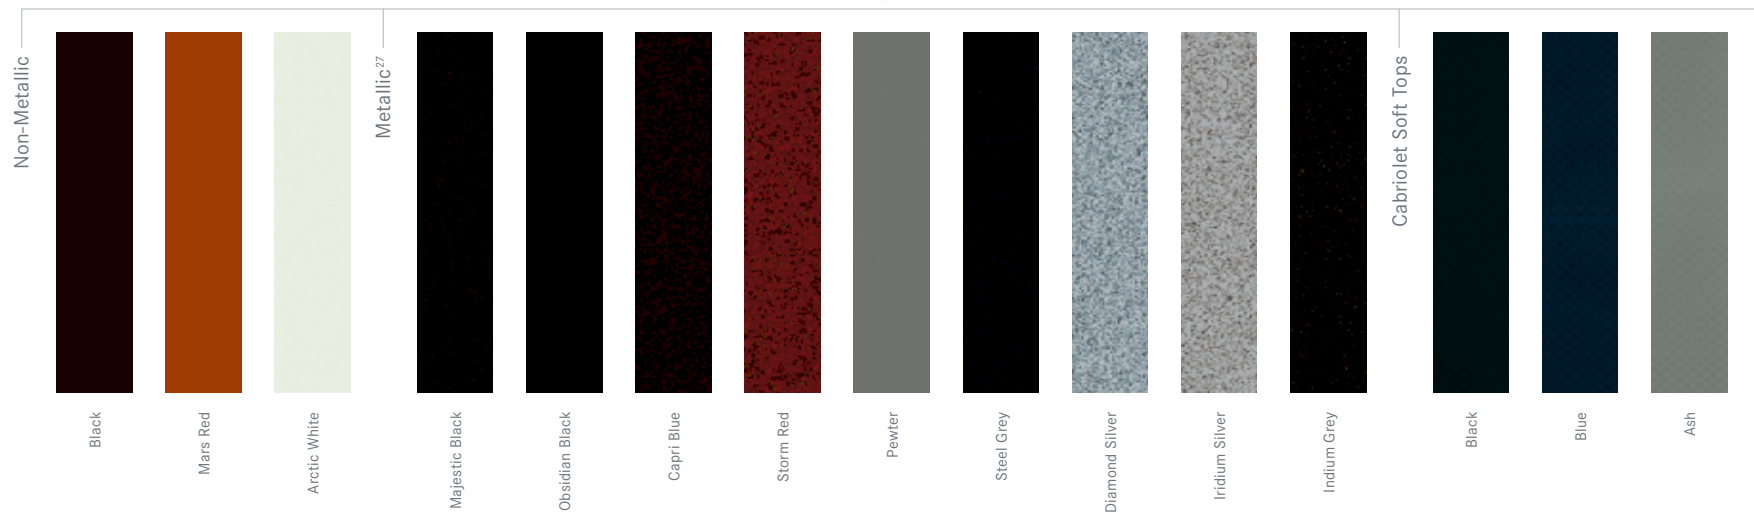

Design a CLK-Class all your own

Choose from a variety of metallic and non-metallic exterior paints. Then add your favorite available upholstery color and material choices. To keep your vehicle's exterior looking its best for a long time, Mercedes-Benz uses nanotechnology—specifically, microscopic ceramic nano-particles. Each ceramic nano-particle is tens of thousands of times thinner than a human hair, but when joined together they are incredibly durable. When the clearcoat is applied, the nano-particles float around freely in the liquid paint. The resulting finish offers considerably greater and longer-lasting resistance to fine scratches—such as those caused by car washes and environmental factors—than conventional paint finishes, for an enduring deep gloss. And with this many choices, there's bound to be a design combination for you.

EXTERIOR

–	–	●	●	●	AMG front air dam with mesh air intakes, side skirts and rear apron.
–	–	●	●	●	AMG rear spoiler on edge of trunk lid.
●	●	–	–	–	Enlarged polished chrome exhaust finisher.
–	–	●	●	–	Dual polished chrome AMG exhaust finishers.
–	–	–	–	●	Low-backpressure exhaust system with dual polished chrome AMG finishers.
–	●	–	●	●	Electrohydraulic insulated all-season soft top with glass rear window.
●	●	●	●	●	Dual heated power mirrors linked to driver's seat memory.
○ ²⁹	○ ²⁹	●	●	●	Auto-dimming left-side mirror.
●	●	●	●	●	Electrically heated rear window with auto-shutoff based on time, driving speed and outside temperature.
●	●	●	●	●	Rain-sensing variable intermittent wipers measure rainfall on windshield and adjust wiper speed and frequency accordingly.
○ ²⁹	○ ²⁹	○ ²⁹	○ ²⁹	●	Heated windshield washer reservoir and fluid lines.
●	●	●	●	●	Halogen front foglamps. Single red rear foglamp in left taillamp.
●	●	●	●	●	Selectable light-sensing headlamps.
●	●	●	●	●	Driver-programmable daytime running lamps with auto-on override in darkness.

INTERIOR

●	●	●	●	●	Multifunction steering wheel provides convenient additional controls for basic audio functions as well as operation of the multifunction display.
–	–	●	●	●	Gearshift paddles behind steering-wheel spokes (not available with optional wood/leather steering wheel on CLK 550 models).
●	●	●	●	●	Power windows, with one-touch express-up/down for front windows.
–	●	–	●	●	One-button lowering or raising of all four windows via power soft-top switch.
–	●	–	●	●	Fine-mesh wind deflector fastens over rear-seat area or folds into molded case for storage in trunk. ³⁰
●	●	●	●	●	4-way (tilt/telescoping) power steering column, position-linked to driver's seat memory.
●	●	●	●	●	Electronic cruise control.
○ ²⁹	○ ²⁹	●	●	●	Auto-dimming rearview mirror.
–	●	–	●	●	Variable trunk compartment allows soft-top well to be used for additional cargo capacity with top up. ³¹
○ ²⁹	○ ²⁹	●	●	●	Integrated garage door opener.

SEATING

●	●	●	●	●	10-way power-adjustable front seats, each with 3-position memory. Driver's seat memory includes steering column and outside mirror positions.
–	–	–	–	●	AMG sport front seats.
○ ²⁹	○ ²⁹	○ ²⁹	○ ²⁹	●	Heated front seats.
○ ²⁹	○ ²⁹	○ ²⁹	○ ²⁹	●	Multicontour driver's seat with pneumatically adjustable side bolsters, dual lumbar supports and thigh support.
●	–	●	–	–	60/40-split-folding rear seatbacks and flip-forward seat cushions.
●	●	○ ²⁹	○ ²⁹	–	Leather upholstery on seating surfaces, head restraints, front-seat side panels and door-trim inserts. Carpets, dashboard, console and door panels in complementary color.
○ ²⁹	○ ²⁹	●	●	–	Leather upholstery on seating surfaces, head restraints, front-seat side panels and door-trim inserts. Carpets, dashboard, console and door panels in Black.
–	–	–	–	●	AMG Premium Leather upholstery and door-trim inserts, with perforated seat-center panels. Carpets, dashboard, console and door panels in Black.
●	●	●	●	–	Leather-trimmed 4-spoke steering wheel and shift knob.
–	–	–	–	●	AMG leather-trimmed 4-spoke steering wheel and shift knob with aluminum shift paddles.
●	●	○ ²⁹	○ ²⁹	○ ²⁹	Hand-polished Burl Walnut wood trim on doors, dashboard and console.
○ ²⁹	○ ²⁹	●	●	–	Hand-polished Black Ash wood trim on doors, dashboard and console.
–	–	–	–	●	AMG aluminum trim with Sand-cast finish on doors, dashboard and console.
○ ²⁹	○ ²⁹	●	●	●	Brushed rubber-studded stainless-steel pedals (including parking brake).

CLIMATE CONTROL

●	●	●	●	●	Digital dual-zone climate control with: • Dual digital temperature controls and rotary airflow distribution controls. • Automatic control of blower speed and airflow distribution (with manual override). • Sun sensor. • Humidity/dewpoint sensor reduces window fogging during humid weather and helps prevent overdrying of cooled air. • Activated charcoal filter with smog-sensing automatic recirculation of filtered cabin air.
●	●	●	●	●	Electrostatic dust and pollen filter.
●	●	●	●	●	Tunnel mode offers one-touch closing of all windows, the sunroof ³² and cabin air intake via the air-recirculation button.

AUDIO/TELEMATICS

●	●	●	●	●	In-dash audio system operating panel integrates controls and displays for the radio, CD player, glovebox-mounted 6-disc CD changer ³² and SIRIUS Satellite Radio ³² (standard CLK 63 AMG).
●	●	●	●	–	6-speaker audio system. Automatic vehicle-speed-sensitive volume adjustment.
○ ²⁹	○ ²⁹	○ ²⁹	○ ²⁹	●	harman/kardon® LOGIC7® digital surround-sound system: • 12 speakers (Coupes) or 10 speakers (Cabriolets), including dual surround speakers and a subwoofer. • 7.1-channel amplifier with 320 watts (Coupes) or 240 watts (Cabriolets) total output. • Multichannel digital surround-sound technology. • Digital Dynamic Volume Control to help preserve the sound balance under all driving conditions.
●	●	●	●	●	Tele Aid System uses GPS satellites plus a cellular link to provide 24-hour live assistance for: emergency aid (SOS button), roadside assistance (Wrench button) or information (i-button). • Basic Tele Aid Security & Care service includes Automatic Collision Notification, Stolen Vehicle Recovery, Remote Door Unlock service and Dealer Connect.¹³

INSTRUMENTATION

●	●	●	●	–	Electronic analog speedometer, tachometer and quartz clock. Electronic bar-graph fuel and coolant temperature gauges.
–	–	–	–	●	AMG black gauges with black matte surround and AMG RACETIMER ³³ in digital display.
●	●	●	●	●	Multifunction display in instrument cluster, scrolled via steering-wheel controls to operate and display various menus and vehicle features: • Trip meter and outside temperature indicator. • Digital speedometer, Maintenance System (see below) and oil-level check. • Radio station, CD player, 6-disc CD changer³² iPod® playlist/track (with optional iPod Integration Kit) and SIRIUS Satellite Radio.³² • DVD-based Navigation System route guidance.³² • Vehicle reminder and message indicator. • Driver-programmable settings for instruments and lighting, vehicle and convenience features. • Trip computer (elapsed time, fuel consumption and distance to empty).
●	●	●	●	●	Mercedes-Benz Maintenance System displays distance remaining to next basic maintenance service, indicates type of service due and provides automatic reminder when service interval draws near.
●	●	●	●	●	Tire Pressure Monitoring System.

LOCKING/SECURITY

●	●	●	●	●	SmartKey remote control integrates: Remote Door Lock/Unlock buttons, trunk opener, removable valet key and panic alarm. Driver may selectively unlock only the driver's door and fuel filler or all doors plus the trunk and fuel filler.
●	●	●	●	●	SmartKey offers infrared-remote opening/closing of windows (plus sunroof ³² on Coupes, and remote raising and lowering of soft top on Cabriolets) from outside the car.
●	●	●	●	●	Driver-programmable drive-away locking can automatically lock the doors when the car reaches 9 mph.
●	●	●	●	●	Night security illumination uses the car's exterior lights to help illuminate a path after parking.
●	●	●	●	●	Locator lighting uses the car's lights to help illuminate a return path when the car is remote-unlocked in darkness. Unlocking car activates illuminated entry system.
●	●	●	●	●	Anti-Theft Client Alarm Notification with remote panic feature.
●	●	●	●	●	Emergency trunk release, located inside trunk and illuminated for 60 minutes after trunk is closed.
●	●	●	●	●	Integrated 3-button garage door control, compatible with HomeLink® components and some other systems.
●	●	●	●	●	Tele Aid GPS-based Stolen Vehicle Recovery helps law enforcement agencies track and recover stolen vehicle. ¹³
●	●	●	●	●	Tele Aid Remote Door Unlock. ¹³
●	●	●	●	●	Tele Aid Automatic Alarm Notification alerts Mercedes-Benz to contact vehicle owner if anti-theft alarm sounds. ¹³

RESTRAINT SYSTEMS

●	●	●	●	●	Integrated Restraint System: • Driver and front passenger are each provided with a dual-stage front air bag (adaptive for the front passenger), a side-impact air bag (Coupes) or head/thorax air bag (Cabriolets), and a 3-point seat belt with an Emergency Tensioning Device (ETD) and adaptive belt force limiter.¹⁰ • Rear passengers are each provided with a 3-point seat belt with an ETD and belt force limiter.¹⁰
●	–	●	–	–	Window Curtain Air Bags: • In a side impact exceeding a preset deployment threshold, a multichamber air bag deploys along the front and rear side-door windows on the affected side of the vehicle.¹⁰
●	●	●	●	●	Dual-stage front air bags (adaptive for the front passenger) are deployed in response to frontal impact severity exceeding a preset deployment threshold. ¹⁰
●	●	●	●	●	Occupant Classification System (OCS): • OCS automatically adjusts the inflation rate of the front passenger's front air bag based on the weight category determined by weight sensor readings from the front passenger seat.³⁴
○ ²⁹	○ ²⁹	○ ²⁹	○ ²⁹	●	Rear side-impact air bags, mounted in side trim panels.
●	●	●	●	●	ETDs are provided for all four seat belts and are deployed in a front or rear impact exceeding a preset threshold of severity, or certain rollovers. A front ETD will not deploy if seat belt is unfastened.

RESTRAINT SYSTEMS (continued)

●	●	●	●	●	Tele Aid Automatic Collision Notification engages the SOS function if an air bag or Emergency Tensioning Device (ETD) deploys. ¹³
●	●	●	●	●	Universal LATCH (Lower Anchors and Tethers for Children) system at rear seating positions. Selectable passenger seat-belt retractors help secure child seats. ¹⁰
●	●	●	●	●	Front seat belts include automatic presenters and lower points attached to seat frames.
●	●	●	●	●	Rear seat belts include automatically height-adjusting shoulder belts.
●	●	●	●	●	Active Front Head Restraints power-adjust for height, manually adjust fore-aft and automatically height-adjust as seat is moved fore-aft.
●	–	●	–	–	Dual individually retractable rear head restraints, adjustable for height and two-position tilt (CLK Coupes only).
–	●	–	●	●	Dual height-adjustable rear head restraints (CLK Cabriolets only). ⁹
●	●	●	●	●	Driver can retract both head restraints remotely via a dashboard-mounted control for improved rearward vision when the rear seats are unoccupied.
–	●	–	●	●	Automatic rollover-sensing pop-up roll bars, integrated within dual rear head restraints (CLK Cabriolets only). ²

INDIVIDUAL OPTIONS

○ ²⁹	○ ²⁹	●	●	–	Lowered sport suspension (AMG sport suspension standard CLK 63 AMG).
○	○	○	○	○	Keyless Go.
○	○	○	○	○	Electronic Trunk Closer.
○	○	○	○	●	Heated front seats.
○	○	○	○	–	Wood/leather steering wheel (not available with steering-wheel shift paddles on CLK 550 models).
○	○	○	○	○	Cockpit Management and Data (COMAND) system integrates: - DVD-based in-dash GPS Navigation System, with database map for the contiguous U.S., Canada and Oahu, Hawaii, all on a single DVD.¹¹ DVD-ROM drive concealed behind in-dash screen. - AM/FM stereo/weatherband radio. - In-dash single-CD player. - Controls for glovebox-mounted 6-disc CD changer³² - A 6.5" color-LCD in-dash screen, with motorized opening/closing to load CD player and DVD drive. 10 mode-dependent soft keys alongside screen for easy access to commands and on-screen menus. - Auxiliary input jack in glovebox for connection of an MP3 player to audio system.

INDIVIDUAL OPTIONS (continued)

○	○ ²⁹	○	○ ²⁹	●	SIRIUS Satellite Radio with 6-month subscription.
○	○	○	○	●	Rear side-impact air bags, mounted in side trim panels.
–	–	–	–	○	Parktronic audiovisual parking assist uses ultrasonic sensors in the front and rear bumpers to help detect nearby obstacles within the sensors' field of view at parking speeds, alerting the driver to the obstacles' proximity to the front or rear of the vehicle.
○	○	○	○	○	Metallic paint (no-charge option on CLK 63 AMG).

OPTION PACKAGES

○	○	○	○	○	Premium 1 Package: - Glovebox-mounted 6-disc CD changer with MP3 capability. - harman/kardon® LOGIC7® digital surround-sound system (standard CLK 63 AMG). CLK 350 models add: - Auto-dimming left-side and rearview mirrors (standard CLK 550 and CLK 63 AMG). - Garage door opener (standard CLK 550 and CLK 63 AMG). CLK 350 and CLK 550 Coupe models add: - Power tilt/sliding tinted-glass sunroof with one-touch open/close. CLK 350 and CLK 550 Cabriolet models add: - SIRIUS Satellite Radio (standard CLK 63 AMG).
○	○	○	○	○	Premium 2 Package: - Includes contents of Premium 1 Package plus: - Bi-Xenon headlamps with Active Curve Illumination. - Heated headlamp washers (standard CLK 63 AMG). - Heated washer system (standard CLK 63 AMG). - Corner-illuminating front foglamps.
○	○	○	○	○	Premium 3 Package: - Includes contents of Premium 2 Package plus: - Heated and Active Ventilated front seats (heated front seats standard CLK 63 AMG). - Multicontour driver's seat (standard CLK 63 AMG).
○	○	–	–	–	Sport Appearance Package (CLK 350 models only): 17" 6-split-spoke aluminum-alloy wheels. - Lowered sport-tuned suspension. - Cross-drilled front brake rotors. - Rubber-studded stainless-steel pedals.

- 1 SIRIUS® and the SIRIUS dog logo are registered trademarks of SIRIUS Satellite Radio Inc. All Rights Reserved. For full Terms & Conditions, visit sirius.com. Pricing and programming are subject to change. Not available in Alaska, Hawaii or Puerto Rico. While the SIRIUS network of satellites and terrestrial antennae provides nearly seamless service throughout the contiguous U.S., SIRIUS service may be unavailable or interrupted for a variety of reasons, including environmental or topographic conditions; in certain locations such as tunnels, parking garages, or within or next to large buildings; or near other technologies that can interfere with the SIRIUS signal. Six-month service subscription included with purchase.
- 2 While the Navigation System provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or visual displays once the vehicle has been stopped in a safe place. Maps do not cover all areas nor all routes within an area.
- 3 Stated rates of acceleration are based upon manufacturer's track results and may vary depending on model, environmental and road surface conditions, driving style, elevation and vehicle load.
- 4 Lower aspect ratio tires and accompanying wheels provide substantially increased treadwear, increased tire noise and reduced ride comfort. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. These tires are not designed for use on snow and ice. Winter tires mounted on appropriately sized and approved wheels are recommended for driving in those conditions.
- 5 Braking effectiveness also depends on proper brake system maintenance, and tire and road conditions.
- 6 Please obey all speed laws. Top speed electronically limited to 155 mph.
- 7 No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seat belt. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in snow is obtained with winter tires.
- 8 Front-seat belt force limiters are adaptive.
- 9 The roll bar system is designed to enhance the level of rollover protection compared to a vehicle without one. No system, regardless of how advanced, can eliminate the chance of injury in an accident. Please always wear your seat belt.
- 10 WARNING: THE FORCES OF A DEPLOYING AIR BAG CAN CAUSE SERIOUS OR FATAL INJURIES TO A CHILD UNDER AGE 13. THE SAFEST SEATING POSITION FOR YOUR CHILD IS IN THE REAR SEAT, BELTED INTO AN APPROPRIATE, PROPERLY INSTALLED CHILD SEAT, OR CORRECTLY WEARING A SEAT BELT IF TOO LARGE FOR A CHILD SEAT. SEE OPERATOR'S MANUAL FOR ADDITIONAL WARNINGS AND INFORMATION ON AIR BAGS, SEAT BELTS AND CHILD SEATS.
- 11 DVD-based maps do not cover all areas nor all routes within an area. One U.S./Canada DVD is included with vehicle.
- 12 SIRIUS® and the SIRIUS dog logo are registered trademarks of SIRIUS Satellite Radio Inc. NFL® is a registered trademark of the National Football League. NASCAR® is a registered trademark of the National Association for Stock Car Auto Racing, Inc. NHL® is a registered trademark of the National Hockey League. NBA® is a registered trademark of NBA Properties, Inc. All Rights Reserved. For full Terms & Conditions, visit sirius.com. Pricing and programming are subject to change. Not available in Alaska, Hawaii or Puerto Rico. While the SIRIUS network of satellites and terrestrial antennae provides nearly seamless service throughout the contiguous U.S., SIRIUS service may be unavailable or interrupted for a variety of reasons, including environmental or topographic conditions; in certain locations such as tunnels, parking garages, or within or next to large buildings; or near other technologies that can interfere with the SIRIUS signal. Six-month service subscription included with purchase.
- 13 Tele Aid equipment is standard on all CLK-Class models. First year's Tele Aid Security & Care service provided at no additional cost with subscription. Subscription and acquaintance call required for service to be active. Service operates only where cellular and GPS coverage are available and requires adequate power supply. Owner must authorize vehicle tracking by providing passcode and a valid stolen vehicle police report number. PIN code required to activate Remote Door Unlock. See dealer for details of telematics services.
- 14 Vehicle must be accessible from main roads. Roadside Assistance repairs may involve charges for parts, service and towing. Depending on the circumstances, these services may be provided by an outside service, courtesy of Mercedes-Benz Roadside Assistance. For full details of the Roadside Assistance Program, please see your dealer.
- 15 Concierge Service available only with Tele Aid Luxury & Convenience Package. Traffic Information and Route Assistance use is included as part of the Tele Aid Luxury & Convenience Package and is available at an additional per-use charge when used with the Tele Aid Security & Care service. See dealer for details.
- 16 Performance of the automated voice system varies depending on the noise level in and around the vehicle. Traffic Information is based on available broadcast data, not available in all areas and only provided for routes that have been personalized on the Tele Aid website (up to five routes) or are within a specified radius of your vehicle's present location. See Tele Aid section of MBUSA.com for available cities.
- 17 iPod® is a registered trademark of Apple Computer, Inc. All iPod devices are sold separately. Feature not compatible with iPod Shuffle. See dealer for details.
- 18 Hands-Free Communication System, interface and phone sold separately. Please see your dealer for details.
- 19 BLUETOOTH® INTERFACE DOES NOT PROVIDE PHONE CHARGING OR EXTERNAL ANTENNA. PHONE BOOK DOWNLOAD AND VOICE INTERACTIVITY FEATURES ARE DEPENDENT ON SELECTED HANDSET. VISIT WWW.WIRELESS4MB.COM FOR DETAILS.
- 20 Please see your dealer for warranty details as well as for terms, conditions and pricing for extended warranty options. Surcharges for extended warranties apply after the first year.
- 21 Whichever comes first. Requires use of 229.5-spec oil and high-performance fleece oil filter. Driver is responsible for monitoring fluid levels and tire pressure between service visits. See Maintenance Booklet for details.
- 22 Follow tire manufacturer's recommendations.
- 23 For full details of Sign and Drive service, as well as the Roadside Assistance Program, please see your dealer.
- 24 Certain restrictions may apply. Terms, conditions and dealer participation may vary.
- 25 European Delivery discount available on select models. Please see your dealer for details.
- 26 Leather upholstery standard CLK 350 and CLK 550 models and not available CLK 63 AMG. AMG Premium Leather upholstery standard CLK 63 AMG and not available CLK 350 and CLK 550 models.
- 27 Metallic paint, optional at extra cost.
- 28 Dimensions shown are for models with standard equipment and sunroof. Figures are with top up unless otherwise indicated.
- 29 Optional or part of an Option Package. See optional equipment listing on page 42.
- 30 Rear seats cannot be occupied while wind deflector is in place.
- 31 Unsecured cargo can become hazardous in a collision. Always secure cargo using floor-mounted tie-downs.
- 32 When equipped with this feature.
- 33 Only for timing use on roads and in conditions where high-speed driving is permitted. Racing on public roads is prohibited under all circumstances and posted speed limits should always be obeyed.
- 34 OCCUPANT CLASSIFICATION SYSTEM (OCS) IS DESIGNED TO TURN THE FRONT PASSENGER'S FRONT AIR BAG OFF WHEN THE SYSTEM SENSES THE WEIGHT OF A TYPICAL CHILD 12 MONTHS OLD OR LESS PLUS THE WEIGHT OF A STANDARD APPROPRIATE CHILD RESTRAINT. SEE OPERATOR'S MANUAL FOR IMPORTANT ADDITIONAL INFORMATION ON THIS SYSTEM AND FOR FURTHER INFORMATION REGARDING THE TRANSPORTATION OF CHILDREN HEAVIER THAN A TYPICAL 12-MONTH-OLD.
