OUT OF THE BOX

SENSUOUSLY SENSIBLE

We all have our practical side—the voice in our head that can always present the rational argument. But how often does it win the debate over what to drive? Practically never. Driving is not just a function—it's also a feeling. Which makes the new GLC Coupe practically perfect.

If someone asks you to name one vehicle that satisfies all your needs, how do you respond? If you say “No, but I could name three,” you’re not alone. It’d be nice to do the daily commute in a spacious 4-door, use an SUV for the Saturday chores, and escape in a sports car on Sunday. If you say “I’d love a luxury coupe, but I gotta have all-wheel drive,” that’s a tempting combo. And if your first reaction is “Needs? What about desires?” then one thing’s for sure: You’re an enthusiast—a true driver.

Now there’s a new answer to that riddle: the 2017 GLC Coupe. It’s a spacious, luxurious, all-wheel drive 4-door SUV with the athletic physique and lively heart of a Mercedes-Benz sport coupe. A fusion of SUV capability and coupe character, its turbo torque is applied with the all-season, any-road handling confidence of 4MATIC® all-wheel drive. It combines multiple dimensions of driving innovation—in convenience, safety and connectivity—within actual dimensions that balance maneuverability in the city with generous cabin and cargo space. And it’s anything but half-SUV and half-coupe, offering a full complement of what you need—and desire—from both.

So if you no longer have to choose between an SUV and a coupe, what’s left to decide? Actually, there’s plenty, but all of it promises to be fun. Would you like the verve of one turbo in the responsive GLC 300 4MATIC Coupe, or the vigor of two in the biturbo AMG GLC 43? Want to go even bolder? There are Sport and Night Packages, an array of wheels from 19" to 21", an enticing palette of glossy or matte paintwork, and cabin trim options from aluminum to hand-finished wood to carbon fiber. You can satisfy all your senses with options like heated and ventilated seats, multicolor ambient lighting, and even a cabin fragrance atomizer. And within its sloping roof and power liftgate, you’ll even find something to seduce your sensible side: a flexible and versatile cargo area. The GLC Coupe can hold as much as many sedans while seating five in comfort, or as much as a conventional SUV under its luggage cover—the part you actually use, unless you tend to buy a new refrigerator every week.

So the next time you’re asked to name one vehicle that fits you perfectly, you can smile and say “Yes. It’s an SUV. And a coupe. And, best of all, it’s a Mercedes-Benz.”

2017

KEY FEATURES

IT'S LIKE HAVING A *SPORTS CAR* FOR ALL SEASONS,
AND A *LUXURY SUV* THAT'S
AT HOME ON ANY ROAD

PERFORMANCE

Responsive turbo power with nine sporty speeds. Advanced chassis options. And five driving modes, from Comfort to Sport+.

Inline-4 turbo or AMG-enhanced V6 biturbo engine

DYNAMIC SELECT drive modes

9G-TRONIC 9-speed transmission

4MATIC® or AMG Performance 4MATIC all-wheel drive

Class-exclusive AIR BODY CONTROL*

DESIGN

SUV confidence with the chiseled muscle of a coupe. Substantial wheels with an athletic stance. Bold yet elegant from every angle.

Sleek coupe shape with SUV character

Stylish cockpit with cascading console

LED headlamps¹ and taillamps

A wide selection of upholstery and trim*

19" to 21" wheels*²

Sport and Night Packages*

SAFETY

Groundbreaking safety systems that look ahead, and all around. Active and semi-autonomous systems to assist you.

Radar-based COLLISION PREVENTION ASSIST PLUS

Rearview camera

DISTRONIC PLUS® adaptive cruise control with Steering Assist*

Blind Spot and Lane Keeping Assists*

Surround View System*

LUXURY

A rewarding cockpit for the driver, a refined cabin for everyone. Flexible room for your gear. Innovation with an indulgent edge.

Power front seats with driver memory

Power tilt/sliding glass sunroof

Heated and ventilated front seats*

Multicolor LED ambient lighting*

13-speaker Burmester® Surround Sound*

TECHNOLOGY

User-friendly innovations to keep you connected, engaged and refreshed. Intuitive controls to keep your world within reach.

Power liftgate

Mercedes me with smartphone app, in-car Internet and 4G LTE WiFi³

7" color screen, or COMAND® with navigation, touchpad and 8.4" color screen*

KEYLESS-GO® and HANDS-FREE ACCESS liftgate*

*Optional or not available on some models. Please see back of brochure.

PERFORMANCE

THE CURVES WILL GRIP YOU

A sport coupe and sport utility vehicle usually don't have much in common beyond their first name. But when the family name is Mercedes-Benz, the racing-bred passion of a coupe and the legendary capability of an SUV are not just part of their nature. They're also a natural pairing.

The performance legacy behind a Mercedes-Benz isn't just part of its past. It's irrefutable proof of continually racing ahead. When a Daimler-powered car won the first official auto race, the finish line became a starting point for countless victories and endless learning. It's why so many Mercedes-Benz firsts for the street started on the track—from independent suspension to fuel injection. But there's not just one performance legacy behind the Star in the GLC Coupe's grille. Its capability was born in the first all-wheel-drive vehicle in 1909. It's been bred in 37 years of the legendary G-Class. And it's been raised to outperform—from loose surfaces to tight curves—in 4MATIC® all-wheel drive. Whether sport coupe or sport utility vehicle, “sport” means the same thing in every Mercedes-Benz: performance that's truly gripping.

Both GLC Coupe models send their turbocharged power to all four wheels with a union of fervor and finesse. The 241-hp inline-4 turbo engine in the GLC 300 delivers its entire 273 lb-ft of torque from 1,300 to 4,000 rpm—for all-out response, all the time. It teams with a 9G-TRONIC transmission whose quick action, shift paddles and nine speeds turn every rev into a revelation. You can rush to 60 mph in just 6.4 seconds,* or rest easy with 27 mpg on the highway.⁵ The AMG GLC 43 Coupe's AMG-enhanced

drivetrain is even more compelling. Both engines self-tune not just every few miles, but every few milliseconds. Their high-pressure Direct Injection atomizes fuel into an ultrafine mist. Multispark ignition can rapid-fire the spark plugs four times in a row—for combustion that's simultaneously stronger and cleaner. And to turn their ample torque into usable traction, standard 4MATIC all-wheel drive sends the engine's power to the wheels with the best grip*—continually, precisely and efficiently—for handling that's both reassuring and rejuvenating.

The GLC 300's selective-damping shock absorbers firm up in corners yet keep the ride refined. Class-exclusive AIR BODY CONTROL* employs self-leveling and height-adjusting air spring-struts that adapt to roads, loads and selectable modes. It even lets you lower the rear of the vehicle for easier cargo-loading. DYNAMIC SELECT let you dial in the throttle, shifting and chassis response via a console button. Its modes range from Comfort to Sport+, plus an Individual mode you can customize for yourself. And four sizable wheel styles are available for each model: 19" or 20" on the GLC 300, 20" or 21" on the GLC 43. It all adds up to more than a capable SUV with the physique of a coupe. As much as you might like the curves of its body, its chassis loves curves even more.

ANALOG PASSION

The GLC Coupe cockpit is both driver-focused and pleasing to its passengers. Analog gauges and color screens are crisp and clear. Controls feel intuitive and precise. The seats are supple yet supportive—hand-fitted in a range of upholstery from leatherlike MB-Tex (paired with DINAMICA microsuede on the GLC 43) to diamond-stitched *designo* Nappa leather.* The dual-zone climate control can be enhanced with the Air Balance system,* which can ionize the cabin air for freshness, then infuse it with one of six subtle fragrances. And ambient lighting* softly outlines the cabin and cascading console. Its three selectable colors let you suit your mood, or create one.

DIGITAL PRECISION

A 7" high-resolution color display and central controller on the console offer easy access to audio, Internet,³ navigation* and feature personalization. The screen's sleek design lets it be placed nearer to your view of the road, while the controller is where your hand rests naturally. Its turn-and-click rotary knob controls carousel-style menus with lifelike animations. With COMAND® navigation,* the screen is supersized to 8.4" and the controller adds a touchpad. Using smartphone-like gestures, you can pinch to zoom on a map, swipe through menus, and even write an address with your fingertip.⁷ Maps show detailed 3D views, and lane guidance before a turn.

A PRIME VIEW OF THE ROAD AHEAD

VISUAL DISTINCTION

To the GLC Coupe's driver, it's a performance coupe with a commanding view of the road. To any onlooker, its bold looks command attention—even more so with its available styling packages. The Exterior Sport Package emboldens a GLC 300 with 20" AMG® wheels,² perforated front brakes, an active exhaust, AMG body styling, and topstitched door and dash trim. The Interior Sport Package adds a sport steering wheel and brushed metal pedals. Most of these are standard on the AMG GLC 43. And a Night Package for either model cloaks a number of exterior elements in dramatic gloss black—along with black-accented 20" (or 21" on the GLC 43) AMG wheels.

AUDIBLE DELIGHT

The GLC Coupe's versatile performance extends to its audio system. You can stream from your Bluetooth® device, or via apps³ like iHeartRadio®. Enjoy the added local programming of HD Radio®. Or savor 150+ nationwide channels of SiriusXM Radio with a 6-month All Access trial.⁸ It all comes to life via the award-winning FrontBass® system, which integrates woofers into the front body structure. And the 13-speaker, 590-watt, 9-channel Burmester® Surround Sound System* immerses you in the work of Germany's renowned crafters of high-end home audio. The system's intricately crafted metal speaker grilles make its sound look as good as it feels, too.

AND A PREVIEW OF WHAT'S NEXT

PROACTIVE PROTECTION

Mercedes-Benz Intelligent Drive is an advanced network of standard and available assists that use radar, cameras and other sensors to help make driving safer, less stressful and more enjoyable. COLLISION PREVENTION ASSIST PLUS helps sense if you're approaching traffic ahead too quickly. It can alert you to brake, or even initiate braking if you don't.⁹ ATTENTION ASSIST® helps detect if you're getting drowsy on a longer trip by monitoring up to 70 parameters of driving behavior.¹⁰ Along with a rearview camera or the multi-camera Surround View System,*¹¹ PARKTRONIC with Active Parking Assist* helps make you an expert negotiator of tight spaces.¹²

ADVANCED ACTION

A Head-Up Display* keeps key driving information like your speed and navigation* instructions closer to your line of sight. Its projected color graphics appear to float over the hood.¹³ The Premium 3 Package* adds a suite of driver assistance systems. DISTRONIC PLUS® cruise control employs radar to adapt your speed to the flow of traffic, even stop-and-go,¹⁴ while Steering Assist helps keep you centered in your lane. Active Blind Spot¹⁵ and Lane Keeping¹⁰ Assists help ease your travel on multilane roads. Other groundbreaking systems of Intelligent Drive can alert you to cross-traffic or pedestrians in your path ahead, or help prepare for a collision from behind.¹⁶

*Optional or not available on some models. Please see back of brochure.

DRIVING PERFORMANCE

WHERE IT'S FROM

Affalterbach, Germany, is an orchard town where trophies are harvested. It's the home of AMG, where for nearly 50 years, championship racecars have been created by a team of people who are not just racers. They're dreamers. Visionaries. And perfectionists. They develop technologies that heighten power, like patented NANOSLIDE® cylinder walls that slash friction and wear. They shatter limitations: Rear-biased AMG Performance 4MATIC® clings to pavement yet delivers nimble steering. They break Formula 1® records, and are by far the most winning name in the DTM (German Touring Car Championship). And they turn victory on the track into vehicles that conquer the streets of the world—and the hearts of its most passionate drivers.

IS WHAT IT CAN DO

The Mercedes-AMG GLC 43 Coupe is deeply infused with the DNA of racing champions and the hardware to bring it to life: substantial brakes, self-lowering air suspension, aggressive bodywork, 20" AMG® wheels,² and exclusive cabin details. Its AMG-enhanced 362-hp V6 biturbo engine and paddle-shifted 9G-TRONIC 9-speed can thrust you to 60 mph in 4.8 seconds.⁴ AMG Performance 4MATIC sends 69% of the engine's 384 lb-ft of torque to the rear wheels, for surer launches and dexterous handling.⁶ AMG DYNAMIC SELECT's five drive modes let you fine-tune performance settings—from the shift points to the damping of the AMG Sport Suspension based on AIR BODY CONTROL. Silver chrome accents in the AMG front and rear aprons and a chrome-tipped diamond-block grille set off the matte black fender flares and gloss black mirrors. Options include AMG wheels up to 21" and an AMG Head-Up Display.¹³

Mercedes *me*

Mercedes me makes it easy to stay connected to your car, and your life. It can make any trip easier, more enjoyable, or more entertaining. And it'll bring you a world of rewards for being part of the family.

CHANGING WHAT'S REMOTELY POSSIBLE

Any time, any place

Life is better when you're connected. You don't have to leave your world behind when you're in your Mercedes-Benz. And you can have access to your car even after you park and walk away. It's all possible with *Mercedes me*.³

Convenience at your fingertips

The *Mercedes me* website and smartphone app let you control features of your vehicle, interact with your dealer, and more. Your own homepage and the free app for Android® and iPhone® make it easy to plan ahead or be spontaneous.

Your car in your pocket

With the *Mercedes me* app, you can remote-start your car, lock or unlock its doors, and keep an eye on it if you valet-park. And you can look up a destination or address and send it to your car's navigation system, all from your phone.

INSPIRING THE JOURNEY

Be part of something special

When you drive a Mercedes-Benz, you're part of the family. *Mercedes me* lets you follow along on featured road trips, learn about special events, and find out how you can join in on them.

Get the Star treatment

Get exclusive perks at world-class resorts when you stay at a partner hotel of *Mercedes me*. Visit MBUSA.com/mercedesme to find out more.

Enjoy the personal touch

Beyond its advanced, user-friendly technology, *Mercedes me* is a team of helpful people who genuinely care. Expert concierges are always on call to help you—from reservations to travel plans to assistance with virtually any request. And you can reach them anytime from wherever you use your smartphone.

SMOOTHING THE WAY

Ownership, simplified

From managing your Mercedes-Benz Financial Services account to reaching out to your dealer, *Mercedes me* makes it easy. Even if you have more than one Mercedes-Benz, you can access them all from the same app.

Technology, demystified

Get the most from the innovative features in your vehicle with helpful how-to videos and downloadable manuals—from your computer or the mobile app. You can even reach out to your dealer's expert Product Concierge.

Service, on your side

Is it time for service or maintenance? You can make an appointment right from the *Mercedes me* app. Flat tire, dead battery, or out of fuel? You can summon Mercedes-Benz Roadside Assistance to your side, 24/7, with a few taps.²³

TOGETHER WHEREVER: *mbrace*

It's perfectly natural to develop an emotional attachment to your Mercedes-Benz. With mbrace, enjoying a technological connection is just as easy.

Mercedes-Benz mbrace® puts the power of *Mercedes me* to work for you—from apps to WiFi—when you're in your car, and remote vehicle features when you're not.³ Four mbrace packages let you tailor its many benefits to fit your life.

5 years of mbrace Connect included

Every new Mercedes-Benz comes with five years of mbrace Connect at no additional charge. It's the core mbrace package but it's far from basic, with remote features and in-car Internet.

Mercedes me app includes:

Remote Start
Remote Door Lock/Unlock
Remote Horn & Lights
Send2Benz™
Valet Protect
Vehicle Finder
Curfew Minder
and more

In-car features include:

Gas Stations & Fuel Prices
HERE™ Local Search
Remote Diagnostics
Roadside Assistance
Point-of-Interest Download
Traffic Cameras
Weather
and more

mbrace Secure 6-month trial included

Peace of mind comes from automatic SOS calling after an accident, stolen vehicle tracking, and other security benefits.

Features include:

Automatic Alarm Notification
Automatic Collision Notification
SOS/Emergency Call
Stolen Vehicle Location Assistance
Agent-assisted Remote Door Lock/Unlock
Agent-assisted Vehicle Information
Safe Ride
and more

mbrace Concierge 3-month trial included

Live assistance from trained professionals, from tickets to a show to travel planning. An expert can even help you find a point of interest, and then guide you there, turn-by-turn.

Features include:

Mercedes-Benz Concierge
Point of Interest Destination Download
Turn-by-Turn Route Assistance
Location-based Traffic and Weather

mbrace Entertainment 3-month trial included

Streaming audio and in-car WiFi for you and your passengers.

Features include:

iHeartRadio®
TuneIn® Radio
In-vehicle WiFi

GENUINE ACCESSORIES

Genuine Mercedes-Benz Accessories are engineered to exacting standards of quality, appearance and fit. They help make your car more of what you want or need it to be—from grille to liftgate, wheels to roof racks, cabin to cargo area. There's no better way to make your GLC all your own, while keeping it 100% Mercedes-Benz.

GLC Coupe accessories include:

A selection of alloy wheels	Running boards
Illuminated Star NA with <i>Luxury or Premium 3 Pkg.</i>	Front-door LED logo projectors
Roof rack basic carrier	All-season floor mats
Roof Box Requires basic carrier	Luggage net
Rear spoiler	Cargo area tray
Chrome front trim	AMG Heritage wheel hub inserts
Protective trim Available for sides and front	Air Balance atomizer fragrances

The personal rewards of striving to be the best are even more meaningful in the development of young people than they are for automobiles. Instilling the values of leadership, goal-setting, discipline and teamwork in youth is an investment in everyone's future. It's why Mercedes-Benz USA is collaborating with the Laureus Sport for Good Foundation, with an ongoing commitment to train and place hundreds of coaches for after-school and in-school sports programs in communities around the country. Sports offer kids more than the chance to be physically active and have fun. It's also an opportunity to have a mentor who can guide them, help them learn how to deal with major life issues, and help them grow stronger not just physically but in their character. As a Mercedes-Benz driver, you become a part of this effort to give hundreds of thousands of kids a better life today, and all of us a brighter tomorrow.

ENDNOTES

- * Item is optional or not available on some models. See Packages and Options listing in this brochure or visit MBUSA.com for more information.
- Introduction dates vary. Some early-production GLC300 Coupe models may be equipped with halogen headlamps with a corresponding price credit.
 - GLC models are equipped with Extended Mobility tires, and are not provided with a spare tire. High-performance tires plus TIREFIT sealant and a portable air pump are included with 21" wheels.
 - Mercedes me* and Mercedes-Benz mbrace® services operate only where cellular and GPS satellite signals are available, which are provided by third parties and not within the control of Mercedes-Benz USA, LLC. Five years of the mbrace Connect package are included with new-vehicle sales and leases at an authorized Mercedes-Benz dealer. Subscriber Agreement is required for service to be active. Secure, Concierge and Entertain services require acceptance of the complimentary mbrace Connect services, and paid subscriptions after their trial periods. Some services are only available on select vehicles. Your PIN is required to use certain services. WiFi and streaming apps require Premium 2 Package, and an mbrace Entertain subscription. Connection may be limited by cellular signal. Apps may be introduced, updated or deleted at varying dates, and may also require a vehicle software update. Some services may be limited or restricted in some areas. Driver is responsible for complying with traffic and other laws. Mobile app is compatible with Apple iPhone® models running iOS 7.0 or later, and Android-based phones running OS 2.3 or later. See your dealer or MBUSA.com/mercedesme for details.
 - Stated rates of acceleration are estimated based upon manufacturer's track results and may vary depending on model, environmental and road surface conditions, driving style, elevation and vehicle load.
 - 2017 EPA estimated fuel economy (city/highway) is 22/27 mpg for GLC300 Coupe, and 18/24 mpg for AMG GLC43 Coupe. Compare the estimated mpg to the estimated mpg of other vehicles. You may get different mileage depending on how fast you drive, weather conditions and trip length.
 - No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seat belt. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in snow is obtained with winter tires.
 - While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or visual displays once the vehicle has been stopped in a safe place. Maps do not cover all areas or all routes within an area. Online features require a subscription and one or more mbrace Packages.
 - The purchase of a new, satellite radio-enabled vehicle includes a 6-month introductory subscription to the Sirius All Access package, as well as a 5-year introductory subscription to SiriusXM Traffic and SiriusXM Weather when equipped with the Premium 2 or Premium 3 Package. SiriusXM Traffic and Weather services are available for select markets. SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Weather subscriptions are sold separately or as a package after trial period. If you decide to continue your subscription after your trial, the plan you choose will automatically renew and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change.
 - COLLISION PREVENTION ASSIST PLUS may not be sufficient to avoid an accident. It does not react to certain stationary objects, nor recognize or predict the curvature and/or lane layout of the road or every movement of vehicles ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely. See Operator's Manual for system's operating speeds and additional information and warnings.
 - Driving while drowsy or distracted is dangerous and must be avoided. ATTENTION ASSIST™ and/or Lane Keeping Assist may be insufficient to alert a fatigued or distracted driver of lane drift and cannot be relied on to avoid an accident or serious injury. See Operator's Manual for system's operating speeds and additional information and warnings.
 - Rearview camera and Surround View System do not audibly notify driver of nearby objects and are not a substitute for actively checking around the vehicle for any obstacles or people. Images displayed may be limited by camera field of view, weather, lighting conditions and the presence of dirt, ice or snow on the cameras.
 - Active Parking Assist is not a substitute for driver attention to the immediate surroundings, as well as any people, animals or vehicles in or approaching the vehicle's maneuvering range. System cannot determine if a space is legally available or of a suitable surface for parking. See Operator's Manual for additional information, tips and warnings.
 - Head-Up Display may not be visible with certain eyewear, including polarized glasses.
 - DISTRONIC PLUS® adaptive cruise control is no substitute for active driving involvement. It does not adapt cruising speed in response to stationary objects, nor does it predict the curvature and lane layout of the road ahead or the movement of vehicles ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely.
 - Blind Spot Assist may not be sufficient to avoid all accidents involving vehicles in your blind spot and does not estimate the speed of approaching vehicles. It must not be used as a sole substitute for driver awareness and checking of surrounding traffic conditions. See Operator's Manual for system's operating speeds and additional information and warnings.
 - System cannot prevent a collision, and does not alert the driver of an impending collision or system activation. It does not intervene if vehicle is backing up, and does not apply the brakes if the driver is accelerating or if Active Parking Assist is operating.
 - Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-downs.
 - Round steering wheel included with Espresso Brown/Black and Silk Beige/Espresso Brown upholstery.
 - Read Operator's Manual before towing. In some states, aftermarket trailer brakes are required. See dealer for details.
 - Not available with some interior colors. See dealer or MBUSA.com/GLC-coupe.
 - Includes front passenger-seat memory (standard on AMG GLC43) plus other items. Not available with some other options. See dealer or MBUSA.com/GLC-coupe.
 - Includes Gloss Black console with aluminum dash and door trim.
 - Roadside Assistance repairs may involve charges for parts, service and towing. Vehicle must be accessible from main roads. Depending on the circumstance, these services may be provided by an outside provider, courtesy of Mercedes-Benz Roadside Assistance. Restricted roadways, acts of nature and vehicle accessibility may limit our ability to provide services to you. For full details, eligibility requirements, and limitations/exclusions of Sign and Drive services, as well as the Roadside Assistance Program, please see your dealer.
