BE OPEN.

MINI CONVERTIBLE The credo of the MINI Convertible is “Always Open.” It’s a sentiment that speaks to the thrill of motoring without a roof, but also captures a uniquely MINI mindset of being open to whatever adventure might be waiting around the next hairpin curve.

The Openometer gauge on the MINI Convertible keeps track of how long you’ve had the top down. It’s a friendly reminder to help you stay Always Open.

BE BOLD.

MINI COUPE may be the purest expression of the MINI mindset. It's an unapologetically aggressive two-seater with a lower center of gravity that instantly brings out the daredevil in any motorer. Ultra-stiff bodywork, torsional reinforcements and incredibly precise steering combine to create a direct connection to the road while the spectacular styling and retractable spoiler leave no one in doubt about this Coupe's capabilities.
